NOT TOO LONG AGO, WE MARVELLED AT THE DARING OF THE MEN WHO RISKED LIFE AND LIMB, PERCHED ON THE SADDLE OF A "HIGH WHEELER". HERE WAS CONVINCING PROOF OF MAN'S MASTERY OF THE MACHINE.

TODAY, WE MARVEL AT THE DARING OF AMERICAN YOUTH FLYING JET AIRPLANES MILES ABOVE THE GROUND AT SPEEDS EXCEEDING THAT OF SOUND.

— SO HAVE MACHINES AND MAN'S MASTERY OF THEM PROGRESSED — ALL IN A LIFETIME.

Behind The 8 Ball

8-BALL
George C. Flint, 30, former resident here, died in San Angelo last Saturday and was buried there on Monday of this week. Survivors include his daughters, Mrs. Sewell Kenley of San Angelo, and Mrs. Dale Chase of Fort Worth, and a stepdaughter, Mrs. Norris Petty of Odessa.

In 1932 the Flint family moved to San Angelo from Sterling and lived on a two house east of us on East 19th street in Angelo. Joy Wilson (Mrs. Chase) was practically a baby and Roberta (Mrs. Petty) was enrolled in San Angelo Business College.

We thought lots of the girls. In fact, little Joy Wilson seemed like one of our family. She grew up with my baby sister, and went all through school with her.

8-BALL
Our football boys went out to Alpine last week-end and played the Fort Davis Indians in a warm up season's opener. We lost to the Davis Mountain boys, 22 to 14, but it is thought that Sterling will do fine in conference play this year. Much team spirit is present and the will to win the district is very strong in the squad.

8-BALL
Tommy Lilly is opening the new Drive-In grocery and cafe in the new building between Boots Wilgins' and the Lumber Company on Friday (today). Free coffee will be served all day Friday, says Tommy and there will be a nice gift for the oldest woman coming in to the new store that day. (Does not have to buy anything). And too, there is to be a nice gift for the youngest person registering that day.

The new store is in a quonset type building and a cafe will be in connection with the grocery and ice business.

The move was made on Wednesday and Thursday of this week and the formal opening is today (Friday, Sept. 18).

Baptist Revival Starts Next Wednesday

A revival meeting will begin next Wednesday evening at 8:00 o'clock announced pastor Robert Ritchie. The services will continue on through Sunday, October 4, and services will be held in the evening only except Sundays, said Ritchie.

Elton Neel will direct the singing. The pastor extended a personal invitation to everyone to attend the services.

Little Janice Earl Revell Sick

Little Janice Earl Revell, daughter of Mr. and Mrs. Trinton Revell of Houston, was critically ill last week. She was in a very serious condition about last Friday, but is now home from the hospital after showing marked improvement.

Mr. and Mrs. Taylor Garrett, Mr. and Mrs. Robert Foster, Mrs. J. A. Revell and Mrs. Nick Reed went to Houston last week-end to be with the Trinton Revells. All returned home except Mrs. J. A. Revell.

PTA Bake Sale Here Saturday Morning

The PTA is sponsoring a bake sale here Saturday morning at 10 a.m. in the lobby of the Palace Theater, announced Mrs. Lee Reed early this week. Cakes, pies and cookies will be on sale to the public beginning at 10 o'clock.

Said Mrs. Reed: "Will all parents, please cooperate, in making this the biggest sale we have ever had. We have heard a bit of criticism about cake mix being used so, if at all possible, please don't use cake mix. Will every parent, please, send a cake, pie or cookies by 10 a.m. September 19. Thanks."

PTA TO HAVE A RUMMAGE SALE

The P.T.A. plans to have a rummage sale the first week in October.

Everyone in the county, whether a member of the PTA or not, is urged to donate to this sale.

What to Send
If you can't use it, we can sell it. We can use clothing or household goods: dresses, skirts, sweaters, blouses, socks, scarfs, shirts, ties, belts, purses, hats, dishes, pants, vases, jewelry, books, curtains, bedspreads, furniture, pictures, toys, shoes, etc.

Please have clothing clean repaired, and shoes shined.
Where to Send Donation

If possible, put them in a box and leave them in Mr. Blackburn's office. If you can't take them to the school, call Mrs. Lee Reed and she will have someone call for them.

This is a good time to make more room in your closets, store rooms and cupboards and still help a worthy cause.

When to Send Your Donation

As soon as possible. Don't delay. You might forget it!

Mrs. Sallie Wallace, county treasurer, left Tuesday for Dallas to attend a meeting of the county treasurers association.

Let's Talk Livestock By TED GOULDY

Fort Worth—Cattle and calf prices broke sharply at all major markets Monday as the season's largest offering, nearly 150,000 cattle, arrived. Grassers, fat cows and stockers suffered the biggest declines.

The downward swing of prices followed the sharp rise of the previous week when virtual starvation runs of livestock brought about by the Labor Day holiday had lifted prices sharply in all categories.

Suspension of the drought disaster feed program in many counties last week helped crystallize the thinking of many cattle owners that it was time to put some cattle in the bank.

Many well informed people in the livestock and packing business are anxiously watching the percentages of slaughter of cows and heifers and expressing concern. They feel that no real inroads have been made into the big numbers of cattle and that on the basis of present slaughter figures, the cattle population is still rising.

Local Girl Will Float in The Air at Furst Magic Show Here Sept. 21

Assisting Furst, the magician, will be a young lady from this city when his show, "Mysteries Around the World" comes to this city under the sponsorship of the senior class on Monday, September 21. This girl from the audience will go on the stage to amaze the spectators when they see her suspended in mid-air.

The frequent use of unrehearsed persons from the audience is one of the highlights of this magic show which has received high acclaim wherever it has been seen. A committee of men will nail Furst in the Packing Box from which he will attempt to escape within thirty seconds. A girl will be cut in half and two boys will bind Furst up with heavy locks and chains when he performs the Houdini escape.

An added feature is Furst's promise to cut the head off some high school boy. This will be presented along with the more than fifty other effects that Furst has gathered together as a result of his three trips around the world.

Glamour Gal!

By Betty Barclay

GIVE a girl a new party dress and presto—she's a new woman! We tried the same technique on that favorite, "gal" of the food world, lemon pudding and pie filling mix. First, for a touch of color and spice we added ginger snap cook crumbs; then we gave her a lopp of sweetened whipped cream for that elegant look—and, oh my!—What a dish!

Ginger Lemon Squares
1 1/4 cups fine gingersnap cook crumbs; 3 tablespoons sugar; 1/2 cup butter, melted.
1 package lemon pudding and pie filling mix; 1/2 cup sugar; 2 cups water; 1 egg, unbeaten; 1 tablespoon butter.

Combine crumbs and 3 tablespoons sugar. Add melted butter and mix well. Press two-thirds of mixture firmly on bottom of 8x8x2-inch pan. Bake in moderate oven (375° F.) 5 minutes. Cool.

Combine pudding mix, 1/2 cup sugar, and 1/4 cup of the water in a saucepan. Add egg and blend well. Then add remaining 1 1/2 cups water. Cook and stir until mixture comes to a full boil and is thickened—about 5 minutes. Remove from heat. Add butter and blend well. Cool only about 5 minutes, stirring once or twice. Turn onto baked crumb mixture. Sprinkle with remaining crumbs. Chill until firm. Cut in rectangles and serve with sweetened whipped cream. Makes 8 servings.

Let's Talk Livestock

(Continued from Front Page) gave a fair indication of the change of climate in PMA and the Department of Agriculture generally with his statement last week on the drought disaster program. He said: "This is a disaster program, not one aimed at giving people some cheap feed." McCan says what he thinks everytime, as many of the members of the livestock know from past experience. Such frank expressions are entirely new to government programs.

At Fort Worth Monday, good and choice fed cattle were scarce, selling from \$13 to \$21.50, with plain and medium grassers largely from \$10 to \$15.50, and some dairy breeds down to \$8. Fat cows \$9 to \$11.50, and canners and cutters \$6 to \$9.50, some high yielding brahmas and Western cutters at the higher figure. Bulls drew \$8 to \$12.

Good and choice fat calves \$13

to \$17, few heifers \$17.50. Plain and medium butchers \$10 to \$13, culls \$7 to \$10. Stocker steers calves mostly \$10 to \$16.50, few \$17.25. Stocker steers and yearlings \$10 to \$13.50. Replacement cows \$8 to \$12.

Time changes everything! Long cussed and discussed as the scourge of the pork industry—lard is now a hero! Seems the hungry Germans under the Communist heel really love the lard the United States is giving them. USDA has asked bids on around 15 million more pounds. Late purchase at near 16 cents per pound highest in some time for lard. They do say the East Germans dare death or torture to get a couple of pounds of pure lard.

Hogs climbed 75 cents at Fort Worth Monday. Topped at \$26. Sows again selling at season's high of \$23 to \$24. (Lots of lard in those packing sows). Some sows up to 600 pounds sell at \$22.50 or better.

Sheep and lambs active and fairly steady at Fort Worth Monday. Advances of last week were held in the strong trade. Fat lambs \$15 to \$18, lower grades \$8 to \$15. Stocker and feeder lambs cashed at \$10 to \$15. Slaughter yearlings sold from \$10 to \$13. Old wethers drew \$6 to \$7. Slaughter ewes sold from \$5 to \$6.

Many sheep and cattle men are anxiously awaiting developments on wheat field pastures. Looks like lots of wheat will get up but graz-

Cream Whips Main Street Traffic

Big traffic jam in front of the office last week. Thought everybody in the county was coming in to buy *The Clarion*, but they weren't.

Seems a 5-gallon can fell off Whitey Fisher's truck, spilling cream all over the street. Our cop on duty, Tiny Fields, halted traffic so Whitey could pick up the can. Tiny was about to wave the cars on when a kitten ran out and started lapping up the cream.

Well, traffic piled up, but Tiny paid no heed. Light changed

green three times. After the kitten had enough, Tiny waved the traffic through.

From where I sit, this was just a "Tiny" demonstration of the way people in our town are. They're usually pretty considerate and tolerant. If one of our neighbors prefers a good glass of beer to his friend's coffee at dinnertime, it's just each to his own taste and everything's "smooth as cream" between them.
