LET'S TALK LIVESTOCK

BY TED GOULDY

FORT WORTH—If proof of the improved health of the cattle business were needed, it was evident at Fort Worth last week when commercial Angus breeders sold 882 calves in the special show and sale on the Fort Worth Stockyards.

These calves were displayed before some of the top cattle feeders of the nation, who commented on the generally high quality of the crop. The gross was \$95,741.90 and the average per head straight across was \$108.55. It was a new record for such events here and topped one that was just five weeks old set by the Herefords in the June 7 sale when the average was \$102.23.

CATTLE OPEN HIGHER MONDAY AT FORT WORTH

Trade was active and grass cattle were higher at Fort Worth Monday. Cows tacked on 25 to 50 cents per hundred and bulls were 25 cents or more higher. Stockers were reported strong to 50 cents higher. Killing calves ruled steady. Fed cattle were scarce and fully steady.

Comparative prices. Good and choice steers and yearlings \$20 to \$23 with strictly choice kinds quotable to \$24 and above. Plainer and medium sorts drew \$13 to \$19. Fat cows sold from \$13.50 to \$15.50 and canners and cutters sold from \$8.50 to \$13.50. Bulls cashed at \$12 to \$16.50, odd head \$17.

Good and choice fat calves drew \$19 to \$21.50, and common and medium sorts sold from \$14 to \$18.50, with culls from \$10 to \$13. Stocker steer calves ranged from \$18 to \$24 and stocker steer yearlings sold from \$22 down. Feeder steers sold from \$21.75 down. Stocker cows sold from \$10 to \$13.75. Feeder heifers sold from \$21 down and heifer stocker calves sold from \$22 down.

HOGS HIT NEW HIGH; TOP MONDAY AT \$21.25; SOWS \$18

Hogs sold at the highest levels in two years at Fort Worth Monday as butchers broke the \$21 price barrier and scored \$21.25 Sows cashed at \$18 downward.

SHEEP AND LAMBS SELL ON FULLY STEADY BASIS; TOP \$20

The trade was active and prices were fully steady on sheep and lambs at Fort Worth Monday. Good and choice slaughter Spring lambs sold from \$19 to \$20, and medium and lower grades bulked at \$13 to \$18. Stocker and feeder Spring lambs cashed at \$13.50 to \$17.

Good and choice yearling muttuns sold from \$16 to \$17.50, those at the higher figure having No. 1 or No. 2 pelts. Cull to medium yearlings sold from \$10 to \$15. Slaughter ewes sold from \$6.50 to \$7.50. Aged wethers cashed at \$13 downward. Aged bucks sold from \$5 to \$5.50.

Attend Jamestown Festival

Mr. and Mrs. Frank Milligan returned home last week from a trip through Virginia and Washington, D. C.

They saw many historic points in Virginia, among them Thomas Jefferson and James Monroe's old home. Also they saw the birthplaces of George Washington and Robert E. Lee.

At the Jamestown Festival they saw a reconstructed glass factory built in 1608, a year after the settlers landed. At the festival there were soldiers on temporary duty from Fort Meyer, and they were dressed in colonial dress like that of 1607.

The Milligans visited Williamsburg, Va. \$61 million have been spent on restoration of that early settlement. Jamestown was the capital until 1699, then Middlebury Plantation (as Williamsburg was then called) took it over because Jamestown was too marshy and low and mosquitos were bad.

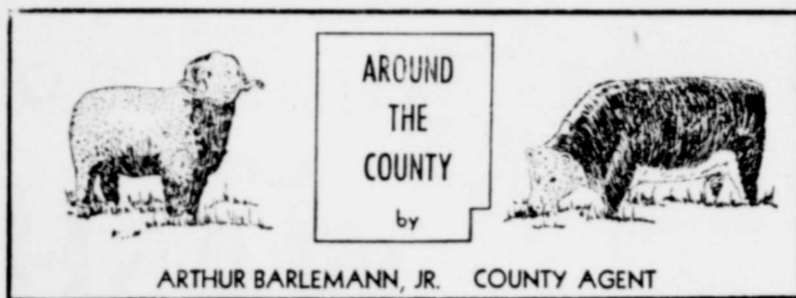

They saw the jailhouse. It has a death cell, a debtors cell, stocks and a whipping post. A film on Patrick Henry, famed early American patriot, was seen by the visitors at the festival.

Mrs. Milligan, who teaches high school English here, said she wished that she could have had all her pupils with her on the trip.

THE AMERICAN WAY

Nothing Left for a Growing Boy

The annual meeting and barbecue of the Sterling County Game Management Association will be held next Friday, July 26, at the river park on the Nick Reed ranch. Starting time for the program is 6:00 p. m.

The program will be put on by Jim Stotts, sales representative of the Winchester Arms Company. Mr. Stotts will put on a shooting exhibition similar to the one here a few years ago, and it should be good.

A business session will be held immediately after the barbecue itself which will follow the shooting exhibition. Officers for the coming year will be elected and reports on the past year's operation will be made by officers of the association and the Eagle Hunt program. Officers of the association are Gene Alley, president; Billy Ralph Bynum, vice-president; Chesley McDonald, treasurer; John Copeland and Finis Westbrook, directors. In addition, G. C. Murrell is treasurer of the Eagle Hunt program and the county agent serves as secretary of both groups.

Blanks for claiming the refund on the Federal tax on gasoline used in the farming or ranching operation are now available in the county agent's office. If you need another blank or the information booklet on filing your claim or help in any way, call or come by the office and I will be glad to help you.

Persons who filed claims last year will receive, or should have already received, the blanks which were to be mailed to the address on last year's claim. New claimants can get their blanks at my office or any Internal Revenue office. Claims must be filed prior to midnight of September 30 to receive the refund.

Sunday July 21 marks the beginning of National Farm Safety Week in the United States. This week, which ends July 27, marks the 14th observance of a week which is dedicated to making rural people more conscious of the toll extracted by accidents on the farm and ranch.

Agriculture, including the rural housewife, has long been recognized as the most dangerous occupation in this country. More people are killed each year on the land than anywhere else despite the fact that there are fewer people on it than there are in the fatalities, land. In addition to the fatalities, there are other factors to consider such as loss of time, money spent on hospital and doctor bills, grief, and the permanent injury or loss of limbs.

Figures and percentages are bor-

ing to all of us but I hope you will bear with me a minute and run through the following figures or percentages. Two-thirds of all accidental deaths on the farm or around the buildings or home are caused by the following: Machinery—31%; Drownings—1.9%; Firearms—12.7%; and Falls—11%. The other, one-third are caused by animals—6.3%; burns—6.2%; blows—6%; electricity—3.2%; lightning—3.1%; all others (cuts, snakebites, etc.)—7.5%. Note that not one of these included highway and off-farm accidents, yet the loss of life to the above causes amounted to 12,600 during the five years 1949-1953, according to the National Safety Council. Since that time the figure has continued to mount and now the loss of life to the above causes annually amounts to a little better than 3,500. When highway and other off-farm accidents are included, the toll increases to just under 14,000 deaths annually.

Many of the accidents in which farm people figure can be avoided. Prime factors are fatigue, hurrying to get the job done, loose clothing, and just trying to do too much at once. Age is another factor that comes into the picture. One of the dangerous age groups is the under 20 group; another is the over-40 group. For example, 24 per cent of the fatal accidents involving machinery occurred in the under-20 group; 53 per cent occurred in the over 39 group. Seventy six percent of the fatal falls occurred after age 44. Seventy-three percent of the drownings occurred in the under-20 year group.

Let's all be more careful, not just next week but next year and the next and so on. We all know of accidents that have happened which could have been avoided. The father killed just last week in Eden by a loaded rifle his five-year old son found in the house is one of the latest involving loaded rifles where children can reach them.

We have received word that the Gillespie County Registered Breeders Association will hold their annual ram and billy sale at Fredericksburg this Saturday, July 20. Offered in the sale will be registered Delaine rams and ewes and Angora billys and nannies according to C. A. Stone, county agent at Fredericksburg. Sale starts at 1:00 p.m. in the Fair Park.

Mr. and Mrs. Roy Foster and Mr. and Mrs. I. W. Terry and children returned home Tuesday from a stay in Colorado at their cabin there. The Finis Westbrooks stayed on for awhile at the cabin.

Lions Club Luncheon

The Sterling City Lions Club met in the community center Wednesday noon for the regular weekly luncheon. Vice-pres. Fred Igo presided in the absence of president Horace Donalson.

Talk of spraying the town again in the fly and mosquito control program took some time. It was decided to repeat the spraying soon, so as to complete the program of fly control. The spray committee is to make plans and to report at the meeting next week.

The club voted to mail a check to Joe Pickle of Big Spring for his part on the ladies night installation program last month.

THE LITTLE LEAGUE

Standing, and Team Players

The Giants and Lions teams are tied for first place with three wins and two losses each, said Coach W. L. Young on Tuesday of this week.

The Yankees and the W.O.W. teams are tied with two wins and three losses each.

The Lions are scheduled to play the Yanks next Tuesday afternoon in the last scheduled game of the season.

PRESBYTERIAN VACATION CHURCH SCHOOL

The Presbyterian Vacation Church School was closed out last Friday evening with closing exercises. Exhibits were shown and refreshments were served to those gathered for the exercises.

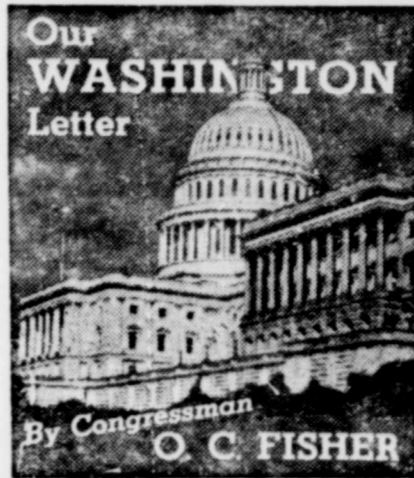

About thirty-five were in regular attendance at the school—students and teachers, alike. Teachers in the school included Mrs. Jim Bob Clark, Mrs. Earl Blair, Mrs. Ewing McEntire, Miss Gayle Steward, Mrs. Charles Allen, Mrs. Bill J. Cole; and Rev. and Mrs. L. G. Petmecky. Mrs. David Glass was in charge of the music during the school.

Acting as hostesses for refreshments for the school each morning were Mrs. Aaron Clark, Mrs. Fowler McEntire, Mrs. Hal Knight, Mrs. James McEntire, Mrs. H. F. Donalson and Mrs. Earl Bailey.

Presbyterian Minister to Austin Next Two Sundays

The Rev. L. G. Petmecky, minister of the local Presbyterian Church, will be in Austin the next two Sundays (July 21 and 28) where he will be helping conduct an evangelistic meeting, Sunday School will be held as usual here at the regular hour, but there will be no preaching services, it was said.

Mr. and Mrs. W.Y. Bengé III and baby of Carrizosa, New Mexico, were here the first part of the week visiting his parents, the W. Y. Bengé Jrs. While here, he attended the funeral services for Togo Tomerlin in San Angelo the first part of the week.

Senator Knowland of California when he moved to take up the House-passed civil rights bill last week made a bid for the California Negro vote in next year's elections. He decided to grab the civil rights spotlight away from the Democrats by unleashing what may turn out to be a full grown filibuster that may go on for weeks.

This will, of course, delay the summer recess which is usually reached in early August. But even if the Senators embark on a talkathon that runs into Fall, the House will probably close shop in mid-August. That's the way it looks right now.

THAT BOY SCOUT Jamboree at Valley Forge brought some 40,000 Scouts through Washington enroute to the encampment, including Scouts from a dozen towns in our district. We got to see a few of them. One of the greatest of Scout leaders, Dr. O. E. Winebrenner of Brownwood, headed a contingent of 50 boys from there and Goldthwaite. Dr. Winebrenner, a retired Professor of Chemistry at Howard Payne College, was enthused over prospects for one of the best encampments ever held.

While visiting us we got him in touch with Cong. Clarence Cannon of Missouri, a former classmate at William Jewel College in Liberty, Mo. Actually while en route to Cannon's office, they faced each other by chance in an elevator. "Clarence!" exclaimed Dr. Winebrenner, recognizing his old friend, "you haven't changed a bit since I last saw you in 1904."

ANOTHER GUEST last week was John A. Ward III, of Sonora, now attorney for Sun Oil Co., in Dallas, here attending to business for his company.

THAT JUNK MAIL should pay a higher postage rate was dramatized by Dr. Lloyd L. Downing of Ballinger last week when he sent me a package containing one week's mail which he had received, weighing 4 pounds.

A House bill which would increase postal rates, including a substantial raise on junk mail, is now pending and will probably be acted upon soon.

Armn. Clara Tindal Visits With Parents on Leave

A-2c Clara Tindall left last week following a leave spent here visiting her parents, Mr. and Mrs. Ray Tindall. Clara is being reassigned from Andrews Air Force Base at Washington, D. C. to McClellan A. F.B., Sacramento, Calif.

Armn. Tindall is in the field of communications and in her spare time played with the Andrews W. A.F. soft ball team, the Rockettes. During her participation in softball she travelled with the team to several different states. They flew to Eglin, Florida, Syracuse, New York; McGuire, New Jersey, and others.

Clara had parade duty in the inaugural parade for Eisenhower, the parade honoring General Twining, as well as many other parades.

Armn. Tindall has fourteen more months to complete her three year enlistment.

Mr. and Mrs. Lee Augustine returned home last week from a trip that took them through the lower Rio Grande Valley, Corpus Christi, Padre Island, Baffin Bay, Falcon Dam, and over into Old Mexico at Roma and Reynosa. They visited Mrs. Augustine's brother and his wife, Mr. and Mrs. W. B. Murtishaw in Kingsville.

Visitors at Mrs. Ruth Allen's this month include Mrs. Marvin Frances Dayvault and Mrs. Vera Spalti of Dallas, Mrs. Don Rawson and son, Mike of Athens, and Mrs. J. F. Hambright of Fort Worth.

**ADVERTISEMENT FOR BIDS
On An ELEVATED TANK For the
CITY OF STERLING CITY, TEXAS
NOTICE TO BIDDERS**

Sealed proposals, addressed to the Mayor and City Council of Sterling City, Texas, for the furnishing and erection, complete, of a 50,000 gallon, elevated water tank, in accordance with the plans, specifications and instructions to bidders prepared by Hugh C. Dickson, Consulting Engineer, San Antonio, Texas, will be received at the office of the City Secretary of Sterling City, Texas, until 2:00 P.M., July 30, 1957, and then publicly opened and read.

A cashier's or a certified check in the amount of five per cent (5%) of the total bid must accompany proposals.

Copies of the plans, specifications and other proposed contract documents are on file in the offices of the City Secretary at Sterling City, and Hugh C. Dickson, Consulting Engineer, San Antonio, Texas, and are open for public inspection. A set of such documents may be obtained from the City Secretary or the Engineer upon deposit of Ten and No/100 (\$10.00) Dollars. This deposit will be refunded upon return of the documents in good condition, within ten (10) days after the receipt of bids.

The contractor will be paid in current funds of the City of Sterling City, Texas, for the work performed.

No bid may be withdrawn, after the schedule closing time for receipt of bids, for at least thirty (30) days.

This is a proposed public works contract, and Article 5159a, R.C.D., Texas, as amended, requiring that not less than the general prevailing wage rate for work of a similar character in this locality shall be paid all laborers, workmen and mechanics employed in the construction thereof shall be complied with.

The bidder's attention is directed to the fact that bids or proposals shall be submitted only on forms provided therefor in the book of Specifications and Contract Documents. Bids submitted in any other form will be considered irregular and returned to the bidder unopened.

The City reserves the right to reject any and all proposals and to make any investigation deemed necessary of a bidder's competency, financial, or otherwise. The City further reserves the right to waive technical defects as the interests of the City of Sterling City may require and to accept what, in the judgment of the City of Sterling City is the lowest and best bid.

SOCIAL SECURITY OFFICER HERE REGULARLY

A field representative of the San Angelo social security office will make regular visits to Sterling City during the next three months, according to a schedule just received from Floyd B. Ellington, District Manager.

The representative, Neil Tarvin, will be in the Commissioner's Court room at 1:00 p.m. on Thursday, July 25, Thursday, Aug. 29 and Thursday, September 26.

Farmers and ranchers and other employers of agricultural workers such as cotton gin operators, are reminded by Floyd Ellington, Manager of the San Angelo office of the Social Security Administration of some changes in the method of reporting the wages of their employees.

In 1957, agricultural work is covered by social security if either: (1) Cash wages of \$150 or more are paid to a worker by his employer during the year; or (2) regardless of the amount of wages, if any employee works on 20 or more days during the year where the wages are figured on a time basis.

The total covered wages of farm workers are reported only once a year, in January for the preceding year to the Director of Internal Revenue. Ellington added that if employers keep an accurate record of the name, the social security number, and the amount of wages paid to each worker that will be all the information needed to complete the annual social security report.

For wedding invitations, announcements, at-home cards, etc., see the local News-Record shop.

Mr. and Mrs. Roy Morgan and James returned home Tuesday from Colorado where they had stayed a week with the Worth Durhams at their cabin near Antonita.

Visitors at the Marvin Churchills here this week were Mr. and Mrs. Raymond Churchill of Mineral Wells, and Mr. and Mrs. Chester Churchill of Midland. The visitors

also visited the George Cases.

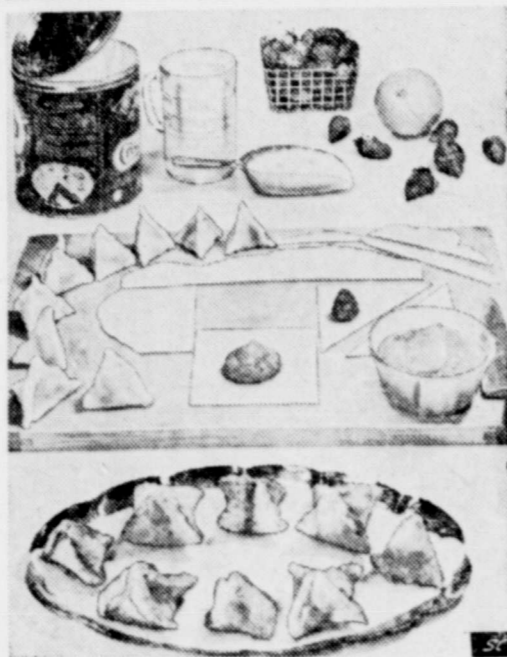

Hollis Kenemer, shop foreman at the R. T. Caperton Chevrolet Co. has quit and started to Hardin-Simmons College in Abilene. Truman and Clyde Kenemer are moving, and Wilbur Stone is now shop foreman, said Caperton. Johnny Dawson is back as parts man and car salesman.

Lilliputian Desserts

Did you ever serve a bite-size dessert? Try it sometimes if you want to get yourself a reputation for being a hep hostess. Tiny delicacies are particularly appreciated after a heavy meal when a full size dessert might be too much, but a sweet is needed for satisfaction. Don't make the mistake, however, of letting guests see them or sample them before dinner or none will be left. These tiny bites are made of pastry, fruit-filled and deep fried.

Canned applesauce, jams and frozen pineapple chunks all make perfect fillings. But Crisco Kitchens says the most unexpected, and the one which will cause the most comment, is made of fresh strawberries that have been left in curacao or orange juice for a few minutes before being folded into the pastry and cooked. Only one strawberry is used for each bite.

Here's the foolproof pastry recipe used by good cooks all over the country. It will make about 12 of these small desserts.

PASTRY

(Makes 12 4" pastry squares)

2 cups sifted enriched flour 1/2 cup Crisco
1 teaspoon salt 4 tablespoons water

With two knives or a pastry blender cut Crisco into flour and salt until the mixture is uniform and fine like corn meal. Add water, a tablespoon at a time, tossing with a fork all the while. With hands work pastry into a ball. Do not be afraid of overworking dough.

Divide pastry in half and roll in an oblong shape about 8 x 12 inches. Pastry will be slightly less than 1/8 inch thick. Cut into 4-inch squares.

Strawberry Bites:

Dip strawberries in curacao or orange juice. Then place one berry in center of 4-inch pastry. Moisten edges of pastry and pinch together around berry with points of pastry forming a peak at top like a chocolate cream. Fry in deep Crisco heated to 365°F. for about 3-4 minutes or until flaky brown. Lift out of kettle with a slotted spoon and drain on absorbent paper. Coat with fine sugar.

Mrs. John Boyd and daughter, Forrestine, of New Orleans, La. are here visiting Mrs. Boyd's mother, Mrs. J. A. Revell and other relatives.

Behind The 8 Ball

Roland Lowe, the genial hardware man is boning for a first place win in a G.E. sales contest. He is ahead at this printing and stands to win a free vacation trip for himself and Dorothy—all expense paid trip. The ten day vacation will take them (if they win) to Jamaica and Haiti. All Roland has to do is to sell more G. E. appliances (between now and August 1) than any dealer in his group. So far, Roland is ahead, and hopes to stay that way, but the ratings change daily. His vacation won't be in the bag until the last hour of the last day. The other dealers in this territory are trying to win, too.

Offering real bargains on G. E. washers, ranges, T.V.'s, refrigerators, freezers, dryers, etc. Roland has built up a lead and moved a good bit of merchandise.

He should know if he has won by this time next week.

8-BALL

Next Tuesday week is the day for the City of Sterling City to open the bids on the contracts for the city water system, water tank and test well. According to the engineer, Hugh Dickson, delivery dates on materials, etc. will mean about a year will go by before the wat-

Insurance & Abstracting

Reliable Abstract Work
Fire and Automobile Insurance
DURHAM ABSTRACT CO.
DURHAM INSURANCE AGCY.
Worth B. Durham, Mgr

er system could be in operation. So, if everything goes off somewhat smoothly, the water system should be going sometime toward the end of next year.

8-BALL

Our erstwhile helper and p.d. has moved to Albuquerque, N.M. Milton Reed, the p.d., plans to go to school there this fall. He and his mother moved out there with the Ray Frittses. Mrs. Fritts is the former Rita Fae Reed.

8-BALL

The saw got ornery in the shop this week and slowed us down considerably. It developed a bind and just wouldn't turn over as it usually does—in fact it would just grind to a stop. Quite aggravating.

To say the least. We used to know an old printer that might have exclaimed, "That's just one of the perverse characteristics of inanimate objects."

Yessir.

8-BALL

Just in case you (as a new subscriber) would like to get the Fort Worth Star-Telegram for the next four months by mail, we have a special on—four months for only \$4.75. Then you can take advantage of the holiday rates ineffect at that time.

FOR SALE—Big fat hamburgers and sandwiches of all kinds. Try Carter's Drive In Grocery & Cafe.

ADVERTISEMENT FOR BIDS
ON a Water Well and Equipment
For the CITY OF STERLING CITY, TEXAS

NOTICE TO BIDDERS

Sealed proposals, addressed to the Mayor and City Council of Sterling City, Texas, for the furnishing and erection, complete, of a Test Well, Water Well, and Equipment, in accordance with the plans, specifications and instructions to bidders prepared by Hugh C. Dickson, Con-

sulting Engineer, San Antonio, Texas, will be received at the office of the City Secretary of Sterling City, Texas, until 2:00 P.M., July 30, 1957, and then publicly opened and read.

A cashier's or a certified check in the amount of five per cent (5%) of the bid total, must accompany proposals.

Copies of the plans, specifications and other proposed contract documents are on file in the offices of the City Secretary at Sterling City, and Hugh C. Dickson, Consulting Engineer, San Antonio, Texas, and are open for public inspection. A set of such documents may be obtained from the City Secretary, or the Engineer, upon deposit of Ten and No/100 (\$10.00) Dollars. This deposit will be refunded upon return of the documents, in good condition, within ten (10) days after the receipt of bids.

The Contractor will be paid in current funds of the City of Sterling City, Texas, for the work performed.

No bid may be withdrawn, after the schedule closing time for receipt of bids, for at least thirty (30) days.

This is a proposed, public works contract, and Article 5159a, R.C.D., Texas, as amended, requiring that not less than the general prevail-

ing wage rate for work of a similar character in this locality, shall be paid all laborers, workmen and mechanics employed in the construction thereof shall be complied with.

The bidder's attention is directed to the fact that bids or proposals shall be submitted only on forms provided therefor in the book of

Specifications and Contract Documents. Bids, submitted in any other form, will be considered irregular and returned to the bidder unopened.

The City reserves the right to reject any and all proposals and to make any investigation deemed necessary of a bidder's competency, financial, or otherwise. The City

further reserves the right to waive technical defects as the interests of the City of Sterling City may require and to accept what, in the judgment of the City of Sterling City, is the lowest and best bid.

CITY OF STERLING CITY, TEXAS

THE AMERICAN WAY

THOMAS Carlyle

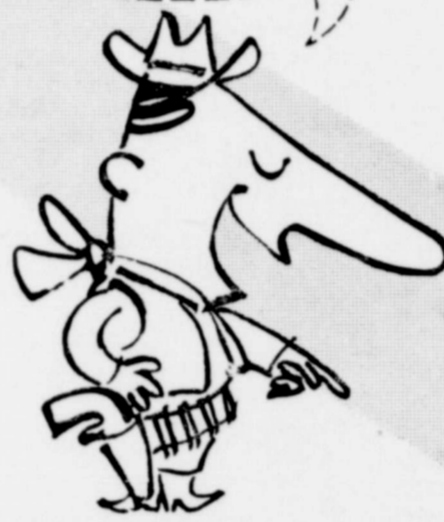

SCOTTISH ESSAYIST AND HISTORIAN

"THE BIBLE—A NOBLE BOOK! ALL MEN'S BOOK! IT IS OUR FIRST OLDEST STATEMENT OF THE NEVER-ENDING PROBLEM—MAN'S DESTINY AND GOD'S WAYS WITH HIM HERE ON EARTH; AND ALL IN SUCH FREE-FLOWING OUTLINES—GRAND IN ITS SINCERITY, IN ITS SIMPLICITY, AND IN ITS EPIC MELODY."

COURTESY OF THE LAYMEN'S NATIONAL COMMITTEE

The Bible — A Noble Book

Price of electricity went thisaway

In the last 25 years, the price of just about everything you buy has gone way up.

Yet the price of electricity has gone down. Your bill may be higher, but that's because you put electricity to so many more uses.

How have we been able to keep power prices down? Well, partly because we're always looking for the best ways to serve you.

West Texas Utilities Company

Be happy! Live Better — Electrically

* Actually in homes served by WTU, the average cost of a kilowatt-hour of electric service is 20% LESS than it was ten years ago!

Biggest Sellers...because they're Biggest Savers!

You can tell from the way they're put together that Chevrolet trucks stay on the job . . . save on the job!

A truck with built-in stamina—that's Chevy. Whether highballing down highways or roughing it across rugged terrain, or doing delivery duty in town, dependable "can-take-it" Chevys are cutting

downtime to the barest minimum. A truck with a choice of ready-to-go power—that's Chevy. From an advanced lineup of eight engines—140 to 210 hp—you can save by choosing the power precisely matched to your job. Thanks to compact weight-saving design, Chevrolet's V8's deliver high power per pound of engine weight—power that works harder for you. Chevy truck 6's are famous for their stay-

ing power. Whichever engine you choose, you know it's got the power to back up every inch of brawn in every Chevrolet Task-Force truck. A truck for your job—that's Chevrolet, too. From pickups to middleweights to high-tonnage tandems, there's one just right for your job. See your Chevrolet dealer. He'll show you a model that's practically made to order for your kind of hauling.

SEAL-KOTE

Sensational SEAL-
KOTE, the "magic" liquid
plastic, is truly the ideal
coating for your home—in-
doors or out.

Bathroom, kitchen, bedroom, basement . . .
even dining and living rooms bloom with fresh,
sparkling beauty after only one coat of SEAL-
KOTE. And, tough, leather-like SEAL-KOTE
retains its attractive luster for years without fading
or chipping.

Thousands of uses

SEAL-KOTE can be applied by brush, spray or
roller over virtually anything—cement and cinder
blocks, concrete, brick, wood, plaster, wallboard,
celotex, stucco, masonry, stone, wallpaper. Works
perfectly on surfaces previously coated with oil or
water base paints.

Choose today from 10 attractive
decorators' colors. Each, per gallon
