Around Muleshoe

Chuck Smith, Bailey County Democratic Chairman has announced an old-fashioned, "Meet the Democratic Candidate Rally", which is to be held in Muleshoe, in the Bailey County Civic Center, from 7:30 until 9 p.m., on Tuesday, October 26. The public is urged to come out and meet and mingle with all the Democratic candidates for Bailey offices. There will also be some special guests along with the entertainment, refreshments, and old-fashioned visiting. This event is being sponsored by the Bailey County Democratic Party.

A youth football organization is being formed in Muleshoe, for those in grades second through sixth. Teams will be formed, numbers allowing, by grades. Anyone interested in this program is urged to contact Sam Gonzales at 272-4414 or 272-3853 at the earliest possible time.

Friday night, October 22, 1982, has been designated at Three Way Parents Night. Parents of the football players will have a reserved section in the stands, and will be honored in ceremonies at half-time of the Three Way - Southland football game. This opportunity is taken to express gratitude to the parents for their support of Three Way High School. Parents Night is sponsored by the Three Way High School Cheerleaders.

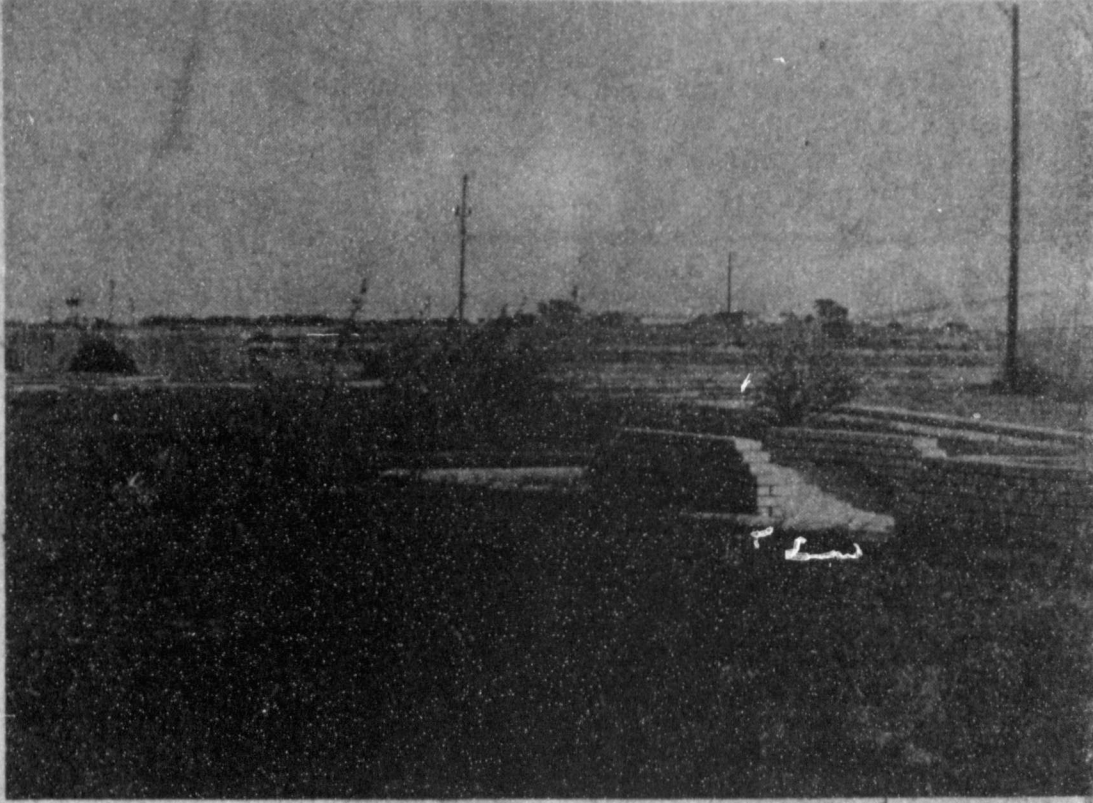

The young people of the Richland Hills Baptist Church will sponsor a bake sale Saturday, Oct. 23, beginning at 8 a.m. Cont. Page 6, Col. 1

Lazbuddie Offers Basic Classes On Microcomputer

Lazbuddie ISD is again offering classes in Basic language programming for the micro-computer. There will be 4-2 1/2 hour classes beginning Monday, Oct. 25, and running every Monday night until Nov. 15.

The 5:30 session will be Intermediate basic programming which will include how to store and retrieve data from a file storage.

The 8:00 session will be beginning basic language programming - assuming a person has never sat in front of a micro-computer before. The Enrollment fee is \$35 and will be limited to nine per class. To enroll or for more information call Dennis Owen at Lazbuddie ISD, 965-2156.

"HELP WANTED"...The Muleshoe Miniature Golf Course will become a reality, says R. A. Bradley of the Kiwanis Club. Many civic organizations and individuals have contributed time and money, but there is still work remaining. Carpet for the course has been purchased and is in storage, waiting spring for the laying. The building and patio is yet to be finished, so a bit more funds will be needed to complete. Most of the work now needed is ground work in clearing weeds, helping with grass and other up-keep items. Any and all help would be and has been appreciated. An opening target date, barring unforeseen difficulty, has been set for May 1, 1983.

Mules To Go Up Against Wildcats Friday Night

This Friday night, as the mules venture into Wildcat Territory, the game will be super-charged with emotion and vengeance, for the outcome could very well upset the District playoffs. Coach Jerry Blakely of Littlefield has his Wildcats all in fine form and is anxiously awaiting the battle. Friday night, one which will be watched by a number of fans and sportswriters from miles around.

In a telephone interview with Blakely on Monday, he complimented the Mules, which is a natural reaction from an opposing coach; however, when the Mules and Cats take the field, all friendliness will be put aside and things will get down to the real business at hand. Blakely stated that he felt the Mules' quickness would be a definite asset to them against the Cats, commenting on the excellent defense. He also said that the "Mules were fortunate to have an outstanding coach and staff and that the Mules themselves were a quality football team with lots of character."

Coach Windy Williams of the Mules is quite proud of

his team's big win over Dimmitt last week and with very good reason. The big Mules are putting it all together now. The choice of outstanding player of the week for offense will come as no surprise - it is Alex Paez. Paez rushed for 225 yards in the Dimmitt game. On the defensive outstanding player award, Chubby Ramos took top honors. Ramos was one of the leading tacklers in the past Friday game and is a real work horse for the Mule defense. Williams told the Journal that "the entire team played outstanding football." There were so

many good things that came out of the game, that Williams would be hard-pressed to name them all. For example, Darin Shaw showed extremely good handling of the football; Gonzales is throwing well, Hamilton and Holmes well, they just are doing some terrific blocking.

Williams however, has no illusions about the Wildcats. "We will have to be playing heads-up, fine football without mistakes. The Wildcats have a lot of talent and are well-coached." In size, the Littlefield squad is about

Birthday Celebrated By Jennyslippers

The Muleshoe Women's Division of the Chamber of Commerce and Agriculture better known as the "Jennyslippers", had their first celebration in the form of a birthday party family night on October 12, in the Bailey County Civic Center meeting room.

Members and guests were treated to a covered

dish supper. Special guests included some of the husbands of the members, Chamber president, Bruce Woods and his wife, Phyllis and Keith Madole, Juvenile probation officer. Following opening ceremonies and recognition of officers and committee chairmen, a film was shown entitled, "The Habit of Winning." The film was built around the man and the legend of Vince Lombardi, who was recognized as the driving force behind the Greenbay Packers.

A summary of the year's activities were given by President, Nelda Merriott. Some of those activities included: a kids day watermelon feast and bike parade, booth at the Halloween carnival, concession

'Doc' Gleason Pulls Ahead In Journal Football Contest

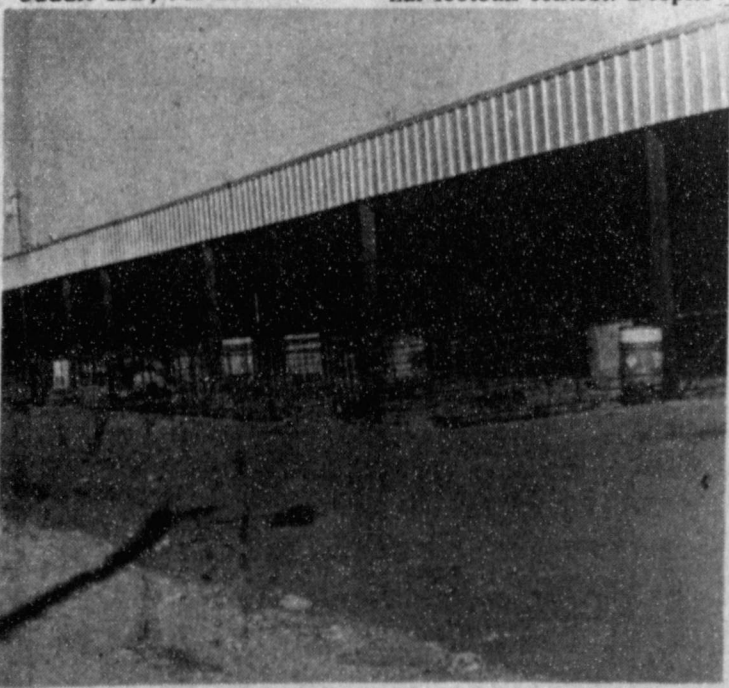

Okay, football contest buffs, it's finally happened...this week we've got five winners overall in the Journal football contest. Despite

the tie-breaker game, there were still ties on second and third places; and, one of these was a prior winner.

Taking first place, and the lead in the overall contest this week is Dr. Jerry Gleason. "Doc" pulls ahead, adding this week's ten points for first place to the four points he gained in the September 23 contest. This gives him a total of 14 points and the big lead. Gleason will receive the 10 points and a check for \$6 for this week. On his games this time, he missed only two and was only eight points off in the tie-breaker scores.

Second place for this week's contest is a two way split, with tie scores between Jerry Don Gonzales and Weldon Dennis. Both contestants missed three games each and both were exactly 15 points off in the tie-breaker. Both Dennis and Gonzales will receive three points each, splitting the regular six points for

Cont. Page 6, Col. 4

NEW AG BARN...With the help of the school and many individuals, the new Muleshoe School Agricultural farm will soon be completed and replace the outdated maize of buildings that served as housing for ag student's projects. A perimeter fence remains to be erected to prevent any theft or prowling which has been a problem in the past. Any person, business or organization's help will be welcomed with the remaining portion of this project.

City Proposes Community Development Block Grant

Lazbuddie FFA Members Win Friona Show Honors

Along with getting preparations underway for their annual fruit sales, several members of the Lazbuddie FFA Chapter attended the Farmer County Prospect Show on October 9, in Friona, placing well with their stock, as stated by Ag instructor, Rick Copp.

Placing in the young heifer division was Mark Lust with a second place Angus, Jeff Jesko, third with a Red Angus, and Sean Mason, fourth with a Brahman Cross.

In the older heifer division, Sheldon Mason placed fourth with a Brahman and Jeff Jesko placed fifth with a Limousine.

In the Prospect Steer division of the show, Jeff Jesko placed second in the light weight division with a Maine-Anjou and Sean Mason placed third in the same division with a light weight Limousine.

In the Middleweight div-

Go-Ahead Given On Application Filing

The possibility of updating delapidated areas of housing and improving streets, and re - constructing other areas in the city of Muleshoe may be taken care of by the planned filing of an application with the U.S. Department of Housing and Urban Development for a Community Development Block Grant (CDBG), under the Housing and Community Development Act of 1977.

City Manager, Dave Marr stated Tuesday that "this grant, if received, will be a one hundred percent grant, there is no community participation required and the updating of our City in the areas most needed can be done with no cost to the citizens of the City of Muleshoe."

In a regular meeting on Tuesday, October 19, Council passed a resolution which authorized the filing of the CDBG application and authorized Mayor Charles Bratcher to act as the City's chief executive officer and representative in all matters pertaining to the CDBG program.

With explanations given during the public hearing by Kay Howard of Barber, Bramer, Traylor, Incorporated, consulting engineering firm of Tyler, Texas, members of the council and visitors were advised on the possibilities available

under the application procedure.

Under the CDBG program, regulations the City is eligible to apply for one of the following: 1) a single purpose grant - \$300 per person in the community up to a maximum of \$500,000. or 2; a comprehensive grant - \$300 per person per year in the community up to a maximum of \$800,000.

In the course of planning its CDBG application, according to Dave Marr, City Manager, the City will evaluate its housing and community needs and priorities to determine the type of grant to be requested, the amount of funds and a program of proposed activities. However, due to the limited amount of funds available, all applicants are

Seminar Planned October 26th

There will be a seminar for area businesses on how to prevent shoplifting, on Tuesday, October 26, 1982, in the Council Chambers at Muleshoe City Hall. The seminar is being sponsored by the Muleshoe Chamber of Commerce and Agriculture. The time for the seminar will be at 6:30 p.m. to

Cont. Page 6, Col. 1

School Board Looks For New "Super"

A meeting of the Board of Trustees of the Muleshoe Independent School District was held on October 11, Monday, with the meeting being presided over by newly elected president, Ben Roming.

After a review of expenditures of Tom Jinks and bank balances in each school fund by Superintendent Harold Horne, Horne gave a brief tax collection report and minor corrections to the tax roll were approved.

The board then met in executive session with Robert Ashworth, consultant, to discuss filling the position of superintendent of schools, brought on by the recent resignation of Harold Horne. After a discussion of the procedures to fill the vacancy, the board employed Ashworth to assist them with their search for a superintendent.

Reports were heard by Harold Horne and Tom Jinks concerning the progress of the high school renovation program. It was reported that heating and cooling systems are being erected and windows closed. Windows are being added. Plumbers are at work and electricians are stringing conduit and pulling

Absentee Voting Underway In Bailey County

Hazel Gilbreath, Bailey County Clerk has reported a total of twenty persons to have voted absentee up to October 19. Absentee voting began on October 13 and will continue through October 29 at 5 p.m., for the November 2, General Elections.

The county clerk stated that "anyone over 65 years of age or ill or incapacitated may request a ballot by mail. They may then cast their votes on the ballot and return it to the County Clerk for counting along with other absentee ballots."

Voting boxes and places for County citizens will be the same for the general elections as they were for the primaries which were held in May. A copy of the sample ballot will be printed in the Journal at a later date.

For those who request ballots by mail, Mrs. Gil-

Cont. Page 6, Col. 6

ASCS Director Updates Disaster, Diversion Funds

According to Bailey County ASCS Executive Director, Rusty Williamson, all county producers should have received their 1983 base and yield notices for wheat and grain sorghum, barley, and oats. The 1983 program sign-up dates run from October 1 through March 31, 1983. Producers should take note that the entries on the notices indicate the 1983 base, maximum permitted acres, percent of diversion of planted acres and the paid diversion rate for each commodity. No cross-compliances or off setting compliances will be used for 1983.

Williamson says, "The 1983 diversion payment rate on wheat will be \$2.70 per bushel, and the advance deficiency payment rate will be 38.5 cents per bushel. Corn and grain sorghum diversion payment rates will be \$1.50 per bushel, with the advance deficiency payment rate set at 10.5 cents per bushel for corn, 10 cents per bushel for grain sorghum, and 7.5 cents per bushel for barley. As regards grazing, the non-grazing period for set-aside acreage will begin May 1, and run through October 31, 1983. "Land which is designated as set

aside cannot be grazed during this period," says Williamson.

Another aspect which is important for farmers is the sign-up for the emergency conservation program (ECP) which began on September 30 and will go through October 29, 1982. Practices included are the repairing of land washes and broken terraces caused by the area rains in May and June. There is an immediate deadline on the ECP sign-up, so producers who are eligible and wish to apply for this program

LUBBOCK, Friday, October 1, 1982
 Announcement of a 20 percent voluntary, 5 percent paid acreage reduction program for cotton in 1983, sweetened by the offer of advance payments to participating producers, drew reactions from officials of Lubbock-based Plains Cotton Growers, Inc. ranging from "fairly well pleased" to "about the best that could have been expected."

U. S. Department of Agriculture Secretary John U. S. Department of Agriculture Secretary John Breda released program details September 27, with producer sign-up to begin October 1 and extend through March 31, 1983. The program will require that producers, as a condition of eligibility for program benefits, reduce cotton plantings by at least 20 percent below their base acreage. And, producers are given an option to divert up to an additional five percent of their base acreage for pay. The diversion payment will be 25 cents per pound times the farm's established yield.

USDA projected 1983 target price or deficiency payments at 12.8 cents per pound times established yield, and said producers may request one-half this payment (6.4 cents) and one-half the diversion payment (12.5 cents) at the time they sign up.

The 1983 target price was set at the statutory minimum 76 cents per pound. The final deficiency

rate will equal either (1) the difference between 76 cents and the weighted 1983 average price paid to farmers for cotton or (2) the difference between 76 cents and the base loan rate, whichever is greater. The base loan for 1983 will be 55 cents per pound, also the statutory minimum.

PCG President Tommy Fondren of Lorenzo, Board Chairman Gary Ivey of Ralls and Secretary-Treasurer Bennie Claunch of Bula were in Washington the week prior to the announcement trying to persuade USDA to accept PCG's preference for a 15 percent voluntary and 10 percent paid diversion program for next year. They also met with legislators, Farmers Home Administration and Federal Crop Insurance officials in continuing attempts to secure improvements in FmHA financing and FCIC insurance.

An official of the Texas Agricultural Stabilization and Conservation Service is of the opinion that participation in the 1983 program may be greater than in 1982 when the acreage reduction requirement was only 15 percent. He thinks (1) the unhappy experience of producers who went outside the program in 1982, (2) the dismal price prospects for 1983, (3) the expected 12.8-cent or more deficiency payment instead of the 7.7-cent payment expected at planting time this year, (4) the five percent paid diversion and (5) the lure of advance payments to cash-starved farmers, all will work in favor of program participation.

The collective thinking of USDA's Analysis Division in Washington is that the announced acreage reduction program will be more effective than any other combination of voluntary and paid diversion that would have been legal under current law and acceptable to the Office of Management and Budget.

Hance Awarded NFIB Guardian Award On SBA

Rep. Kent Hance has earned the "Guardian of Small Business Award--and an endorsement for re-election -- from the National Federation of Independent Business (NFIB) for his outstanding voting record on small-business issues.

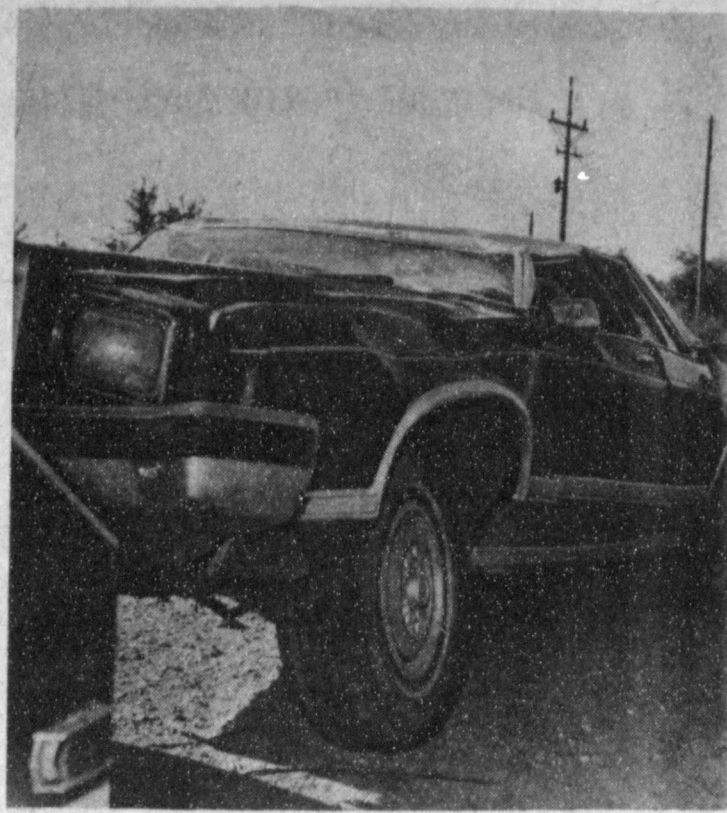

The nation's largest small-business group presented Hance with the award because he voted with a majority of NFIB members 76 percent of the time.

On announcing the award, NFIB President Wilson S. Johnson said, "The record of Rep. Hance this Congress demonstrates that he is responsive to the needs of his

state, because small businesses create the majority of new jobs and if left to flourish, will be a major factor in restoring economic growth."

House members were rated on 22 recorded votes during this session of Congress. Issues ranged from cutting the budget to raising employment taxes and forcing the government to pay its bill on time. Those members of Congress who did not have recorded votes on at least 70 percent of the issues included in the ratings were not eligible for the award.

NFIB is a non-profit, non-partisan organization representing 45,622 small-business owners in Texas and more than a half-million independent businesses across the country.

FRIDAY OVERTURN...This late model auto was involved in a one car turnover north of the Progress Gin early Friday morning. The driver was Mrs. Ginger (Wilcox) Bales and she was transferred to a Lubbock Hospital following the accident.

Threeway News

The Three Way football boys played Loop Friday night, at Loop losing the game to Loop.

Mr. and Mrs. Jim Green and children from Shallowater, spent Friday night and Saturday with her parents, the Jack Furgesons.

Mr. and Mrs. George Tyson spent Thursday until Saturday in Lubbock with their daughter the Tommy Durhams.

Mrs. Lamar Pollard from Whitherrell spent part of the week with her mother Mrs. Rayford Masten who is recovering from surgery.

Mrs. Minnie Dupler and Mr. and Mrs. Bill Dupler spent last weekend in Lawton, Oklahoma to be with Mrs. Minnie Dupler's sister, who was seriously ill.

The farmers in the community have started the grain harvest.

Mrs. Joe Sowder, Mrs. Jack Lane and Adolph Wittner attended a Baptist conference in Muleshoe, Thursday.

Mr. and Mrs. DeWayne Batties from Brownwood spent the weekend with his mother, Mrs. Viola Battaes.

Maple Co-Op Gin ginned their first bale of cotton October 14th, brought in by Wesley Pool.

Brownies Attend Special Camp Rio Blanco Event

Sixteen representatives of Brownie Scout Troop #247 attended the "Great Brownie Event", held at Camp Rio Blanco, Saturday, October 9. Over 500 Brownie Scouts in the Caprock Council participated in this full day of events held at the camp located just outside of Crosbyton, Texas.

The camp was divided into six "magic" time periods and each troop visited these on a rotation basis. At each time period location, the girls learned a specific craft associated with that era. Some of the "magic" time periods were: Pre-historic, the Wild West and Camelot. Each person attending took a sack lunch for the gigantic picnic at lunchtime.

Toby Watson Celebrates Birthday

Mr. and Mrs. G. Ritchie of Sudan were in Los Bnias and Belen, N.M. during the weekend to visit her brothers, Mr. and Mrs. Vernon Corley and Gene Corley. Mrs. Ritchie's sister, Mrs. Nona Watson of Kirtland, N.M. met them there and they attended the second birthday celebration of their grand nephew, Toby Watson on Friday, October 8.

The event was held in the home of his parents, Mr. and Mrs. Tim Watson. A "Winnie the Pooh" cake, Cokes and other goodies were served.

Other family members joining them were Mr. and Mrs. Dan Watson, Leah, Ben and Jess of Santa Fe, N.M. and Joe Watson, Mrs. Kathy Corley, Chris, Mickey, Tim and Emmy and Mr. and Mrs. Vernon Corley, all of Belen, N.M., another grandmother, Mrs. Josephine Russo of Recife, Brazil and a host of friends.

as well as entertaining, Troop #247 will encourage all other Brownie troops in Muleshoe to attend this event next year," Mrs. Cathy Gable said.

Those attending from Muleshoe were: Amanda Ashford, Santana Chavez, Angie Gable, Diamond Lee Garza, Rose Marie Gloria, Shanna Hodge, Donna Jaramillo, Jeardean Lewis, Regina Lewis, Shirley Lewis, Melissa Lopez, Paula Ruthardt, Mrs. Flonita Ashford, Mrs. Sandy Chavez, Mrs. Roseann Gloria and Mrs. Cathy Gable, leader.

Homemakers

Sponsors

CPR Course

The Muleshoe Young Homemakers held their monthly meeting Tuesday, October 12. Dr. Gregory presented a program pertaining to children, on emergency first aid and discussed and answered questions about their common health problems. Pam Zwickey, president, presented him with a gift of appreciation and conducted the business meeting.

Guests, Arelia Morris, Debbie Cloud and Carolyn Fender were introduced. Liz Patterson gave a review on the Fire Safety Resource Book by the children's workshop.

Linda Cogliandro reported on future activities with the nursing home. Liz Patterson was appointed chairperson to organize their Christmas Parade float.

The club is sponsoring a CPR course on October 18 and 19 for its members and their husbands.

A craft night on counted cross stitch will be held on October 26.

Refreshments were served by the hostesses Terry Marricle and Linda Cogliandro. Carolyn Fender won the door prize.

There's almost nothing as wonderful as the aroma of a freshly made fruit cobbler that's right out of the oven. If the thought of this spicy dessert makes your mouth water, you'll be pleased to know that this classic treat needn't take an hour or more to bake.

Here's a simple and quite easy version to make in the microwave oven. And much of its good taste and ease of preparation is owed to a can of condensed Cheddar cheese soup.

So when the urge for something sweet and fruity strikes, you can have a delicious cobbler in about 15 minutes. Remember that microwaves are attracted to sugar so foods high in sugar microwave more quickly than foods low in this ingredient. For example, the filling of a jelly doughnut will be bubbling hot before the surrounding dough area is completely heated.

Spicy Peach Cobbler

- 1 can (11 oz.) Campbell's Cheddar cheese soup
- 2 cans (about 16 oz. each) sliced peaches, drained
- 1/4 c. sour cream
- 5 tbsp. packed brown sugar
- 1/4 c. chopped pecans or walnuts
- 1 tsp. cornstarch
- 1/4 tsp. ground cinnamon
- 1/4 tsp. almond extract
- 1 c. biscuit mix
- 1/3 c. milk

In 2-qt. round glass casserole, combine soup, peaches, sour cream, 4 tbsp. brown sugar, nuts, cornstarch, cinnamon and extract. Cover with glass lid. Microwave on HIGH 7-9 minutes, stirring once. Combine remaining brown sugar, biscuit mix and milk; drop 6 to 7 spoonfuls on soup mixture. Re-cover.

Microwave on HIGH 4-5 minutes, turning dish once. Let stand, covered, 2 min. Makes 6 servings.

TOPS Club

TOPS chapter Tx., No. 1163 met Thursday, October 7 at 5:30 p.m., in the meeting room of Summit Savings. Edna Haynes, president, called the meeting to order and the opening prayer was given by Fern Gregory.

The TOPS pledge was recited and the fellowship song sung. Minutes of the previous meeting were read and approved.

Fern Gregory called the roll. Jim Ella Clemmons was named weekly best loser. First runner up was Edna Haynes and second

runner up was a tie between Retha Knowles and Brenda Murphy.

KOPS queen for the month of September was Retha Knowles. Best loser for the month was Ellawese Norman. Betty Freeman was first runner up and second runner up was Brenda Murphy.

The meeting was dismissed with the singing of the goodnight song.

What Source?

It's asked what our political seers are gazing into as they make their weird predictions—a broken crystal or an empty fifth?

-Dispatch, Richmond.

Additional Funds Needed For Public Libraries

Ann Camp, Muleshoe Public Library Librarian, along with approximately 50 WTLS representatives from across the 29 county area gathered in Lubbock, Thursday, to discuss, among other things, the local effort to convince state lawmakers of the need for additional funding.

According to Scheppeke, the Texas State Library already has submitted a proposal to the Legislative Budget Board calling for state support to libraries to

increase from the current 32 cents per capita to \$1.50.

If the funding proposal is approved, he said, the state would provide about \$24 million annually to be divided among the library systems across the state.

Funding for the library systems grants totaled about \$5.5 million in the 1982 fiscal year, with almost \$3.5 million contributed by the state. The remainder came from federal funds, Scheppeke said.

Prospects for long-term federal funding for libraries appear bleak, he said, noting the President Reagan already has recommended "zero funding" for the Library Services and Construction Act next year.

For the most part, public libraries in Texas have depended on city and county governments to keep their doors open -- a situation which Scheppeke said should be changed.

He added, citing the role libraries play in education, Texas citizens at all age levels and many librarians

Miss Atchison, Foster Exchange Marriage Vows

Miss Dana Atchison, U. S. Army in Lunh, Germany and Charles Wayne Foster, exchanged double ring vows, August 5, in Nykobing, Denmark.

Parents of the couple are Mr. and Mrs. Leon Atchison of Brady and Mr. and Mrs. Bill Anderson of Minnetonka, Minn., and the late Sgt. Foster.

CPT, JACC Trial Counsel Gary Hausken, officiated.

The bride made her dress of German eyelet and lace. She is a 1981 graduate of Brady High School and has enlisted in the U. S. Army. She completed basic training at Ft. Aberdeen, Md., and served as Honor Guard for the graduation ceremonies. She was selected as soldier of the month after 11 months.

The couple's wedding trip was to the island of Nykobing, off the coast of Denmark. They traveled by train until they reached the Kader Channel in the Baltic Sea where the trains were loaded on big boats along with buses to be transported to their destination.

Grandparents of the bride from Muleshoe, include Mr. and Mrs. R.J. Atchison.

believe the state has a responsibility to fund library services.

Mrs. Camp has the names and addresses of the Legislative board, as well as our State Senator, and Representative, if you would be supportive of increased State funding for libraries, you may call or go by the library. She said, "Several local clubs and civic groups are already supporting the library."

A&M veterinarian selected as 1982 Woman Vet of Year

COLLEGE STATION — A Texas A&M University faculty member who is one of the few researchers in the country specializing in animal behavior has been named the 1982 Outstanding Woman Veterinarian of the Year by the Association for Women Veterinarians.

Dr. Bonnie Beaver, professor of veterinary anatomy, received the award during the national convention of the American Veterinary Medical Association.

The Association for Women Veterinarians presents the honor to recognize contributions of female veterinarians in the advancement of veterinary medicine.

TOPS Weekly Meeting

Muleshoe TOPS Club chapter No. 34 met Thursday, October 7, with Clara Lou Jones, president, in charge of the meeting.

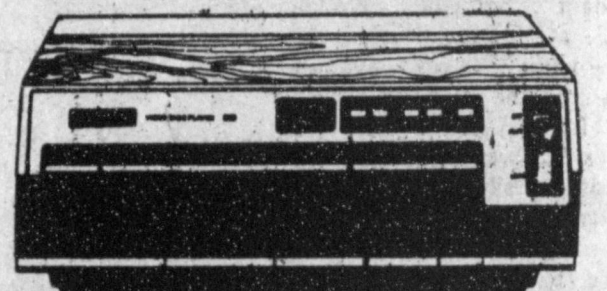

The TOPS pledge was recited and the fellowship song sung. Laverne James called the roll with 19 members present. Minutes of the previous meeting were read and approved. Ruth Clements gave a treasurers report.

Mae Provence celebrated her birthday and received a gift from the birthday box, also one from her secret pal.

Two visitors were welcomed, Helen Smitz, who visited with her mother, Dana Arnold; and Lori Wallace, a guest of Jackie Jean Whatley.

Weekly best loser was Clara Crain. Jewel Peeler and Mabel Wolfe tied for first runner up and second runner up was Lena Gartin.

The topics to be covered on "The Creative Woman" on October 26 and 30th, include easy-lined patch pockets, renaissance fashions and more information on dehydrating foods.

Ann Silva, owner of Ann Silva's Bernina Sewing Center in Albuquerque, will show a very professional and easy method for lining patch pockets and she also has some clever tips for top-stitching and for attaching the pocket to the jacket or shirt.

Fashions from the renaissance period will be modeled by area woman and narrated by Jacqueline Davis, co-owner of The

Alpha Zeta Pi Sorority Plans Fun Night

Alpha Zeta Pi Sorority will host "Family Fun Night", Saturday, October 23, at 7 p.m. One of the activities for the evening will be the drawing for the "Money Doll." The doll has \$25 worth of Susan B. Anthony silver dollar pieces attached to it, along with the doll. All money from the money doll chances will be donated to the Muleshoe Girl Scouts.

Another activity is Bingo, where prizes, donated by local merchants, are awarded to the winning cards. Homemade pies, candies and cakes will be available to be bought.

There will also be various games, such as "Go Fishing", for the younger children. There will be a refreshment stand with soft drinks and foods available.

Blue Room in Clovis. Interesting fashion and clothing highlights will be presented by Mrs. Davis during this collection of period fashions preview.

Dehydration of vegetables will be demonstrated by Connie Moyers. She'll talk about the advantages of drying vegetables compared to canning or freezing them. She'll also discuss selection, preparation, and pre-treatment of vegetables that are to be dehydrated. Mrs. Moyers is Consumer Service Representative for SPS in Clovis.

On October 28, viewers will learn some speed tailoring techniques for making a blazer in just eight hours. The first guest will be Ann Meyer, Education Representative with the Pellon Corporation in New York. Mrs. Meyer will explain that speed tailoring is a combination of construction techniques used by apparel manufacturers and the secret of speed tailoring is fusible interfacing. She'll discuss how to choose patterns and fabrics as well as different interfacings.

Then to conclude the show, women from the Roosevelt County area will model blazers they made themselves using the speed tailoring techniques demonstrated by Ann Meyer. Joy Best, Extension Home Economist, will point out specific items of interest about each blazer.

"The Creative Woman" is produced and hosted by Sheryl Borden and the show is aired on Tuesdays and Thursdays at 12:30 p.m., and at 2:00 p.m., on Saturdays on KENW-TV.

SIMPLE TO SENSATIONAL: PEANUT PARTY SUNDAES

A simple party dessert, such as the ice cream sundae, can be quite elegant, and can make a sensational impression. Anyone can prepare a wide variety of ice cream sundaes that are sure to satisfy the most discriminating guest.

Nuts, one of the most popular toppings for ice cream, combined with favorites such as crushed pineapple or sweet cherries, can enhance the flavor of any ice cream dish. Planters® Peanuts now available in convenient bright red cellophane bags, are perfect to serve with the following ice cream topping recipes. The Pineapple Flambe, pictured here, served over vanilla ice cream, makes an impressive dessert presentation for special friends. Cherry Peanut Sauce, made with brandy, is elegant whether served warm or cold. For more delectable dessert ideas using Planters® quality nuts, write for "Planters Nut Cookbook," P.O. Box 106-Dept. "R", Teaneck, NJ 07666. Please include \$.75 to cover postage and handling. Orders must include zip code.

CHERRY PEANUT SAUCE

Makes about 1½ cups

- 1 can (17 oz) pitted dark sweet cherries
- 4 teaspoons cornstarch
- 1 tablespoon sugar
- 2 tablespoons brandy

½ cup coarsely chopped Planters® Salted Peanuts
Vanilla ice cream
Drain and halve cherries, reserving syrup.

Combine cornstarch and sugar in saucepan. Gradually blend in reserved syrup. Cook, stirring constantly, until thickens and boils. Remove from heat. Stir in brandy, Planters® Salted Peanuts and cherries. Serve warm or cold with ice cream.

PINEAPPLE FLAMBE SUNDAES

Makes 4 servings

- 2 tablespoons margarine
- 1 can (8 1/4 oz.) crushed pineapple in syrup
- 3 tablespoons sugar
- 1/3 cup Planters® Dry Roasted Peanuts
- 1/2 cup orange liqueur
- Vanilla ice cream

Melt margarine in a small skillet. Add pineapple; sprinkle with sugar. Cook over medium high heat, stirring occasionally, until sauce is bubbly and slightly thickened. Mix in Planters® Dry Roasted Peanuts. Pour orange liqueur over top and ignite. Serve immediately over vanilla ice cream.

Brownie Weekly Meeting

Brownie Troop #247 met Thursday, October 14, at the Muleshoe Public Library. They viewed two films; one was entitled, "The Ugly Duckling".

After seeing the film, the girls returned to the Scout Hut for refreshments served by Patricia Finch and Shawnee Ruthstrom. Cleanup team for the meeting was Angie Gable and Melissa Lopez.

Members present were: Amanda Ashford, Santana Chavez, Angie Gable, Rose Marie Gloria, Donna Jaramillo, Regina Lewis, Shirley Lewis, Melissa Lopez, Paula Ruthardt, Shawnee Ruthstrom, Jeardean Lewis, troop helper, and Mrs. Winnie Ruthstrom, assistant troop leader.

Visitors present were: Matthew Ruthstrom and Robbie Ruthstrom.

To think before you speak is a very good rule, if you think long enough and hard enough before speaking.

Some people suspect their friends quicker than any one else and are ready, at all times, to accuse them of unkindness.

Billions Spent Yearly On Arthritis Cure, Relief

Managing arthritis requires a team approach and depends as much on the arthritis sufferer as on the doctor.

"Arthritis is a term applied to more than 100 different diseases, each in which -- in some way -- affects the joints. Americans spend an estimated \$4 billion each year on arthritis care and relief, making it an extremely costly health problem," explains Dr. Mary Ann Shirer, health education specialist with the Texas Agricultural Extension Service, Texas A&M University System.

By practicing "self-management", arthritis sufferers can do much to help themselves live a normal life.

"With your doctor's help, decide on a self-management program that best suits your needs," Shirer suggests.

Self-management activities include:

- * Breaking the pain / de-

pression / stress cycle through either medication, relaxation, techniques, or just keeping your mind busy on other things.

* Exercise -- although exercise is vitally important to keep joints flexible, you must also know when NOT to exercise. If a joint is red and hot, exercise should be limited to minimal movement.

* Protect affected joints from injury and over-exertion by proper lifting techniques, avoiding prolonged periods of maintaining the same joint position, and balancing work with rest to conserve energy and strength.

* Practice good eating habits and maintain ideal body weight. With the exception of gout, there is no concrete scientific evidence that eating or not eating certain foods affects arthritis.

* Many types of heat help arthritis pain. Be careful not to cause burn, however.

* Cold compresses will have numbing effect and give relief from pain for some arthritis sufferers.

* Good posture -- whether resting, sleeping, standing, or walking -- is vitally important for people with any kind of arthritis.

"Finally, it is important to work closely with your doctor. Since there are many types of arthritis, the first step is an accurate diagnosis. Your local Arthritis Foundation office also can help you in managing arthritis," Shirer says.

Aseptic Liquids Sometimes Economical Buy

A packaging procedure called, "aseptic processing", now allows consumers to store perishable products for months without refrigeration, reminds Beverly A. Rhoades, consumer information specialist with the Texas Agricultural Extension Service, Texas A&M University System.

This permits families to use items such as milk, fruit juices, and similar perishable liquids in throw-away cartons for lunches, camping trips, and other purposes without energy-consuming refrigeration, she emphasizes.

"Aseptic packaging is not new -- it's been used in more than 50 other countries for over a decade -- but it's just recently been approved by the federal government for use in the United States," Rhoades says.

The process involves aseptic liquids being sterilized and stored in bacteria-free protective containers, generally made of paperboard and plastic or polyethylene. Liquids are heated to ultra-high temperatures for a short time to destroy the bacteria which normally cause milk and juices to spoil quickly.

The sterile liquid moves under non-refrigerated but bacteria-free conditions to the package and is sealed. Then it can be transported to grocery shelves for display without refrigeration.

"When you purchase these products, you may store the liquids at home as shelf-stable foods at room temperatures," Rhoades says.

It's best to compare prices of these products with their traditionally packaged counterparts, she suggests.

Aseptic liquids may be less expensive than similar refrigerated products in other containers because of high speed packaging and reduced energy consumption through elimination of refrigerated processing, transportation and storage.

Americans will suffer through an estimated 70 million colds this year. This means that we'll be missing work, falling behind in school and -- worst of all -- spending a lot of time feeling just plain "miserable".

Contrary to popular belief, colds are caused by viruses -- not by exposure to rain, cold or drafts -- although these lower our resistance and make us more susceptible to viruses. By nature, viruses are highly contagious, and they're spread more rapidly in the fall and winter when people are in closer contact and spend more time indoors.

Here are some ideas to help you survive the cold season:

1. Stay away from cold sufferers and from surfaces they've touched. If a member of your family is sick, let him or her use disposable plates and utensils to prevent the spread of the infection.

2. Don't allow the air in your home to become excessively dry. A humidity level of 35 to 40 percent will keep the mucus membranes of the nose and throat moist and thus serve more effectively in trapping germs before they can infect the body.

3. If you do come down with a cold, follow the time-honored guidelines of staying in bed, drinking plenty of liquids, and taking medication to bring down your temperature. This will probably be more effective than any cold remedy you can buy. A study by the Food and Drug Administration reports that cold medicines may temporarily relieve the symptoms of a cold, but none can cure it or alter its course. Even Vitamin C has yet to be proved effective in preventing or curing colds.

4. Be patient. A cold needs to run its seven to ten day course, and if you attempt to carry on with business as usual, you will probably wear down your strength and prolong the infection. Be good to yourself and remain in bed for at least a day, covering with a warm blanket. By resting and relaxing, your body will have a chance to fight the cold without everyday stress.

Community Development

not funded each year. HUD evaluates each application, using an established rating system which takes into account needs, the impact of proposed projects and several other factors.

According to information received, the basic intent of the CDBG program is to eliminate slums, blighted housing and deteriorating neighborhoods by providing new streets, parks and community centers; improved utility systems; better drainage where needed and other public facilities. In order to provide for a community's total needs, CDBG funds may be used for improving employment opportunities, education, crime prevention, health, drug abuse and child care programs.

The City of Muleshoe will, in developing its application, be selecting among possible eligible activities as specified under

November 8, and the City will be filing their application within the next few days. No specific area has been settled on, as yet for the CDBG grant fund use, but several are being considered.

In other business, Council passed an ordinance declaring the policy of the City of Muleshoe, Texas, defining terms; prohibiting discrimination in the sale or rental of housing; prohibiting discrimination in the financing of housing; prohibiting discrimination in the provision of brokerage services; providing for certain exemptions and exclusions; providing for the position of fair housing administrator; providing for the receipt, investigation and conciliation of complaints alleging discrimination in housing, authorizing the city attorney to institute legal proceedings; forbidding intimidation; providing for cooperation with the secretary of housing and urban development; providing for education and public information; providing a penalty; and providing a severability clause. All of these provisions have likely been met in state and federal law, and have been practiced by the City of Muleshoe; however, the ordinance was necessary for the records on the CDBG project.

Others present beside councilman were Mrs. Jessie Robinson and Kay Howard. Councilman A. V. Wood was not present due to health factors which will not yet let him assume a full work load.

Seminar...

Cont. from Page 1, allow store clerks and other employees to attend after regular business hours.

Sergeant Wayne Holmes of the Muleshoe Police Department will show a film on effective methods for preventing shoplifting and how to recognize shoplifting, as well as how to handle this problem when it occurs. All Muleshoe merchants are encouraged to attend this seminar and to send as many of their employees as possible. Sgt. Holmes will also be available to answer any questions which you might have concerning this problem.

Mules Meet Cats

average or at least a smaller than Dimmitt, who **School...**

Cont. from Page 1 more comfortable, but would look nicer and be more energy efficient and also safer from fire hazard. The new heating systems have gas valves which are on the roof, thus eliminating a major source of fire and explosion.

Handbooks of the band were distributed by Mr. Horne, who then gave attendance reports and read correspondence during his report of school activities. Meetings and results of the TASA/TASB annual convention were discussed. Ronnie Holt gave a report of the delegate assembly for legislative work of the TASB. The Board in other actions, approved the purchase of a new 60 passenger school bus.

Football Contest

Cont. from Page 1

second place and \$1.50 each in prize money.

In third place winners this week, Larry D. Ross, a previous second place winner, will add two more points to his original six, for a total of eight points. Also tied for third place was J.E. McVicker, who will receive the other half of the third place points

Lazbuddie...

Cont. from Page 1, linda Waddell will serve as flowergirl and Mathew Elliott will serve as crown bearer.

Immediately following the coronation of the 1982 Homecoming Queen, a welcome of past graduates of Lazbuddie High School for the years between 1975 to 1982 will be given. Following the game, pie and coffee/tea will be served in the cafeteria at a charge of 75 cents per person.

Boston College Eagles Picked Over West Point

We live just a few miles from Michie Stadium, the home of the Cadets of West Point. And we always cringe a bit when teams such as North Carolina, Boston College, Pittsburgh, or Notre Dame come in to do battle (rather a misnomer) with the Black Knights of the Hudson. This season hasn't been too bad. The only annihilation was away from home. The Tar Heels of North Carolina entertained Army, were poor hosts, and destroyed them 62-8. However, this week, the Eagles of Boston College fly in to do their yearly destruction job...last season it was 41-6, Boston College. So - it'll be another cringing Saturday as the powerful Eagles are picked to roll over the Cadets.

There'll be another contest in the East that will result in anything but destruction of either team. The Mountaineers of West Virginia host the Nittany Lions of Penn State. Just in case you've forgotten, the Mountaineers are the same people who frightened the daylight out of Pittsburgh

we played last Friday. They have some outstanding players in their quarterback, Bryan Gregory, who is hitting about 60 percent in every ballgame. They also have an outstanding split end in Pat Demel, a 6'3", 205 pounder that gives the game all he has and then some. They also have some outstanding backs in Green and Cantu, who are both fast and competent, to say the least.

The Wildcats season record stands 6-1, with the one blemish on their record being put there in a pre-district game with Post. Muleshoe now stands 5-2, losing to Floydada and to Levelland - both pre-district games. While Littlefield has been picked for the District champ, an upset could very much turn the district around. Friona is also 5-2, and will play Littlefield on November 5,

and money. Ross and McVicker both missed four games and were four points off in the tie-breaker. Third place will be divided with two points going to each of the winners and the funds split to \$1 each. Ross's win fails to put him up past other first place winners, so he does not have a lead.

Don't give up this early into the football games, just sharpen your pencils and your wits and keep on working, fans. Once again remember, contestants MUST complete the ORIGINAL ENTRY BLANK out of the Journal in order to be counted and graded. One entry this week would have had a third place win, but was on plain paper, rather than an official entry blank.

Keep those cards and letters coming in folks, gives us something to look forward to after a hard week-end.

following a bout with the Mules. So, the next couple of weeks should tell the tale, and hopefully, it will end with the Mules being in play-off berth for the District 2-3A title.

According to Coach Jerry Blakely, his starting lineup on offense, which runs mostly out of the slot-I formation will be as follows: quarterback, Bryan Gregory; fullback, Steve Coston; tailback, Steve Greene; slant back, Larry Cantu; tight end, Pat Demel; split end, Ferante Lewis; center, Scott Lewis; guards, Jimmy Duenes and Chris Merrifield; and tackles, Adrian Solas and Garland Wilkinson.

Starters on the Cats basic 5-2 defense are: free safety, Bryan Gregory; strong safety, David Tunnell; corners, John Lee and Chris Ayala; linebackers, Pat Demel and Billy Nix; defensive ends, Roy Dowty, and D. Daily; and nose-guard, Cornelius Conley.

So, football fans, be sure this is one you don't miss, because the Mules need the hometown behind them. Bring all the blankets and thermoses, so you won't have to leave to go to the concession, "cause this promises to be one of the outstanding meetings in high school football this Friday." Gametime is at 7:30, at Littlefield. Be there for the Mules!!

Voting...

Cont. from Page 1 breath requests that they be returned to: County Clerk, P.O. Box 735, Muleshoe, zip 79347.

Be sure to cast your vote and remember the absentee deadline of October 29 at 5 p.m.; also, general election day is November 2, the first Tuesday.

Best Of Press

The more you study relief schemes, the more you wonder why both parties are so eager to get credit for them.

by or call."

Jennyslippers Celebrate

Cont. from Page 1

at the annual Arts and Crafts Bazaar, decoration of the Chamber banquet, Skatathon for MD, Garage sale for fireworks fund, floats in July and Christmas parade, both of which were held under the direction and work of the

ASCS...

Cont. from Page 1 should be sure to take care of it as soon as possible before October 29, the Director advises.

"1982 disaster payments are being computed in the ASCS office as rapidly as possible," says Williamson. "The help that area producers have given by being patient has been appreciated by both myself and the staff at the ASCS." Payment rates on disaster payments are as follows: on wheat - \$1.75 per bushel, Cotton - \$20.5 cents per pound, corn - \$1.18 per bushel, grain sorghum - \$1.13 per bushel and Barley - \$1.13 per bushel. Williamson reminds producers that their crops must have suffered a natural disaster and made below 60 percent of their established yields for grains and below 75 percent on cotton to be eligible. Williamson adds: "Each producer must have filed on ASCS - 574 form timely, to be eligible for any type disaster payments."

Acreage spot checks are underway. Producers should be sure that all acreages reported are correct and also, should not forget to properly maintain their conservation use acreage. Weeds must be controlled or a producer will suffer a penalty.

Williamson added, "We don't want any producer to feel that he or she is not wanted in the office, but less interruptions mean quicker disaster payments. However, if you have a problem or a question, by all means, be sure to come by or call."

Jennyslippers. Bruce Woods congratulated the group on their year of activities and accomplishments. Highlighting the year were activities which permitted the organization to contribute to various local projects, such as an agricultural scholarship, a donation to the Library, a donation to the July fireworks and a donation to the YAC for help on the miniature golf course.

Upcoming activities planned for the next few months include: skating, a "welcome packet" for newcomers under the direction of Linda Guelker, a booth at the Harvest Moon Festival, the Annual Arts and Crafts Bazaar on December 3rd and 4th, which includes a concession, barbecue lunch and being in charge of the annual Christmas parade.

Any woman in the community is invited and urged to become a member of the organization. "There is something for everyone to take part in whatever their interest might be," said President, Nelda Merriott.

Regular meetings are held once a month at noon in the Muleshoe Public Library, except for quarterly meetings which are held at night at 7 p.m., in the library back room. Dues are \$1 per month or \$12 per year.

Present officers are: Nelda Merriott, president; Marjorie Merritt, president elect; Jean Travdwell, secretary; and Vivian White, treasurer. Permanent committee chairs are: public relations, Polly Ottwell; special events, Linda Lee; agriculture, Shirley Farmer; commercial growth, Joyce Shafer; service and cultural development, Joylene Costen; membership, Irene Splawn; budget and finance, Jeanine Gunstream; and business development, Viva Lindsey.

ANUNCIO PUBLICO

LA CIUDAD DE MULESHOE
PROGRAMA DE VIVIENDAS Y
DESARROLLO DE LA COMUNIDAD

La Ciudad de Muleshoe ha desarrollado una aplicacion para solicitar fondos al Departamento de Viviendas y Desarrollo Urbano de E.E.U.U. Un componente importante de este programa es el que permite que ciudadanos tener la oportunidad de discurrir los objetivos y las actividades del programa y de presentar comentarios sobre la aplicacion.

Se puean inspeccionar mas informacion sobre las actividades, la suma de los fondos, y los sitios de las actividades propuestas en las oficinas de la ciudad despues de las 8:00 A.M. hasta las 5:00 P.M. lunas a viernes. Se convida a las ciudadanos y los grupos a examinar la aplicacion propuesta y expresar ideas y opiniones. Comentos se deben ser entregado a las oficinas de la ciudad antes de Octubre 29, 1982.

La ciudad considerara todos los comentarios recibidos y hacer modificaciones apropiadas a la aplicacion. Para mas informacion, hay que comunicarse con Dave Marr, Jr., Ciudad de Muleshoe, telefono 272-4528.

FEEDBAG INFORMATION

Lisa's Lines by Lisa Hamilton

Last Friday, the High School held their Pep Rally in the Jr. High gym. Both Jr. and Sr. High Schools enjoyed the Pep Rally which was very exciting. Tuesday the Student Council delivered all kinds of cookies and brownies to the Nursing Home. Their kindness was very much enjoyed by the Nursing

Teacher of the Week

Congratulations to Mrs. Aileen Siewert, this week's "Teacher of the Week."

Mrs. Siewert is an Eighth grade English teacher, and has been teaching for 34 years. She attended Whiteface High School, and Texas Tech University. She has received both a B.S. and an M.E. degree.

She has one daughter, Sharon Redden, who lives in Munday, Texas, and attends Abilene Christian College. She also has one son, Kerry Siewert, who lives in Hart, and will start back to West Texas State University sometime near Christmas. Mrs. Siewert has also two grandchildren, Kimberly, who is five, and Scott, who is nine.

Again, we say CONGRATULATIONS to Mrs. Siewert.

Home. You'd better hurry and buy your annuals now because on October 29, they go up to \$9.00. No more annuals will be sold after November 19, and no extra annuals will be ordered. The pictures will be coming in soon and the annual staff will be busy.

We missed Mrs. Wagon during her illness and are glad to have her back. If you want to be heard, Speak up.

If you want to be appreciated, Shut up!

7th Mules Lose To Bobcat

The seventh grade Mules got beat by the Dimmitt Bobcats Thursday night at Dimmitt, 26-12.

The Mules scored first when the defense recovered a fumble in Bobcat Territory and the Mules' Armondo Del Toro, ran it in for a touchdown on a third down play. The Bobcats scored next in the second quarter with a long touchdown run to tie it up 6-6. On the kickoff, the Mules' Joel Levy ran it all the way for a touchdown through walls of Bobcat tacklers to put the Mules ahead, 12-6. The Bobcats repeated with a kickoff return of their own to tie it up 12-12. The Mules defense started for fall apart in the second half allowing two touchdowns, but they never gave up when they were down.

The Bobcats defense held the Mules scoreless in the second half, and the Mules lost 26-12, but they will come back strong October 21, in Littlefield on a Thursday afternoon, at 5:00.

Bobcats Claw 8th Mules

The eighth grade Mules played the Dimmitt Bobcats, October 14, at Dimmitt for the second district game. The final score was 12-6, Bobcats.

In the first quarter, the Bobcats made two touchdowns, one on a blocked punt and the other on a rushing play. Both conversions failed. At the half, the Mules were down 12-0.

In the third quarter, the Mules' Ramon Martinez ran it in for six points. The two point conversion failed.

The Mules play the Littlefield Wildcats, Oct. 21, at Littlefield, game time is at 6:30. Come out and support the Mules on their third district game.

Military geography taught at Texas A&M

COLLEGE STATION — For Texas A&M University, with its historic ties to the armed services, it seems only logical: a course in military geography.

The class, being offered for only the second time this fall, examines the effects of geography on military and political planning, battlefield strategy, and what part geography plays in the world's military situation, explains course instructor Dr. Charles Smith.

Sadly, mankind keeps supplying the course with fresh material, explains Smith, who will update this year's outline to include the Israeli invasion of Lebanon, the Falkland Islands shoot-out and the bloody Iran-Iraq conflict.

"The course will analyze the impact of the physical and cultural landscape, climate and location as they apply to military problems at both the tactical and strategic levels," said Smith, a veteran of 27 years in the Air Force and formerly an Air Force Academy instructor.

Kid Bits

by

Shera Foster

We are now well into the teaching year. First report cards have gone out to anxious parents and we are coming up fast on the second report. It should be expected that in many cases, grades will drop when that second report card comes out. During the first six weeks, a great deal of the work is review. Little new material is introduced and children are brought into the work gradually, giving them an opportunity to polish up after having vegetated all summer. The review is behind us now and we are well and truly into the new material.

In third grade, my class is excited and eager as we begin to learn "penmanship" or cursive writing. They diligently practice their ovals and push-pulls as they sit up straight with papers slanted in the prescribed manner. More eager beavers I've yet to see.

Our Math program is fairly humming. As an experienced teacher with a number of years of math behind me in several grade levels, I can attest to the validity and integrity of our math program. It allows the child to move at his own speed governed by his own internal time clock in a logical mathematical sequence. He competes only with himself, not other children. Thus relieved of that pressure, he is able to concentrate on math, not on extraneous distractions. It is my impression that overall, the student body has a better attitude toward math. Those who excel in math are elated to be able to scoot right along, hindered by no one. Those who equate math with learning Russian, feel less pressure while toiling over those difficult multiplication tables. And I love having

math the first hour while we are all fresh. Everyone, with the exception of our ladies who cook us such good meals and our custodians who care for our buildings and grounds, teaches math. Everyone, i.e., except Mr. Taylor, our principal, who can be found in the math workroom preparing materials.

If anyone has questions concerning the math program, let us know.

Teachers will be teaching units on poetry in the next few weeks, in preparation for the P.T.A. poetry contest, November 15th. It is to be a grandparent's night and you're invited whether you are a grandparent or not.

It is generally agreed that we all love the cool weather.

Come by DeShazo and see us. The classrooms look great, sporting big beautiful pumpkins out of Bob Finney's pumpkin patch. Thanks, Bob.

Vets Can Apply For Work-Study Program

Veterans pursuing full-time training on the GI Bill or Vocational Rehabilitation Program may apply for the VA's work-study program, advised the Director, Waco VA Regional Office.

The work-study program offers an additional allowance to veteran students in return for their employment in VA-related activities.

Congress authorized the program to give needy veterans an opportunity to earn additional money to assist them in paying their own way during their school attendance and to accomplish necessary work for the VA.

Work-study program veterans can earn \$3.35 per hour (minimum wage) tax-free for work performed.

Interested persons wanting more information should telephone the Waco VA Regional Office toll-free number listed in your telephone directory.

Support On Soybean Contract Grows

Two Texas congressmen and senators have agreed to support anti-embargo export contract sanctity legislation according to the Texas Soybean Association.

"We're extremely pleased with the growing bipartisan support of anti-embargo contract sanctity legislation following the American Soybean Association's emergency meeting in Washington," said Lamar Ramsey of Plainview who represented Texas soybean farmers at the Washington meeting. "It's time to expand exports without the fear of embargoes. This legislation doesn't provide an instant solution, but it represents one step toward helping the farmers sell soybeans at profitable prices."

The following Texas representatives have agreed to support the legislation through Co-sponsorship: Senator Lloyd Bentsen and Congressman James Collins.

In addition to seeking anti-embargo contract sanctity legislation, the Soybean Association is seeking congressional action to: expand PL480 Food for Peace soybean oil shipments to countries such as India and Pakistan; increase CCC export financing for soybeans and soybean products; and aggressively oppose unfair subsidy programs currently used by Brazil and other nations.

While contract sanctity legislation received last minute Senate approval, farmers still have a long battle. The legislation must clear a House-Senate conference committee scheduled for December. Depending on conference committee changes, it then needs final approval in one or both houses before being sent to the President. Contract sanctity was attached to the Commodity Futures Trading Commission (CFTC) reauthorization

bill. President Reagan has threatened to veto the entire bill because it does not include provisions for user fees to pay for CFTC.

The Soybean Association asks farmers and others to take an active role to help

insure congressional and presidential approval of anti-embargo contract sanctity legislation. This will help regain U.S. credibility around the world, expand farm exports, create more jobs and return profitability to U.S. agriculture.

Del-Rio-Verde Downs Horseracing Underway

DEL RIO, Texas—Horseracing, the sport of kings, is underway at Del Rio's Val Verde Downs, one of the most popular tracks in the southwest. Horses from around the nation are scheduled to race in a number of "added money" events, ensuring the highest quality of quarter horse racing in America. Racing dates are: November 20, 21 and 28, and December 4 and 5.

Del Rio, located 150 miles southwest of San Antonio, is a city with a rich history. Cuidad Acuna, Mexico, just across the border, lends a Spanish flavor. The Fiesta de Amistad, held each October in Del Rio, symbolizes friendship between the US and Mexico. Mule races each fall offer fun-filled days of pushing and pulling.

But Del Rio is probably most famous for its horse racing. Although formal betting has not been legal in Texas for years, gentleman's bets are not uncommon. Purses for each race run as high as \$47,000. In late March and early April of 1983 Del Rio's Val Verde will feature the \$100,000-added Graham Farms Futurity, with the total purse expected to reach \$1 million.

Racing secretary Billy Bowers believes his concept of "added money" has helped attract the high caliber of horses and horsemen now frequenting Val Verde Downs. "Added money" is the process of adding extra money to racing purses from outside sources, such as corporations and private individuals. This helps make long trips to the track more enticing for top horsemen from the United States and

Mexico. Over the last three years, Del Rio's Val Verde Downs' reputation has grown, and today it is one of the most popular race tracks in Texas.

Former Area Resident Dies In Arizona

Services for Joe M. Whitley, 52, of Tucson, Ariz., were held at 2:30 p.m., Wednesday, October 20, in the Ellis Chapel of the Chimes with the Rev. James Williams, pastor of the Muleshoe Calvary Baptist Church, officiating.

Interment was in Bailey County Memorial Park under the direction of Ellis Funeral Home of Muleshoe. Whitley died Saturday, at Tucson, Ariz.

He was born December 29, 1929, in Pott County, Okla., and moved to Tucson in September of 1982, from Muleshoe where he had lived since August of 1980. He was a car salesman and a member of the First Baptist Church of Shawnee, Okla., and the Masonic Lodge of Shawnee. He served in the Korean War with the U.S. Marines and the U.S. Army.

Survivors include one son, Joe Whitley of Tucson, Ariz.; and his mother, Mrs. Grace Whitley of Muleshoe.

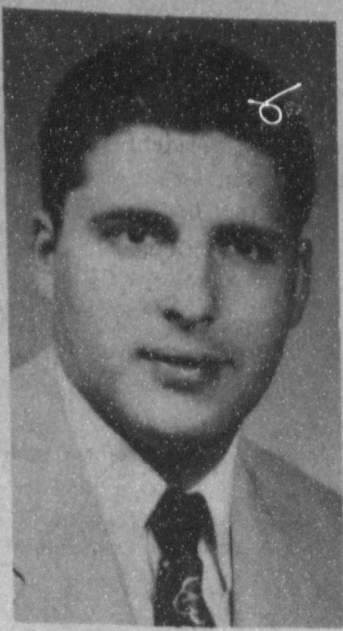

Patterson Services Held In Levelland

Funeral services for Elwood Patterson, 67, of Levelland, were held at 10 a.m., Tuesday, October 19, in George C. Price Funeral Chapel in Levelland with the Rev. Ron Ivey, officiating.

Burial was in the City of Levelland Cemetery under the direction of George C. Price Funeral Home. Patterson died at 9:20 a.m., Sunday, in his residence and was pronounced dead of natural causes by Justice of the Peace, Dee Turner of Levelland.

Patterson was born Feb. 8, 1915, in Sackwa, Okla., and had been a Hockley County resident since 1952, when he moved to Levelland from Sudan. He married the former Josephine Calane, Jan. 13, 1952, in Littlefield. He was a retired farmer in the Levelland area. He was a member of the Freewill Baptist Church in Levelland.

Survivors include his wife, Josephine; one daughter, Mrs. Jim (Becky) Smith of Weatherford, Okla.; three sons, Steve of Shallowater, Danny and Mike, both of Levelland; four sisters, Miss Leona Patterson, and Mrs. Aline Bryant, both of Muleshoe, Mrs. Geraldine Caraway of Lubbock and Mrs. Yvonne Richardson of West Memphis, Ark.; three brothers, Alfred of Muleshoe, Donald of Lubbock, and Durwood of Burnett; and three grandchildren.

JOE M. WHITLEY

Adamson Memorial Service Held

A Memorial Service for University of New Mexico - Gallup Branch Faculty member, Tom Adamson, former Muleshoe area resident, was held on Tuesday, October 19, 1982, at 7:00 p.m., in Room 119 of Gurley Hall on the UNM - Gallup Campus, Gallup, New Mexico.

Dr. John Phillips, Campus Director, said two of Adamson's audio - visual presentations will be shown as a tribute to Adamson's photographic and production skills. One presentation relates to "Sunshine" and is accompanied by John Denver's song of the same name. The other presentation is to the music of "Amazing Grace", as played by the Boston Pops Orchestra.

The main speaker at the Service will be Dr. Earl Phillips, a close colleague of Adamson. Phillips is Director of the Educational Support Services at San Juan College in Farmington, New Mexico.

A Memorial Scholarship Fund is now being initiated at the UNM - Gallup Campus in memory of Adamson.

All classes will be dismissed for the Memorial Hour in order to permit students to attend the Memorial Services, the Campus Director added.

Adamson had served as Director of the Learning Resource Center and as Lecturer in Library Science an Audio - Visual Media at UNM-Gallup since August of 1979. He moved to Gallup from Clovis, where he had been employed by the Clovis High School. He was married to the former Marquita Splawn of Muleshoe, Texas.

The ostrich, largest of living birds, weighs 300 pounds or more.

Mrs. Waller Services Held

Services for Mrs. Lena Waller, 87, of Sudan were held at 2:30 p.m., (today), Thursday, October 21, in the Sudan First Baptist Church with the Rev. Truman Johnson, pastor, officiating.

Mrs. Waller was born on August 3, 1895, in Hope, Ark., and moved to Sudan in October of 1971, from Fort Sumner, N.M. Her husband, Mack Waller, died in February of 1966. She was a member of the Sudan First Baptist Church.

Survivors include three sons, J.T. Hamilton of Hurst, H.J. Rucker of Independence, Missouri, and J.W. Rucker of Albuquerque, N.M.; two daughters, Mrs. Winifred Dykes of Sudan and Mrs. Bertha Hestand of Oklahoma City, Okla.; one sister, Mrs. Ethel Mooney of Lubbock; two brothers, C.C. McBride of Bowie, and W.F. McBride of Fayetteville, Ark.; 15 grandchildren; 13 great grandchildren; and several great great grandchildren.

Burial was in the Sudan Cemetery under the direction of Ellis Funeral Home of Muleshoe. Mrs. Waller died at 9:30 a.m., Tuesday, in the South Plains Hospital at Amherst.

Oct. 17 - Freddie Gagnard

Oct. 18 - Cynthia Finch

**** Making new friends is one of the pleasant experiences that make life easier and brighter. ****

Threeway Eagles

FAROUT FIFTH
This week fifth grade had another exciting week. We wrote tall tales and myths most of the week. We had a lot of fun doing that. We also made witches for Halloween.

This is the second week of our six weeks and no one has missed a day yet.

SUPER SIXES
We have given away three of our hamsters but we still have seven left. They are growing like weeds. We took the fish out of her box and she is very happy. In our room we have two great cheerleaders, they are Jeanine Robertson and Staci Lowe. We are making shadow boxes this week. Jeanine has gotten her pen pal and a letter. We all have one but she is the only one that has gotten a letter. The Three Way Eagles are going to play Loop.

EXCELLENT EIGHT
This week the Jr. High football team played the Loop Longhorns. We beat them 25 to 19. In this game Oscar Guillen had three touchdowns and Jesse Medina had one touchdown. Also, we elected the 1982-83 Jr. High king and queen. The king candidates were Oscar Guillen, John Welch, Jose Rubalcava, and Jesse Medina. The Queen candidates were Karen Duarte, Jeanine Robertson, Stacy Kindle, and Sherri Terrell. The 1982-83 Football King and Queen are Oscar Guillen and Shelli Terrell.

JR. HIGH PEPLUB
The Three Way Jr. High played Loop here and beat them 25 to 19. This was also the crowning of the king and queen. Shelli Terrell and John Welch, Jeanine Robertson and Jose Rubalcava, Stacy Kindle and Jesse Medina were candidates. Shelli Terrell and Oscar Guillen were the winners.

September Drilling Report
Railroad Commission Chairman Jim Nugent announced that Texas operators reported 128 gas and 52 oil discoveries in September 1982.

One year ago, 116 gas and 37 oil discoveries were filed with the state's energy regulatory agency.

Gas discoveries in the ninth month of the year included 44 in deep South Texas, 38 in the Refugio area, 22 in Southeast Texas, seven in the San Antonio area, five in the Panhandle, three each in West Central Texas, North Texas, and the Midland area, two in East Central Texas, and one in the San Angelo area.

Oil discoveries included 18 in West Central Texas, six each in North Texas, East Texas, and the Midland area, five in the San Angelo area, three in the Lubbock area, two each in the Panhandle, East Central Texas, and the San Antonio area, and one each in Southeast Texas and the Refugio area.

Through the first nine months of this year, there have been 1,121 gas and 487 oil discoveries throughout the state. For the same period last year, there were 957 gas and 457 oil discoveries.

In September, operators reported 331 exploratory and field tests wound up as dry holes. New applications for permits to drill oil and gas tests totaled 2,667 in September compared with 3,207 in the same period of 1981.

Applications to drill, deepen, plug back and for service wells in September amounted to 3,059 against 3,520 a year earlier.

Operators filed 785 amended applications to drill. A year earlier they submitted 846 amended requests.

Labor by custom becomes easy.

-John Deloney.

king and queen. We are looking forward to a great football season.

SENIOR SPOTLIGHT
Steve Barnes, son of A. L. and Carolyn Phillips, first "showed up" in Lubbock on Oct. 14, 1964. As usual, he started "pestering" everyone at a very early age and has been at it ever since.

Steve wants to be an aircraft mechanic after graduation but first, he wants to graduate. The best part of being a senior is that's the year and he's looking forward to getting out of school.

Steve's favorite food is pizza and he likes anything that is blue. His favorite subject is Business Math.

NCC Names Phoenix As Meeting Site

Phoenix will be the site of the National Cotton Council's 45th annual meeting, President Ed Brieihan announced today.

The session, which is expected to draw some 1500 cotton industry leaders from across the Belt, is scheduled Feb. 6-8 at the Hyatt Regency.

The industrywide organization is made up of producers, ginners, cottonseed crushers, warehousemen, merchants, cooperatives, and textile manufacturers in the 17 cotton-producing states from California to the Carolinas.

During the three-day session, Council delegates will review activities of the past year and adopt resolutions setting forth the organization's policy positions and programs for 1983. Several nationally known speakers have been invited to address the meeting.

About half the meadowlark's diet is insects harmful to man, and the other half, weed seed.

Hance Will Fight Immigration Act

U.S. Rep. Kent Hance, D-Texas, said today he could not cast a vote that would reward lawbreakers with American citizenship and he would fight for defeat of the Immigration Reform and Control Act currently pending before Congress.

"The provisions of this bill that would grant amnesty to millions of illegal aliens already in this country would only reward lawbreakers and encourage others to do likewise," said the Texas Democrat. "I will not support such legislation and have agreed to cosponsor a resolution which expresses the sense of Congress that amnesty should not be granted to illegal aliens."

House Concurrent Resolution 334 was introduced by Representative Jim Jeff-

Texans May Qualify For Federal Funds

Low-income Texans faced with home energy cutoff for heating or cooling may qualify for payments from \$3 million in federal funds set aside for energy crisis intervention (ECI), according to the Texas Department of Human Resources.

The money, made available to Texas counties, will be distributed to energy suppliers on behalf of eligible households.

One payment is allowed each household between October 1 and March 31. Another payment is allowed between April 1 and September 30. A maximum of \$90 per period can be paid if the household applies and is found eligible.

Officials at DHR explained that once the fund is exhausted, no further payments can be made.

The department has negotiated contracts with local

agencies to handle outreach, applications, eligibility determination, and payments to energy suppliers.

Qualifications for ECI payments is limited to households with a total gross monthly income of less than \$350.50 for a one-person household; \$449.50 for a two-person household; \$684.50 for three; \$845.50 for four; \$998.50 for five; and \$1,166.50 for six.

At least one person in the household must be a U.S. citizen or a legally admitted alien. If a household's past due energy bill exceeds \$90, and funds from other sources are not available, the household might not qualify for ECI help. The goal of ECI, officials emphasized, is to maintain the flow of energy of the household.

Custom is the plague of wise men and the idol of fools.

-Thomas Fuller.

There is a deep meaning in all old customs.

-J.C.F. Schiller.

Customs may not be as wise as laws, but they are always more popular.

-Benjamin Disraeli.

"THERE'S ONE NEAR YOU"

City, Municipal Courts Process 126 Filings, 93 Disposals In Two Weeks

For the period from October 5 to October 19, Justice Courts have processed filings on 83 cases and disposals of 58 cases, according to Justice of the Peace, Tana Holmes.

Cases filed during this period of time include: six for defective equipment, five for operating a motor vehicle without a license, two for no Texas commercial drivers license, four for non valid MVI, 24 for speeding, three for operation of unregistered vehicle, two for being over registered weight, two for no stop lamps on truck, one each for no letter of transmittal, driving on wrong side of a divided highway, expired license plates, possession of drug paraphernalia, no registration papers in truck and one for failure to report an accident. Two were filed for disregarding a no parking zone, two for no liability insurance, two for issuance of bad checks, 17 for violation of written promise to appear, four for over allowed gross weight, two for attempts to take wildlife resources with the aid of a vehicle from a public road.

Dispositions of cases in the past two weeks are as follows: two for defective equipment, three for operating a motor vehicle without a license, two for no Texas Commercial drivers license, five for no valid MVI, 25 for speeding, two for being over registered weight, one for no stop lamps on truck, one for driving on wrong side of div-

ided highway, four for violation of written promise to appear, one each for failure to yield right of way to emergency vehicle, left turn from wrong lane, no registration papers in truck, failure to stop at a stop sign, failure to change address on drivers license and one for being over 34,000 pounds on tandem axle. Dispositions in the number of two each were made on the following: defective stop lamps, dis-

Don Bryant Awarded In Pioneer Sales

A 1982 Silver Dollar Award has been presented to Don Bryant Seed of Muleshoe, Texas, for outstanding sales of Pioneer brand seed during 1981-82. The award was presented to Bryant by Barry Lowe, district sales manager for the Southwestern Division of Pioneer Hi-Bred International, Inc.

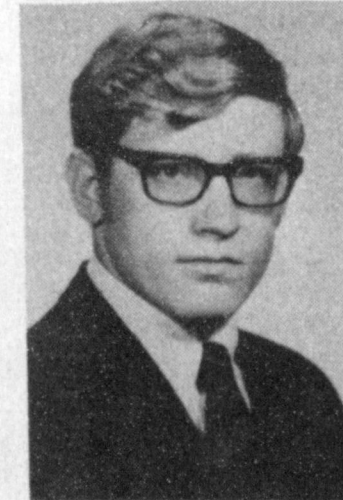

A Silver Dollar Award is presented by Pioneer annually to dealers who achieve outstanding sales. This year's winners were announced by Clarence Kerns, general sales manager of the Southwestern Division of Pioneer, who was on hand to congratulate award winners at a recent gathering of Pioneer dealers on the Central High Plains.

"A Silver Dollar Award from Pioneer is more than just another award," Kerns said.

"It isn't a gift either. It has to be earned. I think that is why it has become one of the most treasured awards of Pioneer seed dealers in the Southwest."

"I know that a great deal of effort is required to win a Silver Dollar Award. So, I not only want to congratulate Don and the other 1982 Silver Dollar Award winners, but also commend them for their dedication and hard work."

About 21 percent of farmers and dealers who sell Pioneer seed in Texas, Oklahoma, and New Mexico, qualified for Silver Dollar Awards in 1982. These Southwestern Division dealers sell hybrid corn, hybrid sorghum, soybean, cotton, wheat and alfalfa seed.

DR. KENNETH ADAMS

Local Resident's Son Recognized Architect

Dr. Kenneth Adams, son of long-time county residents, Mr. and Mrs. J.K. Adams of Muleshoe, has achieved a number of architectural awards in the past few years. He and his wife, Gail, are both accomplished Houston architects.

Dr. Adams formerly of Muleshoe, also does art work for the Central Presbyterian Church of Houston, of which he and his wife are members.

He graduated from Dartmouth University and formerly taught architecture at the University of Texas. He and his wife specialize in spacious modern designs along with the country home look which is compatible with rural surroundings. His own home was recently on the cover of the September Building Review magazine and a number of the couples' other works have been recognized nationally for the mixture of formal combined with two-story farm house reminiscent of Frank Lloyd Wright's prairie style houses of the turn of the century.

orderly conduct and being over allowed gross weight. In Municipal Court a total of 35 fines have been paid on prior cases filed; and, a total of 43 cases have been filed in the past two weeks between the dates of October 5 and October 19.

Cases in which fines have been paid are as follows: eight for speeding, six for public intoxication, three for exhibition of acceleration and two each on the following violations: illegal parking, running stop sign, bad checks, failure to appear, and two for ex-

Police Handle Number of Incidents

The Muleshoe City Police have been busy over the past two weeks with a variety of activities keeping them active.

On October 11, Sidney Thomas Sliger was arrested and charged with DWI and driving with license suspended, after the operator of a local service station reported him. He refused to take a breath test and was placed in county jail, pending bond.

On October 2, a male juvenile was involved in an accident with a parked auto belonging to Jimmie Watson. Authorities reported that the juvenile had glanced away from the road and struck the parked vehicle (trailer). Also on October 2, another juvenile, female, was involved in an accident with a vehicle driven by Pamela Martin, when the juvenile struck the Martin vehicle as it was backing from a driveway into the path of her vehicle. Martin received a citation for failure to yield right of way.

October 2, seemed to be the day for fender-benders and Sandra Mulligan driving a '78 GMC was attempting to make a left turn out of a west bound lane, when Santos Castro, who was east bound, collided with her. Castro was issued a citation for no drivers license.

On October 9, Oscar Rodriguez, Jr., was arrested in the Allsup's parking lot and charged with DWI, after officers Dominguez and Dickerson had observed him driving erratically. He was placed in county jail pending bond. Also on October 9, Arturo Vargas was arrested on the Allsup's parking lot and charged with public intoxication. He was a passenger in the Rodriguez auto. Also arrested and charged with public intoxication, were other passengers, Pedro Rodriguez, Dena and Refugio Vargas.

On October 9, city officers arrested Andrew Gene Snell about 4:57 a.m. as he was coming out of Shafer's Bell Station. Snell was apparently in the building without the owner's knowledge and had keys that were not known about, nor given to him by Shafer. He was charged with Burglary and the '78 pontiac that he was driving

was impounded. He was placed in County Jail pending bond.

On October 9 also, a criminal mischief was reported by Andy Ponder. Ponder reported that windows were broken at his residence by bb gun pellets. Dickerson was the investigative officer.

Danny Dickerson reported the theft of a puppy and chain from his yard on October 13. Total value of the dog and chain was estimated at \$79.

Joe Brant Stroud reported to police on October 13, the theft of a motor vehicle. The vehicle had been left at Central Texico with the keys in it and ¼ tank of gas. Officer Detten investigated the report and Clovis police later that day reported that the auto in question had been involved in an accident with a fixed object (telephone pole) but that the driver and/or suspects had left the scene. The 1974 Chevrolet was reported to be a total loss.

On October 15, Genaro Taria Heredia was arrested and charged with public intoxication. He was driving a vehicle on Main which was parked in the middle of the street. Also arrested in connection with this incident was Ambro Garcia and charged with public intoxication also. Garcia was a passenger in the Heredia vehicle. Both were given sobriety tests, which they failed and both were placed in county jail, pending bond.

On October 17, Crawford G. Walton was arrested on a charge of DWI, when officers observed his vehicle switching lanes and driving at a very slow speed. He was given a sobriety test and failed and was placed in County jail pending bond.

Edward Fernandez was arrested on October 16, at the Town and Country Food Store, when clerks there became suspicious of him and called the police. He had knocked on the door demanding to be let in, saying that he was a law officer. The clerks hid behind the counter with the door locked and summoned police who caught Fernandez as he was leaving the parking lot. He is charged with impersonating an officer, fleeing, assault of a police officer and resisting

MVI stickers, and violation of city ordinance. One case each has been filed on each of the following violations: illegal parking, failure to leave information at the scene of an accident, no drivers license, exhibition of acceleration, expired drivers license, assault and one for violation of drivers license restrictions.

Judge Huckaby reported that trials would be held in Municipal Court on Wednesday, October 27 with a total of 10 to 15 cases scheduled to be on the docket. Arraignments were held on Monday morning, as they are each Monday.

Local Grad High On Tech Meat Judging Team

Four members of the Texas Tech University senior meat judging team, including Tony Wheeler of Muleshoe, placed in the top five of the second annual EXCEL High Plains Intercollegiate Meat Judging Contest held in Plainview, Oct. 10.

As a team, Texas Tech placed first in lamb judging and total placing score, second in beef grading, tied for second in written reasons, fourth in overall beef and fifth in beef judging.

The four-member and two alternate Texas Tech team placed second overall in the contest which fielded 16 schools and 133 contestants in junior and senior competition. EXCEL Corp. served as primary sponsor with the Texas Tech University Department of Animal Science coordinating the event.

Bradley Z. Welch, son of Mr. and Mrs. Buford Z. Welch of 741 Birchwood, Abilene, was fourth high individual and fifth in lamb judging. Welch is an animal science junior.

Tommy Wheeler, son of Mr. and Mrs. George Wheeler of Route 2, Muleshoe, was fifth high individual overall. Wheeler is an agricultural economics junior.

Terry L. Rolan, daughter of Mr. and Mrs. Charles R. Rolan of 6705 Lodge, Houston, tied for sixth place and was high individual in pork judging. Rolan is an animal science junior.

Jay Hoes, son of Mr. and Mrs. W.L. Hoes of 317 Garrett, San Angelo, tied for sixth place overall. Hoes is an animal science junior.

Jeni Kuper, an animal science junior and daughter of Mr. and Mrs. Don Kuper of Star Route, Nara Visa, N.M., and Clay Dean an agricultural economics senior and son of Mr. and Mrs. Garland R. Dean of Route 3, Wichita Falls, are also members of the Texas Tech team.

Team coaches are Dr. Gordon W. Davis, of the Texas Tech Department of Animal Science faculty; Monica Hightower, undergraduate assistant; and Mark Miller, graduate student.

"I feel this year we have one of the most outstanding senior teams we've had at Texas Tech since the meat judging program was started here in 1938," Davis said. "In the last three contests, we have been first, second and second, respectively."

Edging the Texas Tech team for first place was Colorado State University. The Colorado school scored

3,593 with Texas Tech chalking up 3,581 points. Other teams finishing in the top five of senior competition were Texas A&M University with 3,522 points and two Michigan State University teams with scores of 3,520 and 3,499 points.

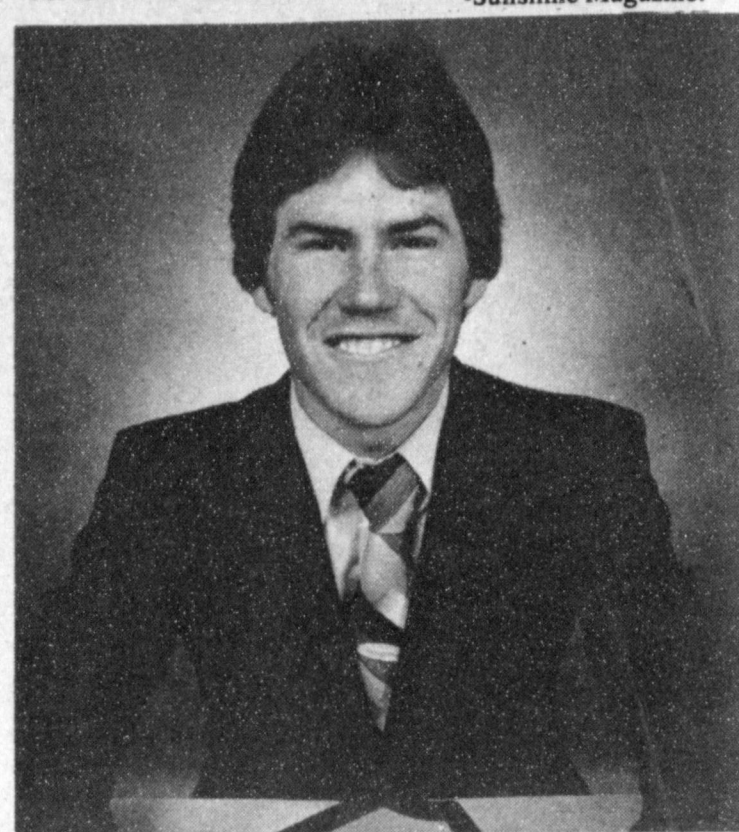

This year, students from schools in Michigan, Wyoming, Oklahoma, California, Mississippi, South Dakota, Kansas, Iowa, Colorado, and Texas, participated in the contest.

PUBLIC NOTICE CITY OF MULESHOE HOUSING AND COMMUNITY DEVELOPMENT PROGRAM

The City of Muleshoe has developed a proposed Community Development Block Grant application to be submitted to the U. S. Department of Housing and Urban Development. Important elements in planning for this program is to allow affected citizens an opportunity to comment on the objectives to be addressed by the program of activities and to submit comments on the proposed application.

More detailed information on the kinds of activities, amount of funds and proposed location of activities is available for inspection at the City Hall between the hours of 8:00 a.m. and 5:00 p.m., Monday thru Friday. All interested groups and citizens are invited to examine this proposed application and to submit comments for consideration to the City. Such comments should be received at the City Hall on or before October 29, 1982.

All such comments so received will be considered and the City may if it deems appropriate modify the proposed application accordingly. For further information contact Dave Marr, Jr., City of Muleshoe at 827-4528.

Pep's Annual Festival Plans Underway

Plans are under way for Pep's 37th Annual Thanksgiving Festival to be held on Thanksgiving Day, Thursday, November 25, 1982, at St. Philip Neri Parish Hall in Pep.

Turkey, dressing and all the trimmings, as well as the famous Pep sausage will be served continuously from 11:00 a.m. to 5:00 p.m. only. Adult plates will be \$5.00 and for children under 12, \$3.00 per plate.

Country Store, and Carnival attractions will be set up all day for family entertainment, and an auction will be held beginning promptly at 4:30 p.m.

A Western band will play for a dance that will begin at 9:00 p.m., to conclude the day's festivities. Everyone is welcome. "Make your plans now to come to Pep, Thursday, November 25, 1982," says Mrs. Frank Sinnacher, Publicity Chairman.

For more information call 806-933-4355; or (on Wednesday only) call 806-793-1240.

The Family of Lt. Gov. Bill Hobby says THANKS to the people of Texas

I want to thank you, the people of Texas, for the warm hospitality and friendship you have given my family and me as we have campaigned across the state.

The strength of Texas lies in our respect for one another and our families. Your kindness towards us has sealed that belief.

It is an honor to serve you as Lieutenant Governor. We thank you for this privilege and for your continued support and confidence.

Re-elect **Bill Hobby** ... A STRONG LT. GOVERNOR, HONESTLY.

LEGAL NOTICES

CITATION BY PUBLICATION NO. 4851
THE STATE OF TEXAS TO: R.J. OIL COMPANY, a corporation, and its unknown shareholders and directors, Defendants in the hereinafter styled and numbered cause:

You and each of you are hereby commanded to appear before the Honorable District Court of Bailey County, Texas, 154th Judicial District, at the Court-house in Muleshoe, Texas, at or before 10:00 A.M. on the first Monday after the expiration of 42 days from the date of issuance hereof; that is to say, on or before 10:00 A.M. on Monday, the 5th day of November, 1982, and answer the Petition of GETTY OIL COMPANY, Plaintiff in Cause No. 4851, styled GETTY OIL COMPANY vs. R. J. OIL COMPANY, in which GETTY OIL COMPANY is the Plaintiff and the parties herein named as Defendants are Defendants, which Petition was filed in said Court on the 6th day of August 1982, and the nature of which suit is, as follows:

Plaintiff seeks the appointment of a receiver of the interest had, owned or claimed by Defendants in the oil, gas and other minerals in and under Labors 14, 15, 16 and 17, League 178, Motley County School Land, Bailey County, Texas, containing 708.4 acres, more or less, with authority to execute and deliver to lessee an oil, gas and mineral lease covering said mineral interest had, owned or claimed by said Defendants upon such terms and conditions as the Court may prescribe, all as authorized by and in accordance with the provisions of Article 2320 (b), Revised Civil Statutes of Texas, 1925, as amended.

If this Citation is not served within ninety (90) days after date of its issuance, it shall be returned unserved.

The Officer executing this writ shall promptly serve it and make due return thereof according to requirements of law, and the mandate hereof.

Issued under my hand and seal of said Court at office in the City of Muleshoe, this 23rd day of September, 1982.

Germany's oldest college, the University of Heidelberg, was founded in 1386.

ACS Named

'Most Improved'

The Muleshoe chapter of the American Cancer Society, the organization for District Three, has been observed by the Lubbock unit office as the district with the most improvement for Crusade and Public Education, in 1981-82.

The Muleshoe chapter is proud of their achievement and would like to thank all who worked and helped with the Crusade drive this year. We recognize the fact that this honor came only through the work and response of our Muleshoe citizens.

The next event for the Cancer Society will be the Great American Smokeout to be held November 18, 1982.

Tuffy Dent is the current President of the Muleshoe chapter with Robert Montgomery serving as Vice President. Elaine Burgess is secretary - treasurer, and Jacki Johnson is Campaign Chairman.

The Cancer Society accepts memorials at any time at the Muleshoe State Bank.

Enochs News
By:
Mrs. J.D. Bayless
