GOOD RAINS FALL

Good slow rains fell over Sterling County last week-end and also Tuesday of this week. The week-end rains, Saturday and Sunday, totaled 1.15 inches here in town and 1.25 to the south. Some ranchers on divide reported 1.60.

The Tuesday rains amounted to one inch here in town and about that much over the county with some spots reporting smaller fall.

The rains have put the ranges in good shape for the winter and early spring, aver ranchmen.

C. R. Johnsons Mother Buried Thursday

Mrs. E. M. Johnson of Dallas, the mother of C. R. Johnson, local Ford dealer, was buried in Dallas Thursday of this week. She had died there Tuesday. Mr. Johnson attended the services Thursday.

Mrs. Johnson was the daughter of the late Dr. H.T. Clark, who was a Garden City resident in the past.

O. T. JONES, SUPERINTENDENT OF SCHOOLS, TO HEAD Scout Fund Drive

O. T. Jones, superintendent of the school here, will head the drive for Boy Scout funds here in November. Such announcement was made by Bill McRee, district Scout executive here Wednesday. The drive will start with a kick off breakfast about November 12, said McRee.

A number of captains will be recruited to aid in the drive, and will work under chairman Jones, said the Scout executive.

SGT. AND MRS. BILL WATTS BACK FROM JAPAN

Following a three year stay in Japan with the U.S. Air Forces, the Billy Watts family is back in Texas and will be stationed at the Dyess Air Base, Abilene in November. Mrs. Watts is the former Paula Sue Wyckoff and they have a son, Mike, age two and one-half.

Staff-Sergeant Watts was with the Air Materiel Command and they were stationed at Tachikawa, Japan while overseas.

Lions Club Luncheon

The Sterling City Lions Club met Wednesday noon in the community center for the regular weekly luncheon. President Fred Igo presided.

Guests included S-Sgt. Billy Watts and Bill McRee. A Texaco representative showed a company film on livestock breeds.

Igo announced that Alvie Cole was to furnish a trophy for the champion crossbred lamb in the Sterling Livestock Show here in January.

Cooking School Here Monday Afternoon

All the housewives in Sterling City and the surrounding area are invited to be guests of the West Texas Utilities Co. at a Live Better—Electrically Cooking School here next Monday, October 20 at 2:00 p.m.

The demonstration, which will present the most recent and modern developments in cooking will be held in the basement of the Methodist Church. Tom Onstott, the company's local manager, in announcing the school, said, "As a result of numerous requests to repeat the cooking school, which we presented last year, this school was planned."

Mrs. Abbie Andrews, a senior Home Economist for Frigidaire Sales Corp., will present the newest developments in recipes and ideas. She will be assisted by Miss Margaret Jones of the West Texas Utilities Co. district staff. Mrs. Andrews is a graduate Home Economist with years of practical experience. She has had special training in food preparation, preservation and quick-freezing techniques at the nationally famous Frigidaire Home Economics Dept. at Dayton, Ohio.

Recipes will be given to homemakers who attend the demonstration. All the food used in demonstrating the modern electric way of food preparation will be presented to the women attending the school.

Mr. and Mrs. Forrest Foster and Temple Ann went to Stephenville last week-end to visit their twin sons, Marvin and Melvin, students in John Tarleton College.

Mr. and Mrs. J.R. Dillard, Elizabeth Cole and Jeannine Jones, went to Fort Worth last week-end. They went to see Jackie Cole, student in T.C.U. While there they saw the other students from here at the university—Lynn Glass and Jim Davis. All three boys plan to come home this week-end, said Mrs. Dillard, mother of Jackie.

Mr. and Mrs. Gene Carr are in Durango, Colorado, visiting with their son, Scooter, and his family. They plan to return to Sterling City this week-end.

Bill J. Cole, local butane dealer, underwent an appendectomy at the St. John's Hospital in San Angelo last week-end. He is doing fine, it is reported.

Gayle Steward, freshman at Southwestern University at Georgetown, was home to visit her mother, Mrs. Evelyn Steward, last week-end.

STERLING LIVESTOCK SHOW DETAILS BEING WORKED UP

The Sterling County Livestock Association met last week. Riley King was reelected chairman of the group; R. T. Foster, Jr. was reelected association treasurer and Fred Igo was renamed secretary.

The lamb tour was set for December 13. The feeders are to bring their lambs to town and place them in the showbarn again this year. The association will sponsor a barbecue at \$1.00 per plate again this year. Funds will be used to buy awards for the various contests to be held in conjunction with the lamb tour, and finance improvements to the show barn.

There will be a livestock judging contest, with junior and senior divisions for the Sterling County feeders. Senior division will be high school students, and junior division contestants will be students in grade school and junior high. Awards will be given to the three high individuals in each contest. These awards will be:

1. No. 3 card
2. Hoof trimmers
3. Head and leg card

There will be a trimming demonstration on fat lambs and on breeding sheep, followed by a trimming contest with two divisions, first year feeders, and experienced feeders. The first place winner in each division of the trimming contest will receive a pair of shears each.

January 26, 1959 was set as the date for the Sterling County Junior Livestock Show. Show superintendent is Ewing McEntire; his assistant will be Bill V. Davis. Worth Durham will be sales clerk again assisted by Marcus Loader. Riley King will be auctioneer for the premium sale, and Riley will also present the awards. Sifting will be done by Arthur Barlemann and Fred Igo. The concession will again be for the 4-H and FFA clubs. The Methodist ladies will serve a noon meal.

Classes for the show this year will be the same as last year. They will be as follows:

1. Lightweight crossbred lambs
2. Heavyweight crossbred lambs
3. Champion crossbred lamb
4. Reserve champion crossbred lamb
5. Pen of 3 crossbred lambs
6. Lightweight finewool lambs
7. Heavyweight finewool lambs
8. Champion finewool lamb
9. Reserve champion finewool lamb
10. Pen of 3 finewool lambs
11. Registered Rambouillet ewe lambs and 2-tooth
12. Registered Rambouillet rams, lambs and two tooth
13. Registered Rambouillet pen of 3, both sexes represented
14. Pen of 3 commercial ewe lambs.

Weight divisions will not be known until weighing is completed, the classes will be divided according to weight as nearly as possible the same number of lambs in each class.

Mrs. Bessie Latham Is Buried Here Wednesday

Mrs. Bess Latham, 67, of Amarillo, a native of Sterling City, was buried here in the Foster Cemetery Wednesday afternoon. She had died in an Amarillo hospital at 1 p.m. Monday.

Services were held at the Methodist Church here with the pastor, the Rev. Ralph Hasten, officiating. Burial was in the Foster Cemetery. Lowe Funeral Home was in charge of the arrangements.

Mrs. Latham was born in Sterling City July 22, 1891. She was married to the late Frank Latham on June 29, 1913. She had made her home in Amarillo for many years.

Pallbearers were Fred Hodges, John Walraven, Clell Ainsworth, Peb Cope, Temp Foster, Frank Cole and Virgil Brownfield.

Survivors include a daughter, Mrs. Iola Bogard, and three grandchildren, all of Amarillo; two sisters, Mrs. Blanche Mansker of Lubbock and Mrs. Birdie Brown of Albany, and four brothers, W. W. House of Junction, Reed House of Tucumcari, N. M., J. W. House of Odessa and Ransom House of Breckenridge.

Mrs. John Brock returned home Monday from the Shannon Hospital in San Angelo. She had undergone a major operation there last week.

Eagles Edge Over Smyer 14-12 Friday

Joint Meeting of Clubs Addressed By District President

The Wimodausis Club observed Federation Day in the home of Miss Ethel Foster on the evening of October 9. It was a joint meeting of the Wimodausis, Noratadata and Epsilon Zeta Clubs.

Speaker for the evening was Mrs. Richard Moseley of Rochelle, the president of the 6th District, Texas Federation of Women's Clubs.

Introduced by Miss Foster, she spoke on her theme for the year, "Onward, United with Knowledge and Service."

About forty members of the clubs enjoyed a buffet dinner.

Hostesses were Mrs. Roy Foster, Mrs. T. F. Foster, Mrs. Lester Foster, Mrs. Ewing McEntire, Mrs. Alvie Cole, Mrs. C. J. Copeland and Mrs. Delbert Hopper.

Green-Young Wedding Here Thursday Evening

Miss Billie Nadine Green and Mr. Dillard Allen Young of Goodfellow Field were united in marriage at 6:30 o'clock Wednesday evening here. The marriage was read by Methodist pastor Ralph Hasten in the home of the bride's parents, Mr. and Mrs. W. O. Green. The ceremony was a double ring affair.

The groom is a son of Mr. and Mrs. Shellie Young of McMinnville, Tenn.

The bride is a graduate of Sterling City High School and attended San Angelo Business College. She was employed in the bank here up until her wedding this week. Mr. Young attended General High School in McMinnville and is currently stationed at Goodfellow Field, San Angelo.

At the home wedding, the bride's sister, Mrs. James Bennett acted as matron of honor. David Moyer was best man.

A reception for the guests was held in the home immediately following the ceremony.

The couple will be at home at 211 David, San Angelo, following a wedding trip.

Dinner for Faculty Given By School Trustees

The trustees of the Sterling Public Schools entertained the faculty members and their husbands and-or wives with a barbecued chicken dinner Monday night in the community center. The groups, which included the wives of the board members, also, enjoyed a menu of barbecued chicken halves, baked potatoes, French buttered bread, salad and relishes, and apple pie topped with ice cream and tea or coffee.

Dominoes, 42 and other table games were played following the meal.

President of the board Worth B. Durham welcomed the group. The invocation was given by Darrell Flynt, high school principal.

1959 Fords Being Shown Today by Johnson Ford Company

An open house along with free coffee and doughnuts is featured today at the Johnson Ford Company as they show the new 1959 Fords. C. R. Johnson, owner, said he had several models and some pickups for display.

Mr. Johnson said the company was stressing the beautiful styling and proportions that earned for it the medal at the Brussels World Fair as the World's Most Beautifully Proportioned Car.

The Johnson cordially invite everyone in today and Saturday for a look at the new cars and free coffee and doughnuts.

Mr. and Mrs. York Grunty went to Alpine last week-end to visit their son, David, a student in Sul Ross College there.

Open Conference Play in Garden City Tonight

The Sterling Eagles edged a 14-12 win over Smery last Friday on the local field. This was the last of the non-conference games for the Sterling boys. They engage the Garden City Bearkats in a conference game there tonight at 8.

As Friday's game opened the Eagles kicked off to Smyer. The boys from the plains made two yards on two successive downs and then lost two—necessitating a kick on the fourth down. The Eagles took over on the punt and Chapple picked up 2 yards, yNathan Morris 4 and then a FUMBLE. Smyer recovered, and Charles Spence, a tall rangy Smyer boy went over for a touchdown standing up. The try for extra point was no good. The Smyer team lined up and kicked to Sterling following the TD. The ball went "plumb" over the goal line, and the Sterling boys seemingly didn't know what to do—they just stood there. A Smyer player ambled down and touched the ball as it lay there past the goal line—for a touchdown. So the score was 12-0 in favor of the visitors.

Smyer kicked off to Sterling as play got underway. Nathan Morris gained 5 on a run and Jodie Green picked up 6 yards for a first down for the Eagles. But, the locals couldn't gain on the second try and kicked. Smyer picked up 3 yards and then fumbled, with Sterling recovering. With a few plays of losses and gains, Sterling fumbled and Smyer recovered as the first quarter ended.

On the first play of the second quarter, Smyer drew a 15 yard penalty for holding. With desultory playing both teams played back and forth. Smyer passed on a deal that was completed but for no gain. They lost two, gained two and then kicked to Sterling. Alfred Chapple returned the punt with a nice return. Two attempted passes by the Eagles gained nothing. Tony Allen picked up 5 and Morris almost put the oval over for a first, but not quite, so the ball went over to Smyer. They lost 10 on the first try, gained 2 and then tried once more before kicking. The play was called back and Sterling got the ball on the fourth down.

Bill Davis went 6 yards and Nathan Morris picked up a first down on a long run through the line. Alfred gained 3, and Sterling drew a 5 yard penalty for backfield in motion. A pass from Chapple to Bill Davis was good for the first Eagle score of the evening. A pass from Don McDonald to Allen was good for 2 more points, making the score 12-8, in favor of the visitors. So the half ended.

Smyer kicked off to Sterling as the second half started. Alfred made a good return. Morris picked up 3 yards, McDonald got 6 and HEN the Eagles fumbled and of course Smyer recovered. They made a first down but drew a 15 yard penalty for holding. They punted and Sterling steamrollered to a 1st down quickly. A pass from Jodie to Chapple was good for 6 yards and Morris took the pigskin over for a first down. THEN a pass from Green to Chapple was good for a TD making the score 14-12. The try for extra point was no good.

Smyer kicked to Smyer as play resumed. Smyer fumbled and the Eagles recovered on their 35 yard line. A jump pass from McDonald to Tony Allen was good for 3 as the third quarter ended. Morris carried the oval for 4 yards and Chapple picked up a 1st down. A jump pass and then a lateral proved no good for the locals. Green picked up 9 yards and then the Eagles fumbled. The plains boys failed to make a first so they kicked. Green bucked through for 3, and Chapple 4, but hen the Eagles lost 7. They kicked to Smyer, but Smyer couldn't gain either. After they kicked, Tony got nine yards, and Morris pushed over for a 1st down. Play was desultory as time ran out and the game ended with Sterling winning 14-12.

Mr. and Mrs. Luther Hallmark are off visiting their children in Mississippi and Georgia.

Beneficial rains are continuing to fall over nearly all areas of Texas. Here in Sterling County rain the past weekend gain fell on all parts of the county. Amounts varied but every part of the county received some rain. Monday night rain again began to fall and is improving prospects for the winter months with each shower.

The range and livestock report issued by the United States Department of Agriculture reports that conditions all over the state are the best in years. Range feed condition is reported at 90 percent as compared to 81 percent a year ago and the ten year drouth average of 71 percent. The 90% figure is the highest for this time of the year since 1912 when it was reported at 92%.

Cattle and calves are generally in good to excellent condition except in East Texas where they are not making satisfactory gains due to sappy grass. Cattle condition is reported as 89%, also the highest since 1942 when 90% was reported.

Sheep are reported at 87% as compared to 82% a year ago and a ten year average of 77%. Demand is still strong for all breeding stock.

Only section of the United States reporting below average conditions are Washington, Idaho, Montana, and North Dakota. They are in

need of rain to strengthen the grass and replenish stock water supplies before winter.

Congratulations are in order for L. F. Hodges and Clinton for their showing at Dallas at the State Fair last week. Mr. Hodges had reserve champion in both the Rambouillet ewe and ram classes. Clinton and his father both had a number of other high placing ewes and rams at the fair. Last week's News-Record gave a rundown on their placing in the various classes at the fair.

Last week we topped out Tom Collins ewe lambs for him. He was getting ready to ship lambs and wanted to keep the top part of his ewe lambs for replacements in his own flock and send the rest to market.

There was a total of 256 ewe lambs. Of these, 149 were pulled out for a further check. When these lambs that were not desirable for some reason such as wrinkles, very crooked or weak legs, or generally not desirable to Mr. Collins were removed and the group shaped up, 136 remained. They made a nice group of lambs to retain as replacements for the breeding flock; they were uniform in all respects and very good wool for lambs.

HERE TODAY!
 Ford brings Thunderbird
 elegance to the low-price field with

THE WORLD'S MOST BEAUTIFULLY PROPORTIONED CARS

These Fords you've got to try! Far left is the new Thunderbird . . . center, the new Custom 300 Tudor Sedan . . . and above, the 9-passenger Country Sedan.

AWARDED THE GOLD MEDAL
 for beautiful proportions—
 by the Comité Français de l'Élégance
 at the Brussels World's Fair

The elegant new
 Fairlane 500 Town Victoria

Styled, powered and priced for today's driving! There *never* was a Ford like this before! Its classic new design was awarded the Gold Medal of the Comité Français de l'Élégance at the Brussels World's Fair! With new Thunderbird flavor in each lively line and tastefully new interiors, these '59 Fords are beautifully proportioned for elegant driving.

Power, performance and economy are served up in new proportions, too. All standard Ford engines—Six or Thunderbird V-8—thrive on regular gasoline at regular prices. You save up to 5 cents on each gallon! There's a new aluminized muffler that normally will last twice as long as conventional mufflers used on other cars . . . full-flow oil filtration that lets you

change oil at 4000 miles instead of the 1000 often recommended . . . new Tyrex cord tires for greater economy and safety . . . a brilliant new Diamond Lustre Baked Enamel Finish that's so durable you won't have to wax it *ever* . . . and *two* new economy power-transmission teams that will bring you savings *automatically*. That's why we say, for '59, Ford is truly a masterpiece of underpricing!

NEW economy team Number One! Get all the high performance of a completely new Fordomatic Drive teamed with a Six or Thunderbird V-8—at a price that puts automatic

driving within everyone's car budget. It's a simplified Fordomatic with nearly 1/3 fewer parts. **NEW economy team Number Two!** Take Ford's versatile new Cruise-O-Matic Drive, add the responsiveness of Thunderbird Special V-8 power and you have the last word in automatic driving *plus* the "built-in" overdrive savings of an economy-gear axle.

Altogether NEW in everything you can see, feel or touch!

PETROLEUM—basic to the needs of our time

Oil and natural gas have powered most of the great technological advances of modern times; petroleum hydrocarbons have transformed the dreams of inventors into the realities of engineers . . . Today, in the United States, oil and natural gas provide about 75% of the country's energy requirements; and large quantities of oil, available for production beyond immediate need, are necessary to the national security.

An obvious example is the gasoline that powers our automobiles; another is the diesel fuel burned by post-war railway engines. But do not overlook electric power plants, the airplane, whether jet or propeller driven, factory power plants, farm mechanization, and the revolution since World War II in home heating devices. Oil provides the energy that moves the trucks, airplanes, ships and tanks of our Armed Forces.

But petroleum as a source of energy is only part of the story. In the past two decades, the petrochemicals have supplied the country with a vigorous new industry: already most of our rubber is made from petrochemicals . . . the ubiquitous plastics derive from petroleum products . . . paraxylene, a petrochemical, is the raw material for one of the most useful of the new fabrics. In this area, wonders never cease; the petrochemicals contribute more each year to the efficiency, comfort, and convenience of modern living.

Thus, oil's progress has made other progress possible all along the front of American industry . . . Petroleum is the American resource that is

basic to the needs of our time . . . that is essential to our national security.

★ ★ ★

The Humble Company, established in 1917, has developed with the industry.

Humble's exploration activities extend from Florida around the rim of the country to California, Oregon and Washington, and beyond to the new State of Alaska . . . The Company is a leader in the production of oil and gas in the United States . . . Humble Pipe Line Company is a public carrier transporting not only Humble's oil but that of many other companies and independent producers to Gulf Coast terminals . . . Baytown refinery is one of the nation's great manufacturing plants . . . And Humble is a marketer in the Southwest, supplying the needs of motorists in modern service stations.

The Humble Company believes strongly in research, maintains two outstanding research facilities, and annually budgets considerable sums for this activity . . . Humble research has made substantial contributions to the discovery, production, and utilization of petroleum.

THE AMERICAN WAY

Not Much Left to Take

This "secretary" works overtime and loves it

Nighttime, daytime, all around the clock — this Electronic Secretary sees that you never miss a phone call when you're away from your office.

Automatically, it promptly answers every call with a courteous recorded voice — advises the callers that you're not available at present — asks them to speak the message which will be recorded. It's as simple as that!

All you do is play back the messages when you return. In fact, with a remote call-back attachment you can phone your own office and hear the playback of messages wherever you are.

Wonderful, isn't it? And most wonderful of all, you can have this dependable service, free of human errors, at a surprisingly low cost. For full details, phone our Business Office.

**IT'S HERE!
COMPLETELY
NEW!**

NEW '59 FRIGIDAIRE AUTOMATIC WASHER

SO SIMPLE TO OPERATE
Nothing new to learn—just sort the clothes as you always do. Then dial for the kind of load... whites, color, wash 'n wear, etc... and the amount of soil. Your Frigidaire washer automatically gives you the right wash temperature, rinse temperature, agitator speed and spin speed for a perfect wash for any load.

**bathes deep dirt out
without beating!**

**INSIDE FRIGIDAIRE ONLY...
"PATENTED 3 RING "PUMP" AGITATOR**

- NO BLADES TO TANGLE CLOTHES!**
3-ring agitator pumps up and down guards against stretching, twisting!
- NO RUBBING AGAINST METAL!**
Waterpower pumps suds through every piece, every fold, every fiber!
- NO LINT TO EMPTY... EVER!**
It's pumped away... automatically!
AUTOMATICALLY DISTRIBUTES DETERGENT, bleach, rinse-conditioner or even dye safely from inside the agitator!

MODEL WCI-39
*\$399⁹⁵
TERMS AS LOW AS \$289 PER WEEK

FIRST AGAIN! Frigidaire Washers proved best by UNITED STATES TESTING CO., INC. in exhaustive tests for cleanest clothes or washability; driest spin; least lint formation and best lint removal; and for best automatic care of Wash & Wear man-made fabrics.

Based on identical tests, under controlled laboratory conditions, of 6 leading automatic washers including 3 with special Wash & Wear cycle. Reports No. 40996 and 40996-A, dated May 6 and June 11, 1958.

South Texas Lumber COMPANY

Darwin Sprawls, Mgr.

A PICTURE OF PROGRESS

MEDICINAL USES OF PETROLEUM WERE KNOWN TO WOMEN OF ANCIENT ROME WHO SNIFFED OIL TO REVIVE THEMSELVES DURING FAINTING SPELLS.

AMERICAN INDIANS RUBBED OIL ON THEIR BODIES AS A TREATMENT FOR CUTS, BURNS AND SORES— ALSO AS A CURE FOR RHEUMATISM.

OIL FROM TWO SALT WELLS NEAR PITTSBURGH WAS BOTTLED AND SOLD UNDER THE LABEL OF "KIER'S PETROLEUM or ROCK OIL"— Celebrated for its Wonderful Curative Powers. A NATURAL REMEDY"

TODAY OIL IS USED IN COUGH MEDICINES, NASAL SPRAYS, ANESTHETICS, ANTIHISTAMINES, VITAMIN PREPARATION, SEDATIVES AND MANY MORE PRODUCTS IN THE DOCTOR'S AND DRUGGIST'S WORLDS.
