## Eagles Beat Water 48-26 Last Friday

### To Play Forsan Here Tonight

The Sterling City Eagles continued their march in the district conference race by beating the Water Valley Wildcats last Friday there by the score of 48-26.

The Eagles, defending champions from last year, led at the half by 28-20, picking up only 20 more points in the last half, and allowed the Wildcats one touchdown during the final half.

#### TO PLAY FORSAN HERE TONIGHT AT 8:00

The Eagles tangle with the Forsan Buffaloes here tonight at 8:00 o'clock. The Buffaloes have dropped a conference game to Mertzon and the Sterling boys have a perfect record in conference play so far this year.

Coach Young's boys are due to have a real game on their hands tonight with the Buffaloes. Should they win of the Forsan boys, the strong Mertzon team is the only one standing in the way of another conference championship—barring the unforeseen, such as illnesses or injuries.

### Eldoradoans Win Range Judging Contest Here Last Saturday

Entrants from Eldorado and Schleicher County dominated the range judging contest held here last Saturday on the Mac Benge place west of town.

In the senior division six teams were entered with the Eldorado squad scoring first with 812 out of a possible 900 points; second was Ozona with 805 and third was Robert Lee with 767.

The Eldorado junior team, competing against four other groups, scored 729 points; Robert Lee, second, 664 points and Ozona third, with 646 points.

Dick Runge, Eldorado, was high individual in the senior contest, scoring 291 out of a possible 300 points; second was Ernest Nimitz, Eldorado, 278, third Jim Williams, Ozona, 277, fourth, Douglas Ashworth, Robert Lee, 273, and Bob Cooke, Ozona, 269.

Jerry Don Johnson scored 253 points to win high individual honors in the junior division. Other winners were second, James Smaller, Eldorado, 247; third Wayne Albers, Ozona, 233; fourth, Rocky Counts, Robert Lee, 233, and Charles West, Eldorado, 229.

The contest and program was sponsored by the North Concho River Soil Conservation District and they furnished the prize ribbons for the winners.

### LIONS FETE THOSE WHO HELPED IN MATCHED ROPING

The Sterling City Lions Club honored a number of people who had helped make the matched roping affair a success when sponsored by the Lions Club two weeks ago. The members of the Sterling County Polo Association were guests and several other people who had donated work, services, etc. were guests at the luncheon Wednesday.

Lion Fred Igo acted in the absence of president Horace Donalson. Introductions of the honored guests were made and acknowledgment of thanks given.

Polo club members present were Billy Ralph Bynum, Ralph Davis, Jim Bob Clark, Forrest Smith, Bill Blair, Billy Darrell Blair, Cliff Carpenter and Jack Wright. Others present who had assisted included Mrs. Alvie Cole, Mrs. Billy Ralph Bynum, Charlie Speck, Ted Powers, and Joe Treadway, owner of radio station KPEP who donated a lot of free radio time and Jim Moreland of the San Angelo TV station, who plugged the show for the club.

Other guests included former club member and resident, Dr. B. D. Greer, now of Comanche, Sandra Williams, Bud Taylor of Midland, Ted Maxwell of San Angelo, Mr. and Mrs. Harold Steer, Chesley McDonald and Kenneth Goddard.

Joe Treadway told the club he was always glad to do anything to help out in our community programs here. Jim Moreland said the TV station stood ready to help in any way our projects. Dr. Greer spoke briefly on old times and reminisced on his days as a member of the club.

### New Fords To Be Shown November 7

The new 1958 Fords will be on display at the Sterling Motor Co. next Thursday, November 7, said Martin Reed, owner, this week.

Free coffee and doughnuts will be served to the public that day, said Reed. The open house will continue to run through Saturday, November 9. Everyone is invited to view the new Fords, it was said.

### CONTRACTOR NOTICE FENCE-BUILDING

Bids on a per mile basis for moving approximately four miles fencing on highway right-of-way will be received until 2:00 o'clock P.M., Tuesday, November 12, 1957, by the Commissioners Court of Sterling County. For further information contact the County Judge, County Clerk or any County Commissioner in Sterling City, Texas.

### Halloween Carnival Held Here Thursday Night

Jim Davis and Gayle Steward King and Queen; Wayne Smith and Su Speck Lord and Lady

Jim Davis reigned King of the Halloween Carnival Thursday night along with Gayle Steward as the Queen. The two were the senior candidates for the honors at P.T.A. sponsored affair at the school on Thursday night. Acting as Lord and Lady were Wayne Smith and Su Speck, candidates for that honor from the fifth grade.

The main program was titled "Texas Sings" and the students put on costumed numbers of folk songs, Indian dances, Mexican Hat Dances, square dances, tap dances, Charleston numbers, solos, cowboy songs, a darkie number, etc.

Attended by a capacity crowd, the carnival was a success from the entertainment angle as well as a money-raising project for the local P.T.A.

Beginning with a supper in the lunchroom, festivities began at 5:30 p.m. The various grades had booths and game rooms, including cake walk, cat chunk, picture show, white elephant sale, country store, bake sale, fish pond and concession stand.

General chairman for the affair was Mrs. R. F. Caperton. Also on the committee with her were Mrs. Chesley McDonald, Mrs. Ralph Davis and Mrs. Ewing McEntire.

Mrs. C. L. King and Mrs. Dayton Barrett had worked up the program given in the gym.

The supper was under the direction of Mrs. Lillian Werb and the high school mothers all helped in the preparation and serving.

The decorating committee, that did a good job of decorating the gym for the affair, was composed of Mrs. Worth Durham, chairman, and Mrs. Worth Allen, Mrs. Charles Speck, Mrs. Bill J. Cole and Mrs. Albert Fields.

Mrs. Neal J. Reed and Mrs. Delbert Haralson made up the coronation committee.

At the conclusion of the program, drawings for door prizes ended festivities. Many local merchants had contributed items for prizes.

## Amendment Election Here Next Tuesday

### Mrs. Maude Conger, 84, Buried Here Tuesday

Mrs. Maude Conger, 84, as buried here Tuesday afternoon. Funeral services were held at the Baptist Church and burial was in the Foster Cemetery.

Mrs. Conger, who moved to Sterling before the county was organized, was a resident here for 70 years. She was born October 13, 1873, near Dallas.

Mrs. Conger had been in McCamey the past four years, living with a daughter, Mrs. John Cole. It was at this daughter's home where Mrs. Conger died early last Sunday.

Survivors include two daughters, Mrs. Cole of McCamey, and Mrs. Graham Barnett of National City, California; four sons, Joe of McCamey, Bill of Forsan, James of Fort Stockton and J. T. of Wink; two sisters, Miss Beulah Wilson and Miss Lenora Wilson and one brother, Pink Wilson of San Angelo.

Preaching the funeral services was the Rev. Backus of McCamey, and he was assisted by the Rev. C. B. Stovall, local Baptist pastor.

Pallbearers were Seth Bailey, C. C. Ainsworth, Virgil Brownfield, and Fowler McEntire, all of Sterling City; and W. W. House of Junction and Odell Cole of Caddo.

Horace Donalson, Santa Fe agent here went to the company hospital in Temple Tuesday to have a check-up on his bum eye.

Mr. and Mrs. Bill Sims of Big Spring went to Dallas to attend the SMU Homecoming this week-end. They left little Bill Lowe here at the Roland Lowes.

A special constitutional amendment will be held here next Tuesday, November 5. This statewide special election deals only with the three amendments here.

The first proposition on the ballot deals with the establishing of a fund for officers and employees of the state—setting up a retirement, disability and death compensation benefits.

Proposition number two deals with raising the minimum old age pension (from state funds) from \$20 a month to \$25. Also it allows more to be used for the needy aged, blind, and children more state money for grants.

Perhaps the most important one of the amendments is that of setting up a \$200 million fund for the state to use for water development of the future. The money would be used to build dams for water storage through the years.

The last proposition is called one for water conservation, water development and water resources of the state. The money would be lent or granted to cities, water districts, etc. to build dams over the state.

#### Everybody to Vote at One Place—Courthouse

Everybody will vote at one place only—the courthouse. No voting boxes will be open in the country, said County Judge G. C. Murrell. All voters of the county may come in and vote at the courthouse, thus saving the expense of five voting set-ups over the county.

#### Saturday, Monday Shows This Week

The Palace Theater will be open Saturday night, November 2, and Monday night, November 4, said Mrs. Horace Donalson this week. The show will be closed Friday due to the ball game with Forsan and the Donalsons just moved the show nights up to Saturday and Monday. The film to be shown will be "A Bundle of Joy" starring Debbie Reynolds and Eddie Fisher.

### HOSPITAL NOTES

Patients in the Sterling County Hospital on Thursday morning of this week included—

Mrs. V. T. McCabe  
Mrs. M. E. Churchill  
Mrs. Neal Reed  
Neill Munn  
Mr. and Mrs. D. P. Glass  
Mrs. C. J. Copeland  
Mrs. Claude Titmore

Dismissals since Thursday morning of last week include—

D. E. Smith, Jr.  
Mrs. Addie Pierson  
Mrs. J. A. Revell

A memorial donation in memory of Mrs. Maude Conger was made to the hospital this week by Mr. and Mrs. George Case.

Sunday morning's frost was an early one although it was not the earliest one on record. According to the San Angelo weather station, it was the second earliest frost in 25 years. In 1955 the first frost hit on October 25, just two days earlier than this one.

The earliest date on record according to a report issued some time ago by the U. S. Weather Bureau at Austin is October 16 but it did not give the year this occurred. Latest date recorded for a killing frost is December 13; average date is November 16. These figures are for San Angelo. The Big Spring weather records show October 19 at the earliest date, December 9 the latest date, and the average date for that station is November 12.

The frost caught a number of people with second growth sorghum or sudan that had previously been cut or grazed. This feed is extremely dangerous to livestock for several days after the frost hits and the plant undergoes a number of chemical changes which set up prussic acid poisoning. Animals which graze the frost bitten plants usually become very sick immediately and die shortly. They can be saved only if a veterinarian is available to give immediate treatment in the form of an injection into the blood stream.

Best bet on the frost bitten feed is allow it to stand in the field for at least ten days before turning on any type of livestock to graze. After ten days, the chemical reaction is complete and the plant is free of the poison. To make hay of the sorghum or whatever it might have been, it should have been cut immediately after the frost and allowed to cure thoroughly before feeding or baling. After it has cured thoroughly it can be fed with no danger.

For grazing purposes, remember

to wait ten days before turning in on the feed; after that it can be grazed safely.

\*\*\*\*\*  
Sterling County 4-H club members elected their club officers for the coming year. Those elected are as follows: Clayton Stewart, president; Jerry Payne, vice-president; Cecilia McDonald, secretary-treasurer; and Bobbie Hallford, reporter.

Program committee officers are LeRuth Reed, chairman; David Durham, vice-chairman; Mitsy Davis, vice-chairman; and Temple Ann Foster, secretary.

These officers will serve during the year 1957-1958. The program committee serves as a guiding committee on club work. They will help to plan various activities during the club year.

\*\*\*\*\*  
Eldorado and Ozona FFA members were the big winners in the range judging contest held here last Saturday. The contest, sponsored by the North Concho River Soil Conservation District, was held on the Mack Benge place just outside of town. Six senior and five junior teams took part. Chapters represented were Eldorado, Ozona, Big Lake, Robert Lee, Barnhart and Sterling City.

The contest was set up by Marcus Loader and Charles Allen of the local SCS unit, Dick Ketchum of the Ozona SCS unit, Barney Jefferson of the San Angelo SCS unit and myself. Benge had a good place to have the contest as it was convenient to town and he has a good grass cover on the range. Only a few grasses that the boys are required to identify had to be transplanted. Those that had to be transplanted came off the Benge place but were just not in the right location to be convenient for the boys so they had to be moved to where the boys could work on them.

### THE AMERICAN WAY

'Tain't Fair

### Just For FUN

by ROBERT C. PREBLE, President Encyclopaedia Britannica

This device opened the business world to women, and still is the principal working tool of millions, though initial models were designed to aid communication among the blind.

(Answer, printed upside down, has as many letters as there are squares.)

Though you might not recognize it, the pictured machine is an 1867 typewriter. Before its advent most secretarial work was done by men; typewriters helped effect a social revolution by bringing women into business.

**4-H CLUB MEETING**

The 4-H club had its first meeting on October 25. We elected officers as follows:

President—Clayton Stewart  
 Vice-Pres.—Jerry Payne  
 Secy.-Treas.—Cecilia McDonald  
 Reporter—Bobbie Hallford  
 Program Committee—LeRuth Reed  
 Girl Vice-Chairman—Mitsy Davis  
 Boy Vice-Chairman—David Durham  
 Secretary of the Committee—Temple Ann Foster.

It was decided to have a demonstration of some sort at each meeting along with a program. Friday of each week was named meeting day.  
 Reporter—Bobbie Hallford.

### Trash Fire Causes Truck Run Friday

A fire out back of the Truck Stop caused the fire trucks to make a run Friday noon. The trash fire got out of hand and burned a utility pole somewhat and ruined about two sections of the concrete pipe being laid for the new city water supply mains.

The fire made a black smoke and a loud crackling noise, causing lots of spectators to appear upon the scene. Damage was slight.

### \$733.84 Taken In at Halloween Carnival

A total of \$733.84 was taken in at the PTA Halloween Carnival here Thursday night. This money came from admission charges, suppers, and all the various booths.

Mrs. R. T. Caperton, chairman of the carnival, expressed her sincere thanks and appreciation to all the mothers, the teachers, the fathers, and business men who helped to make the carnival a success.

Lynn Glass and Mickey Ashworth of Texas Christian University in Ft. Worth spent last week-end here visiting Lynn's parents, Mr. and Mrs. David Glass.

Murderers of this fraternity lived in a region suggested by the picture. They robbed and strangled according to religious ritual, including the consecration of a pickax and the sacrifice of sugar. (Answer, printed upside down, has as many letters as there are squares.)

The picture suggests the Punjab region of India which was the principal home of the Thugs (to-day's answer). Thugs a century ago performed ritual murder in devotion to the Hindu goddess of destruction.

 Morning Worship 11:00 a.m.

### CENSUS BUREAU ESTABLISHES DIVISION HERE

In a joint program with the State of Texas and each of its counties, the Bureau of the Census is establishing areas, known as "Census County Divisions," for use in statistical reporting. Similar areas were established in the State of Washington prior to the 1950 census, and since 1950 have been put into effect in eleven other states.

James R. Kirby, a member of the Census Staff, has been here this week from Washington to consult with county officials and solicit their advice in regard to the proposed areas for Sterling County.

Because Sterling County has a population of less than 3500, which is the average size of most Census County divisions, and because there is only one trading center in the county, Sterling County will consist of but one Census County Division, to be known as Sterling City.

In other words, no more will the bureau ever give Sterling County's population by precincts or towns—only as a unit of Sterling City.

Mr. Kirby assures us that the county divisions set up by the Bureau of the Census will not interfere in any way with the use of Justice's or Commissioner's precincts by the State or counties.

SWEEPING STYLING CHANGES ARE APPARENT IN THE 1958 FORD CAR LINE. The Fairlane 500 Town Victoria (right) and Fairlane Club Victoria (left) share with all new Fords such dramatic styling changes as new safety dual headlights, corrosion-proof anodized aluminum grille, power flow hood, slip stream roof, sculptured inverted V trunk lid and twin safety taillights. Engineering and design advances include new engines, new Cruise-O-Matic transmission and optional Ford-Aire suspension. The new Ford car line will be on display at Ford dealerships on November 7.

# TEAMED FOR Action!

Like a well-balanced football team, Cosden products are at their best when they're working together.

Cosden gasolines — Premium Ethyl or Higher Octane Regular — are skillfully processed through one of the world's most modern refineries to deliver all the horsepower in your engine. They offer new bonus power to span the miles economically... reserve strength for fast get-away or quick passing... and instant response to your accelerator.

Cosden lubricants — 10w30 or Heavy Duty Motor Oils — keep engine parts working smoothly and freely in any weather.

Get the most from your car. Use Cosden gasolines and lubricants... together. They're teamed for action.
