## THE AMERICAN WAY

Competition — the Spice of Life

Friday the thirteenth marks the beginning of the series of TV programs being put on jointly by the Agricultural Extension Service and station KCTV in San Angelo. The program will be partly film and partly live with the station sponsoring the film portion while the Extension Service will do the live program. County Agents in Irion, Menard, Sterling, Schleicher, Tom Green, Coke, Runnels and Concho will have a weekly assignment of five minutes with each county on a different week.

The film portion will deal with a number of topics each week. Topics will be such things as crops, sheep, cattle, hogs, and so forth. The films were made for the most part on the experiment stations located in the various states and on farms and ranches.

County agents will do their portion on timely subjects. The program starts at 11:45 A.M. and the county agents portions will come on at about 11:57 or thereabouts. Curtis Henderson will have this week's program on milk lambs. Next week I will have the program and will give highlights from the Sonora Wool Show, the best in the country. On the 27th Sterling Lindsey will give a program on soils.

Dr. Sperry of the Experiment Station Staff and in charge of research on poisonous plants in Texas, spent from Wednesday through Saturday of last week checking on the bitterweed plots around the county.

He made counts on all the plots and pulled the plants, both dead and alive from representative squares. From 42 to 50 square were counted and pulled on each ten acre block. These plants will be taken to College Station where the seeds will be stripped from the plants, counted and germinated. From this it will be determined how much seed kill was achieved and whether the plants are good, healthy plants or whether the herbicide affected the future plants.

It will be several months before all this can be determined. Presently all the sprayed areas look good. Kill was good with all types of equipment but a big factor still to be determined is the effect of the herbicide on the seed's germination and plants from these seeds.

Dr. Sperry stated that the work this year in Sterling County was some of the best he had seen in many years. If weather conditions this winter are right as far as moisture is concerned, further testing will be done next year with new chemicals and old as well. Research of any type is long drawn out and endless; new chemicals are constantly coming from the labora-

tories and each must be tested.

Clayton Stewart, Jerry Payne, Reynolds Lee Foster and David Durham are taking part in the state 4-H Club Round-Up at College Station this week. The boys are entered in the state contest for rang judging, a right they earned by placing second in the district contest at San Angelo on April 19.

This year marks the 50th anniversary of 4-H Club work in Texas as well as the nation. The first 4-H club was founded in Jack County by Tom Marks, county agent, in 1908 under the name of Corn Club. Uniform then was blue overalls and a cornstalk and in this attire the boys went to the late Fair. As a feature of the Round-Up, the program Tuesday night is dedicated to those early members. A number of them are scheduled to be present and on the program Tuesday night.

Wednesday night the boys and girls will be guests at a chuck wagon feed on the campus. This is sponsored by many, many businesses and active supporters of 4-H club work in Texas.

We will have more to report on this next week after returning. The Round-Up is a big thrill to many boys and girls each year. It is one of the largest gatherings of rural youths for this type of organization. 4-H club members from El Paso to Texarkana meet with those from Brownsville to the tip of the Panhandle to compete in judging contests ranging from livestock to range, foods to clothing, public speaking, electrical, and on and on.

### TWO LITTLE LEAGUE BALL GAMES HERE TONIGHT

Coach Diddle Young said that his boy baseballers would play two games here tonight with Forsan boys. The first game, with the younger boys playing, will begin at 7:30, and the second game, with the pony leaguers participating, is to start at 8:30, said Young.

The games will be played at the school ball park.

### Eight at Methodist Camp

Eight children from the Sterling City Methodist Church attended a Junior Camp Session at Mount Wesley, Kerrville this week. Those attending the camp included Jane Copeland, Su Speck, Betty Jo Barrett, Rosanne Foster, Mike Foster, Bill Foster, Troy Murrell and Sam Dubberly (now of Elgin.)

The camp lasted from Monday morning through Friday morning and the campers are returning to their homes today.

### Lions Have Boy Scout At Luncheon

Local Boy Scouts were guests at the Lions Club luncheon Wednesday at the community center. The club was showing appreciation to the boys for distributing the handbills advertising the sale of Blind Made Products earlier this spring. Boys present were Danny Bailey, Billy Bauer, Billy Blair, Tommie Foster, Tommy Williams, Mike Williams, Crisp Williams, Billy Joe Tindall, and Leslie Payne, assistant Scoutmaster.

Roland Lowe reported that \$60 had been raised for the "Bum Fund" which is administered by the sheriff's department.

Fire chief R. P. Brown made a report on the fire truck situation.

It was announced that the Ladies Night program and installation of officers would take place the night of June 23. Chesley McDonald will be the chief speaker of the evening, said Jack Douthit.

### Science Scholarship

School Superintendent O. T. Jones Has Science Scholarship at A&M

Sterling School Superintendent O. T. Jones is attending Texas A & M College this six weeks on a science scholarship. He was awarded the scholarship by the National Science Foundation and is taking physics and algebra.

### RETURNS FROM CFWC MEET IN DETROIT

Miss Ethel Foster has returned home from the General Federation of Womens' Club convention that was held in Detroit, Michigan.

Miss Foster was one of 27 Texas delegates to the convention. Among others present from the Sixth District were Mrs. L. E. Dudley and Miss Eudora Hawkins of Abilene, Mrs. W. E. Cantrell of Lometa and Mrs. W. T. Brightwell of Baird.

The Texas delegation was judging for the election of Mrs. Joseph Perkins of Eastland, Texas for the treasurer's post. The new officers elected were as follows:

- Miss Chloe Gifford—President (Indiana)
  - 1st Vice-President—Mrs. E. Lee Ozbirn (Oklahoma)
  - 2nd Vice-President—Mrs. Carol Miller (Montana)
  - 3rd Vice-President—Mrs. Dexter O Arnold (New Hampshire)
  - Secretary—Mrs. W. H. Hasbroock (Nebraska)
  - Treasurer—Mrs. Joseph M. Perkins (Texas)
- The convention for next year is to be in Los Angeles, California. It is to be followed by a post-convention trip of delegates to Manila, P. I.

### Presbyterian Pastor To Be Gone Three Sundays

The Rev. Lewis Petmecky, minister at the First Presbyterian Church here will be gone three Sundays, June 22, June 29 and July 6. He will be a counselor at a Presbyterian Camp near Cloudcroft, New Mexico the latter part of the time mentioned.

Bro. and Mrs. Petmecky are to leave here next week on this combined vacation and camp trip. First they will go to El Paso. Then they will go to visit Mrs. Petmecky's parents, Mr. and Mrs. Joe Adair. They will visit friends in Las Cruces; next they will stop with Mrs. Petmecky's sister and brother-in-law, Mr. and Mrs. Joe Fellis in Albuquerque. Then they will go to visit another one of Mrs. Petmecky's sister and brother-in-law, Mr. and Mrs. Bud Hankins in Espanola. It is here that Bro. Petmecky hopes to get in some mountain trout fishing.

### Club Sponsors Bermuda Bounce

The Live-Five Club sponsored the Bermuda Bounce last Saturday evening at the Legion Hut. About 50 guests were present.

Mrs. Leslie Payne and Mr. and Mrs. Henry Bauer were chaperones. The Live-Five Club consists of Lavada Mitchel, Elizabeth Cole, Le-Ruth Reed, Carolyn Payne and Jeannine Jones.

Mr. and Mrs. Harold Emery and their two children of Plainview visited relatives and friends here last week-end.

### Noratadatas to Help McKnight Chapel

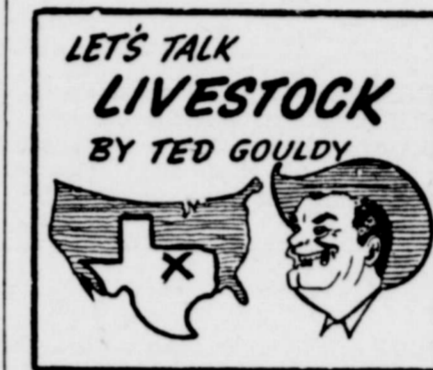

The members of the local Noratadata Club are going to conduct a money raising drive for funds for an all-faith chapel to be built at the McKnight State Sanatorium at Carlsbad. The \$75,000 church has been assured of \$50,000 by contributions from counties away from the immediate area. Now it is hoped that the remaining \$25,000 can be raised in the immediate vicinity of the sanatorium.

Mrs. Reynolds Foster, president of the Noratadatas, said the club members would canvass the town, asking for donations for the chapel—whether they be large or small.

Not only a chapel for worshiping will be built, but a system whereby bedfast patients can tune in on the services will be installed.

Money can be given outright, or memorial offerings may be made—in memory of living or dead persons. All contributions are tax-deductible, it was said.

The late J. T. Davis, Sterling, was on the campaign and construction and advisory committee of the new chapel.

### SUMMER SEASON GETS CATTLE SALES TO NORMAL

FORT WORTH—The livestock business all across the United States swung into a normal marketing pattern for the first time this year, with the opening of the summer marketing season and the start of June.

In the previous five months of 1958 below normal numbers of cattle and calves have been sold, and this has resulted in some warnings from government statisticians. These experts feared the buildup in cattle numbers was being too rapid, and warned that the light selling was kiting prices which might later result in an unduly sharp downward adjustment.

However, with the summer sun hastenin the harvest all over the southern parts of the Great Plains, and field work advancing in the Cornbelt, cattle numbers at the markets soared to surpass the previous week and also the same interval a year earlier.

Cows were still in small numbers at all markets, however, yearling steers and feeder heifers were numerous in stoccer cattle centers. Cornbelt markets reported movement of finished cattle was heavy, indicating the heaviest out-movement of (Continued on Back Page)

### HOSPITAL NOTES

Patients in the Sterling County Hospital on Thursday morning of this week included—

- Neill Munn
- D. P. Glass
- Mrs. Earl Blair
- Mrs. J. A. Revell

### Ministerial Group Meets

A meeting of the Sterling City Ministerial group was held Thursday morning at the Baptist parsonage. The group discussed organization of an association and set July 14 10:00 a.m. as the date for the next meeting. It will be held at the Methodist parsonage. At that time officers will be elected and a constitution and by-laws will be drawn up.

TED NORTON

### Church of Christ Meeting Starts Next Sunday

Evangelist Ted Norton of Manhattan, Kansas, will do the preaching at the Church of Christ meeting which starts here Sunday. Services will be held daily at 10:00 A. M. and 8:00 P.M. said Marion Hays, local minister.

Bro. Norton was evangelist for the Church of Christ meeting here last June. In fact, he once served as the minister to the local congregation—about twenty-seven years ago.

The public is cordially invited to attend the services, said Bro. Hays.

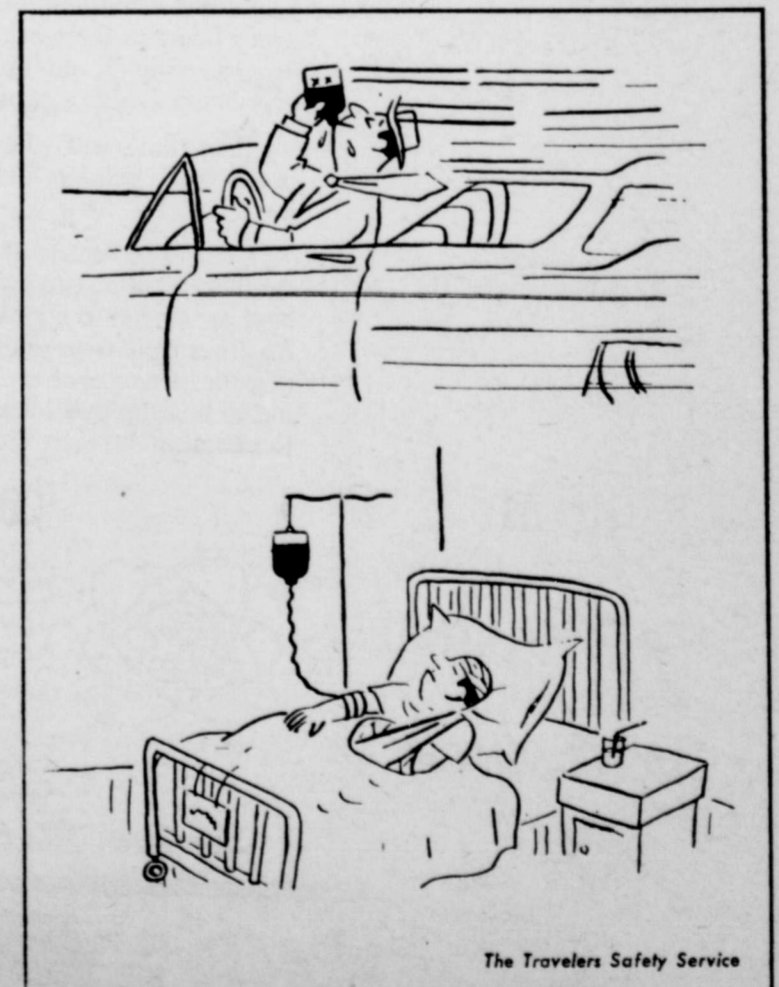

### Jeanne Deans To Start Acrobatic And Tumbling Classes Monday

Dancing teacher Jeanne Deans is to start classes in acrobatic and tumbling classes here Monday morning in the Legion Hut. She will take the pre-schoolers through 9 years of age at 9:00—10:00 A.M. Those nine and older will have a class from 10:00—11:00, it was said.

Mothers wanting to enroll children may bring them to the Legion Hut Monday for registration.

# PLANNING ON BUILDING?

**THE Electric Heat Pump Is...**

- ODORLESS
- FUEL-LESS
- SOOT-FREE
- CLEAN
- CONVENIENT
- QUIET
- FLEXIBLE
- COMFORTABLE
- ECONOMICAL
- SAFE
- AUTOMATIC

**INSTALL THE All Electric YEAR 'ROUND AIR CONDITIONER**

Scientists have known for years that enough natural heat exists in outdoor air, even in the coldest weather, to heat every home in the world. If this heat could be extracted... concentrated... and brought indoors—what a solution to everyone's heating problem!

But that's just what a summer air conditioner does... in reverse. It extracts and concentrates indoor heat and moves it outdoors.

The All Electric Heat Pump Air Conditioner is an air conditioner that can reverse itself automatically to cool or heat as needed to maintain indoor comfort at an even level. An improved reverse-cycle valve, sensitive to indoor temperature changes of even a few degrees, switches from cooling to heating and back again automatically... to maintain the comfort level at which you set the thermostat.

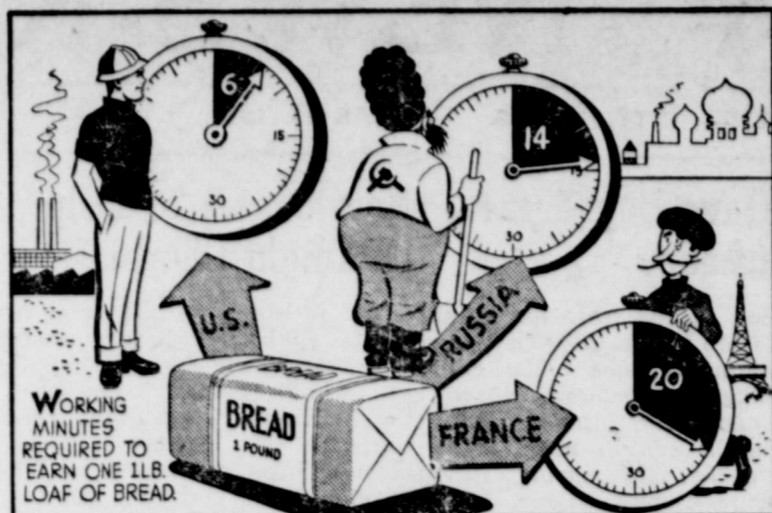

**COMPLETELY AUTOMATIC**

The Electric Heat Pump is completely automatic. During changeable weather, even if it is within the hour, the Heat Pump will switch from heating to cooling and or back again as the temperature changes require.

You do not need to change the temperature dial, you just set the thermostat for the temperature you desire and forget it. The Electric Heat Pump is the ONLY completely automatic Air Conditioner.

*See Your Electric Heat Pump Dealer*

West Texas Utilities  
Company

Ivan Skavinsky Skavar, the average Russian industrial worker, labors five times as long to fill his family's market basket as does Joe Smith, the typical American laborer.

In a talk before the National Food Conference, held recently in Washington, D. C., Vice President Nixon pointed out that Joe Smith can buy a pound loaf of enriched bread with six minutes of labor, according to figures compiled by the United States Bureau of Labor Statistics. Ivan works 14 minutes for the same amount of bread which does not equal the U. S. loaf nutritionally.

Ivan works 132 minutes for a pound of beef. Joe Smith buys it with 31 minutes of labor. Joe works 25 minutes to add a pound of sliced bacon to the family larder; Ivan has to stay on the job 331 minutes to buy the same amount from a Moscow State store.

A grouping of 11 foreign countries, according to the work time required to buy food, indicates that the American worker spent less than one-fifth as much time to pay for a given quantity of food as the Soviet worker. He (the American) spent from 20 to 36 per cent as much as the Italian, Austrian, or French workers; from 39 to 48 per cent as much time as the Dutch, West Germans, Irish or Swiss; and from 62 to 71 per cent as much time as the Danish, British, or Norwegian workers.

Joe Smith works 4 minutes for a pound of flour. Irishmen and Norwegians are runners-up. They work six minutes for their pound of flour. Again, tops in the flour field is Russia, where 27 minutes of work are necessary.

French bread is in demand in many countries, but not-so-lucky-Pierre works 20 minutes for a pound of it.

**FOR SALE**—1 pair French doors \$8.00; 1 breakfast table \$10; 1 9x12 wool rug with mat \$15; 4 windows \$10; 1 screen door \$3; and 1 closet door \$2. Call 8-3611 or see Mrs. O. T. Jones.

Lewis Adair Petmecky, son of Rev. and Mrs. Lewis Petmecky is working in Stockton, California this summer.

In case of fire Dial 8-2121.

### NEW METHODIST PASTOR

Rev. Ralph Hasten is the new pastor of the First Methodist Church here, replacing Rev. L. S. Dubberly, who went to Elgin.

Bro. Hasten is from the southernmost tip of the Southwest Texas Methodist Conference. Since Sterling is in the northernmost tip of the conference, Hasten claims the distinction of making the longest move in the set-up this year.

Rev. and Mrs. Hasten have two children. The little boy got sick with an ear infection about moving time and Mrs. Hasten and the two children remained at Mission last week-end. Bro. Hasten went after his family this week and hopes to have they settled in the parsonage this week-end.

### Big Spring Rodeo Set

The Big Spring Rodeo Association has announced that plans are complete for the 25th annual performance of the Big Spring Rodeo, June 12, 13, 14, 1958.

Everett Colburn, veteran producer, will again be at the helm of this show, with his usual fine array of rodeo stock, tops in announcers, clown, acts, and specialty acts. Among the 3 specialty acts this year will be the famous Moore family.

Comprising the 6 major events will be calf roping, saddle bronc riding, bareback riding, bulldogging and bull riding. There will also be a wild cow milking contest. The girls' barrel race will be still another feature of the rodeo.

A big parade will proceed through the downtown section of Big Spring at 4:50 p.m. and June 12. Attractive prizes are offered the first three winning floats in the amount of \$50, \$30 and \$20.

Sheriff's posses and riding clubs from the neighboring towns and counties have been invited to march in the parade. An appropriate trophy will be presented the outstanding posse at the first night's performance. After the parade the posses will be honored with a barbecue at the rodeo grounds, with the rodeo association and the Big Spring Mounted Patrol acting as hosts.

This year's purse will amount to \$3,300.00 plus entrance fees.

**Our WASHINGTON Letter**  
By Congressman **O. C. FISHER**

**FOREIGN AID** for the next year got Senate approval last week, following House approval a little earlier. The total authorization will be about \$3 billion. But actual appropriation must come later and the real test will then come on how much money will be funded. It will probably be somewhat less than the \$3 billion figure.

**HALF OF ALL IMPORTS** to South America last year came from the U.S.A. Our Latin neighbors paid \$4.7 billion for the purchases, mostly in cash. In turn, we bought \$3.7 billion worth of goods from our southern neighbors. To pinpoint it, we buy 44.2 percent of their products, and 48.8 percent of their imports came from us.

This trade with Latin America is almost as large as our trade with Europe, reports Congressman Omar Burleson of Anson, an authority on South American affairs. Our neighbors to the south buy 35 percent of auto exports and trucks, a third of our exports of chemicals and electrical machinery, iron and steel mill products, and 17 percent of our exports of foodstuffs.

This record accentuates the importance of our relations with our neighbors in the western hemisphere.

**RECENT VISITORS** to our office have included Lt. Col. George L. Hahn of London, Texas; Rev. Alanson Brown and Dick Copeland of Sonora; Mr. and Mrs. Frank Alexander of Talpa and their daughter, Mrs. Clifton Drinkard of Falls Church, Virginia; and Mrs. Bill Currie of Paint Rock.

**ROBERT HARDGRAVE**, of Sonora, a Junior in Texas University is spending the summer recess in Washington, working in the Capitol Building. Clay Puckett, also of Sonora graduated last week from the Protestant Episcopal Theological Seminary in nearby Alexandria, Virginia. Formerly publisher of Sonora's **Devil River News**, Puckett switched to the ministry three years ago when he entered the Seminary. In spare time he worked as a Capitol policeman. Attending the graduation were Clay's mother, Rev. Brown and Dick Copeland. My office staff and I also attended. Rev. Puckett and family will depart soon for Corpus Christi where he has accepted a call from an Episcopal Church there.

**Bacon Waffles**

By Betty Barclay

**PIPING HOT** waffles with maple-blended syrup make a perfect breakfast for a chilly morning! And by baking strips of bacon right in the waffle baker, with the batter, you have a super "one-dish" meal!

**Bacon Waffles**  
2 cups dry prepared pancake mix; 2 cups milk; 1/4 cup shortening, melted; 2 eggs; 12 slices partially cooked bacon; Log Cabin Syrup (maple-blended syrup).

Place pancake ready-mix, milk, shortening, and eggs in bowl. Beat with egg beater until fairly smooth. Pour onto hot waffle baker. Place one slice partially cooked bacon over batter in each section of baker before closing top. Bake until done. Serve hot with butter and maple-blended syrup. Makes 3 four-section waffles.

**Let's Talk Livestock**

(Continued from Front Page)

fat steers and heifers of the season.

Prices wavered at all points, but downward adjustments were no more than a normal seasonal dip in prices, according to most observers at Fort Worth. The likelihood of serious price impairment was considered still remote.

Talk of "high" cattle prices found little agreement among Fort Worth marketmen, who pointed out that livestock prices have just been "catching up with" the rest of the economy following the low prices during the late drought.

**TRADE MONDAY GENERALLY STEADY, STOCKERS NUMEROUS**

About 65% of the cattle and calves at Fort Worth Monday were stockers and feeders, and all cattle and calves changed hands at prices in line with the previous week's close.

Good and choice fed steers and yearlings cashed at \$23 to \$27.50, with young cattle at the higher figure, and mature fed steers largely from \$26.25 downward. Medium to odd butcher kinds sold from \$18 to \$22, and commoner sorts ranged down to \$15.

Fat cows cashed at \$16.50 to \$20.50, while canners and cutters drew \$12 to \$16.50. Bulls sold from \$15.50 to \$21.50.

Good and choice slaughter calves bulked at \$23 to \$27, with odd head to \$27.50. Common and medium, butcher calves drew \$16.50 to \$22, and culls sold from \$13 to \$16.50.

Medium to good stocker steer calves sold from \$22 to \$28, a few lightweights to \$30. Stocker steer yearlings of medium and good kinds sold from \$21 to \$26, and heifer calves sold from \$25 down, with heifer yearlings from \$22 downward. Medium and good stockers cows cashed at \$16.50 to \$19.50.

**SHEEP, LAMBS FIRM, BUT HOT WEATHER HURTS QUALITY**

The recent high temperatures which have burned much of the sheep country pastures brown is taking its toll of the bloom in the present crop of sheep and lambs. This development has been quite noticeable in the quality of offerings in the several days at Fort Worth.

On Monday the trade was active and prices strong, compared to the previous week's close.

Good and choice slaughter spring lambs cashed at \$21 to \$22.50, and cull to medium springers sold from \$12 to \$20. Stocker and feeder spring lambs cashed at \$18 to \$20. Good and choice old crop lambs sold from \$17 to \$17.50, and some heavy is sold around \$16. Cull to medium yearlings sold from \$12 to \$15. Yearling ewes drew \$17 to \$19.

Aged wethers were reported from \$12.50 downward, and two-year-old wethers sold from \$14 downward. Slaughter ewes cashed at \$6.50 to \$7.50. Aged bucks drew \$6 to \$6.50. A few solid mouthed ewes sold at \$13 to \$14, with broken mouths on down to \$8 and \$9.

Canner goats sold around \$6.50 to \$7, and some stocker goats went back to pasture at \$9.

**HOGS OPEN STRONG TO 50 CENTS HIGHER, TOP \$23.00**

The hog market at Fort Worth Monday was strong to 50 cents higher as choice hogs topped at \$22.75 and \$23, medium to good butchers sold from \$20 to \$22. A few feeder pigs sold around \$21. Sows drew \$18 to \$20.

**FFA & 4-H YOUTHS STUDY MARKET AND INDUSTRY**

Many of the visitors to the Fort Worth Livestock Market are Future Farmer Chapters, or 4-H Club groups, who study the market and packing plants and also get a chance to study various big industries in the area.

Huge grain and feed mills, big packing plants, the Ford or General Motors assembly plants, the giant toll road between Fort Worth and Dallas, Carswell Air Force Base, Bell and Convair airplane and helicopter plants, steel works, etc., all furnish the young people chance to see American business at its best.

A group here Monday was the FFA Chapter from Buffalo, Texas with vocational ag instructor H. R. Teddlie. These boys toured the market, a packing house, then took the Turnpike toll road to Dallas to tour the Ford plant.

Rubber Stamps at News-Record.
