Eagles Lose Forsan Game 30 to 8

FORSAN NOW LEADS CONFERENCE

The Forsan Buffaloes killed (in all likelihood) Sterling City's chances to be the district champion this year. This was accomplished by the Forsan boys defeating the Eagles here last Friday night 30-8. Forsan is the district's champion team from last year. They will probably be again this year. The only thing that would stop them would be for Garden City to beat them and then there would be three teams with one loss each, being Garden City, Sterling City and Forsan. Naturally, this is what Sterling Citizens are hoping happens.

In the game last Friday Forsan kicked off to Sterling City. Danny Gonzales took the opening kick and returned it about 18 yards. The locals could not make a first and kicked on the fourth down. Forsan's Parks picked up 8 and then 2 yards for a first down. Forsan, on a sneak play, made another first and Bardwell raked up another all in a row. Bardwell got the ball to the 18 yard line and Forsan drew a 15 yard penalty for holding. On pass play they regained 10 of the yards lost but couldn't quite make a first down in three more tries, so the Eagles got the ball. Don McDonald made 7 yards, but a 5 yard penalty hurt the Eagles and Gonzales punted. The kick was very short, and put the ball on the Eagles' 28 yard line.

END OF 1st QUARTER

The Buffaloes failed to gain a first down and Sterling took over. The Eagles, with Don McDonald carrying, almost made a first down, but the ball went over to Forsan. At this point, Sterling drew a 15 yard penalty, giving the Buffaloes a first down. Parks put the pigskin on the goal line and Bardwell pushed it over for a Forsan TD. They made the two extra points.

Robert Carter took the Forsan kick and made a good return. Gonzales made a first plunging right threw the line, but then the Eagles lost the ball on downs. Forsan drew a 15 yard penalty on a personal foul and lost the ball. McDonald picked up 8 and Danny Gonzales two yards for a 1st for the Eagles.

HALF-TIME

Sterling kicked to Forsan and Barnett made two first downs for the Buffaloes and Parks went over for a touchdown. The try for the extra points was good. They kicked to Sterling and a little desultory play resulted. The locals then started a wide-spread wing formation with passes as the order of the night. Forsan's Parks, when they finally got possession of the oval, took the pigskin over for a counter. They made the extra 2 points on a run.

THIRD QUARTER

A long pass from Carter to Bill Davis brought the only Eagle score of the night. The try for extra point was no good. Forsan's center made a bad pass and the ball went over into the end zone, giving Sterling a two point safety. But, the Buffaloes made one more score to rack up the game in a big way.

The game ended 30-8 in favor of Forsan.

Matched Ropings Set For November Sundays

Each Sunday in November will see matched ropings at the Sterling rodeo pens (with the exception of Nov. 8). Beside the matched sets between well-known ropers there will be 4-calf \$34 open ropings and 2-calf \$17 amateur ropings each Sunday, says Alvie Cole, president of the association.

The ropings will start at 2 p.m. Sunday at the rodeo pens 1 mile west of town on the Big Spring highway 87. Admission will be 50c and \$1.00.

The first Sunday will see Bill Teague of Crane pitted against Rex Beck of Valera. On November 15 Horace Rankin of Big Spring will be matched against R. E. Josey of Post. On Nov. 22 the losers of the first two ropings will be matched and the last Sunday will see the winners in a final tilt.

AROUND THE COUNTY

ARTHUR BARLEMANN, JR. COUNTY AGENT

Twenty-three 4-H Club member are feeding ninety-nine head of mutton lambs this year for the county show and various district and state stock shows. In addition five club members are feeding commercial ewe lambs and three have registered Rambouillets. Several more have range sheep as their club demonstration.

Club members feeding lambs and the number of lambs being fed are as follows: Royce Sparks, 4 lambs; Mike Payne, 2 lambs; Freddie and Jamie Kay Fields, 4 lambs; Diana Cole, 5 lambs; Mitsy Davis, 3 lambs; Kenneth Fincher, 3 lambs; Cecilia and Jeanie McDonald, 18 lambs; Tommy Foster, 7 lambs; Phil and Jimmie Cole, 6 lambs; LeRuth Reed, 11 lambs; Albert Dale Fields, 2 lambs; Barbara and Jack Clark, 8 lambs; Rosanne Foster, 2 lambs; Larry Stewart, 2 lambs; Joy and Randy Flynt, 2 lambs; David Foster, 10 lambs; Billy Boyd Allen, 4 lambs; Marsha Stewart 1 lamb.

Club members feeding groups of commercial ewe lambs are Betty Jo Barrett, Jack Clark, Barbara Clark, Tommy Foster, and David Foster. Barbara Durham, Drew Durham and Betty Jo Barrett have registered Rambouillets.

Sterling County 4-H Club members will participate in the Odessa show, January 4-9; the Abilene show, January 23-27; the San Antonio show February 12-21; and the San Angelo show, March 4-9. Dates for the Sterling County show have not been set but will be set in the very near future.

There have been several ranchers who have requested me to mention the fact that skunks and coons are becoming quite numerous again. This fact is further backed by the number of dead skunks and coons that are found along the highways in the mornings. Wandering up and down or across the road at night, many are struck and killed by cars and trucks. Also, few nights pass without the delicate aroma of the "sachet kitty" being wafted by the winds.

These animals are carriers of rabies and many other diseases. The skunk is the reservoir of rabies; when it is

stamped out in all other forms of animal life, they still carry it and are responsible for the spread.

The Game Management Association will soon set up the plans for control work during the winter months to combat these varmints. The rabies vaccination program will take place in the next few weeks as soon as arrangements can be worked out with the veterinarian.

Last week the Texas County Agricultural Agents Association held their annual state meeting in Lubbock. The Lubbock Chamber of Commerce and all Lubbock worked hard to make this meeting a success by offering all the facilities in the area for the meeting Friday and Saturday.

On Friday afternoon, a tour of the Lewter Feedlots and the Plains Coop Cotton Oil Mill and the Frank Gray Oil Mill and the Frank Gray irrigated farms was held. Weather was not too cooperative since it was cold and rainy and it was nearly impossible to leave the busses.

But we were able to see most of the operations of the place. We did leave the busses at Lewter's to go through the mill where the feed is mixed.

Lewter feeds 25,000 head of cattle at a time for about 120 to 150 days. Total annual output of the lot is 75,000 head. No hand labor is used in mixing the feed; the entire operation is a pushbutton affair with one man at a huge panel controlling the switches that weigh each ingredient for the mixer. From the mixer it goes into trucks which auger the feed into the troughs, again with no hand labor except a driver in the truck.

The Gray farm comprises 2,000 acres of land watered with the output of the Lubbock sewer plant. Each day from 7 million to 10 million gallons of water are received at the farm. Since the water must be used, there is a problem of what to do with it sometimes. Storage on the farm will hold only 130 million gallons so it must be kept on the move. At times, Mr. Gray must water carless weeds to get rid of the water; however when turned under these weeds furnish lots of organic matter. Main crops on the farm are grain sorghum and cotton.

Lions Staging Style Show Monday

Grand Jury Meets But Report No Findings

The grand jury was convened here Monday morning and sat for a few minutes in deliberation without finding anything to report. The sheriff's department did not have anything for the jurors to inquire into, but district judge Joe Mays told the men to convene and make any inquiries they might like.

Serving on the grand jury were S. M. Bailey, foreman, Louie Alexander, Henry J. Bauer, H. D. Coleman, H. F. Donalson, R. T. Foster, Jr., D. H. Hopper, Ewing McEntire, Dayton Barrett, Billy R. Bynum, Riley King and Robert Foster.

Home from TCU last week end were college students Jackie Cole, Lynn Glass, Jim Davis and one of Jim's friends from Pecos.

All Men, No Women

The Sterling City Lions club members are putting on a womanless style show at the school auditorium Monday at 7:30 p.m. Admission will be 50c and \$1.00, it was said.

Pie Supper Follows

Following the style show a pie supper will be held in the school cafeteria with pie at 15c a slice and coffee at 10c.

Mrs. Alvie Cole is helping put on the womanless style show with Mrs. H. A. Chapple writing the script for the modelling. Lion clubber Darrell Flynt is to be the narrator of the show.

Club members will all be dressed as women in a style show. Plenty of laughs are guaranteed by members and the money raised will be used by the club for worthy community projects.

Door Prizes To Be Given

There will be drawings for a number of door prizes given by merchant members of the Lions Club. Each person attending will register for the prizes.

Winners To Be Judged

Winners of the best dressed ladies will be announced. A quartet of disinterested judges will select several winners, such as best dressed, slinkiest, etc. Winners will be announced.

Members went over the script Thursday night with Mrs. Alvie Cole. The script was read. Members have been given show names such as Henrietta Bauer, Jackie Douthit, etc.

Boy Scout Finance Drive Underway

The 1959 Boy Scout Finance Drive was started with a kickoff breakfast at the Williams City Cafe here Wednesday morning. Jim Coleman is acting as the drive chairman for this year.

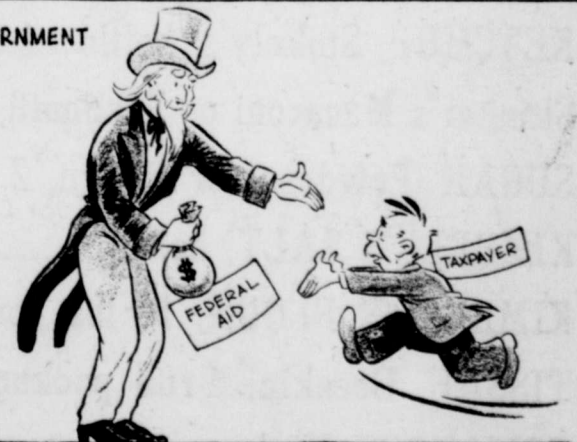

Twenty-three persons were present at the breakfast and soliciting cards were passed to the workers.

Dr. W. A. Hunt, president of Howard County Junior College, spoke briefly on good points of the Scouting movement. Bill McRee, scout executive of this council, also spoke for a short time on the scouting program.

It is hoped by Coleman that the drive will be completed by next Monday, November 9th.

CARD OF THANKS

It is impossible to express my feelings and appreciation for ALL that my friends have done for me during my illness, but I would like to say Thank You for your cards, telephone calls, visits, flowers and many other gifts. These have meant more to me than words can ever express. I realize, that in addition to all the gifts and acts of service you have given even more—your love, concern and friendship, which I genuinely value and cherish.

My chief desire is that soon I shall be able to be back to my "post of duty" and to resume my responsibilities to my church and community. Your continued prayers will be appreciated.
Most gratefully yours,

INQUIRE BEFORE YOU RETIRE

Naturally you want to receive your first social security check soon after you retire. To accomplish this, Floyd B. Ellington, of the San Angelo social security office offers this bit of advice. "Inquire before you retire at you: local social security office."

According to Ellington, if you are a working woman 62 or more or a man age 65 or older planning to retire, you should contact your social security office two or three months before your retirement.

"Why wait those extra weeks for your first social security check when a little foresight will bring it to you soon after your last pay check," Ellington concluded.

West Texas Utilities Hold Open House Here

THEY'RE THE ONES—These people shown are the ones guiding the business of the West Texas Utilities Company here in Sterling City. Shown from right to left are Wayne Lory, manager; Mrs. Leah Wyckoff, cashier; Henry Batter, district superintendent; and Eugene Spieker, service man. They were snapped here in the newly remodelled company building here on open house day October 29. On that day about 350 persons were served ham and turkey sandwiches and coffee and cold drinks. Favors were given to visitors.

Longtime resident here, R. P. Brown, showed up with a 15-watt bulb he said had been burning under his garage eave since he put it there when electricity first came to Sterling City in the twenties. Company lighting men figured that might be some kind of a record in long-lasting. Brown did not buy a bulb to replace it, but he did buy one of the newer bulbs that have more watts per size.

GETTING AN EARLY START—Here little Tanya Lory, daughter of the Wayne Lorys, is showing another future small fry, a future customer, just how nice the pull-out (to clean) ovens are on the new Frigidaire ranges at the open house of the West Texas Utilities. Future customer is Denise, little daughter of the Cam Chisums. Tanya is the daughter of manager Wayne Lory.

 Nice rains fell here over the week-end. Early last Friday morning a half inch fell here in town and two tenths fell Saturday and again on Sunday and Monday.

To the northwest part of the county heavier rains were received. Two and three inches fell in the west end of the county, adding a lot to the range moisture.

FREEZE HERE FRIDAY MORNING
 A deep freeze hit here, during the night Thursday, causing a heavy, killing frost. The mercury dipped into the middle twenties, and the frost was the first of this fall season. The low temperature probably set a record for the first frost or freeze of the fall season.

REWARD NOTICE
 A reward of \$500.00 will be paid by the Texas Sheep and Goat Raisers Association to any person (other than law enforcement officers) giving information causing the arrest and final conviction of any person or persons found butchering or stealing any sheep or lambs or goats belonging to any Association member in good standing. When two or more persons give information, the above sum will be divided at the discretion of the Board of the Association. When two or more defendants are involved in a single crime, the total reward is limited to \$500.00, but the conviction of one defendant, even though the other defendants are acquitted will entitle the claimant or claimants to said sum of \$500.00. All claims must be submitted within ninety (90) days following conviction. If, upon conviction, a defendant confesses other thefts, no additional reward will be paid. All decisions concerning the payment of such reward and the conditions of payment will be made by the Board of Directors of the Association.
