Mrs. John Copeland To Be Hospital Auxiliary President

To Be Installed Friday at 3 P. M.

Installation of new officers will be the main business when the Sterling County Hospital Auxiliary meets at the hospital at 3 p. m. this afternoon, January 2. Mrs. John Copeland, Jr. will be installed as the 1953 president, succeeding Mrs. Horace Donalson.

Other new officers elected early in December include Mrs. Sterling Foster as vice-president, Mrs. Martin C. Reed, secretary and Mrs. Fred Allen, treasurer.

All members of the auxiliary are urged to be present and all other persons interested are invited to attend this meeting, stressed Mrs. Donalson, retiring president.

CHRISTMAS GUESTS AT THE ROY FOSTERS

Christmas guests at the Roy Fosters included Rev. and Mrs. Ed H. Lovelace of Goldthwaite, Mr. and Mrs. I. N. Wilkinson of Abilene, Mr. and Mrs. I. W. Terry of Colorado City, Mr. and Mrs. F. F. Westbrook and Janet and Bobby, and Mr. and Mrs. Roy T. Foster, Jr. and Tommy.

On Christmas Eve the following guests visited with the Lovelaces in the home: Rev. and Mrs. Bruce Medford, Mr. and Mrs. Rufus Foster, Mr. and Mrs. H. L. Hildebrand, Miss Ethel Foster. They were served coffee, cake, candies and nuts by Mrs. Terry, Mrs. Westbrook, Miss Elizabeth Hildebrand and Mrs. Royal T. Foster, Jr.

Mr. and Mrs. J. M. Hornbuckle were Christmas visitors here. He is a former grocerman of Sterling.

Christmas visitors at Mrs. D. C. Durhams and the Roy Morgans were Mr. and Mrs. Harold Durham of Eastland, Mr. and Mrs. D. K. Durham, Rachal Ann and Rebecca of San Angelo, Mr. and Mrs. Clyde Davis of San Angelo, Mr. and Mrs. Bill Davis and Gail of Seagraves, Mr. and Mrs. Norman Durham of Austin, and Mr. and Mrs. Worth B. Durham, David, Bitsy and Drew of Sterling City.

1953 Chevrolets To Be Shown by Caperton On January 9

The new 1953 Chevrolets are to be shown by R. T. Caperton Chevrolet Company here on Friday, January 9. Such announcement was made this week by the owner of the company, R. T. Caperton.

Caperton said he wanted to have a good crowd to view the completely new '53 Chevrolet and had made big plans for a gala showing.

Free coffee, doughnuts and cold drinks will be on hand for all the visitors and gifts will be given to each person attending.

Nephew of Local Woman Killed in Car Wreck

MRS. VERNON BLACKMAN'S NEPHEW KILLED IN CAR WRECK DEC. 19

David Weaver, 21, of Oklahoma City, was killed on December 19 in a car crash there. Funeral services were held in Oklahoma City on December 23. Young Weaver, a son of the Ervin Weavers of Oklahoma City, was a student in Oklahoma A&M College at Stillwater.

A nephew of Mrs. Vernon Blackman of Sterling City, he was killed while at home for the holidays. The Blackmans attended the funeral services.

S. M. Ray, Jr. Dead In Belton

Masonic rites were held in Belton, Texas Tuesday afternoon, December 23 for S. M. Ray, Jr., who died suddenly in that city Sunday morning, December 21, after an illness of several months.

Survivors include the widow, the former Miss May Glass; two sons, McElroy Ray of Dallas, and Jeff Ray of Baltimore, Maryland; one daughter, Mrs. Ray Carlisle of Raymondville; three grandchildren; a brother and one sister.

Relatives attending the funeral from here were Mrs. J. L. Glass, Mr. and Mrs. Harvey Glass and Dan, and Mr. and Mrs. David Glass.

Mrs. W. E. Grigsby of Sanderson has been here visiting her mother, Mrs. J. L. Glass.

SCHOOL OUT FOR NEW YEAR'S HOLIDAY

The Sterling school turned out for the New Year holidays on Wednesday afternoon of this week. The classes will be resumed next Monday, January 5.

Bill Cole of Houston and Buddy Cole, student in Hardin-Simmons University were home with their mother, Mrs. Agnes Cole for the Christmas holidays.

Two Compliment Mississippi Visitor

Two complimented a Sterling visitor last week with parties in their homes. The honoree was Mrs. J. A. Crossland of Gulfport, Miss., who was here with her family visiting the Wm. J. Swanns. Mrs. Lee Augustine entertained with a party in her home for the visitor on Friday night and Mrs. Lester Foster honored the Mississippi visitor with a party in her home Saturday afternoon.

Mrs. Crossland is a sister of Mrs. Swann.

HEALTH TALKS

Prepared by the State Medical Association of Texas

A modern American craze is putting coins in slots to get something out; gum, candy, cigarettes, music, telephone service, or any variety of products. However, if you put things into the ear "slot" that don't belong, you're likely to get only one thing out: trouble!

The ear was made with the idea that it was not to be meddled with, and as long as it's healthy, that's the best advice to remember. For example, how should a baby's ear be cleaned? With an ordinary wash rag, and then not very energetically. The wash rag should be placed around the finger, not twisted and stuck into the ear. The same rule for cleaning the ear applies to adults; Nix on cotton tips, hairpins, toothpicks, broom straws, and the many other ways man has thought of to torture the poor ear.

Many people are too particular about cleanliness of their ears. They consider wax dirty and work constantly to get rid of it, failing to realize it is a natural protection against objects which might accidentally get into the ear. Only when the wax forms a plug that cuts down the hearing should it be removed, and then a doctor should do the job.

Even if it sounds silly, the way you blow your nose has a lot to do with the health of your ear. There is a tube leading from the middle ear to the part of the throat just behind the nose. This "Eustachian tube" has as its main purpose to make equal the pressure on each side of the ear drum. It is made so that ordinarily it drains secretions from the middle ear to the throat, a very important help. However, if there are germs in the throat, say from a cold, and one side of the nose is held while the other is blown, it is easy to send the germs into the Eustachian tube and on to the middle ear, often causing infection there.

When you blow your nose, be careful that both nostrils are open and that you blow gently so not much pressure is put on the tubes leading to each middle ear. It's better to let the discharge from the nose drop into the throat, where it can be spit out or swallowed, than to send it where it doesn't belong.—into the Eustachian tube and on to the middle ear. You shouldn't make an airplane flight if you have a cold, sore throat, or other infection of the respiratory system. A change in air pressure during the time you are coming down or going up (more often coming down) can cause an infection of the middle ear if the Eustachian tube is blocked.

What if something gets into your ear by accident? It will make a difference what that something is as to how it should be removed. If water is used to wash out a bean or pea, the bit of vegetable may swell and be impossible to remove without hurting the ear canal. If an insect gets into the ear, it may have to be drowned with oil or water to keep it from clinging to and tearing the walls of the ear canal or ear drum.

Certainly much damage has been done to ears and the hearing by clumsy attempts to remove foreign bodies. In some cases a small piece of gravel or wooden splinter has been driven through the ear drum into the middle ear, to set up trouble there. The doctor's "know-how" means that the foreign object will be removed as painlessly as possible and with a minimum of damage or no harm at all to the ear.

In the South, where swimmers go into warm waters, fungus infections of the ear are common. Some medical experts have recommended that ear plugs of cotton, rubber or other materials be used to stop up the ears. This precaution also might save the diver from

P.T.A. Next Thursday Afternoon

The Sterling City Parent Teacher Association will meet at the school auditorium next Thursday afternoon.

The program as scheduled will consist of the devotional by the Baptist pastor, a musical selection by Kent Jones and a business meeting.

All members are urged to attend.

Mrs. Odessa Wilson of Dallas was a holiday guest here in the home of Miss Ethel Foster and Mr. and Mrs. H. L. Hildebrand.

Kack Cole suffered three broken ribs and bruises when his car overturned on the highway Monday night of this week. The accident occurred on the Big Spring highway between the Cole ranch and Sterling City.

The H. M. (Buster) Gobers of Lubbock were Christmas visitors at the home of Mrs. James McEntire.

The Link Browns are now operating the State Hotel for H. L. Hildebrand. They replace Bob Harris, who has been running it for the past few years for Hildebrand.

Bob Stallknecht from Del Rio is the new employee at Bill J. Cole's butane company. Bill said he had several years of experience of dealing with butane.

LOST—A package containing a hat and baby clothes. Between here and Bronte Sunday. Call Anceel Reed

Visiting her mother here for the Christmas holidays was Paula Sue Wyckoff, daughter of Mrs. Leah Wyckoff. Paula Sue is from San Francisco, California, where she is employed at an Army Air Base.

Rev. and Mrs. Bruce Medford and Susan and Mary went to Lockhart Christmas weekend for a visit with Bruce's parents, Mr. and Mrs. W. O. Medford.

BEHIND THE 8-BALL

The State Highway Department widening program of highway 87 is very evident, especially between here and Big Spring. The stakes are being put out on the road between here and Carlsbad. Some of the fence is being set back down toward Carlsbad.

8-BALL
Lots of colds and sore throats around town. Some of the sufferers complain of it being something like flu.

8-BALL
The town closed up pretty well here on New Year's Day as usual. It is one of the five holidays taken through the year by local merchants. School turned out for the observance.

8-BALL
New Year's is a time for the Chinese to pay off all their debts. Some wag asserts that he could do that too if he were allowed to use those practically worthless Chinese dollars.

hurting the ear drum if he hits the water in such a way as to build too suddenly the pressure on the outside of the drum.

Swimmers need to learn the correct way to breathe—that is, to breathe out while the face is in water, waiting to breathe in until the face emerges. The right breathing method means that germs from the throat or possibly in the water itself will not spread to the middle ear.

It is recognized that too much noise can be a source of ear trouble. Three methods for controlling noise in industry have been tried: (1) controlling noise at its source (insulating noisy areas, using noiseless machines such as "silent typewriters") (2) changing the worker who is known to be especially sensitive to noise to a job in less noisy surroundings, and (3) reducing noise at the ear of the worker by ear plugs.

Sterling City Annual Invitation Basketball Tournament will be held at the school gym on January 15, 16, and 17. Such announcement was made by Coach Oscar Dorsey this week. There are eight towns to be represented in the tournament with both boys and girls teams participating. This makes a total of 16 teams entered.

Teams will be coming from Foran, Bronte, Christoval, Knott, Garden City, Mertzon, Barnhart and of course Sterling City.

The first game will be at 5:30 on Thursday afternoon, January 15. It will be a game by Bronte and Garden City teams—both boys and the girls following. Sterling City and Foran will play later that evening.

Bronte and Christoval are favorites in the boys bracket and Knott and Bronte girls are picked as pre-tournament favorites of the girls.

Officials are to be Roy Salee and Jack Dillon of Roscoe and Aspermont.

"MEET THE YEAR'S LUCKIEST PEOPLE" * * * * Some had miraculous escapes from death . . . Others hit fortune's jackpot! This story reveals the remarkable good luck of last year's most fortunate individuals. Read it in the American Weekly, that great magazine distributed with next Sunday's Los Angeles Examiner.

The H. A. Chapples spent Christmas day at Christoval with H. A.'s parents, Mr. and Mrs. F. E. Chapple.

Fire Does No Damage

A fire in the boiler room at Bailey's cleaning department Wednesday morning did little or no damage before it was extinguished. The employees and Bailey put the fire out with buckets of water before the fire truck arrived on the scene.

Children have a fine time preparing and eating this apple confection. And it is inexpensive to make!

Apples-on-a-Stick

- 6 red apples
- 6 wooden skewers
- 1 cup sugar
- 1 cup Karo Syrup, Red Label
- 1/2 cup water
- Few drops red vegetable coloring
- Few drops cinnamon or peppermint flavoring

Wash and dry apples; remove stems. Insert skewers in stem end of apples. Combine sugar, light corn syrup, water and red vegetable coloring in saucepan. Cook over medium heat, stirring constantly until mixture boils. Then cook without stirring to soft crack stage (230° F.) or until a small amount of mixture separates into threads which are hard but not brittle when tested in very cold water. Remove from heat; add flavoring and stir only enough to mix. To keep syrup from thickening, place pan over boiling water immediately. Hold each apple by skewer end and dip in syrup. Remove quickly and twirl around so syrup spreads smoothly over apples. Place on wire rack over wax paper to cool. Makes sufficient syrup for six apples.

We recommend the following unusual fruit dessert. Cranberries give the compote an attractive color and flavor combination.

Baked Fruit Compote

- 1 cup light corn syrup
- 1/2 cup orange sections
- 1/2 cup uncooked cranberries
- 3 fresh pears, quartered, peeled and cored
- 6 whole cloves
- 1 3-inch stick cinnamon

Place all ingredients in casserole. Cover and bake in moderate oven (350° F.) about 1 hour or until pears are tender. Chill thoroughly before serving. Makes 4 to 6 servings. Omit spices if desired.

May He Do a Better Job

Chocolate and Coffee Make Mocha And Mocha Calls For More!

By BETTY BARCLAY

Here's a new and different recipe sure to stimulate raids on your cookie jar—Mocha Crisps—frosted with Coffee Butter Glaze that requires no cooking. They're so good to have around when the youngsters gather to demand a dividend with glasses of milk, yet rich enough to become a delicious dessert.

Mocha Crisps are crunchy chocolate cookies topped with creamy rich, Coffee Butter Glaze... made with Instant Maxwell House Coffee, the easy economical way to add perfect coffee flavor to desserts. Just add instant coffee by the spoonful to your dry ingredients and your flavor results will be perfect every time.

And don't forget to serve steaming hot cups of instant coffee with these cookies, or later on in the evening. One cup, two or more—it's always economical and easy to prepare. You'll like the way this pure coffee flavor has been brewed for you.

Mocha Crisps

- 2 cups sifted flour
- 1 teaspoon double-acting baking powder
- 1/2 teaspoon salt
- 1/2 cup butter or other shortening
- 1/2 cup sugar
- 1 egg, unbeaten
- 1/2 teaspoon vanilla

- 2 squares unsweetened chocolate, melted
- 1 tablespoon milk
- 1 cup Coffee Butter Glaze

Sift flour once, measure, add baking powder and salt, and sift together three times. Cream shortening, add sugar gradually, and cream together until light and fluffy. Add vanilla and egg and mix thoroughly. Add melted chocolate and beat well. Then add flour, a small amount at a time, mixing well after each addition. Add milk and blend.

Shape dough into 2 rolls, 2 inches in diameter. Roll each tightly in waxed paper. Chill overnight. Cut in thin slices and place on ungreased baking sheet. Bake in moderate oven (350° F.) 10 minutes, or until done. Cool. Spread cookies with Coffee Butter Glaze, using about 1/4 teaspoon glaze for each cookie. Allow to harden before storing. Makes about 5 dozen cookies.

Note: If desired, cookie dough may be chilled for 2 hours and then rolled thin on lightly floured board, cut with floured 2 1/4 inch cookie cutter, and baked as above.

Coffee Butter Glaze. Place 2 1/2 cups confectioners' sugar, dash of salt, 4 teaspoons Instant Maxwell House Coffee, 5 tablespoons hot water, and 2 tablespoons melted butter in bowl. Blend well. Makes 1 cup.
