The Sterling City Council met in a called meeting Monday afternoon and called a bond election for the last Saturday in January-the 26th. The election calls for voting on two bond issues—one for \$80,000 in tax bonds and \$30,000 in revenue bnds with which to construct a water system for the city of Sterling City.

Present for the meeting were the mayor-John Walraven and city councilmen Horace F. Donalson, Fred Hodges, J. I. Cope, Cecil A. Long and R. T. Caperton. Also at the meeting were engineer Hugh Dickson of San Antonio and Ransom Galloway, bond firm represntative from Lubbock and Jack Douthit, newsman.

Douthit was asked to keep the minutes of the meeting and act as secretary for the meeting. The vote on such action carried unaimously.

Mayor Walraven said he had called the meeting to see what the city council wanted to do about calling

a water bond election. Councilman Hodges made a motion that the council order a water bond election. Donalson seconded the motion. On a call for voting by the mayor, Hodges, Donalson and Long voted for. Cope voted There will be a March of Dimes against the motion and Caperton re-

CHURCH OF CHRIST AREA YOUNG PEOPLE'S SINGING AND FELLOWSHIP HOUR

The Sterling City Church of Christ is sponsoring an Area Young People's Meeting here Sunday January 13 at 3 p.m. Young people from a large area with their adult leaders have been extended an invitation to attend. The first hour will be spent in singing, both congregational singing and various groups and quartets will sing from their respective congregations. After which there will be an hour of fellowship and getting acquainted.

We feel that programs of this type present many opportunities for the young people, not only to become acquainted with each other but also development for future leadership. The December meeting was held at the 14th and Main Church in Big Spring with several young people from here attending. Chevrolet shows you some important differences in low-priced cars just by

the look on its face!

Wouldn't you say that most of the '57 cars look good from 50 feet away, but what about from 50 inches away?

What does a close-up of the grille tell you, for example? Is it solidly made like the new Chevrolet grille? Or, in comparison does it look less rich in design-feel less strong and solid? Compare the quality and construction of the bumpers and headlights, the fit of the chrome trim.

The more closely you look all around the car. the more clearly you'll see that Chevrolet has the edge in the way it's put together. You'll find, for instance, that Chevrolet is the only car in its field with a lacquer finish . . . that only Chevrolet Bel Air models give you foam rubber cushions in front and rear seats as standard equipment. These are just a few of the advantages of Body by Fisher. And Chevrolet, you know, is the only low-priced car that has a Fisher Body.

We'll be glad to give you a close-up, comparative look at this new Chevy any time you care to come in. This week, maybe?

policies, you are stuck. But you

may in turn help get him stuck. 8—BALL

President Eisenhower will land at Goodfellow Field next Sunday at 9 p.m, He will make a very short tour of the country side west of San Angelo Monday morning. A breakfast at Goodfellow Field at 7 a.m. will be held for newsmen of this area and the travelling newsmen. I plan on going to the breakfast if nothing happens. 8—BALL

Hugh Harzke went home from the hospital Monday, after six weeks in the hospital with his injuries from a windmill fall. He was put in a cast last Friday and will be in the cast for quite some time. He is doing fine and is feeling ok, according to his wife. 8—BALL

Mrs. W. B. Atkinson observed her 81st birthday in the hospital here Wednesday, January 9. Mrs. E. B. Butler made her an angel food cake and all the nurses, etc. helped her enjoy the birthday cake and coffee. Mrs. Atkinson is hospitalized with a bad cold that she says she can't shake off.

On of her granddaughters, Opal Lee Clark of Gonzales (a high school senior) wrote this little essay about her for a school work-Grandmother, My Teenage Idol

Grandmother is a teenager, despite her age. Youth is, after all, only a measure of one's attitudes. his whims and reasoning, toward life. For her spunk and gaiety, I dub my grandmother a real "bobby -soxer." Television, the present national pastime is her undying entertainment. For good competition, a friend. Mrs. Butler, comes over to cheer up the Dodgers while Grandmother encourages the Yankees, almost loud enough to be heard in Yankee Stadium. On elec tion year my grandma, a "straitlaced" Republican, invites her friend again, and together they sit on the edges of their seats until Mrs. Butler's Stevenson loses again. Until about five years ago, Grandmother got around well, but in a baseball game with the neighbor boys, she broke her hip sliding inspirit will not still even if her legs are crippled for Grandmother has a free heart. She is a true youth of America.
