ARTHUR BARLEMANN, JR. COUNTY AGENT

The 26th annual San Angelo stock show last week ended the spring stock show circuit for Sterling County 4-H Club members. Eighteen club members showed 35 head of fat lambs and five head of registered breeding sheep in the show.

The new judging arena was a welcome addition to the San Angelo show facilities. The arena was made by walling in the area between the cattle and sheep barns, roofing it, and building bleachers to accommodate 150 people.

Jeanie McDonald had 10th place lightweight finewool lamb. There were 136 lambs in this class. Her lamb was the only Sterling County lamb to make the auction sale on Saturday morning. It was bought by Anchor Serum Company of San Angelo, headed by Clint Brazeale for \$140. This was the top of the sale after the champions and reserve champions were sold.

In the heavyweight finewool class of about 160 lambs, Rosanne Foster had 22nd place lamb. Each class gave 30 ribbons but no prize money.

LeRuth Reed had the 21st place lightweight crossbred lamb in a class of 49 lambs. This was the smallest class of the show. The largest class of the show was the heavyweight crossbred class which had 213 entries, the first time in a long time that a crossbred class has topped a finewool class in size.

All in all, the auction and commercial sale were successful. The lightweight lambs, 182 head totalling 18,500 pounds was bought for Rath Packing Company by W. Y. Farrell of Fort Worth for \$21.30 per hundred. R. H. Rock of San Angelo, buying for Swift Packing Co., bought the heavyweight lambs, 361 head weighing 45,244 pounds for \$18.10 per hundred. Sifted lambs had earlier been bought for \$19.60 per hundred.

Bottom price in the Saturday morning auction which sold the lambs by the head was \$75 and only one lamb brought that. The majority brought from \$90 to \$100.

In the Junior Breeder owned Rambouillet show Friday afternoon, Drew Durham exhibited the sixth place tooth ewe. His sister, Barbara, had the 7th and 12th place ewes in the same class. The show totalled 60 head and was judged by Pat Rose Jr. of Del Rio. The classes were exceptionally good and the youngsters all did a fine job of showing.

The Sterling County 4-H Club won first place in the "housekeeping" division of the show. Prize was \$15 for the neatest exhibit in the fat lamb show. This was the second consecutive year for the club to win the prize.

Judging was based on neatness and cleanliness of the pens, aisles and equipment; promptness of exhibitors; cooperation with show officials; appearance of exhibitors; and sportsmanship while in the judging arena.

Foster Sims Price was the breeder of the first place pen of three commercial ewe lambs. The lambs were shown by David Waldrop of the Robert Lee FFA. Judge Ivan Watson of New Mexico placed them first in confirmation after they had been sheared. They also topped the show in fleece weights shearing 16 1/4, 18 and 18 pounds each.

ATTEND BROWNWOOD TEACHERS MEETING

Mrs. Dayton Barrett attended the Mid-Texas Teachers Association meeting at Brownwood Thursday night March 12 and Friday, March 13. Mrs. Barrett was an official delegate of the Concho Unit of the Texas State Teachers Association and also secretary of the Concho Unit.

Local school superintendent O. T. Jones and Alfred Chaplin, a 1959 senior, also attended the meeting on Friday, March 13. Alfred entertained about 150 school administrators at a luncheon meeting at the Brownwood Hotel. Supt. Jones reported Alfred was well received and was congratulated by many of the administrators at this meeting.

Supt. Jones was elected secretary of the school superintendents section of the Mid-Texas Association, composed of 19 counties. Supt. C. A. Reynolds of Brady and Supt. J. C. Helms Jr. of Stephenville were elected president and vice-president of the Mid-Texas Association. Many will remember Mr. Helms as the son of J. C. Helms, a former superintendent of the Sterling City schools about the year 1922.

Picture Proofs

PICTURE PROOFS TO BE SHOWN TODAY AT COMMUNITY CENTER

A representative of the Woltz Studios will be here today at the community center (9 a. m. to 12 noon) to show proofs of the children that will be used for printing in the paper later.

A parent is supposed to show up and pick the proof best liked for publication. There is no obligation to buy any prints nor is there any cost for the picture engravings that will be used in the paper. BUT, the photographer (nor the newspaper) will pick the proof for publication. The parent has to do that.

NEW OPERATOR AT VANITY BEAUTY SHOP

Mrs. Odessa Atwell is the new operator at the Vanity Beauty Shop here. Such is the announcement made by the owner, Mrs. Ruby Gruney, this week.

Mrs. Atwell has finished a beauty course at the Jolley Beauty College in San Angelo. She has her beauty license and barber license and also has a Parker Herbx Scalp Treatment license.

DOMINATE RAMBOUILLET BREEDER SHOW AT SAN ANGELO

L. F. and Clinton Hodges, local registered Rambouillet sheep breeders, just about dominated the Rambouillet (registered) sheep division at the San Angelo Stock show last week. They took grand champion of that class and a lions share of all placings.

becuing tips. Also included in the bulletin are some sauce recipes.

Chick-N-Ques are popular summer pastimes for families who enjoy barbecuing in the back yard. Grills can be constructed very cheaply using materials around the place or they can be more elaborate. Barbecued chicken has resulted in an increase in chicken consumption during the spring and summer months. It's a good way for families to spend the long summer evenings, too.

If you would like a copy of this bulletin, call or come by the county agent's office. We'll be glad to furnish you one; ample copies are available now.

FFA Boys Show at San Angelo Stock Show

Members of the Sterling City FFA wound up the 1959 show circuit last week with the conclusion of the San Angelo Fat Stock Show.

Members exhibiting fat lambs were Tony Allen, Bill Davis, Don McDonald, David Drennan, Sam Nance, Jimmy McCarty, Johnny Augustine, Lee Foster, Rudolph Rodriguez and Robert Gartman. The boys took 20 lambs to the show, but none were lucky enough to be pulled out with the top group.

In the commercial ewe lamb division Sterling exhibitors were Lee Foster, Bill Davis, and Tony Allen. There were 38 groups entered in the show and Lee Foster placed 21st with a group of ewes bred by Dayton Barrett. Bill placed 24th with a group of ewes bred by Jim Espy and Tony stood 25th with one Dayton Barrett ewe and two Fowler McEntire ewes.

In the Junior Breeder Owned Rambouillet show David Durham did quite well. He had a 7th and a 9th place in the two tooth ram class; 2nd and 3rd in the ewe lamb class and a 4th place pen of three, both sexes represented. San Angelo is the only show we make where the junior breeders show separate from the juniors showing sheep of someone else's breeding.

The exhibitors and their parents enjoyed and appreciated the new addition between the sheep barn and the old cattle barn which serves as a judging arena. The west end is enclosed and the east is open. There seemed to be sufficient room in the bleachers for all the spectators who cared to sit there, rather than crowd around the arena fence. We all appreciate the improved facilities, and look forward to an improved show in the near future.

David Durham, breeder of registered Rambouillet sheep, will continue his bucks on feed for three months, and take them to the San Angelo Ram Sale in June. David has seven rams on feed for the ram sale.

The Sterling FFA Livestock Judging Team competed in the livestock judging contest Saturday at the show. Team members were Bill Davis, Don McDonald, Clayton Stewart and Danny Stewart. 52 teams were entered in the contest.

Don McDonald tied with Christine Sharp of the Tom Green team for 6 and 7th high individuals in sheep, with a score of 242. Bill Davis was second high individual with a score of 254.

The Sterling team was high team in sheep judging with a total score of 711 points, and the Tom Green team was second with a score of 709.

In the overall contest, sheep and cattle, the Sterling team placed third, with a total score of 1,475. Edwards county 4-H was second with a score of 1,480 and Tom Green County 4-H was top team with a total score of 1,511 points.

Bill Davis was second high individual in the overall contest with a score of 519. The tenth high individual had a score of 501 and Don McDonald scored an even 500.

Team members scores by division were as follows:

Sheep judging: Bill Davis 254, Don McDonald 242, Danny Stewart 231, Clayton Stewart 215.

Cattle judging: Bill Davis 265, Don McDonald 258, Clayton Stewart 241, Danny Stewart 219.

Overall contest totals: Bill Davis 519, Don McDonald 500, Clayton Stewart 456, Danny Stewart 450.

The Sterling team will compete or participate in a livestock judging contest this Saturday at San Angelo Junior College.

LIONS CLUB

The Lions Club met Wednesday noon at the community center for the regular weekly luncheon. Guests were Jack Webb and a Rev. Jackson of Garden City. Guests—and in reality new members—were Pat Duncan, Leroy Butler, Jim Butler, Boots Williams, Finis Westbrook and Harvey Glass. A contest is on to get new members for the club and the club has two sides headed by Jeff Davis and Hal Knight. Davis showed up with five of the above new members. The losing side has to entertain the winners at a ladies night dinner next month.

High school principal Bob Madison reported that the P. T. A. was thinking of putting some rest rooms at the athletic field, and would need some financial help on the project. President Fred Igo appointed a committee to look into the costs of rest rooms and report back next week. He named Madison, T. E. Carr and Darwin Sprawls.

Youth Center Party Saturday Night

The members of the Epsilon Zeta Club met with a group of the teen-agers and set Saturday night, March 21 for the next youth party for the community. Meeting with the club members were Carolyn Payne, Jerry Payne, Tony Allen, Bill Davis, Chris Benge, Mitsy Davis, Larry Miller and Temple Ann Foster.

A Name Needed
A name is needed for the organization. If you can suggest one, call a member of the Epsilon Zetas. It will and perhaps should be one that is suggestive of teen-agers.

Some definite rules were laid down. There will be NO DRINKING! Everyone must sign in and out. The parties will end at 11:30.

Carolyn Payne and Temple Ann Foster were named co-chairmen of the organization. Jerry Payne is secretary and Tony Allen is treasurer. Chris Benge is reporter.

The organization will meet twice a month. There will be three yearly sessions—September to January, January to May and May to September.

New officers will be elected for each session. Each member must pay one dollar for each session and each member can bring a guest. The Epsilon Zetas will furnish soft drinks until the end of school.

Two couples will chaperone each party. Ages which may attend are from the sixth grade to age 21.

Wimodaclub Has Fine Arts Program

Wimodaclub members and guests met in the home of Mrs. Harvey Glass with Mrs. Glass as leader Wednesday afternoon. Fine arts day was observed.

The Three Muses, a pageant was presented with the three characters—Art—Mrs. Lewis Petmecky, Literature—Mrs. Lester Foster and Music—Mrs. C. A. Bowen.

The dialogue was interspersed with poetry by Mrs. Glass and songs by Stanley Horwood. Kent Jones was accompanist. Cathy Cope displayed the pictures.

John McMillan of San Angelo, guest organist, played several numbers of modern music.

Mrs. W. R. Morgan, Mrs. John Reed and Mrs. Rufus Foster displayed some of the china they had painted.

Hostesses were Mrs. Morgan, Mrs. W. N. Reed and Mrs. Foster Conger.

O. F. Carper Jr. was home over the week-end visiting his parents, Mr. and Mrs. O. F. Carper Sr. O. F. is the manager of the Ezzell-Key Feed & Seed Store in Snyder.

School Trustee Election Here April 7

A school trustee election is to be held here on Tuesday, April 7 for the purpose of electing two school trustees. John Copeland Jr. and Reynolds Foster are the two members of the board whose terms are expiring. Their names are to be printed on the ballot.

Other members of the board are Worth Durham, David Glass, Chesley McDonald, R. T. Foster Jr., and Finis Westbrook.

City Election April 4 ONLY ONE FILED FOR STERLING CITY COUNCILMAN'S SPOT

Only one person filed for the spot of Sterling City councilman by the deadline for filing—which was last Saturday, March 7. J. I. Cope, who presently is serving on the council, filed for reelection. No one else filed, said city secretary Mrs. Horace Donalson.

H. F. Donalson and J. I. Cope are the two whose terms are expiring, said mayor Rufus W. Foster.

Mrs. Joe Emery Is Noratadata Hostess

Mrs. Joe Emery was hostess when the Noratadata Club met Monday night in the community center.

A business meeting was held first. The members decided to buy the book cart for the hospital. Mrs. Stanley K. Horwood was elected delegate to the District Convention in Brownwood. A memorial was sent to the Sterling County Hospital in memory of R. M. Branton.

The program was on Texas. Mrs. Worth Durham gave some excerpts from the book **Texas Brags**. The program was concluded with all members joining in the pledge to the Texas flag. A salad course was served and the social hour followed.

Bridge was played. The following members were present: Mrs. Bill Brooks, Mrs. Leroy Butler, Mrs. Alvie Cole, Mrs. Bill J. Cole, Mrs. Nan Davis, Mrs. Worth Durham, Mrs. Joe Emery, Mrs. Forrest Foster, Mrs. Reynolds Foster, Mrs. Ross Foster, Mrs. Chesley McDonald, Mrs. Ewing Fowler McEntire, Mrs. Foster Price, Mrs. Martin C. Reed, Mrs. I. W. Terry, Mrs. Finis Westbrook, Mrs. Hubert Williams and Mrs. Robert Foster. Two guests were present—Mrs. Jim Coleman and Mrs. Popeal.

Club Holding "Easter Treats" Sale

Easter Treats for Sale

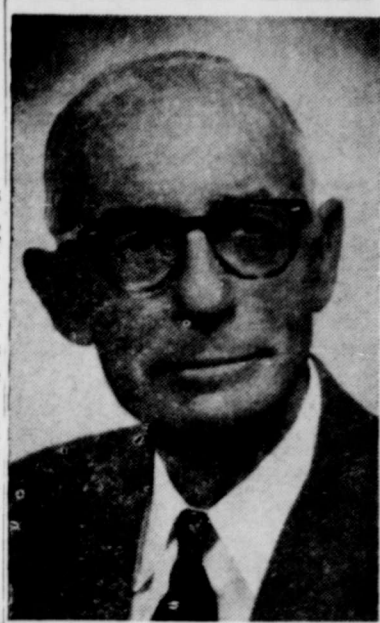

Members of the Noratadata Club are having a "Special Order" Easter bake sale—of Easter treats. Members will bake cakes, pies, candy, etc. for the Easter sale, with previous sales mostly. In other words, a person may place an order with any club member for a cake, pie, candy, or such and the order will be filled according to the purchaser's desire—and the club member's specialty.

Orders may be placed with Mrs. Foster S. Price by calling 8-4971 or any other club member, said Mrs. Price.

Orders should be placed before Thursday, March 26. On that day, the club will hold the final day of the sale with bake items on sale at the lobby of the Palace Theater.

Money raised will be used to purchase a book cart for the Sterling County Hospital and other club community projects, it was said.

JOHN D. LANE

John D. Lane, 80, Dies in Brownwood

John D. Lane, 80, of Brownwood, died in the Medical Arts Hospital at Brownwood Thursday, March 12 at 9:15 p. m. Mr. Lane had been suffering with a heart ailment for the past several years.

A retired ranchman, he had lived in Brownwood for the past ten years.

He was born in Brown County in 1878 and moved to Mitchell County in early childhood. He began work on the Spade ranch at the age of 17. While there he made several cattle drives to Abilene, Kansas and Lubbock, Texas, under the management of Dick Arnett.

In 1900 he was married to Theresa Johnston, daughter of the late J. S. Johnston, a pioneer ranchman and building contractor. To this union was born one son, Ray, who now resides in Sterling City.

Until 1920 Mr. Lane had been manager of the H.S. Ranch, but at that time the ranch was sold into farms and Mr. Lane became an independent Hereford breeder and sheepman, having bought and used the famous H.S. brand, as his own. He served as a Mitchell County commissioner for six consecutive years from the Spade community. While living in Mitchell County he was a promoter of the Colorado Frontier Roundup and Rodeo. He did extensive ranching in Sterling, Mitchell and Reagan Counties until 1950.

Mr. Lane joined the Methodist Church in Stiles in 1944 but when he moved to Brownwood, he became affiliated with the First Christian Church. He was an elder in the church there until his illness when he became a life member elder. He was also interested in and a promoter of the First Christian Camp on Lake Brownwood.

Services were held in London Burton Chapel at 10:00 o'clock Saturday morning in Brownwood with graveside services at 2 p. m. in Colorado City Cemetery. C. L. Mullens, First Christian Church minister of Brownwood, conducted the services.

Survivors include his wife, a son, Ray, a grand daughter, Mrs. Jimmy Floyd of Fort Worth, a great grandson, Mark, one month old; and several nieces and nephews of Lubbock and Abilene, Texas. Pallbearers were John and Nick Reed, W. Y. Benge, all of Sterling City, Jim Daniel of Big Lake, Henry and Frank Newman of Roswell, New Mexico, Ray Warren and Otto Jones of Colorado City.

Baptist Revival Set For Next Week

A revival meeting has been set at the First Baptist church beginning on Sunday, March 22 and continuing through Sunday, March 29. The evangelist for the meeting will be the Rev. M. Ted Cotton, pastor of the First Baptist Church, Coleman. The music will be directed by the pastor, Rev. Billy R. Crews, and the Minister of Music, Leslie Davis. The organist for the meeting will be Mrs. W. B. Allen, assisted by Mrs. Bill Humble.

Services will begin each evening at 7:45 p.m. Prayer meetings will be held each evening at 7:15. Special recognition will be given to the various groups of the church during the evening services. Monday night has been designated as "Sunday School Night"; Tuesday night as "Ladies Night"; Wednesday night as "Training Union Night"; Thursday night as "Men's Night"; and Friday night as "Youth Night."

The evangelist, Rev. Cotton, is a native of Levelland, Texas. He received his B.S. degree from Hardin-Simmons University, Abilene. He has served as pastor of the First Baptist Church at Coleman for almost a year. He was formerly pastor of the Lake View Baptist Church in San Angelo for seven years.

Everyone is cordially invited to attend any and all of the services. "We feel sure that you will be inspired to greater life through the preaching of the gospel by the preaching of this fine preacher" stated the pastor. The nursery will be open during all services.

Quarterhorse Show Set for April 4

The Sterling City Rodeo Association has set April 4 as the date for a quarterhorse show here at the rodeo pens. Approved by the American Quarterhorse Association and the West Texas Quarterhorse Association, horses will be accredited with points won in the show here.

Alvie Cole was named the chairman of the show and he will accept entry fees for the show. The fee is \$10.00 for performance and halter classes.

There will be no admission charge for attendance, said Alvie, and the public is cordially invited.

SOCIAL SECURITY NOTES

"Persons receiving social security benefits can save themselves and us a great deal of inconvenience if they will report promptly when they go to work and expect to earn more than \$1200.00 in the calendar year," stated Floyd B. Ellington, manager of the social security district office at San Angelo, Texas.

"Most people know that if their earnings are in excess of \$1200.00 for the year that they will not be entitled to a benefit check for every month of the year," Ellington continued. "However, many folks are confused as to what to do when they don't know for sure on January 1 what their total earnings for the year will be. Sometimes they go on receiving their benefit checks all year without realizing that their earnings in the last part of the year may cause them to go over the \$1200.00 limit. When this happens they may have to refund part of the benefits they received."

In Case of Fire Dial 8-2121.

REWARD NOTICE

A reward of \$500.00 will be paid by the Texas Sheep and Goat Raisers Association to any person (other than law enforcement officers) giving information causing the arrest and final conviction of any person or persons found butchering or stealing any sheep or lambs or goats belonging to any Association member in good standing. When two or more persons give information, the above sum will be divided at the discretion of the Board of the Association. When two or more defendants are involved in a single crime, the total reward is limited to \$500.00, but the conviction of one defendant, even though the other defendants are acquitted, will entitle the claimant or claimants to said sum of \$500.00. All claims must be submitted within ninety (90) days following conviction. If, upon conviction, a defendant confesses other thefts, no additional reward will be paid. All deviations concerning the payment of such reward and the conditions of payment will be made by the Board of Directors of the Association.

Dairy Foods Demonstrators Win State 4-H Award

Ellen Latta

Edith Herring

Carolyn Jones

"Learn by doing" is the motto of one Carson and two Swisher County girls whose talent in showing how-to-do-it won 1958 state and national honors in the 4-H Dairy Foods Demonstration program conducted by the Cooperative Extension Service, Texas A. & M.

They are national winner Ellen Latta, 17, of Groom; and state winners Edith Herring and Carolyn Jones, both 18, of Tulla.

The Carnation Company presented each girl with a 19-jewel wrist watch. Miss Latta was also awarded a trip to the National 4-H Club Congress and the Carnation \$400 college scholarship.

Veteran Demonstrator Miss Latta's demonstration, which placed her among the six national champions, was "lemon parfait pie." But this Groom High School junior is a veteran of six years of demonstrating dairy foods. She has been Carson County winner three years for individual demonstrations and three years for team demonstrations.

She has been awarded the dairy foods pin three years, dairy achievement medals twice, and while still too young to compete in the district dairy foods demonstration competition, she won the Carnation pin for her records two times.

She is also the winner of county honors in food preparation, frozen foods, and junior leadership. In 1957, she was county winner of the bake show. She is a 4-H Gold Star.

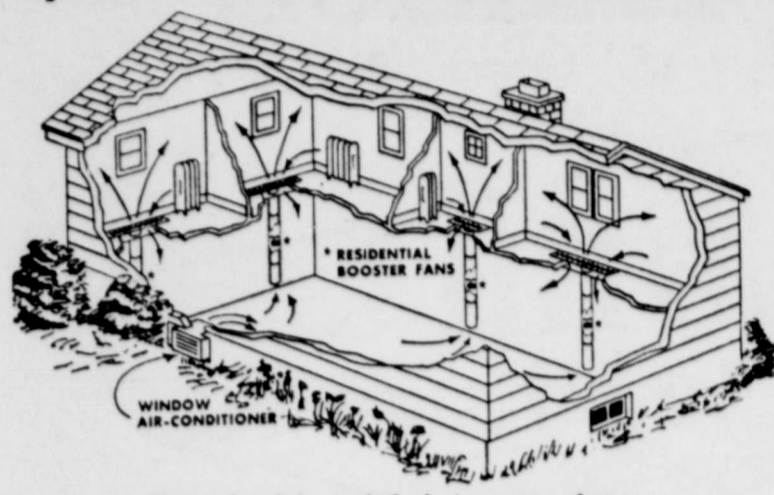

Swisher County Team

The Swisher County team of Herring and Jones were victors with their demonstration, "start the day the dairy foods way." It featured sour cream pancakes topped with cottage cheese and fruit syrup.

The two Tulla High School seniors were county and district winners in 1957 also with a team demonstration on mocha pudding, placing third in the state.

Both girls are 4-H Gold Stars. Miss Jones was named "Best All Around Girl" in the county in 1956, and Miss Herring was chosen "Most Outstanding 4-H Girl" in 1957.

Small Home Air Conditioned By Unit in Basement Window

Fans circulate cooled air to rooms above.

Improved ways of using window air-conditioners are being found to overcome the objections of home owners who think the cooling units are unsightly and don't do a complete enough job.

One of the newest systems has just been developed by a Battle Creek, Mich., firm. It involves putting the units out of the way in basement windows and adding a little extra air-circulating equipment. The result: better appearance and a completely air-conditioned house, not just a couple of rooms.

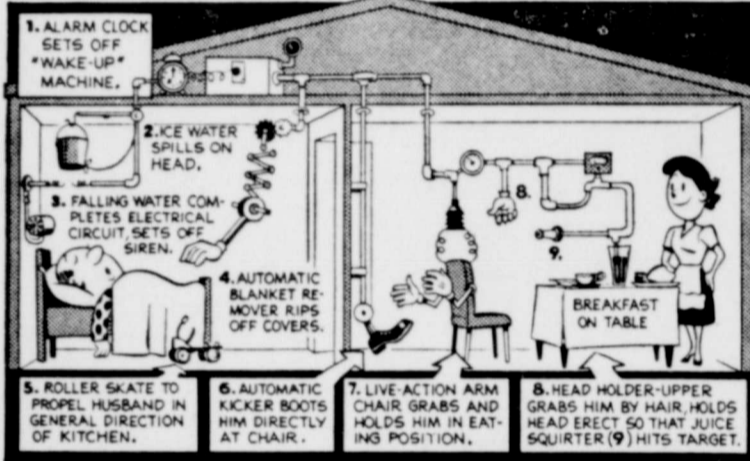

The air-conditioners discharge cooled air into the basement. Small, inexpensive fans then force it through short lengths of duct into the rooms above.

For an average-size house that is well insulated, two air-conditioning units are sufficient. Even one will sometimes do the trick. An air conditioning contractor should be consulted to make sure cooling capacity is matched to a particular home's needs.

The insulation is necessary to keep cooling requirements low enough to be handled by the window units. If six inches of mineral wool is installed in the ceiling and three inches or more in the walls, most summer heat will be kept out naturally. An added benefit is that winter heat will be retained.

The Battle Creek manufacturer says his system is especially well suited for houses with hot-water heating, which do not have heating ducts that can be converted to summer cooling. Air circulation also keeps basements dry.

Solution to Breakfast Problem

Having a problem getting the family up for breakfast? In this age of electronic miracles, the gadget shown above is suggested as a logical solution.

It will arouse the sleeper, in more ways than one, but once up, he can help establish good eating habits for the family.

Strong measures (maybe not to the extent shown above) are necessary, according to leading doctors and nutritionists who have studied the subject, to insure that breakfast will not be the day's most neglected meal.

Breakfast, according to those diet authorities, should supply about one-fourth to one-third of the daily food requirements. They point out that the "let's skip breakfast" people prove to be less alert, less efficient and more susceptible to fatigue than those who eat a good morning meal.

The human body is so constructed that for maximum health it requires fairly even intakes of food at regular intervals. You can't make up for the lack of a good breakfast.

People who are troubled in holding the right weight should eat a good breakfast. If they neglect breakfast they may eat too hearty a lunch or dinner. And they just might have a snack or two between meals.

What constitutes a good breakfast? The foods essential to the day's first meal include fruit or fruit juice, cereal, milk or other beverage, and several slices of toast. Eggs and breakfast meat frequently should be included.

These foods are necessary both for children and adults. They supply the nutrients essential for the physical and mental stimulus for work—and play.

A Quickie Meal With Spanish Flair

New and even better tasting than it looks is the "Bacon Spanish Rice." Made with packaged pre-cooked rice means it's easy and quick to fix, too. The rice is blended with a tomato sauce, green peppers, onion and spices and then sprinkled with crumbled bacon. You'll want to serve this Spanish-type dish often . . . but especially on busy days.

- | | |
|---|--|
| 1/4 cup bacon drippings or butter | 1-1/2 cups hot water |
| 1 medium onion, thinly sliced (about 1/2 cup) | 2 cans (8 ounces each) tomato sauce |
| 1/2 medium green pepper, diced (about 1/3 cup) | 1 teaspoon salt |
| 1-1/3 cups (4-5/8-ounce box) packaged pre-cooked rice | Dash of pepper |
| | 1/2 teaspoon prepared mustard (optional) |
| | 8 strips bacon, crisply fried and crumbled |

Melt fat in saucepan or skillet. Add onion, green pepper, and rice. Cook and stir over high heat until lightly browned. Add remaining ingredients except bacon. Mix well. Bring quickly to a boil, reduce heat, and simmer, uncovered, for 5 minutes. Sprinkle with bacon before serving. Makes 4 servings.

Sure Cure for Bad Bossism

Schooltime Breakfast

The youthful "cowboy" or "ranchman" in your family will be eager to get up when he can be sure of having a pancake breakfast with all the trimmings! See that he has a bottle of maple-blended syrup handy—he'll love serving himself. Occasionally, for the sake of change, mix the syrup with fruit juice, with diced fresh or canned fruits, or with canned apple sauce. And try heating the syrup with a bit of butter for another tempting treat . . . the whole family will join in your "ranchman's" enthusiasm for the first meal of the day.

Pancakes

- | | |
|--|--|
| 2 cups prepared pancake and waffle mix | 1 egg, beaten |
| 1-3/4 cups milk | 2 tablespoons cooking oil, melted butter or other shortening |

Combine all ingredients. Mix with spoon or egg beater just until smooth. Bake on hot griddle or in lightly greased skillet, turning once. Do not stir batter between bakings. Serve with butter and warm Log Cabin Syrup. Makes about 20 four-inch pancakes.

Texas Cites 4-H Alumni For State Honors

Four Texans were named "outstanding former 4-H Club members" in the state's 4-H Alumni Recognition program for 1958 by the Extension Service.

They are Mrs. Melvin Joe Winkler, 752 North Cedar, Ker-

Mrs. M. Winkler Mrs. Alexander

mit; Mrs. Lee Alexander, Cedar Creek; Mr. Aubrey L. Carr, Sr., Clint; Mr. Dewey Compton, 210 Spell St., Houston.

Each was awarded a burnished copper 4-H Alumni plaque given by the Olin Mathieson Chemical Corporation, Plant Food Division, which supports the program nationally.

Gold Star 4-H'er

A former 4-H Gold Star girl, Mrs. Winkler has been one of the greatest boosters of 4-H Club work in Winkler County.

Following her own nine-year 4-H career, Mrs. Winkler became an adult volunteer leader. She has been especially active in dress revue projects and judging at various shows.

Club Leader 45 Years

Forty-five years of 4-H Club work is the remarkable record

of Mrs. Alexander, a teacher and housewife.

She has been leading Cedar Creek 4-H'ers and serving as secretary of the Home Demonstration Council in the community. Recently, Mrs. Alexander was selected home demonstrator of the year.

4-H Fair Organizer

One of the originators of the El Paso County 4-H Livestock show, Mr. Carr, a two-bale-plus cotton farmer and livestockman, has been a volunteer 4-H leader the past seven years. He was instrumental in establishing the annual 4-H feeders barbecue in El Paso County.

Radio-TV Director

A graduate of Texas A&M, Mr. Compton plays an important role in spreading 4-H goodwill over radio and TV station KTRH. As

Aubrey Carr Dewey Compton

farm director since 1953, he has broadcast 4-H programs and news over the network encompassing 81 counties in Texas and southwest California. He also served as Dewitt County agricultural agent.

Book Placed in Library in Memory of Father of Mrs. Petmecky

The Order of the Eastern Star has placed the book, **Spaceward Bound**, by Slater Brown, in the high school library in memory of Mrs. Petmecky's father, Mr. Joseph W. Adair. **Spaceward Bound** is both fiction and factual science. The plot consists of an heroic story that has all the excitement of adventure. The author is well-known for his scientific articles on outer space problems as well as for several books, including **John the Baptist** and **Gray Bonnets**. The latter book deals with the Quakers.

Back from Durango, Colo.

Mr. and Mrs. T. E. Carr returned home Monday from Durango, Colo. where they had been visiting their son, Scooter, and his family. Scooter had been hospitalized with the chicken pox. Their three children had been ill with the disease and Scooter took it. With him, it developed into pneumonia, and he was very sick for a few days. He is now recovering, said the Carrs.

Our WASHINGTON Letter

A group of forty Congressmen from the farm and ranch belt called on the Secretary of Labor last week to protest proposed regulations which would, it was contended, tend to fix farm wages and add other new controls and requirements.

Headed by Rep. E. C. Gathings (Ark.), a chairman of the House Agriculture committee, a dozen members aired their grievances and pinpointed the dangers inherent in the proposed regulations.

Among others who testified were Poage, Fisher, Mahon and Kilgore from Texas. McIntyre of Maine, Rhodes of Arizona, Gubser of California, and others joined in lambasting the proposal.

In brief, the Labor Department proposes regulations which would require a farmer or ranchman who sought foreign labor or domestic labor through the United States Employment Service, to apply and if local labor should not be readily available, then the employer would be required to employ such labor if available on USES lists within the "migratory pattern."

Thus, the New England states are within the migratory labor pattern originating in Florida. The northwestern states are within the migratory pattern originating in Texas. And the employer would be required to pay the cost of transportation of the workers to and from their origin, pay them the prevailing wage, and provide certain minimum standards for housing.

"I do not believe the Secretary of Labor has that authority," Cong. Fisher stated. "The Congress has always exempted farm labor from the wage-hour law; yet this would in effect fix farm wages where the USES services are used. Thus, we have another example of legislation by regulation and not by act of Congress. This would invade States' rights and would be a monstrous thing."

The Secretary of Labor promised to "take another look" at the intended regulations, and said he would review the entire subject.

Sugar and Spice and Everything Nice

Quite a few American families wouldn't be serving fruit cake as a Christmas day dessert if it had not been for the British sailors of several centuries ago.

Those British sailors must have been as shrewd as they were observant. In the Orient they ate cakes made with fruit. They liked

of trees—came from the Far East. Although fruit cake was made available to the western world by British sailors, the first fruit cake, as we know it, probably was baked in Egypt several centuries ago. It consisted of several kinds of tropical fruits, sugar, wheat meal, spices, oil and honey, all collected by the Egyptian housewife.

In modern America, the housewife may walk into a bakery or grocery store and buy a delicious fruit cake of almost any size, and with a minimum of effort. And the cake she buys is the finishing touch for the best meals to be served during the holiday.
