ARTHUR BARLEMANN, JR. COUNTY AGENT

LIONS CLUB

The Sterling City Lions Club met Wednesday noon at the community center for the regular weekly luncheon. The president, Alvie Cole, presided at the meeting.

The club members plan to put up the rest of the yield signs over town this Saturday. Anyone who would like to help install the signs is asked to be on hand at the courthouse Saturday morning at 8 o'clock with a crowbar or a tamping bar. The holes will be dug with a tractor post hole digger.

A turkey shoot is to be sponsored by the club on Saturday, September 12, starting at 2:00 p.m. Frozen turkey or hams will be given as prizes. Ewing McEntire is chairman of the committee in charge of arrangements.

Guests present at the Wednesday luncheon were Diane Lou Cole, Earl Seago, Eddie Roy Braswell and Mrs. Asa Avant. Miss Carolyn Payne, daughter of vice-president Les Payne, is the new pianist for the club and she was present Wednesday for the first time.

Cushing-Smith Wedding in Clarendon Last Saturday

Miss Maragret Cushing became the bride of Mike L. Smith last Saturday. A double ring ceremony united the two in a ceremony at the Baptist Church, Clarendon. She is a daughter of Mr. and Mrs. Bill Cushing of Clarendon and the groom is a son of Mrs. Paul Smith and the late Mr. Smith of Borger.

Sandra Sutherland, organist, played nuptial selections and Mrs. Winn McClure of Pecos attended her cousin as matron of honor.

After the wedding trip to Raton, New Mexico, the couple will make their home at Borger where he is employed at the Phillips Petroleum Co. The bride is a graduate of Clarendon High School and attended T.C.U. two years.

Mr. Smith is also a graduate of Clarendon High School and West Texas State College at Canyon. He served in the U.S. Navy four years. Among those attending the wedding were Mr. and Mrs. Robert Foster and Mr. and Mrs. Bill Reed of Sterling City; Mr. and Mrs. Trinton Revell and children of Bellaire; and Mrs. Winn McClure and children of Pecos. The bride is a grand daughter of Arch Garrett of Sterling City.

HOSPITAL NOTES

Patients in the Sterling County Hospital on Thursday morning of this week were—
D. P. Glass
Mrs. G. G. Ainsworth
Mrs. C. T. Williams
Clauda Collins
Jim Cantrell
Dismissals since Thursday morning of last week include:
Mrs. R. P. Brown
Alice Chisum

Clauda Collins, daughter of Mrs. Claude Collins, underwent an operation in the Malone-Hogan hospital in Big Spring last week. She was transferred to the Sterling County Hospital over the week end, and is reported doing fine.

Mrs. J. R. Dillard was returned to her home here on Wednesday of this week from the Shannon Hospital in San Angelo. Mrs. Dillard had undergone a major operation at the Shannon several weeks ago, and is reported doing all right.

Mr. and Mrs. N. H. Reed returned home last Saturday from a six weeks trip in Old Mexico. They vacationed in Mexico City and Acapulco. In the latter place Nick caught a nine foot sailfish that was weighed in at 140 pounds.

RODEO DOINGS

TEAM TYING AND BULLDOGGING SEPT. 5

The will be a team tying and bulldogging at the rodeo grounds Saturday night, September 5, announced Alvie Cole, rodeo president, this week. Beginning at 8:00 p.m., admission prices will be 50c for children and \$1 for adults.

REFUGEES from behind the Iron Curtain have come to America as immigrants in vast numbers since World War II. Official records reveal that of the 1.8 million immigrants from Europe between 1946 and 1958, 456,000, or 25% of them, came from behind the Curtain chiefly from Poland which furnished 209,000.

During that same period, 282,000 immigrated from the United Kingdom, 377,000 from Germany, and 212,000 from Italy, etc.

These figures tell only a part of the total immigration story, however. Many have been admitted from Western Hemisphere countries, including an average of 50,000 annually during the past five years from Mexico. Puerto Ricans have literally swarmed in, at a rate of up to 100,000 a year.

THE RECENT passage of the Landrum-Griffin anti-racketeering bill, was according to observers, a classic example of the workings of American public opinion. Three months ago few thought even a moderate bill against racketeering and corruption in union activities had a ghost of a chance in the House. But the American people thought otherwise, and they became very articulate about it. It paid off. The people called the shots, and virtually dictated the writing of the bill!

In the meantime, James Hoffa, the Teamster boss, apparently smarting from setbacks in Congress, has announced a political action program all his own, to "elect pro-labor candidates for offices at all levels of government." He promises to make things a bit rough for those who have not voted "right", according to Hoffa standards!

School Opens Here Next Week

1959 Season Tickets For Football To Be Available

At a meeting last spring the district 11 8-Man schools composed of Sterling City, Water Valley, Mertzon, Christoval, Forsan and Garden City decided to charge 25c for student admissions and 75c for adults. Mr. Herbert Brown of Lubbock visited with the Rev. Asa Avants here last weekend.

Visiting Mrs. Jack Reeves here this week were Mr. and Mrs. Vernon Pape and Kay of Hobbs, New Mexico and Mrs. Edith Flynn of Abilene

Mrs. "Scooter" Carr and children of Durango, Colorado, are here visiting Mr. and Mrs. Gene Carr. Scooter plans to join his family here this weekend for a visit with his parents.

The school year gets underway here next week with the formal opening of school on Tuesday, September 1. The faculty, however, will meet Monday morning, said superintendent O. T. Jones.

A general assembly in the auditorium at 9:00 a.m. Tuesday marks the opening. After opening remarks and announcements, students will go to their class rooms.

51 In High School

Earl Seago, high school principal, said this week that there would be 51 in high school. Ten seniors have registered, 15 juniors, 14 sophomores and there were 12 freshmen to register Tuesday morning. This compares with 52 last year.

The faculty for the coming year is to be as follows:

- O. T. Jones, superintendent
Earl Seago, high school principal
Fred Igo, vocational agriculture
Darrell Flynt, high school English
E. B. Hosea, commercial
Mrs. Eschol Crook, science

Football Rally Supper Saturday Night 7:30

A rally supper for the 1959 Eagles and pep squadders is to be held here at the City park Saturday night at 7:30. The football boys, the pep squad girls, families, and all persons interested in the Sterling Eagles are invited to attend the rally.

Bring Some Food

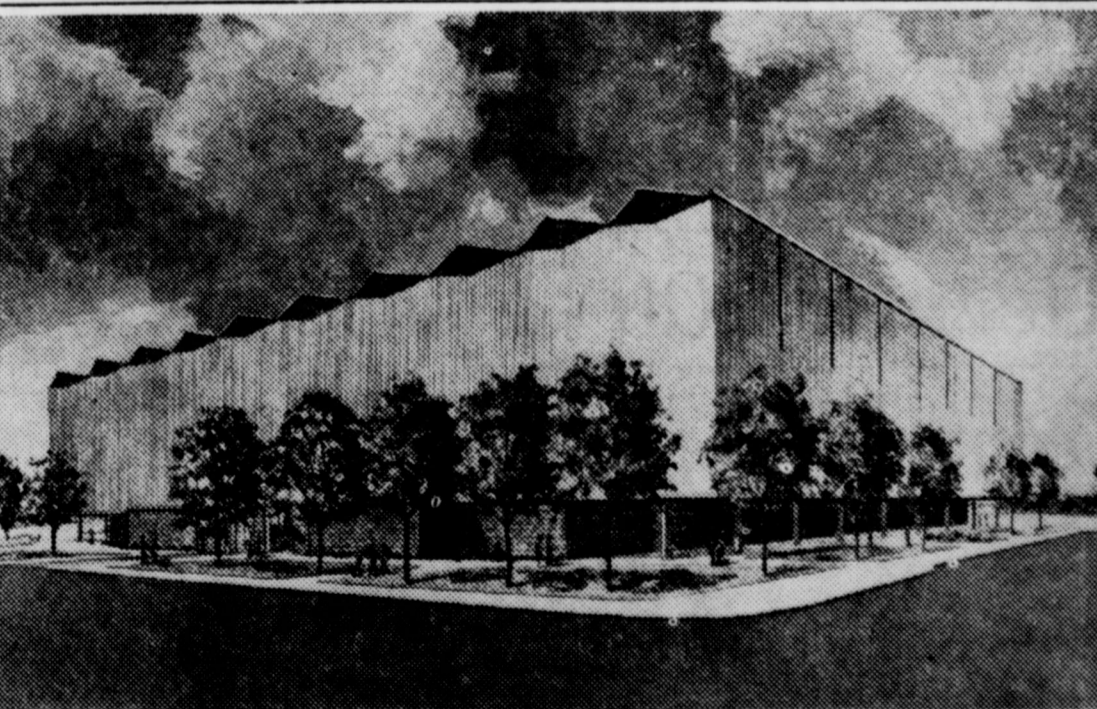

If you plan to come and have not yet been contacted, bring a bowl of potato salad or a cake, said a spokesman for the affair.

Labor Day Holiday

Monday, September 7, will be a holiday here in Sterling City as one of the usual holidays taken by the merchants.

The school will be closed on that day, said superintendent O. T. Jones. The stores of the city have included Labor Day as one of the usual holidays here for a number of years.

STATE FAIR'S HUGE NEW LIVESTOCK COLISEUM

This huge new \$2,000,000 Livestock Coliseum now under construction on the state fair grounds in Dallas, will be completed in time for the 1959 State Fair of Texas, Oct. 9-25. The Coliseum, seating 7,108, will be the scene of a series of horse shows during the Fair. One of the finest and most modern facilities of its kind in the nation, the new State Fair Coliseum has a 300-foot main hall and is adjoined by a horse building with 304 stalls.

Reynolds Lee Foster, Sterling County 4-H Club member who attended the Range Camp at Junction last week, was one of the top five boys at the end of camp in plant collections and notebooks made during the various talks at the camp. Lee attended the camp on the scholarship provided as one of the top boys in the range management demonstration last year.

The camp is sponsored by the Texas Section of the American Society of Range Management. Limited to 35 boys, the camp is held each year in mid-August at the Texas A.M. Adjunct at Junction. Boys from County 4-H clubs and FFA Chapters are selected to attend on the basis of their interest and the availability of sponsors.

Lee reports that he enjoyed the camp very much. There was lots of work involved but there was time for sports such as swimming, baseball, and volleyball. In addition the boys had a certain amount of studying to do in the preparation of their notebooks and plant collections. Visits were made to several ranches in Kimble County and the entire facilities of the Sonora Experiment Station were toured by the boys.

The annual meeting and barbecue of the Sterling County Game Management Association will be held on Tuesday, September 8 at 6:30 p.m. in the river at the Nick Reed ranch.

Details of the program are not complete yet but a good program is in the making. At this time not all of the program is set up, waiting for verification from some of the people wanted on the program.

Phil and Jimmy Cole, sons of Mr. and Mrs. Bill Cole, are two more new 4-H Club lamb feeders. Last week Phil and Jimmy had us pick six lambs for them to put on feed this year. The lambs came from the flock of their father who was shipping his lambs last week.

Another new feeder who got some crossbred lambs this week was Royce Sparks, son

of Mr. and Mrs. Jake Sparks. Royce has two crossbred lambs he got from Riley King. Royce is going to get a couple of finewool lambs to feed this year in addition to his crossbreds.

Ballots will be mailed on August 31 from the local ASC office for voters to ballot on the Wool Referendum according to Eddie Roy Braswell, local office manager. Voters will have until September 30 to vote and return the ballots to the office.

The referendum is in regard to the deduction made from each producer's checks for the purpose of advertising wool and lambs. The deductions were authorized by a similar ballot in 1955 but the time has now expired and another vote is necessary to determine if the producers favor the program.

Also, remember that your ballots for the election of local committeemen must be returned to the local ASC office next week. Ballots may be delivered in person prior to 5:00 p.m. Tuesday, September 1 or if mailed they must be postmarked September 1.

Farmers and ranchers have until September 30 to file claims for the refund of the 3 cents per gallon federal gasoline tax. Claims cover the period July 1, 1958 through June 30, 1959 and all gasoline used during that period. Persons who filed claims in previous years should have received blanks from the Internal Revenue Department for this purpose but if you did not receive a blank or have not filed previously, a supply is available in the county agent's office along with directions for filing and completing the form.

Jodie Emery, son of Mrs. Joe Emery, will return from Washington, D. C. next week. He has been working in the mailing room of the House of Representatives there the past three months. Jodie is a pre-law student in Texas Tech at Lubbock and will re-enter there as the fall term opens next month.

Texas Cites 4-H Alumni For State Honors

Four Texans were named "outstanding former 4-H Club members" in the state's 4-H Alumni Recognition program for 1958 by the Extension Service.

They are Mrs. Melvin Joe Winkler, 752 North Cedar, Ker-

Mrs. M. Winkler Mrs. Alexander

mit; Mrs. Lee Alexander, Cedar Creek; Mr. Aubrey L. Carr, Sr., Clint; Mr. Dewey Compton, 210 Spell St., Houston.

Each was awarded a burnished copper 4-H Alumni plaque given by the Olin Mathieson Chemical Corporation, Plant Food Division, which supports the program nationally.

Gold Star 4-H'er

A former 4-H Gold Star girl, Mrs. Winkler has been one of the greatest boosters of 4-H Club work in Winkler County.

Following her own nine-year 4-H career, Mrs. Winkler became an adult volunteer leader. She has been especially active in dress revue projects and judging at various shows.

Club Leader 45 Years

Forty-five years of 4-H Club work is the remarkable record

of Mrs. Alexander, a teacher and housewife.

She has been leading Cedar Creek 4-H'ers and serving as secretary of the Home Demonstration Council in the community. Recently, Mrs. Alexander was selected home demonstrator of the year.

4-H Fair Organizer

One of the originators of the El Paso County 4-H Livestock show, Mr. Carr, a two-bale-plus cotton farmer and livestockman, has been a volunteer 4-H leader the past seven years. He was instrumental in establishing the annual 4-H feeders barbecue in El Paso County.

Radio-TV Director

A graduate of Texas A&M, Mr. Compton plays an important role in spreading 4-H goodwill over radio and TV station KTRH. As

Aubrey Carr Dewey Compton

farm director since 1953, he has broadcast 4-H programs and news over the network encompassing 81 counties in Texas and southwest California. He also served as Dewitt County agricultural agent.

U.S. OIL

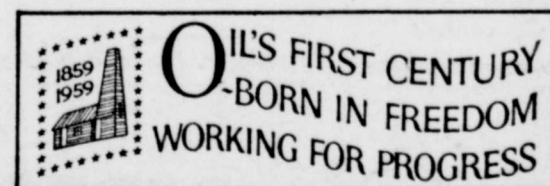

Indispensable in our way of life... vital to our national defense

In the 100 years since the drilling of the first oil well in the United States, the usefulness of petroleum has been often demonstrated in many ways . . . It is an economical and efficient source of energy and a raw resource convertible through petrochemistry into innumerable useful materials. . . . It is indispensable in our way of life, and vital to the national defense.

It is comforting to know that today's reserves are ample for today's needs. And if incentives to undergo the heavy risks involved are continued, there is no doubt that more oil will be discovered and produced to replace the oil we use . . .

The United States has found, produced, refined, and used more oil than any other nation. This has made petroleum products a feature of the abundant American life. Americans use more petroleum products than any other people on the globe.

The past is prologue to the future. During its second century, oil can serve you and your grandchildren, and the nation, as well or better than ever before.

The Humble Company, incorporated in 1917, has participated in the development of new and better ways to find and produce oil, and in the research that has improved petroleum products and discovered countless new uses for oil and natural gas. Humble is a major producer of U. S. oil, with production extending all across the southern tier of states from

Florida to California. Marketing operations are carried on in Texas, New Mexico and Arizona. Humble's Baytown refinery, near Houston, is one of the great refineries of the world. (Humble Pipe Line Company, a major transporter of crude oil and finished products, operates more than 9000 miles of pipe lines in Texas.)

Kin of Local People Hurt in Accident

T. H. Mercer, 27, of Louisiana, a grandson of Mrs. D. O. Mercer of Sterling City, was injured in an accident near Ruston, La. last week. He and a brother-in-law were fishing in a boat. The brother-in-law saw a snake and whipped out a .22 pistol to shoot the snake and instead shot Mercer through the back. He underwent four hour surgery in a Ruston Hospital, and was going well as could be expected. The shell went left of his spinal column, passed through the abdominal cavity and came out the front of his body.

Emerald Melon Salad

By Betty Barclay

MELONS are such wonderful menu helpers—and especially delightful teamed with lime-flavored gelatin for a hot weather salad. For instance, cantaloupe or honeydew melon captured in lime-flavored gelatin add a cool and colorful touch to luncheon or dinner. Try this Emerald Melon Salad with its hint of fresh mint to perk up appetites.

Emerald Melon Salad
 1 package lime-flavored gelatin; 2 tablespoons finely chopped fresh mint leaves; 1 cup hot water; 1 cup cold water, 2 teaspoons lemon juice; 1½ cups melon balls or cubes.

Combine gelatin and mint. Add hot water and stir until gelatin is dissolved. Let stand about 15 minutes, strain, and add cold water and lemon juice. Chill until slightly thickened. Then fold in melon. Pour into 1-quart mold or individual molds. Chill until firm. Unmold. For salad, serve on crisp lettuce with mayonnaise. Makes 6 servings.
 *Cantaloupe, honeydew, and watermelon may be used.

Pretty Waffle Treat!

By Betty Barclay

DO something different with waffles! With a quick "twist of the wrist" you can serve these pretty waffle "butterflies"... an excellent dessert idea or a teenage TV "make-it yourself"! Use the Maple Cream Cheese filling for topping doughnuts, sandwiching cookies or on pancakes.

Butterfly Waffles
 Toast or broil frozen waffle as directed on the package. Split and fill each waffle with about 1 tablespoon Maple Cream Cheese Filling. Then cut each waffle diagonally in half and arrange on plate, with points touching, to form butterfly wings. Place a spoonful of Maple Cream Cheese Filling at point where wings meet, for body of butterfly. Use red cherry stems for antennae and banana slices for wing patterns. Serve with maple-blended syrup.

Maple Cream Cheese Filling: Mix 2 packages (3 ounces each) cream cheese, with ¼ cup chopped California dates and ½ cup Log Cabin Syrup. Makes about ¾ cup filling.
