

STERLING CITY NEWS-RECORD

NO. 67 "Since 1890" PUBLISHED EVERY FRIDAY AT STERLING CITY, TEXAS FEBRUARY 7, 1958 No. 6

Club Luncheon

The Sterling City Lions Club met at the community center Wednesday afternoon for the regular weekly luncheon. Twenty-four members and two guests were present. The guests were Clell Ainsworth and Mary Hailey, who was also introduced as a new member.

Each Diddle Young asked if the club wanted to sponsor an incident basketball tournament. The members voted to give the idea a thought and definitely decide next week.

Chief R. P. Brown told the members of the needs of the fire department. He said if some new hose was bought, some nozzles, etc. and the pump truck tested to pump 500 gallons a minute, and a water fire department was set up, twenty members with twice-monthly meetings, an immediate reduction of 48c per hundred on fire would go into effect—once the truck was hooked up or turned in.

The club voted to give a \$25.00 to sheriff Bill Green for the "bum fund." Diddle Young and Fred Igo told the need of shoes and clothing for the Mexican family that they had been appointed to investigate. Committee members reported that most nearly every kind of thing was needed, especially clothing. Members agreed to bring used clothing to the next meeting for the boys, aged 1-5.

Wimodausis Club Has Party Honoring Husbands

Members of the Wimodausis Club had a Valentine party honoring their husbands at the community center Tuesday night. Tables were set, and refreshments of cherry tarts and coffee nuts were served.

Club president Mrs. Ray Lane welcomed the guests. The games were planned by Mrs. E. F. McEntire and Mrs. Foster Conger. The decorations were furnished by Mrs. Lester Foster and Mrs. T. Foster. Door prizes were furnished by Mrs. Rufus Foster and W. N. Reed.

Hostesses for the affair were Mrs. Hildebrand, Mrs. R. P. Brown, H. F. Donalson, Mrs. Jack Douthit, Mrs. T. S. Foster and Mrs. H. Reed.

Joint Club Meeting To Honor Mrs. Perkins Here Next Week

The three Sterling City Women's Clubs, the Wimodausis, the Noratadada and the Epsilon Zeta, will, in a joint meeting next Tuesday honor Mrs. Joseph M. Perkins.

The affair will be held in the home of Miss Ethel Foster and Mrs. H. L. Hildebrand. The Wimodausis Club president, Mrs. Ray Lane, will give the welcome and Mrs. Lester Foster will introduce Mrs. Perkins, the guest speaker.

Mrs. I. W. Terry will furnish music for the occasion.

Wimodausis hostesses will be Mrs. E. F. McEntire, Mrs. John Reed and Mrs. Lester Foster. Noratadada hostesses will be Mrs. Finis Westbrook and Mrs. Chesley McDonald. Epsilon Zeta hostesses are to be Mrs. Billy R. Bynum and Mrs. C. J. Copeland.

"POINTS FOR POLIO" BASKET BALL GAME HERE NEXT TUESDAY NIGHT Benefit March of Dimes Conference Game with Garden City

In an attempt to raise some additional money for the March of Dimes, "Points for Polio" will be utilized here next Tuesday night in a conference basketball game with the Garden City Bearkats.

A person may declare that he will give a stipulated amount for each point scored in the game. For instance, a donor says, as he enters the gym, that he will give 2c for each point scored during the game. The score comes out 39 to 37 or a total of 76 points. The donor would be charged up 2 per point or a total of \$1.52. One can pledge from 1c a point up to 5c, 10c, 25c or \$1 or more, depending upon that person.

The game that will be used is the game between the Sterling and Garden City boys at 8:00 p.m. A girls game begins at 6:45. It was said by coach Diddle Young.

Those not pledging points for polio will pay the usual admittance of 25c and 50c, it was said.

Mr. and Mrs. B. J. Crossno visited their son, Dr. Joe David Crossno, and his family in Fairfield, Texas last week-end.

PTA Next Thursday

The Sterling City Parent Teacher Association will meet at the school auditorium next Thursday afternoon at 3 o'clock. A Founders' Day tea will be given by the homemaking department following the program and business meeting.

Chris Bengie is scheduled to give the devotional. Following a selected musical number, Mrs. F. S. Price is to talk on "Partners in Education."

The third and fourth graders are to present plays on February's famous personages.

HOSPITAL NOTES

Patients in the Sterling County Hospital on Thursday morning of this week included—

Tom Asbill
D. P. Glass
Neill Munn
Mrs. Leslie Cole
Lee Douthit

MISS ETHEL FOSTER SPEAKER AT OZONA CLUB; TELLS OF FOREIGN TOUR

Miss Ethel Foster, Texas Federation Chairman, Council of International Clubs, who was a member of the General Federation of Women's Clubs tour group which visited eastern Europe last year, told members of the Ozona Woman's Club of the trip and some of her observations of women's clubs in Europe at a meeting of the Ozona Club January 28 in the home of Mrs. Floyd W. Henderson. A high light of the Federation European tour was when the group was received by Queen Juliana of the Netherlands, said the speaker.

Miss Foster and three other visitors of Sterling City, Mrs. James McEntire, Mrs. Fowler McEntire and Mrs. H. L. Hildebrand, were honored at a luncheon given by Mrs. S. M. Harvick, Mrs. L. B. Cox Jr., Mrs. Hillery Phillips and Mrs. Eldred Roach in the Harvick home. Other guests were Mrs. N. W. Graham and Miss Joan Ridley.

—From the Ozona Stockman

THE AMERICAN WAY

Dirty Work Afoot

Our WASHINGTON Letter

THAT SUBJECT OF TAX Reduction is cropping up again, although the odds are that no cuts will take place at this session. In fact, it looks like a slight budget deficit at the end of this fiscal year.

But the recession now taking place has given rise to tax reduction talk as a stimulus for business to expand and employ more people. Congressman Syd Herlong of Florida, a respected authority on taxes, points out that when the 1954 recession came along the Congress cut taxes by \$7 billion, effective the following year. And the next year, despite the tax cut, total revenue showed a gain. Thus, he argues that when tax levels reach the point of diminishing returns, a reduction stimulates investments and expansions and may result in an increase in the gross product.

The House Ways and Means Committee which writes all tax legislation, of which Herlong is a member, is now holding hearings on the propriety of Herlong's and other proposals. A hundred witnesses have already been heard on that general topic.

MAY I SUGGEST that if you haven't already done so, you be sure and see Walt Disney's OLD YELLER. It's from the best-seller book by Fred Gipson of Mason, and the leading role is played by Fess Parker, formerly of San Angelo and Brownwood. The show is a humdinger. You'll like it because of Fred Gipson's brilliant writing and Fess Parker's superb acting—if for no other reason.

EIGHT RADIO STATIONS carry our weekly five-minute news comments from Washington. These stations include KRUN Ballinger, KG KL San Angelo, KBWD Brownwood, KMBL Junction, KNAF Fredericksburg, KSTA Coleman, and KCYL Lampasas. In addition, a five-minute report is given over San Angelo TV each Monday night at 10:15.

RECENT GUESTS have included Dr. and Mrs. Lester Keyser of Fredericksburg, Allyn W. Gill of Santa Anna, Raymond McElrath of Coleman, Ford Barnes of Santa Anna and Wendell Mayes of Brownwood.

FOR SALE—The used furniture from the D. P. Glass house. See or contact Roland Lowe.

North Concho River Soil Conservation News Column

Farmers and ranchmen who have land in the Conservation Reserve or who are going to reseed some of their cropland to grasses should decide on what grasses they want to plant. Grass seed should be bought now as prices will increase as planting time approaches. The following are seed dealers with good quality seed at reasonable prices:

Robinson's Grass and Seed Farms
80 Portland St. Plainview, Texas
(Sorghum Alum 25c per pound)
Ed Wanoreck Jr., Mereta, Texas
(Sorghum Alum 25c per pound)
M.C. Thomas, Rt. 3, Post, Texas
(Blue Panic 75c per pound)

The above seed dealers offer good quality seed at reasonable prices. Always look for high germination and purity seed. Poor quality seed often result in complete failures.

In deciding on and carrying out your ranch plan of operations for 1958, do not overlook the need for resting rangeland. It took seven long years to get at our present condition and we cannot expect to recover in one year. Sound management will be required for several years (with favorable moisture) to recover fully. Soil moisture is good now and resting of grassland during April thru October will give the grasses a chance to recover their vigor and spread. Periods of rest may be for 12, 9, 6, or 3 months where ASC assistance is requested. For 6 months rest the beginning dates are from April 1 thru May 1. Beginning dates for 3 months rest is from April 1 to July 31. Sign up should be completed prior to the beginning dates as given below. Cost-share rates are .30 cents per acre for 6 months rest and .15 cents per acre for 3 months rest. Beginning dates for 12 and 9 months periods of rest ended February 1.

Attend Garden City Livestock Show Monday

Four Sterling Citizens attended the Garden City Livestock Show in Garden City Monday. Attending the show were Roland Lowe, H.A. Chapple, D. L. Haralson and Rufus Foster. Lowe bought a lamb at the auction show for his Hardware and Furniture Co.; Chapple bought one in the name of his store and Haralson got one for the bank here.

Mrs. Carol Reed and son, Milton, moved from Albuquerque, New Mexico to Valdosta, Georgia last month. Milton is attending Georgia Christian Institute there, said his brother, Ansel.

Typewriter Paper for sale at the News-Record.

Boy Scouts, on 48th Birthday, Begin National Safety Good Turn

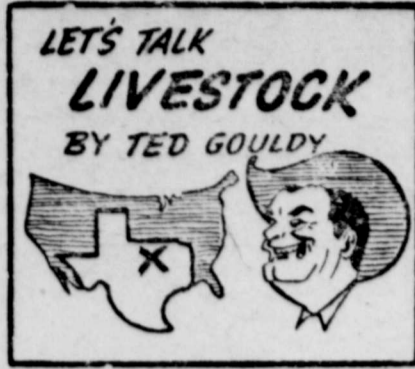

More than 4,700,000 Cub Scouts, Boy Scouts, Explorers, and adult leaders throughout the nation will observe Boy Scout Week, February 7 to 13, marking the 48th anniversary of the Boy Scouts of America.

Boy Scout Week sees the launching of a yearlong Safety Good Turn suggested by Pres-

ident Eisenhower, Honorary President of the Boy Scouts of America.

In cooperation with other organizations giving leadership in safety, the Scouts will promote traffic safety in March, April, and May; outdoor safety in June, July, and August; and home safety in September, October, and November.

FARM PRICES AGAIN WELL UNDER PARITY

FORT WORTH—Average farm prices, as reported here today by the Department of Agriculture, as of January 15, reveal that major livestock prices are still well below effective parity prices.

Average farm price of beef cattle was recorded at \$19.70 while parity was figured at \$22.90, leaving the value at 86% of parity. Calves stood at 88% of parity as current values average \$22.50, against effective parity of \$25.20.

Hogs were at 85% of parity with average farm prices of \$18.50 against effective parity value of \$21.70.

Lambs brought 84% of parity as average market values were \$21.60 against effective parity of \$25.60.

The value of wool was figured at only 65% of parity, as average farm price was figured at 45.2 cents per pound, against effective parity of 69.5 cents (these figures did not include any incentive payments on wool).

CATTLE AND CALVES AGAIN WEAK TO 50 CENTS OFF

Trade on slaughter classes of cattle and calves again reflected weakness at Fort Worth Monday, as reports from major dressed meat centers indicated the resistance to recent high meat prices was slowing down clearance of meat out of coolers. At the close prices of most slaughter cattle and calves were weak to 50 cents lower, although a few sales on the early rounds were made at steady to strong prices to the shipper trade. Replacement cattle and calves moved at firm prices.

Good and choice slaughter steers and yearlings cashed at \$21 to \$126 a load of 1,110-pound steers at the higher figure. Common and medium offerings cleared at \$14 to \$21.

Fat cows cashed at \$15 to \$17.50, and canners and cutters drew \$9 to \$15.50, and a few strictly choice medium weights sold in the \$26 to \$27 bracket very sparingly. Common and medium offerings sold from \$15 to \$21, and culls cashed at \$12 to \$15.

Good stocker steer calves cashed at \$24 to \$27.50, and similar heifer calves ranged from \$25 down. Stocker steer yearlings drew \$18 to \$24.50, some around 725-pound feeders at \$24.50. A small lot of stocker heifers topped at \$24, and a few medium to just fairly good stocker cows sold for \$16 to \$18.

SHEEP AND LAMBS AGAIN SHOW WEAKNESS

Most classes of sheep and lambs sold on a weak to unevenly lower basis, and slaughter lambs were fully in line with the low close of last week at Ft. Worth Monday. Other slaughter kinds of sheep and lambs, which were not represented in the receipts in the closing sessions late last week, shared the

P.T.A.'s to Celebrate Founders Day
11-Million Members Mark
Organization's 61st Year

On February 17 the world's largest voluntary service organization will celebrate its 61st birthday.

This is the National Congress of Parents and Teachers, whose nearly eleven million members are active today in P.T.A.'s throughout the 48 states, the District of Columbia, Alaska, and Hawaii. They will mark the organization's Founders Day with a variety of activities aimed at strengthening and expanding parent-teacher work in their own communities.

Mrs. Rollin Brown, of Los Angeles, president of the National Congress, points out that these 43,000 P.T.A.'s have set the pattern for parent-teacher associations in areas where U.S. armed forces have established American communities overseas. And parents of school children in other nations have sought help from the National Congress in forming similar groups to promote education in their countries.

Founders Day activities, scheduled for February 17, will honor two women whose imagination and concern for children planted the seed for this still-growing organization. It was in 1897 that Alice McLellan Birney and Phoebe Apperson Hearst conceived the idea of a National Congress of Mothers to promote the health and welfare of children by helping their parents learn more about how to fulfill a child's physical and spiritual needs.

They worked hard to interest other women in their aims and approached the date they had set for the organizing meeting with hopes of seeing a hundred or so delegates arrive at Washington's Arlington Hotel. But "if only twenty-five are there," admitted Mrs. Birney, "I shall be satisfied."

More than two thousand men and women turned out! Their enthusiastic reception of the aims, as outlined by the Founders, and of the lectures, discussions, and conferences that made up the first meeting set the pace for a great national movement. Soon state congresses were founded, and before long the original "mothers' congress" was broadened to include the

concept of parents working with teachers.

Since that founding meeting, the National Congress of Parents and Teachers has written an impressive record of achievement. It includes these activities in behalf of children:

Donated hundreds of thousands of dollars in scholarships to students planning to enter the teaching profession.

Initiated a program for the periodic health appraisal of well children from birth through high school—an extension of the Summer Round-Up campaigns under which nearly three million preschool children have received physical examinations.

Promoted successfully thousands of school building projects, including preliminary surveys, educational campaigns, and school bond issues.

Alerted the public to violations of child labor statutes, stressed the need for improved juvenile detention facilities, and supported sound adoption laws.

Helped establish child-care centers for children of working mothers and worked to raise the standards of all child-care establishments.

Established and supported public kindergartens until public support could be secured.

Pioneered in establishing and maintaining thousands of hot school lunch programs long before the public in general became aware of their importance.

Helped to keep the schools open during the years of war and depression—an achievement for which it received a special citation from the National Education Association.

The first Board of Managers of the National Congress of Mothers (the National Congress of Parents and Teachers since 1925). Left to right, seated: Mrs. John R. Lewis, vice-president; Mrs. Adlai Stevenson, vice-president; Mrs. Theodore W. Birney, president and Founder; Mrs. Phoebe Apperson Hearst, vice-president and co-founder; Mrs. William L. Wilson, chairman of the Reception Committee; and Mrs. F. Benjamin Johnston.

Headquarters of the National Congress of Parents and Teachers stands today at 700 North Rush Street, in Chicago. The building, dedicated in 1955, won an award from the Chicago chapter of the American Institute of Architects and the Chicago Association of Commerce and Industry for excellence in architecture.

Mrs. Rollin Brown, president, uses giant thermometer to illustrate how membership in the National Congress has more than doubled since 1947.

downward spiral. Feeder lambs also sold unevenly lower. Slaughter sheep, and feeder lambs, averaged 50 cents to \$1 under mid-week last week.

Goats sold steady at \$7 on slaughter varieties.

Good and choice slaughter lambs cashed at \$22 to \$23, most sales \$22.50 downward. Some good heavy lambs of over 110 pounds stopped at \$20. Choice yearlings cashed at \$21 down, and some good aged wethers sold from \$13 to \$14.

Old ewes sold from \$8 to \$10, some at the higher figure apparently having stocker possibilities, despite age. Medium to good feeder lambs were reported from \$18 to \$20.

THE PICTURE IS CONSTANTLY CHANGING

The number of meat packers has increased by only 200, or ten per cent, in the past ten years. However other processors of meat—sausage makers, wholesalers, etc., have increased 26 per cent in ten years. There has developed a small army of brokers, who are middle men operating between packers, sausage makers and wholesale distributors. This is the maze of trade, buying, selling, swapping, and that is what is giving the livestock and meat business headaches!

In the interval between 1948 and 1954—a total of 104,000 retail meat markets, delicatessens and retail

grocers handling meat disappeared. A decrease of 24 per cent.

In this same period, 1948-1954, the sales by corporate chain grocery stores increased 62 per cent and non-chain stores gained only 25 per cent in this interval.

How far would your electric appliances reach?

The number of jobs you do with electricity is one good measure of your standard of living. The more ways you put it to work, the more likely you are to live comfortably and conveniently.

You and other customers of the more than 400 independent electric companies can use electricity widely because it's plentiful and costs so little.

Right now, in every room in your home, electricity is working for you or waiting for your command—probably in more ways than you remember. And you can depend on it. Making sure you get good service always is the main job of the men and women of your electric company.

World Day of Prayer

Observance of The World Day of Prayer on Friday, February 21, is being planned by the local churches. The purpose of Prayer Meeting on this particular day is to give the people of our town the opportunity to join with Christian people around the world in prayer for a world united in peace, for the furtherance of the brotherhood of man, and for the continued outreach of world Christian missions. Committees appointed to represent the various denominations in planning the program are Mrs. Tom Humble and Mrs. Roy Morgan, Mr. and Mrs. L. S. Dubberly, Mrs. Templeton Foster and Mrs. Roy Foster, Marion H. Hays, and Mr. and Mrs. Lewis G. Petmecky, Mrs. David Glass, Mrs. Horace Donalson and Mrs. Fowler McEntire.

Watch your local church bulletin and other notices for further information and plan to participate in this service. It will be held at the Presbyterian Church this year.

This is a really useful Kit, with the most-needed accessories bundled into one handy package.

Miss Virginia Carey and Miss Alice Sherwood, Public Service Department of West Texas Utilities Company, look over the layouts of newspaper advertisements being prepared for the special Live Better Electrically promotion in the month of February which is being conducted by West Texas Utilities Company. During the month all promotion and advertising efforts of West Texas Utilities Company will carry the theme Live Better Electrically. The second week in February is National Electric Week and special events to emphasize this week are being planned by WTU.

Today, February 7, is the opening day of the San Antonio Live-stock Exposition and Rodeo. Four Sterling county girls and one boy, all members of the 4-H Club, will be exhibiting sheep in the show.

Mitsy Davis, LeRuth Reed, Cecilia McDonald and Jeanie McDonald will have fat lambs in the open lamb show on Monday. David Durham will have six head of his registered Rambouillets in the Junior Rambouillet division on Tuesday.

The San Antonio show was originally set up as a boys' show in the middle thirties before girls fed lambs or calves, and after suspending their show during the war years of the forties, they reopened in their new quarters in 1949, they ruled that girls were still not eligible to show against boys but must show in the open show. Thus far they have not seen fit to change the rule.

This year there will be 641 lambs in the boys shows and 144 in the open show. There are four classes, finewool, finewool cross, medium wool and Southdown. There are 105 Rambouillets entered in the junior Rambouillet show.

All users of surface water in the State of Texas are required to file annual reports with the Texas

Board of Water Engineers in Austin if they are using water from a public stream or reservoir. This means that everyone who uses water from a river or lake for any purpose besides domestic use or stock use is required to make the report.

Reports are due in the Engineers office in Austin before March 1. The report forms have been mailed to all users on record with the board but there are a number of people through the state who have been in violation of the law according to the board. The report is required so that the board can keep an inventory of all users and amounts and protect them by reserving water for all permit holders.

If you have been using water from a public stream or reservoir but have not yet received your report forms, they are available in any county agent's office in Texas or from the Board of Water Engineers, 1410 LaVaca Street, Austin. They are free.

All wool producers who sold wool during the period Marketing period of 1957 and through April 30, 1958, are reminded to turn in their receipts from the sale of wool, lambs or yearlings. This is necessary if you are going to qualify for payments under the incentive plan. These receipts are to be turned in to the local ASC office before April 30, according to Johnny Hailey, office manager.

Prospects currently appear that this will be a good year to do some mesquite control on your range. There are several methods to use but about the cheapest method is by means of aerial spray.

Past work with the aerial spray methods has hurt considerably by the extended drought. The trees and brush have been tougher than ordinary due to the lack of moisture and have been harder to kill. With ordinary moisture conditions and the trees in good growing conditions, many people believe that the aerial spray method will be one of the cheaper, better methods of killing mesquite, especially where control is to be done on a large acreage.

It is still time before the mesquite spray will be ready but it's time to start thinking of it and making some plans. Best time for spraying is after the trees have leafed out and about 50 to 80 days after the leaves have put out. This puts the season from April to June. Equipment is being readied by several operators now in preparation for the season.

WANTED BY THE FBI

GEORGE EDWARD COLE

A complaint was filed before a United States Commissioner at San Francisco, Calif., on January 9, 1957, charging George Edward Cole with violation of the Unlawful Flight to Avoid Prosecution Statute in that he fled from the State of California to avoid prosecution after allegedly murdering a police officer.

Cole is described as follows: Born, March 24, 1927, Philadelphia, Pa. Height, 6 feet 1 inch. Weight, 160 to 178 pounds. Build, medium. Hair, brown, receding. Eyes, brown. Complexion, medium. Race, white. Nationality, American. Occupations: bus driver, truck driver, typist. Scars and marks: pit scar on outside corner of right eye, small cut scar on inside of left wrist, appendectomy scar; tattoo, small heart and names "Mom" and "Dad" and letters "GP" or "SP" on left forearm; tattoo, 8-point star on back of left hand. He wears full upper denture.

Cole has previously been convicted of grand larceny and robbery. He reportedly has stated that he will shoot any police officer attempting to apprehend him. Cole is considered armed and dangerous.

Any person having information which might assist in locating this fugitive is requested to immediately notify the Director of the Federal Bureau of Investigation, United States Department of Justice, Washington 25, D. C., or the Special Agent in Charge of the nearest FBI Division, the telephone number of which appears on the first page of local telephone directories.
