**THE HOOVER COMMISSION** got another pat on the back last week when the House joined with the Senate in approving another departmental reorganization plan. The object of these reforms, you will recall, is to create responsibility in agency heads, eliminate overlapping and duplication of functions, consolidate and realign activities, and thereby have better government at tremendous savings to the American taxpayers.

The Congress has now placed its stamp of approval on 7 of these streamlining plans, and the job is nearly complete. As was expected there has been some opposition to each of the revamping plans. But the public demands for reforms to eliminate or reduce duplication, overlapping, inefficiency, confusion and waste, has been so great that opposition has been more vocal than effective. The most recent proposed reorganization, this time in the Department of Agriculture, was approved in the House last week by a whopping vote of 261 to 128. I voted for this phase of the Hoover Commission proposal. Observers estimate that the 7 revamping plans should eventually save the American taxpayers around \$2 billion annually and at the same time provide better and more efficient service to the people.

**AMONG RECENT VISITORS** to our office have been Ralph A. Swanson of Fredericksburg, Manager of REA there; J. C. Cone of Llano; Mary Faust of San Saba; Mrs. C.A. Bowen of San Angelo; L. B. ## Jacqueline Everitt Is Married to George Gary In Odessa Rites

The wedding of Miss Jacqueline Dell Everitt of Odessa and George Morris Gary of Tyler was solemnized at 8 o'clock last Saturday evening in the Odessa Belmont Baptist Church. The Rev. J. Connally Evans officiated at the double-ring rites.

The bride is a daughter of Mr. and Mrs. Herman H. Everitt of Odessa. Mr. Gary is a son of Mr. and Mrs. George C. Gary of Tyler. Vows were exchanged before an altar banked with woodwardia fern. A pyramid of tapers in candelabras extended from the center of the altar and was flanked with pedestal baskets of white gladioli and stock. A sunburst arrangement of white gladioli and stock formed background for the pyramid. Windows were decorated with graduated tapers and greenery and pews were marked with white satin bows.

Given in marriage by her father, the bride chose a dress of white nylon tulle and silk Chantilly lace over satin. The lace bodice was joined to a deep round yoke of nylon tulle with a scallop design. Small self-covered buttons closed the back of the bodice and the long fitted sleeves which ended in petal points over the hand. The bouffant kinks of layers of tulle featured godets of tulle ruffles extending from the waist to the hem. Her chapel length train was formed by an aisle-wide godet of ruffles.

She chose a half shell of Chantilly lace embroidered with pearls as a headpiece. It was caught to an imported illusion veil which fell in two tiers to fingertip length. She carried a white Bible topped with a purple-throated white orchid flowered with lilies of the valley.

Mrs. Robert A. Heinze was matron of honor. She wore a violet nylon net dress with matching stole. The bodice was strapless and the full, floor-length skirt was encircled with puffs of net enhanced with pink rosebuds. Her halo hat was of violet horsehair and net and she carried a garland of dwarf ivy.

Bridesmaids were Misses Mary Ward and Sue Bruton of Menard. Their ensembles of pale yellow and green, respectively, were fashioned identically like that worn by the matron of honor.

Sarah Houston of Austin, cousin of the bride, and Sharon Francis were flower girls. They wore floor-length dresses of pink nylon net over taffeta and carried pink and white baskets holding white rose petals.

Jack Gary of Shreveport, La., cousin of the bridegroom, was best man. Ushers and groomsmen were Jack Aiken, Robert Heinze, Vic and Ned Morris of Houston, cousins of the bridegroom. Chris Evans was ring bearer. Candles were lighted by Gary Ashman and Winston Dick.

Traditional wedding music was presented by Mrs. Harold Gage who played "Liebestraum," "Schubert's Serenade," "Claire de Lune," "I Love You Truly," and "Because." She also accompanied Glenn Murray who sang "At Dawning," and the "Lord's Prayer."

A reception was held in the ballroom of the Lincoln Hotel. The bride's table was laid with white nylon net over taffeta. The centerpiece of white stock and huckleberry laced with nylon tulle was flanked by white tapers in crystal candelabras. The four-tiered white cake was placed on a reflector which was surrounded by huckleberry greens and white daisies.

Mrs. Ralph Bicker of Austin, aunt of the bride, presided at the cake, and Mrs. Ira Houston of Austin, aunt of the bride, served punch. Guests were registered by Mrs. Charles Reynolds of El Paso, aunt of the bride. Mrs. Anna Lee Johnson presented music during the reception. Others in the house party were Misses Louise Johnston, Evelyn West, and Barbara Ash.

When the couple left on a wedding trip the bride was wearing a chocolate brown suit of imported Italian silk with brown lizard accessories. Her hat of aqua velvet featured a complexion veil which was decorated with firefly rhinestones. They will return to Sulphur Springs where Mr. Gary is employed by Humble Oil and Refining Co. He is a graduate of Tyler High School and Baylor University at Waco.

The bride was graduated from Sterling City High School and Bay-

## Goodfellow Field Group To Be Here July 2

A group of military personnel from Goodfellow Air Force Base, San Angelo, will pay a friendly call to Sterling City on Thursday, July 2, to advertise a gala three day carnival to be held at the Base on July 3, 4, and 5.

Funds raised by the carnival have been earmarked to build a swimming pool for military and civilian personnel at the Base.

Highlight of the three day affair will be the awarding of 104 valuable gifts, headed by two 1953 model automobiles—a Buick Roadmaster Riviera and a British-made Jowett Javelin sports car. The two cars will be on exhibit here during the visit by the Goodfellow contingent.

The carnival will open Friday July 3, with a beauty contest—the contestants including representatives of various civic organizations in San Angelo and vicinity.

Saturday's program, July 4, will feature a gigantic fireworks display and an address by Texas Representative Martin Dies.

Gifts will be awarded the final day, July 5, and winners need not be present to be eligible for the prizes.

Other attractions include a Bingo game to be held in the air-conditioned Cadet Dining Room where 200 players can be accommodated. The prize list includes television sets, bicycles, radios, radio-phonographs, and a host of other valuable gifts.

A stages show, "The Follies", will be presented three times daily during the carnival in addition to an open air dance each night on the tennis courts.

Admission to the carnival is free, and plenty of parking space has been set aside for all participants. The carnival will open at 10 a.m. and close at midnight each day.

Cars driven by Joseph Blank and Mrs. Walter Sparkman were damaged in a collision here Sunday. No one was hurt but both cars were put into the garage for repairs.

## Calling All Angels!

By Betty Barclay

AND we'll guarantee that one call to the "angels" in your house (even those with slightly crooked halos!) will be all that's needed when you're serving these luscious "Chocolate Angels!" Light, feathery cups hold a rich chocolate-y filling that's crowned with whipped cream and a cherry "halo" — any wonder they'll come a-runnin'?

**Chocolate Angels**  
2 egg whites; 1/2 teaspoon salt; 1/2 teaspoon cream of tartar; 1/2 cup sifted granulated sugar; 1/2 cup finely chopped walnut or pecan meats; 1/2 teaspoon vanilla.  
1 package (1/4 pound) sweet chocolate; 2 tablespoons water; 1 teaspoon vanilla; 1 cup cream, whipped.  
Combine egg whites, salt, and cream of tartar in mixing bowl. Beat until foamy throughout. Add sugar, 2 tablespoons at a time, beating after each addition until sugar is blended. Then continue beating until mixture will stand in very stiff peaks. Fold in nut meats and 1/2 teaspoon vanilla and blend well. Using a spoon or pastry tube, shape this meringue mixture into rounds on unglazed paper on baking sheet, making each about 3 inches in diameter and 1 1/4 inches high. With the back of a spoon, make a nest-like depression in the center of each. Bake in a slow oven (300° F.) 30 to 35 minutes. Cool and remove from paper. Makes 6 meringue shells.

Place chocolate and water in saucepan over low heat. Stir until chocolate is melted. Cool until thickened. Then add 1 teaspoon vanilla and fold into whipped cream. Spoon into center of meringue shells. Chill about 2 hours before serving. Top each with whipped cream and cherry cut, in fan-shape. Makes 6 servings.

## LET'S TALK LIVESTOCK BY TED GOULDY

Fort Worth—Summer movement of cattle reached a peak at Fort Worth Monday that was a record for the season, and the largest run of grown cattle since 1934 arrived. Some 10,500 cattle and 1,500 calves were estimated and during the day both figures were eclipsed.

Biggest modern day run of cattle and calves to Fort Worth was the second week of October 1946, the week after OPA regulations were dropped. On that Monday, some 10,150 cattle and over 9,800 calves arrived. That being a season of heavy calf sales, which June is not, the combined totals far surpassed the Monday run at Fort Worth.

High grade cattle and calves found prices steady to weak, except prime drylot fed heaves were steady to strong. However, the cull, common, plain and medium to fairly good cattle and calves were weak to \$1 lower. Shelly low grades were off fully \$1 and more.

Another larger offering appeared in the sheep barn at Fort Worth Monday, as receipts hit 14,500. Choice fat lambs of over 70 pounds were fully steady, lighter weights and the medium and lower grades were weak to \$1 or more lower. Ewes were \$1 off. Old bucks lost \$1. Choice fat yearlings were steady but others dipped sharply.

Hogs were steady to 25 cents higher, topping at \$24.50 and \$24.75. Sows were steady at \$20 to \$22, and feeder pigs cashed at \$21 down.

Good and choice fed steers and yearlings sold for \$17 to \$23.50, the day's top honors were shared by L. G. Davis of Shackelford County and G. A. McClung of Johnson County. Davis had 37 steers averaging 1,070 lbs. at \$23.50 and McClung had 20 yearlings of 995 lbs. at \$23.50. Common and medium graders sold from \$10 to \$16, and cutter grades sold form \$7 to \$10. Fat cows \$8.50-\$12, a load of heiferettes averaging 1,025 lbs. from G. A. White, Brady, topped at \$14.25. Canners and cutters \$5.00—8.50. Bulls from \$7.00—\$14, some shelly dairy breeds down to \$6 and below.

Good and choice fat calves \$16—\$20, some yearling weights 500 lbs. and up, \$21.50. Common and medium \$10—\$15, culls \$7—\$10. Good and choice quality stocker steer calves \$16—\$20, good and choice stocker steer yearlings \$15—\$19, heifer calves and heifer yearlings \$2 to \$3 under comparable steers. Stocker cows \$10—\$13.

Good and choice milk lambs \$18—\$25, few to \$26—\$26.50 and cull, common and medium to good sorts from \$12—\$18. Feeder Spring lambs \$12—\$16. Feeder yearlings \$10—\$15, cull yearlings \$8—\$10. Fat yearlings \$17—\$20.

Two-year-olds \$9—\$14, and old wethers \$10 down. Old ewes \$3—\$5. Old bucks around \$3.

*Rich and Luscious*  
PIE OF THE MONTH

By BETTY BARCLAY

Chocolate is an all-time favorite and, when it is combined with a rich cereal crust as shown here, it's hard to beat. Indeed, we challenge you to try to find an easier, tastier filling in an equally easy-to-make crust. The filling, which uses sweet cocoa mix, is rich in chocolate flavor. The crust is made with the new sweetened crispy corn flakes now on the market and, like the filling, can be prepared in a few minutes. No baking necessary! Chilled, topped with whipped cream and garnished with pecans or other available nuts, you'll find this pie is a very special treat!

**Quick Chocolate Pie**

- 1/4 cup instant sweet cocoa mix
- 3 1/2 tablespoons cornstarch
- 2 1/2 cups milk
- 1 teaspoon vanilla
- No-Bake Cereal Crust
- 1/2 cup cream, whipped and sweetened

Combine cocoa mix and cornstarch in saucepan. Add milk gradually and mix well. Cook and stir until mixture comes to a boil. Remove from heat and add vanilla.

Cool slightly (about 5 minutes), stirring once or twice. Turn into No-Bake Cereal Crust. Chill. Before serving, garnish with whipped cream as shown in picture.

**No-Bake Cereal Crust**

- 1 cup finely crushed sugar-coated corn flakes
  - 1/4 cup butter or margarine, melted
- Combine crushed cereal and melted butter and mix well. Press firmly on bottom and sides of 8-inch pie pan. Chill 1 hour before filling.

**A WEEK-END IN THE HOSPITAL**  
I had been "ailing" around with a bum throat and cold for over a month. Such treatment as I was giving it seemingly was getting nowhere.

When I went home on Thursday evening of last week, I remarked to the distaff side that all I wanted for supper was a little bowl of soup. She said I'm going to take you to see Doctor Swann in the morning and I'll bet he makes you go to the hospital for that throat.

Sure enough, Doc said the only way you're going to whip that out is to go to the hospital for some treatment. And since I had already made-up my mind that that was what was going to have to be done, I arranged to check in to the Sterling County Hospital Friday afternoon as soon as I had bathed and shaved. I was not feeling so bad nor any worse than I had been for several weeks.

My wife took me over to the hospital and I walked in with my little bag of belongings. Mildred said come on in, Doc Swann has already set up a course of treatment.

I piled into bed and Mrs. Steward came took my temperature and pulse and "treatment" started—

right in my right hip. That went on twice daily for four days plus the last morning (Tuesday). Also I got a pink pill several times daily

along with what one of the nurses called a toddy, and another called a tonic, AND a bitter liquid that was so powerful that I could even taste it each morning upon awakening. The hip sticking alternated, but the nurses did give me my choice each time.

Each morning at 6 o'clock Mrs. Richmond, the night nurse would bring in some coffee. She'd take Luther Hallmark some between 5 and 6. (He's an early riser.)

Following the coffee, came my shower bath. Some time after 7 Mary Martin would bring around the breakfast. It was two pieces of bacon, scrambled eggs, toast, jelly, coffee and fruit juice. Except on Monday morning which was Mary's day off. Monday my breakfast was bacon, toast, coffee and Grape Nut flakes, and fruit juice.

Dinner was about what one would get anywhere, in my case meat, vegetable, salad, drink and dessert. Now supper was a matter of a bowl of rice or a bowl of mush, with a drink and perhaps a dessert. The exception was Monday when my supper was a bowl of stew. The food was all good and good, I'm sure, for ailing people.

If one gets hungry between the meals or at night, a nurse will give you a glass of juice or milk. Or in Luther's case, coffee.

On Saturday morning "Little" John Stuckwish came in and took some blood for a blood test. Blood and urinalysis tests are now routine for all patients, it was said. That's a good idea—seems to me.

One patient needed a blood transfusion and Rev. Bob Brannon, Presbyterian minister here, was called in on the walking blood bank

set-up and donated a little of his "juice".

Saturday morning all hands and the cook (figuratively) were busy. Mrs. Robert Foster underwent an operation.

I had taken a book and a magazine to while away the hours but after tiring of them, I picked up a medical magazine to look at (especially the cartoons. One showed a doctor listening to a vary large woman patient with his listening device. Something had interrupted him and when he turned back to the job at hand he looked at the broad expanse of his patient and said, "Now where was I?"

Another showed a man telling his doctor that what he had advised for his wife really was working wonders. He told the doctor, "I took your advice and gave her a little wine and necked her—she's improving a lot under treatment."

Bob Foster came around regularly. Luke got to stirring around and we'd bump into each other at times. If I got too bored with myself, I'd go into the lobby and look at magazines or go into the kitchen. I usually went off to sleep at about 8:30 each night and was not disturbed for "treatment".

On Sunday I decided I might as well go home Monday. Doc said wait until after you've had your "medication" Tuesday morning and if you're all right, then you can go home. And of course, that was the way it was—and should have been.

As regular as mail each morning and evening Mrs. Steward or Mrs. Hill would take my temperature and count my pulse. They wouldn't feel of my head like mama used to do and say, goodness you've got a little fever. Oh no, they took it all legal like and I'm sure recorded it on a chart somewhere. They never did tell me whether I was burning up or way-below-normal. Guess that was none of my business.

My family picked some flowers out of our yard and brought them over to brighten up my room. Rulene Allen brought me over a sport shirt from the Sunday School class. Mr. and Mrs. Rufus Foster sent me a card with a handkerchief in it. On the day I went home I got some "get well cards", which were all appreciated. I enjoyed the rest and treatment.

Mildred, the bookkeeper, took off on her vacation Monday at quitting time. Mrs. John Copeland Jr, was acting as special nurse for Mrs. Bob Foster while I was there. Dr. Swann drops in on his patients twice a day to check up on them. Every thing is pleasant, including the temperature, which is regulated in the middle seventies. A few more magazines could be used in the lobby, just in case you're the type that burns yours. (hint, hint.)

D. P. Glass and Walter Sparkman are the senior patients in the hospital at present. Three of us who entered last week end checked out Tuesday — Luke Hallmark, Mrs. Rowland and me.

The organization as a whole to me seems perfect for a hospital as a working unit and physical plant. Stuckwish told Bob Foster and me of an army doctor who was about to retire soon and planned to open a little hospital in Detroit. He said this doctor said he would like to have this hospital completely as a plant and every person connected with it moved there in toto for his new venture there. I guess he would. Where else would he find such a group as the staff—Stuckwish the administrator and lab man, Mildred the bookkeeper, Mary the cook, the nurses, Martha, Steward, Hill and Mrs. Richmond and the others connected with the place, who could and would do as their jobs call.

It's so much better than using the hospitals in San Angelo or Big Spring—for patients, their families and not to mention Doc Swann. He can serve more patients—and better. It's a fine set-up for Sterling County.

Incidentally, it was my first stay in a hospital as a patient. I slept on a couch in the lobby of the Shannon maternity waiting room once. That was seven years ago last Saturday.

**AMERICA'S NEW RAILROAD**

A 50-yard dash with a potato on a spoon! An exciting bit of Americana—but it's not the

**World's Greatest Potato Race**

That's the 2200-mile dash on the Santa Fe with 1,350,000,000 potatoes

Sombody east said, "Pass the potatoes!"

Out in California, the fertile San Joaquin Valley heard them. And look what happened.

Santa Fe started moving 14,000 to 15,000 carloads of potatoes to hungry markets all over the Midwest and East. 36,000 to 40,000 pounds to a carload. As high as 550 carloads per day at peak of harvest. That's more than 1,350,000,000 potatoes. And that's a lot of spuds.

Bag 'em. Load 'em. Roll 'em. And hustle. Sombody east said, "Pass the potatoes!"

From America's largest fleet of refrigerator cars owned by an individual railroad, these yellow

Santa Fe "reefers" are dispatched to the "Potato Capital of the West."

There the cars are cleaned, checked, loaded, switched. And iced fast (a car a minute, if you please). These potatoes can't wait!

In servicing the cars as they speed east, new icing docks at Bakersfield and Needles, Calif., Belen, N. Mex., Waynoka, Okla. and Kansas City work the clock around. Electronically-controlled "hump" yards speed the switching.

**SANTA FE PRECISION—SANTA FE SPEED**

On-time delivery calls for full-time precision to keep these schedules "on the advertised."

After the potatoes come the wheat... citrus fruits... grapes... melons... and green vegetables all year long—flooding east from Santa Fe country to you. Everything from avocados to zucchini.

It costs Santa Fe millions of dollars to serve you so—and provide you with Super Chiefs, too! But we're proud to say they are earned dollars. Not one penny comes from the taxes you pay.

Families rate fruit shortcakes "tops" for dessert! And since we are coming into the peak strawberry season, every homemaker should save this recipe for a rich, easy-to-make shortcake.

- Strawberry Shortcakes**
- 2 cups sifted all-purpose flour
  - 3 teaspoons baking powder
  - 2 tablespoons sugar
  - 1 teaspoon salt
  - 1 egg
  - 1/2 cup Mazola Salad Oil
  - Milk
  - Strawberries, sweetened to taste
  - Whipped cream

Mix and sift dry ingredients together. Add egg to salad oil in measuring cup. Pour in milk to make 1 cup total liquid. Then pour all at once over entire surface of flour mixture. Mix with fork to make a soft dough. Shape lightly with hands to make a round ball. Place on wax paper and knead lightly ten times or until smooth. Pat out to 1/2-inch thickness or roll between 2 squares wax paper (about 12 inches square). Remove top sheet of paper; cut shortcakes with unfloured 2 1/2-inch cutter. Place on ungreased baking sheet. Bake in hot oven (450° F.) 12 to 15 minutes. Split shortcakes with a fork, while still warm. Spread fruit between layers and on top. (Use any fresh, frozen or canned fruit, as desired.) Serve with sweetened whipped cream. Makes 8 shortcakes.

PIE OF THE MONTH

By BETTY BARCLAY

Rare indeed is a truly excellent pie that takes only 6 minutes to mix. Called Maple Nut Parfait Pie, it can be made in three simple steps with a minimum of fuss. Fruit-flavored gelatin and ice cream are the magic basis of this wonderfully different, new kind of pie whose creamy, light texture emphasizes the appeal of its delicate flavor. You'll want to serve it over and over again; here's the recipe:

**Maple Nut Filling**

- 1 package lemon-flavored gelatin
- 1 1/4 cups hot water
- 1 pint maple nut ice cream
- 1 teaspoon maple flavoring
- 1/2 cup chopped walnut meats
- 1 baked 8-inch pie shell, cooled

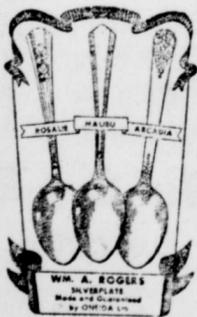

1. Dissolve gelatin in hot water in 2-quart saucepan.
2. Add ice cream by spoonfuls, stirring until melted. Add maple flavoring, and stir to blend. Then chill until thickened, but not set (20 to 30 minutes).
3. Fold in chopped walnut meats. Turn into pie shell. Chill until firm (20 to 30 minutes). Garnish with whipped cream and walnut halves.
