## Rain, Wind, Hail Causes Heavy Damage

COACH AWARDED--Muleshoe Junior High School 8th Grade Athletic class gave special recognition and award to Coach Ronnie Jones at a presentation ceremony last Friday. The entire athletics department was on hand for this special occasion. Jones, who retired from coaching at the end of this school year, also serves as assistant principal at Muleshoe Junior High.

### Chamber's July 4 Celebration Annual Plans On Drawing Board

With the Fourth of July little more than a month away, the Muleshoe Chamber of Commerce and Agriculture is busy planning for the largest annual celebration in the area. This

year's Independence Day activities are all scheduled for Saturday, July 3. Current plans call for essentially the same schedule as last year.

The Chamber is asking all area clubs and organizations to contribute toward the purchase of this year's fireworks display. "The fireworks have become the traditional finale to the day's events. However, the expense involved has become too great for one organization (the Chamber) to bear alone," according to Chamber Manager John Gully.

In addition to soliciting

contributions, the Chamber will also conduct a Garage Sale on Saturday, June 26. All proceeds from the Garage Sale will go toward purchasing the fireworks and financing the other July 4th activities. June 26 is also the scheduled date for the annual Sidewalk Sale.

The following Saturday, July 3, will see many of Muleshoe's traditional Independence Day activities, including the Pony Express Race, Civic Center Booths, the World's Championship Mule Shoe Pitching Contest as well as the Freedom Parade and Fireworks.

Another event scheduled in the July 4 celebration this year is the annual Muleshoe Junior Rodeo, sponsored by the Muleshoe Roping Club. The rodeo will be held on July 2 and Cont. Page 6, Col. 2

Muleshoe Roping Club will have a team roping, Friday, May 28, beginning at 7:30 p.m. Entry fee is \$24 for four head and the roping will be progressive after the first head.

Contact Rex Black, 272-3431 or Jim Henderson at 965-2777 for more information.

Cindy Turner, valedictorian of the 1982 graduating class at MHS was the recipient of one year free tuition to the Texas state-supported college of her choice and a Muleshoe State Bank scholarship in the amount of \$2,000.

The driver's license office will be closed for six weeks except for Mondays and Thursdays from 9 a.m. until 4 p.m. when C. D. Fitzgerald is in Muleshoe. Cont. Page 6, Col. 2

### Jill Turner Receives TTU Scholarship

The Ex-Students Association of Texas Tech University has selected Jill Turner to receive the \$1,000 Scholarship offered to a 1982 Muleshoe High School graduate. She will receive \$500 for each semester during the 1982-83 school year.

Jill Turner is the daughter of Mr. and Mrs. Royce Turner and has been a student in the Muleshoe schools for 12 years.

During her high school years, Jill played varsity basketball, was a member of Future Teachers of America and served as District XVII Recording Secretary of this organization, was a member of Fellowship of Christian Athletes, was a member of the Student Council when she was a freshman and sophomore, and was a member of the National Honor Society.

Miss Turner won a first Cont. Page 6, Col. 3

### '82 Summer Reading Program Begins June 1

The 1982 Summer Reading Club will be launched on June 1st at 10 a.m. at the Muleshoe Area Public Library. The theme this summer is *SPACE CAPERS* and will focus on the mysteries of the universe.

The payload that each participant will receive includes a Space-age book, a reading log to record books read, paper games and puzzles to challenge young Earthlings and a celestial certificate for those who complete the program by reading 10 or more books.

Additional pins and ribbons will be given for those who want to "Reach for the Stars" - each child is asked to set a goal to work for, and those who reach their goal will be recognized at the conclusion of the program.

Also a Galaxie King and Queen will be named as the highest readers.

Movies will be shown every Tuesday morning at 10 a.m. for one hour. This will be a six-week Orbit, con-

cluding July 13, with recognition day.

Small children (1st and 2nd graders) should be accompanied by a parent, when they come to register, and parents are asked to help by being sure the child is reading every book they report read. Also be sure the child has a Library card and brings it when they come.

This Summer, *SPACE CAPERS* is sponsored jointly by your local library and the Texas State Library.

For more information, call 272-4707.

### Vegetable Company Forced To Pay Strikers

Jesus Moya, chief organizer for the Texas Farm Workers Union said this week that a group of 200 farm workers, who participated in the 1980 Panhandle farm labor strikes, have won a \$25,000 settlement from a Muleshoe vegetable company.

Moya, in announcing the settlement, said it is the first of six such legal settlements anticipated this year. Also, William Beardall, of the Texas Rural Legal Aid Office in Hereford, who acts as spokesman for the group said, "It is impossible to say" when additional settlements can be expected. Suits were also filed against Howard Gault, Inc. of Hereford, Griffin and Brand, Inc., of Hereford and Plainview, Lamantia Collum and Colliers of Dimmitt and Barrett and Fisher of Hereford.

According to the information from Moya, which he said was signed by Judge James De Anda of the U. S. District Court in Brownsville last week, Robert Ruiz and Sons, Inc. agreed to pay 200 former farm employees \$25,000 in back wages and damages - about \$100 to each of 100 workers and \$150 to another 100

workers who were plaintiffs in the suit.

The farm workers suit alleged that Ruiz company failed to pay its employees the minimum wage. Also, Moya said the plaintiffs were paid 35 cents per bushel for harvesting cucumbers and the plaintiffs had demanded 60 to 70 cents per bushel.

After the local company refused the higher payment, Moya said the farm workers walked off the cucumber fields protesting that they were receiving wages below the minimum required by law.

"Evidence developed in the case indicated not only that the workers received less than the minimum wage, but also that Robert Ruiz company officials had instructed their crew foremen to falsify wage records in order to hide the minimum wage violations," said Moya.

However, a check of *The Journal* records indicate that at the time of the strikes at Robert Ruiz in August, 1980, the wage demands were of lesser import than other concessions asked by the farm workers. At that time, Moya told *The Journal* by telephone, that the workers were protesting inadequate housing and insufficient facilities for 'rest rooms' in the fields.

Ruiz had countered with papers from the Texas Department of Health, who had inspected Ruiz' labor housing, stating that Ruiz' housing was adequate, and also Ruiz showed papers where he had spent somewhere around \$9,000 ob-

### Last Week Quiet For Police

Muleshoe City Police investigated three incidents last week. On May 24, the fence surrounding the Muleshoe Animal Shelter was cut and the facility was broken into. Three dogs were released as a result of the break-in. Officers surmised that the fence was apparently cut with a bolt-cutter. Approximately \$215 Cont. Page 6, Col. 3

KAYLA BAYLESS

### Kayla Bayless Receives U.S. Science Award

The United States Achievement Academy announced today that Kayla Bayless has been named a 1982 United States National Award Winner in Science.

This award is a prestigious honor very few students can ever hope to attain. In fact, the Academy recognizes less than five percent of all American high school students.

Kayla, who attends Hepzibah High School in Augusta, Georgia, was nominated for this National Award by Mr. O'Neal at the school. Kayla will appear in the United States Achievement Academy Official Yearbook, published Cont. on Page 6, Col. 6

### Senior Babe Ruth Shows No Losses For Season

Muleshoe's Senior Babe Ruth league has made it a 5-0 season with three additional victories during the past two weeks.

On May 11, the team defeated Friona 8-7 in 14 innings. Muleshoe was ahead 6-3 going into the six, but Friona scored four runs, to go ahead 7-6. In the bottom of the seventh, it was all tied up 7-7.

Shorty Sanchez started at the pitching position, but was relieved by Sammy Gonzales. The four runs in

the sixth were on Sammy, but he came out in the bottom of the 14th inning to score a home run, breaking the tie and winning the game for Muleshoe.

On May 16, the Babe Ruth Team played Morton and won again in extra innings. The local team was leading 4-0 behind the pitching of Shorty Sanchez, but in the sixth inning, the Morton team scored five runs. In the seventh, Sammy again hit a home run to Cont. Page 6, Col. 5

### Damage Estimate Near 6,000 Acres

Savage winds and golf-ball size hail raked the Muleshoe - Bailey County area again Tuesday night for the second night in a row, leaving a wake of destruction to crops and buildings. More severe weather was expected through Wednesday.

A combination of both night's events have left many area farmers devastated by the hail and flooded fields. Estimates of loss of crops will land somewhere near the 7 to 8 thousand acre mark. This however, is not all in Bailey County proper, but extends to the Lamb and Parmer County lines.

According to a county damage survey made by Spencer Tanksley, Bailey County Extension Agent, Monday night's storm ranged about three miles wide in most places, ranging from Bovina to east of Pleasant Valley. The heaviest damage began near the Pleasant Valley area and extended to the "V" gin and on to Clay's Corner.

Tanksley said that severe damage was received on vegetables and cotton. Sugar beets were damaged, as well as corn, but the general consensus is that these two crops will come back out. Potatoes, onions, cabbage and carrots were shredded by the large hailstones. "Most of the cotton crop in the Pleasant Valley area has been reduced to match-sticks, and the corn is pretty beat-up," said Tanksley. While damage was heavy in some areas, the total storm was a little spotty, the agent related.

On Wednesday morning, Tanksley reported to *The Journal* additional damage from the Tuesday night storm which basically followed the course of the devastating hailstorm from Monday night. Tanksley said heavy crop loss was noted Wednesday morning in the corn and vegetable crops.

Also on Wednesday, reports were indicating possible crop loss in the Needmore community from an isolated hailstorm which raked that area around 10 p.m. No crop damage reports from Needmore were available at presstime.

The general rainfall on Monday was from 1/2 to 1 1/2 inches, but varied from farm to farm. Tanksley reported water standing on the lower ends of fields and bar ditches full of water. High winds caused some damage also. "Our biggest concern right now," said Tanksley, "is getting back into these fields. We are looking at five to ten days of drying out time, at a period that is critical as far as being able to replant cotton. Most producers will attempt to go back with cotton, but some have indicated that they will possibly go back with a grain crop."

Damaged wheat could be seen in almost every wheat field, with hail stripping the stalks and knocking out the tops. J. W. Frazier, manager of the Ralston-Purina Farms (Protein Processors) east of Muleshoe stated that they had lost from 600 to 700 acres of wheat

## Thirty Sudan Students Complete HS Education

Thirty students completed their high school education at Sudan High School and were recognized as they walked across the stage and received their diplomas from School Board President James Withrow, Friday, May 7, 1982.

This will be the last class to receive their diplomas from this auditorium as demolition will begin in the near future to allow continued work on the new school plant.

The invocation was given by George Schuster, minister of the Church of Christ in Sudan, followed by the address by Rev. Kerry Hurst of the First United Methodist Church.

Shelley Gore gave the Salutatory address, with Sherry Fisher delivering her speech as Valedictorian of the class. Dale Harper was highest ranking boy of the class.

Janet Nix sang the Class Song entitled "Brian's Song" accompanied by pianist, Mrs. Kathryn Jahay, who also played the professional and recreational.

Superintendent Kenneth Noles presented the scholarships and special awards when Sherry Fisher received her state scholarships and trophy, \$400 Presidential Scholarship of LCC and the band scholarship. Shelley Gore received the \$400 Bailey County Electric scholarship along with her salutatorian awards. Six students each received a \$200 scholarship from WTSU, including Sherry Fisher, Shelley Gore, Dale Harper,

### Softball Camp Set At A&M

There will be a one week softball camp this summer at the Texas A&M campus. The camp director will be Head Aggie Softball Coach Bob Brock. The camp will be open to girls ages 11-18.

"The camp will feature instruction in fielding, hitting, throwing, running, bunting and pitching on a one to one basis," says Brock. "We plan to have a camp All-Star team and some team competition which makes great fun."

Campers will have room and board in Cain Hall, the athletic dorm, on the Texas A&M Campus.

Campers will be grouped according to age. They will receive individual instruction. The session will be July 6-10, 1982. Cost for the week will be \$140 with a commuter rate at \$90.

Interested players or parents should contact: Girls Softball Camp, Texas A&M University, Women's Athletics, College Station, Texas 77843 or phone (713) 845-1051.

Laughter should dimple the cheek, and not furrow the brow with ruggedness.

"The Creative Woman" show is now seen on Tuesdays and Thursdays at 12:30 p.m. (MST) and on Saturdays at 2:00 p.m. (MST). The topics to be covered on May 25 and 29 include aerobic exercises and a couture fashion show.

Swanee Browning, owner of S & S Aerobic Center in Portales, and an instructor in aerobic exercising will explain what aerobics can accomplish and what exercises fall in this category. Then she will demonstrate several, different exercises and explain the purpose of each one, talk about equipment needed, and why the warm-up and cool-down periods are so important in any exercise program.

Another guest on the show will be Jacqueline Davis, owner of "The Blue Room" in Clovis and she will present a collection of couture fashions for Spring and Summer '82.

On May 27th, topics will include convection cooking, learning to use a fondue pot, gardening information and a sewing tip from Stretch and Sew Company. Sandy Elkins, Jenn-Air Demonstrator for Fields and Company, Lubbock, Texas will introduce convection cooking -- the "hottest" cooking item in the last several years. She will explain how versatile the convection oven is and that in most cases will cook food faster than a radiant conventional oven.

Charles Guthals, owner of Guthals Nursery in Clovis, will talk about insect control on plant life and what products are recommended for this problem.

Specific problems he will address include bagworms, grubworms and bores.

Connie Moyers will talk about two portable appliances that are common in almost every household -- a fondue pot and a popcorn popper. She's going to discuss some buying features for both of these appliances and then will prepare two different snacks that will be especially liked by youngsters. Mrs. Moyers is Consumer Service Representative for Southwestern Public Service Company in Clovis.

Ann Person, Founder and President of Stretch and Sew Company will demonstrate sheering with elastic threads in soft fabrics. She will demonstrate the technique on a sleeve hem, but the same idea will work for other sheering projects.

"The Creative Woman" is produced and hosted by Sheryl Borden for KENW-TV. The show is made possible in part by a grant from Security State Bank, Farwell, Texas. Mr. Robert W. Anderson, president.

## Young Homemakers Last Meeting Of Year Held

The Lazbuddie Young Homemakers held their monthly meeting on May 5 at 1 p.m. in the Home Economics Department at the Lazbuddie School. A salad luncheon was served to the sixteen members and one advisor present.

Janice Bradshaw, president, called the meeting to order. Reta Mimms, secretary-treasurer, called the roll and read the minutes of the previous meeting. She also gave a treasurer's report.

Plans were put into motion for the annual Christmas bazaar. Sheryl Engelking, chairman of the bazaar, led the discussion. It was decided that a \$20 booth fee would be charged for each booth space. A special children's section for display of their art work will be set up. The bazaar is scheduled for November 13.

Cindy Cargile, chairman of the cookbook committee, led the discussion concerning the community cookbook. The price of each book was set for \$8. The cookbooks should be in by the end of August.

A family cookout has been planned for 8 p.m. on Saturday, May 29, at the home of Sheryl Engelking.

This was the final regular meeting of the year. A summer meeting is planned for August.

Election of officers for the new year was held. Officers who will be installed in September include Debbie Weir, president; Vickie Burch, vice president; Marca Morris, secretary treasurer; Lana Copp, reporter and Janice Bradshaw, historian.

Janice Bradshaw was voted the outstanding young homemaker of the year. She received a plaque and her name will be placed on the permanent plaque in the Home Economics Department.

Also honored at the meeting were Charlotte Redwine and Jenny Mitchell. They received wisdom awards in appreciation for their years of service to Young Homemakers.

Members present at the meeting included: Janice Bradshaw, Vickie Burch, Cindy Cargile, Lana Copp, Sheryl Engelking, Stephanie Foster, Susan Lasater, Billie Mason, Joann McDonald, Reta Mimms, Jenny Mitchell, Marca Morris, Charlotte Redwine, Mandi Seaton, Cindy Barnes, Debbie Weir, and Cassandra Cargile, advisor.

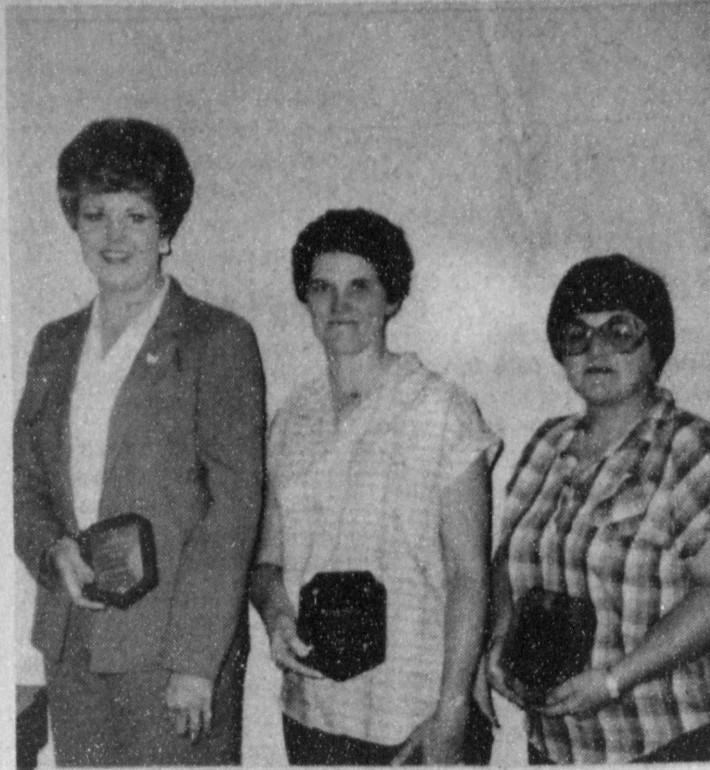

## Twirling Clinic Scheduled

A beginners twirling clinic has been scheduled for July 9 from 9-12 a.m. for anyone who hasn't taken twirling lessons and does not know the basic fundamentals, at the Hawkins and Purdy Studio. Instructors will be Debbie Cloud and Sue and Sherri Besire.

Classes will be divided according to age and ability for ages three and up. A certificate of achievement will be awarded to all students in the beginners clinic.

The intermediate clinic is scheduled for July 10 from 9-12 a.m. Twirling sequences, salutes, novelty and trick routines are planned. Competition has been planned for the intermediate twirlers and awards presentation. All clinics will be served refreshments.

An advanced clinic for high school twirlers in the area is planned for June 12. This will include instruction on two batons, hoop baton, fire baton and trick and novelty twirling.

**OUTSTANDING MEMBER NAMED**—Janice Bradshaw (on left) was named "Outstanding Member of the Year" at the Lazbuddie Young Homemakers meeting recently. Others honored were Charlotte Redwine (center) and Jenny Mitchell. They received special recognition for outstanding work done in Young Homemakers.

## Altman Accepted To Pharmacy School

Mitzi Altman, daughter of Lynda Altman of Maple and Wayland Altman of Chico, has been accepted to the School of Pharmacy at Southwestern Oklahoma State University in Weatherford, Oklahoma.

Miss Altman is a 1982 graduate of South Plains College, graduating with a 3.8 grade point average. Mitzi made the Dean's Honor List each semester while attending school at South Plains.

Students accepted to the School of Pharmacy must meet the requirements of Pre-Pharmacy. A committee on admission to Pharmacy School studies the grade averages, consistency of academic performance, American College Test, Scholastic Aptitude Test scores, character references including a doctor, a pharmacist, and a professor at South Plains College. Other things considered are physical and mental health personal objective, and motivation. The Committee also interviews each applicant individually.

Through this acceptance she will join an elite and select group of men and women who have provided evidence of good character, high ethical concepts and standards of conduct, and who have as their primary motivation a sincere desire to serve the health needs of their fellow man.

## Special Session To Deal With College Funds

AUSTIN, Tex. — State Comptroller Bob Bullock said today that the state has the money to pay for any reasonable college building program if such is approved in the Legislature special session.

Bullock said, "I've always found our colleges and universities to be most reasonable in their requests for money to meet the demands of growing enrollments."

Bullock pointed out that legislation already pre-filed for the special session uses a figure of \$100 million for college building appropriations.

"We can cover that," Bullock said.

"Obviously we have a surplus now and it will continue to increase by virtue of business growth and our tax collections," Bullock said.

"Just because it's there or going to be there—does not mean we should rush in and talk about spending it," Bullock said.

Through this acceptance she will join an elite and select group of men and women who have provided evidence of good character, high ethical concepts and standards of conduct, and who have as their primary motivation a sincere desire to serve the health needs of their fellow man.

### MITZI ALTMAN Housewives make Texas bus system healthiest in nation

COLLEGE STATION — The city-to-city bus system that carries passengers across Texas is one of the healthiest in the nation and owes much of its success to young housewives, according to a study by transportation researchers at Texas A&M University.

Thomas Urbanik II, an assistant research engineer with the Texas Transportation Institute, headed a survey performed for the Texas Department of Highways and Public Transportation to gain an insight into the characteristics of intercity bus riders in Texas.

The study indicates that the typical bus rider in Texas is a housewife under the age of 30 with a high school degree and an annual household income of less than \$10,000.

## Maple-y Crunch Ice Cream: Simple And Simply Delicious!

Here's a homemade maple-y ice cream so old-fashioned rich and delicious that your party guests will think you spent hours cranking a freezer in your back yard!

But, believe it or not, it takes no longer than 10 minutes to whip the cream and fold it (don't mix it) into a combination of sweetened condensed milk, maple flavored table syrup, chopped nuts, rum and salt. What could be simpler?

**Maple-y Crunch Ice Cream**  
One 14-oz. can sweetened condensed milk  
2/3 cup maple flavored table syrup  
1/2 cup chopped nuts

In large bowl, combine all ingredients except whipped cream; mix well. Fold in whipped cream. Spoon into 9x5-inch loaf pan. Cover; freeze about 6 hours or until firm. Scoop into dessert dishes to serve. Makes about 1-1/2 pint.

taining portable toilets for the workers to move from field to field.

Also during the 1980 strike near Muleshoe, three crew chiefs and their crew temporarily joined the strike crew from Hereford, with most of them returning to their jobs after three or four days. At no time were more than 100 strikers noted, including the truck loads of people Moya brought from Hereford.

Beardall, who was at Robert Ruiz and Sons, Inc. with the strikers, said the strike by Ruiz company workers was part of a series of TFWU led strikes against High Plains vegetable companies which occurred throughout the summer of 1980. A number of these work stoppages, he added, resulted in legal action by the workers.

During the time the stri-

kers were picketing at the front gates of Robert Ruiz and Sons, Inc., members of the sheriff's office were called to the plant after the strikers began throwing rocks at trucks attempting to leave or enter the plant. Fences and gates were installed and signs put up indicating that the premises would be "off-limits" to all but employees and invited persons. The same signs are still in place today.

## Junior Golf Tour Plans Now Underway

The West Texas Chapter of the Professional Golfers Association of America will sponsor the West Texas Junior Golf Tour this summer, which will mark its 14th season.

Boys and girls ages 12-18 will be partaking in the best competition to be found in West Texas Junior golf.

The Tour will begin its 45-50 tournaments the first week in June and wind up the second week in August.

Participants will be put in three age brackets: 12-13, 14-15 and 16-18 (18 year olds not to have completed their high school eligibility, meaning graduated) and very nice plaques will be awarded to the top

three finishers in each age group.

Each event will start promptly at 9:00 a.m. with registration starting at 8:00 a.m.

Entry fee for each regular event will be \$5.00 to be paid the morning of the tournament.

Only residents of the West Texas area are eligible to receive awards in these tournaments though outside residents are welcome to compete.

New for this year's junior tour will be free bag tags to be given to each participant at each event to collect for the summer.

Highlights of the tour will be two "major events" - the West Texas Junior Masters will be the first of two premier events and will take place the 25th of June.

The grand finale will be the West Texas Junior Tour Championship (formerly the Tournament of Champions) which will wrap up the tour for 1982 on the 10th and 11th of August. The Junior Tour Championship will be a 36 hole event over two days with the participants being taken from the 1st and 2nd place finishers of the summers tournaments. To be held at the beautiful Green Tree Country Club in Midland, it will be here that, Tom Kite, the leading money winner on the 1981 PGA tour, will host a clinic for the contestants of this

## Damage...

Cont. from Page 1

on Monday night with several more hundred acres heavily damaged. Frazier reported about 3 1/2 inches of rain for both nights. "There are four circles of wheat on the farm that are completely hailed out," Frazier said.

Debra Redwine who lives approximately 7 miles north on the YL road reported heavy damage to crops in that area on Monday night, with most of the cotton gone. Mrs. Redwine stated that on Tuesday night, tornadoic winds heavily damaged buildings and irrigation siderolls in that area. She stated that TV antennas were twisted and sideroll sprinklers were scattered in many different directions, indicating the twister - like winds. According to her report, most of the country roads are washed away and the highway is underwater. They have had close to three inches of rain over the past two nights. Mrs. Redwine also had heard reports of a neighbor's barn being blown down on Tuesday night.

Bill Millen, who also lives in the Pleasant Valley community lost around 500 acres of cotton Monday night, but had been unable to survey the Tuesday night damage at prestime. Millen will most likely replant his cotton if conditions allow him to get back into the fields in time.

Eugene Shaw, who lives about ten miles West on FM 1760, reported from 1 1/2 to two inches of rain on Monday night and about 1/2 inch on Tuesday. Shaw indicated no hail damage to speak of in that area. "The rain has been beneficial, but we could use a drying spell now," Mrs. Shaw said.

Mrs. Ronnie Hole reported about 1 3/4 inches on Monday night near the Pleasant Valley Gin. "All the cotton in this area is gone. However, the corn and some of the vegetables appear to be ok," Mrs. Holt stated. More rain and small peasized hail with strong winds were the story

on Tuesday night. She stated that most of the farmers are hoping to go back with cotton, however, it will be five to ten days before they will be able to get back into the fields to plant.

There were some isolated reports of golf-ball sized hail on Tuesday evening in the Pleasant Valley and Clay's Corner areas.

Northeastern Bailey County seems to have suffered the most severe damage from these storms said one rural resident. Bula and Needmore have reported slight rain over the past two days, while Goodland and Three Way area report about the same. Further south and towards the state line, some reports of rain were received, but were light. The southern parts of the county have also received the strong winds off the clouds of the past two evenings.

Total rainfall in Muleshoe proper since Sunday, May 23, is slightly over two inches, with 1 1/2 inches of that being received on Monday and Tuesday nights.

"We are down to a 'digging-out' process, now," said Tanksley. "Whether or not we have cotton replanted will be determined by how quickly the producers are able to get back into the fields. Since fields are beat down and flat now, we also stand vulnerable to wind and sand damage to crops that are still left in the fields." National Weather Service reports indicated that the heaviest thunderstorms on Tuesday evening were over northeastern Bailey and north central Lamb Counties.
