KNIGHTS OF COLUMBUS DEDICATE PLAQUE-In a ceremony held at the Muleshoe Cemetery last Saturday afternoon, more than 25 members of the Muleshoe-Earth Chapter of the Knights of Columbus dedicated a plaque to the memory of Rafael Escalera and the work of the late member of the organization. "He was an inspiration to all of us," said Mike Perez, a current member of the Knights of Columbus.

City Sales Tax Rebate Increased; State's Down

State Comptroller Bob Bullock last Thursday sent checks totaling \$33.7 million in local sales tax payments to 974 cities who levy the one-percent city sales tax.

"Statewide, these checks are down more than 3 percent from last year," Bullock said. "This follows the downward trend we're seeing in state sales tax receipts. For the first time in 21 years, we've seen a drop in the number of sales tax dollars collected from

yes, to year. We've found the oil and gas industry pays about 30 percent of our state sales tax, either directly or indirectly, and the hardest hit areas of our state are where the local economy leans heaviest on oil and gas."

Sales taxes in Muleshoe showed a net payment for the period ending April 8, 1983 to be \$7,725.39, in comparison with the 1982 payment of \$6,816.80, revealing an increase for the period in question. Total 1983 payments to date show a 2.04 percent change to date with 1983 payments to date showing \$62,467.88 and 1982 payment being \$61,219.20.

In Dimmitt, net city sales and use tax for the April 8 period reflected \$5,323.58, down by a little less than

\$1,000 from the \$6,414.87 of 1982. Total 1983 payments for Dimmitt to date are recorded at \$40,822.40, also down from the \$44,704.43 recorded in 1982 - reflecting a minus 8.68 percent change over the year.

In Cochran County's largest town of Morton, the net payment for the period ending April 8, 1983 was \$1,879.32, up from the \$1,665.67 of 1982 at the same time. Total 1983 payments to date for Morton have reached \$12,846.36, down from the \$15,326.12 of 1982. These figures reflect a minus 16.18 percent change for the two years involved.

Tax rebates for the City of Hereford amounted to \$18,530.08 for the period ending April 8, 1983, which

reflected upwards from the \$16,545.23 reported at the same time last year. Total 1983 payments to Hereford to date amount to \$147,723.10, also up from the \$143,455.09 reported in 1982; a change of 2.98 percent for the year.

In neighboring Lamb County, the City of Littlefield received tax rebates for the April period amounting to \$8,718.08, up considerably from the \$4,821.21 recorded in the prior year. Total 1983 payment. Page 6, Col. 1

Knights of Columbus Dedicate Memorial In Saturday Ceremony

In a ceremony conducted at the Muleshoe Cemetery Saturday afternoon, more than 20 members of the Knights of Columbus presented a memorial plaque, to be placed on the grave of Rafael Escalera.

The plaque, bronze, set in tile, reads: "A La Memoria de Rafael Escalera, 5-18-04 - 4-8-82; Como Agradecimiento A La Vida Ejemplar Que Nos Enseño Trabajando Siempre Para Engrandece La Propagacion Del Enjemplo Que Nos Dejo Cristo Nuestro Señor. De Parte De Los Caballeros, De Colon, Concilio Numero 7173, Muleshoe, Texas and Earth."

Perez said Rafael Escalera had shown the Knights of Columbus how to grow -- to serve -- and to continue to be a service to Christ through his work with the Knights of Columbus.

Perez also said the local chapter of the Knights of Columbus exists to serve and to help other people. He said the members continue to strive to be of service to the entire community.

On April 15, the local chapter, 7173, received a letter from the Texas State Council of the Knights of Columbus, in appreciation of funds contributed for the Deaf Community Program for 1982-83.

The letter cited that with a goal of \$355, that amount was raised and contributed by the local organization, 100 percent of their goal. The local chapter also has planned to help several local and area functions later this year.

The purpose of the Texas Safemark program is to provide Farm Bureau members with high quality tires, batteries and tillage tools at the lowest possible cost through volume buying and low-cost distribution, he said.

The meeting was one of eight area meetings in Texas.

Representatives from tire, battery and tillage tool suppliers were on the program, as well as state FB Safemark staff and a rep. Cont. Page 6, Col. 6

Daylight Savings Time Begins Sunday, April 24

Daylight Savings Time officially begins this Sunday, April 24 at 12:01 a.m. and is scheduled to continue through the last Sunday in October, 1983 which would be October 30.

Area residents who forget to set their clocks up by one hour before retiring Saturday night may find themselves late for church on Sunday morning. If you retire at 10 p.m. - then set your clock at 11 p.m. before you turn out the lights. That way, you will be on the correct time table.

The practice of "changing time" was first used to take advantage of an extra hour of daylight and was observed in the United States in a rather sporadic fashion in the 1800's. Daylight Savings Time was formally observed for the first time during World War I and II to conserve resources during that time.

Under the 1966 Uniform Time Act, the Transportation Department administered the law, which required all states to switch except those whose legislatures specifically exempt-

ed them from making the change. The extra hour will mean earlier school times, earlier work times and probably a few missed appointments until everyone gets in the swing of DST once again. Remember to set your clocks up one hour before retiring on Saturday and also remember the phrase "Spring forward, fall back," to jog your memory on the time change.

MEETING THE CHALLENGE-David Medlin, 13 year old son of Mr. and Mrs. John Medlin of Muleshoe entered and won the 5th Annual Pepsi Challenge 10,000 meter run for the 14 and under age group in Clovis last Saturday. David set a new course record with a time of 39.14 after finishing in 22nd place out of 199 finishers. He had previously won a mile race in Junior High competition on Friday; then, came on to win the six miler on Saturday. Other Muleshoe participants in the race were John Medlin and Jim Haynes.

De Shazo Illness Remains Unidentified

In a news release to the media last Friday morning, acting superintendent of schools, Tom Jinks told reporters of the occurrence of stomach disorders for approximately 111 students and ten adults at Mary De Shazo Elementary Schools. Jinks said that the sickness had begun to develop as early as Wednesday and that some were out of school then. He also stated that samples of the meals that had been served in the De Shazo cafeteria had been sent to a local physician for cultures and

diagnostics, although he reassured citizens that the fault was not thought to be in the food or preparation. A check with Mr. Jinks on Tuesday by the Journal revealed that no report has been filed on the food tray that was sent to Dr. Bruce Purdy for examination. Jinks expects to hear from the doctor as soon as the results are available.

As stated previously, checks with the other schools in the city Friday showed attendance and absentees to be about Cont. Page 6, Col. 2

McBroom was highly commended for four years of extra hard work and of being an exceptional student during that time. The award was presented by Rick Copp, Lazbuddie Voc-Ag Instructor.

Two Star Greenhands were named by the Lazbuddie Chapter for their work performed as a first year ag student. The Star Greenhands for 1983 went to Scott Holt and Aaron Hargett.

Mark Lust was presented with an FFA Foundation Award being the DeKalb Award. The DeKalb designation is given to an outstanding senior student who has portrayed leadership and academic abilities throughout his ag career. Other foundation awards went to Casey McBroom in diversified livestock; Jim Jesko for beef cattle, Scotty Coker for sheep; Scott Holt for swine; Frank Jesko for Ag Mechanics.

Special awards went to several boys who according to Copp had put out a little extra effort or worked just a little harder.

Honorary Chapter Farmer degrees were awarded to eight citizens of the area who through their efforts have been supportive of the FFA Chapter and its projects. These are very special awards, since they are selected by the FFA students. Those named as Honorary Chapter Farmers of the Lazbuddie FFA Chapter were Mr. and Mrs. Elvis Powell, Mr. and Mrs. Gary Coker, Shirley Farmer, Mr. and Mrs. Glen Lust and Sam P. Barnes.

Also recognized Friday evening were the 1983 Greenhands and the 1983 Chapter Farmers. Officer's Cont. Page 6, Col. 3

Police Department Updating Directory

The Muleshoe Police Department is in the process of updating their emergency directory information. A questionnaire was mailed last week to each business and church located in and around Muleshoe, with instructions that it be completed and returned to the department as soon as possible.

The Muleshoe Police Department handles dispatching for the city police, Sheriff's office, Department of Public Safety, Ambulance, fire department and civil defense. Chief Irvin says that whether your business or church is in the city limits of Muleshoe or

outside the city limits, it is important that the Police Department have this information. This emergency directory information is made available only to law enforcement and fire department personnel in the event of an emergency.

Chief Irvin says that an emergency situation exists Cont. Page 6, Col. 1

Local Officers Attend Farm Bureau Meet

Bailey County Farm Bureau was represented by three persons at the area

mark meeting March 28 in Amarillo.

Attending from this county were: Clarence Mason, Vice-Pres, Bailey Co. F.B.; Morris McKillip, Economic Service Chairman; and Jacque Baker, Safemark Dealer, all of Muleshoe.

Area meetings are held each spring to give county Farm Bureau leaders and Safemark servicing agents an opportunity to meet with management and representatives of suppliers of the Farm Bureau group purchase programs, according to J.L. Dale of Muleshoe, president of the local farm organization.

The purpose of the Texas Safemark program is to provide Farm Bureau members with high quality tires, batteries and tillage tools at the lowest possible cost through volume buying and low-cost distribution, he said.

The meeting was one of eight area meetings in Texas.

Representatives from tire, battery and tillage tool suppliers were on the program, as well as state FB Safemark staff and a rep. Cont. Page 6, Col. 6

Study Shows Sales Tax Tied To Oil

State Comptroller Bob Bullock recently released a study showing that 30 percent of the state sales tax and up to 40 percent of the Houston city sales tax is tied directly or indirectly to the Texas oil industry.

"We found the oil and gas companies pay about 11 percent of our total state sales tax directly," Bullock said in releasing the report. "Another 19 percent is paid by the 286,000 Texans who work in the industry and spend their paychecks on taxable merchandise."

Bullock mentioned the comment of an economist in the report who said, "A lot of grocery stores have little reason to exist without the oil industry," in explaining the sort of in-

direct contributions the industry makes to sales tax receipts.

The report concluded that, at present price and production levels, every dollar drop in the average price of Texas crude oil costs the state \$30 million in lost sales tax revenues in addition to the \$40 million the state loses in severance tax revenues.

The study found that the sales tax impact of the oil industry and its employees is centered in Houston and Dallas. Together, these two urban areas account for more than 70 percent of the industry's total sales tax payments. Houston alone accounts for 52.5 percent of this total.

"We have known all along what part of our taxes are borne directly by the Texas oil and gas industry," Bullock said. "Last year, oil and gas severance taxes accounted for 27.4 percent of our total tax collections in this state."

"If you add the 30 percent the industry contributes to our sales tax receipts, you can see that somewhere around 40 percent of our state tax burden is borne directly or indirectly by the Texas oil and gas industry or the people who work in that industry. When you understand the size of this burden, it's easy to see how dropping oil prices have had the major effects they have on our state tax revenues."

Social Security Report Due

April 30 is the deadline for employers who must report on Social Security and withheld federal income taxes for the first quarter of 1983. If the quarterly tax due (less any deposit made during the quarter) is \$500 or more, the unpaid tax must be deposited.

This deadline does not apply to employers who make timely deposits of the full amount of tax due in Federal Reserve or approved commercial banks. They are allowed until May 10 to file Form 941, Em-

ployer Quarterly Federal Tax Return.

If employers have not received Form 941 by mail, they can order one through the Tax Form or Information number listed in the phone book under U.S. Government, IRS Publication 15, Circular E-Employer's Tax Guide, is also available through this number.

Sudan Heritage Committee Meeting Held

Members of the Sudan Heritage Committee met Friday, April 8 in the Community Center. Present were Sara Woods, Mary Tollett, Micky Stephens, Eloese Curry, Rhoda Minyard, Jonelle Bandy, Pill Bellar, Rubilee Walsler, Mrs. Reed Markham, Al Harrison and Pete Lance.

The main topic of discussion was hotel repairs. First, money must be raised to repair the roof.

Plans were made to hold a garage sale at the Hotel on Saturday, May 7. Evelyn Richie said "Everyone is encouraged to donate items for this sale. If you have items to give for this sale, please have them at the hotel on Friday anytime between 10 a.m. and 4 p.m. Also they will be selling chances on a painting donated by Nickey Stephens, with the drawing to be held at the July Celebration.

"If you have something for the sale and cannot bring it to the hotel, please call Rhoda Minyard, chairman; Rubilee Walsler, or Sara Woods and someone will pick up your items.

"This project is for the entire community and all help is needed. All assistance will be greatly appreciated."

It was also reported that letters will be mailed to people asking for donations to the roof repairs by purchasing a bundle or bundles of shingles. All money received will be used for the roof repair first and then other needed repairs.

MARRIAGE ANNOUNCED--Mr. and Mrs. Bob Templar and Mr. and Mrs. R.L. Barber of Lazbuddie announce the marriage of their children, Shari Lynn Templar and Thomas Ray Hill. Marriage vows were exchanged at the Methodist Church of Lazbuddie on Saturday, March 19. The couple now make their home at Lazbuddie.

Unplug Small Electrical Appliances

"Consumers are often unaware of the hazards of electrical appliances," says Nancy Granovsky, a family resource management specialist with the Texas Agricultural Extension Service, Texas A&M University System.

To avoid potential danger, the Association of Home Appliance Manufacturers (AHAM) and Underwriters Laboratories (UL) now warn consumers to always unplug any small electrical appliances after using them, says Granovsky.

Don't assume that if the switch is "off" there's no danger of electrocution. This may not be true if the product comes into contact with water.

Electrocutions may occur in kitchens, bathrooms or outdoors -- anywhere near water sources.

Never use any electrical product while bathing or put it where it can drop or be pulled into the tub or sink. If the appliance accidentally falls into the water, don't reach into the water for it. Unplug it immediately at the wall outlet.

Never leave a small portable electrical appliance within the reach of small children. Children left unattended could pull the plugged-in, but switched-off appliance into the tub or sink and risk being electrocuted.

According to Granovsky, the Texas Agricultural Extension Service is cooperating with the AHAM and UL in their nationwide effort to promote product safety.

Creative Woman

By Sheryl Borden

Topics to be presented on "The Creative Woman" show on April 26 and 30 include tailoring techniques for making a blazer in just eight hours. The first guest will be Ann Meyer, Education Representative with the Pellon Corporation in New York. Mrs. Meyer will explain that speed tailoring is a combination of construction techniques used by apparel manufacturers and the secret of speed tailoring is fusible interfacing. She'll discuss how to choose patterns and fabrics as well as different interfacing.

Then to conclude the show, women from the Roosevelt County area will model blazers they made themselves using the speed tailoring techniques demonstrated by Ann Meyer. Joy Best, Extension Home Economist will point out specific items of interest about each blazer.

On April 28, viewers will learn about kitchen planning and storage ideas and interesting toppings for oatmeal.

Linda Newberry is home economist and kitchen designer for T-bird Home Centers in Artesia, and she will discuss why kitchens are usually ignored in building or redecorating plans. She'll discuss the work triangle and how to

incorporate one in a kitchen, and will also discuss storage ideas for bathrooms, dens and bedrooms as well as ideas for the kitchen.

Informing consumers of ways to use oats is one important job of Nina Swan, Director of Consumer Relations with the National Oats Co. in Cedar Rapids, Iowa. Ms. Swan will share with viewers different toppings for oats for breakfast. One idea will be especially interesting to children.

"The Creative Woman" show is produced and hosted by Sheryl Borden. The show airs at 12:30 p.m. on Tuesdays and Thursdays and at 2:00 p.m. on Saturdays. Viewers can request copies of printed materials offered on the show by calling on KENW-TV's toll-free telephone lines.

SPECIAL AWARD-Jewell Peeler was presented a charm Thursday, April 14 during the 20th. anniversary celebration, for being the most helpful TOPS member for the past three months. In making the presentation Clara Lou Jones, president, said "Anytime you need something done or a member needs encouragement, you can always count on Jewell to be there. She was selected by secret ballot.

TOPS CHARTER MEMBERS-Five charter members were present for TOPS chapter Tx. No. 34's 20th. anniversary celebration Thursday night, April 14. (From Left) Essie Hall, Rose Sain, Mae Provence, Clara Lou Jones and Ruth Clements. Four of these charter members are still active.

Texas Panhandle Service Awards Given

Ten women from communities in the Texas Panhandle have received the 1983 Texas Panhandle Distinguished Service Awards at West Texas State University.

Recipients, who were selected from 108 nominees, are Virginia Blackburn, coordinator/counselor of the Amarillo College Women's Program Displaced Homemakers Program; Naomi Brack, chairperson of Amarillo College nursing programs; Pearlene Grayson Martin, librarian at three Amarillo elementary schools; Nan Ezzell, co-owner and co-editor of the Canadian Record newspaper; Charlotte Brantley, a Canyon High School art teacher involved in "Texas" productions; and Inelle Bagwell, of Claude, active in a number of agencies for social concerns.

Others are Portia Dees, a retired English teacher at Dalhart who voluntarily teaches English as a second language; Violet Reich-

nauer, Hereford civic leader; Vera Back, a retired English teacher at McLean who helped establish the Alanreed-McLean Area Museum; and Rosa Spann, of Phillips, a retired teacher, counselor and principal who directs the Berger senior citizens center.

The annual luncheon is hosted and planned by the WTSU Returning Student

Program. This year's luncheon attracted nominees from Amarillo, Borger, Canadian, Canyon, Childress, Clarendon, Claude, Dalhart, Dimmitt, Dumas, Floydada, Friona, Fritch, Happy, Hereford, Kress, Lockney, McLean, Memphis, Muleshoe, Pampa, Panhandle, Perryton, Phillips, Plainview, Spearman, Stratford, Tulia, Turkey and Wheeler.

Local Resident On Texas Family Farm, Ranch Committee

The Texas Family Farm and Ranch Advisory Committee held its first meeting April 12-13 at the Texas Department of Agriculture in Austin.

The 26-member group, appointed last month by Governor Mark White and Agriculture Commissioner Jim Hightower, discussed the potential of a grain pool for Texas grain producers and heard a report on farm economics.

Committee member Jerome Friemel, a Hereford farmer, told the group that

the grain pool would work as a marketing agency to promote Texas grain products nationally and internationally.

Committee member June Saylor, formerly of Muleshoe national president of Women Involved in Farm Economics, discussed the 1982 Agricultural Balance Sheet for the United States and Texas.

Mrs. Saylor told the committee the nation lost \$144 billion in tax revenue last year because United States agriculture was not

at parity.

The committee was formed to advise the Governor and the Agriculture Commissioner on the effects of federal agricultural policy and notify the two

state officials when their intervention is needed. The committee will also propose new ideas for state and federal policies that would benefit Texas producers.

The group will serve as a direct link between state government and the agricultural community throughout Texas.

Its 26 members represent a broad spectrum of agriculture and agribusiness in Texas.

Members of the committee include: Jerry Bailey, a Hill County farmer and rancher; Joe Chapa, Sr., Hidalgo County rancher; Lester Cranek, Colorado County Judge and rice farmer from Columbus; Jerome Friemel, Hereford farmer; John Gayle, Brazoria County Commissioner, farmer and rancher; Cathy Jo Harman, farmer from Happy; Jim Hutchins, agribusiness representative from Estelline; David Jen-

kins, Chambers County rice farmer, and Carl King, Dimmitt farmer and president of the Texas Corn Growers Association.

Also on the committee are Dan Kubiak, a Kockdale rancher, 14-year veteran of the Texas House of Representatives and president of the Texas Alcohol Producers Association; Mike Levi, Spicewood rancher; Susan McBeck, assistant to the Governor and a former state representative from Del Rio; Mike Moeller, Hays County farmer and president of the Texas Farmers Union (TFU); Jay Naman, Waco farmer and rancher and former TFU president; Tom Perry, Robstown farmer and rancher; Joe Rankin, Ralls farmer and TFU vice president; Ralph Roving, Bovina farmer; June Saylor of Muleshoe, founder of Women Involved in Farm Economics, and Doug Seal

of Wellington, president of the Texas Agricultural

Caucus and a member of the State Democratic Ex-

representative from the American Farm Bureau Federation. They gave presentations and answered questions.

According to Travis McMorrough, manager of the Texas Safemark program, Texas is one of 42 states currently participating in the program and accounted for one third of the

national sales last year. In 1982, Texas Safemark sales totaled \$35 million.

The Safemark group purchasing concept began with the South Carolina Farm Bureau in the early 1960s. Texas joined the service-to-member program in 1965, and since that time, sales in Texas total \$368 million with savings to members estimated at \$100 million.

The Muleshoe Roadriders met on April 6 for their regular meeting to discuss the Club Constitution and Bylaws. Officers were also elected with Tana Holmes named as Sergeant at Arms and Marsha Rasco as Road Captain. Margaret Kimbrough was elected as reporter, Charles Haight as historian. Members were presented with replica plaques for the first annual run held in Muleshoe.

Art Scholarships are now available at Howard College in Big Spring. Several of the scholarships total over \$500. All high school graduating seniors are eligible, but they must plan to attend Howard College and major in Art. To apply, submit a portfolio of four to five pieces of artwork to Mrs. Becky Smiley at Howard College Art Department. Deadline for portfolios is April 25. Awards will be made by May 2. An application may be obtained by contacting Mrs. Smiley at Howard College in Big Spring at (915) 263-3848.

Jerry Hernandez, manager of Serv-All Thriftway in Muleshoe, was released Tuesday after being a patient in Methodist Hospital in Lubbock, where he was undergoing a series of tests.

Three county leaders from Bailey County Farm Bureau attended District II Day in Austin April 12, 1983. They were: J.L. Dale, President, Muleshoe; Clarence Mason, Vice-President Muleshoe; Sam Harlan, State Affairs Committee Chairman, Muleshoe. The purpose of this program was to allow county Farm Bureau leaders from this district to meet with their respective representatives and senators to discuss their viewpoints on issues concerning FB members.

A Fruit, Nut, Grape & Pecan tree management seminar on Tuesday, April 26, at 7:30 p.m. at the Bailey County Civic Center is planned. The purpose of this program is to explain all management steps necessary for the production of fruits and nuts. Dr. George McEachern, Extension Horticulturalist will present the program.

"This would explain why Houston's local sales tax receipts are running 11 percent behind last year," Bullock said. Houston received the biggest check in the state-for \$6.6 million.

Other cities that depend heavily on oil and gas, or on trade with Mexico, continue pulling down statewide collection totals. Midland and Odessa receipts are running 27 percent behind last year and El Paso is now more than 15 percent behind 1982 totals.

Bullock also sent April rebates to the state's two Metropolitan Transit Authorities. The Houston MTA received \$6.9 million, compared with \$8 million last April. The San Antonio MTA got \$1.1 million compared with \$914,000 last April.

The City and MTA sales taxes are collected along with the state sales tax by merchants and rebated monthly to the cities in which they are collected by the Comptroller.

The April checks were for taxes collected on sales made in February and reported to the Comptroller by the end of March.

Police, Sheriff, DPS Keep Busy With Full Jail

Law enforcement activities in Muleshoe and Bailey County seem to be increased some from a week ago, however the list of violations seem to differ. Several arrests were made on charges relating to bad checks, with fines and restitution being made by the suspects.

On April 9, City officers arrested George Acosta on a failure to appear warrant. He paid a \$60 fine and was released. On April 12 Isril J. McBride was arrested on failure to appear. He was taken before Judge Huckaby on the FTA, but was released at that time due to a county court appearance on a DWI charge. McBride was instructed to return to Judge Huckaby's office following his court session.

Narcisco L. Gauna, Jr. was arrested on April 12 on a charge of driving while intoxicated. Gauna was stopped in the 100 block of East Avenue 1 after officers observed his erratic driving. On April 14 Stephen L. Foster was arrested on a DWI charge in the 800 block of American Boulevard after officers stopped him on a speeding violation. The suspect refused to take a breath test and was booked into the Bailey County Jail.

On April 8, Gerald James Bond was arrested on a failure to appear warrant by Olney Police. Officials there reported a payment of a \$70 fine and his release following payment.

Cynthia C. Wynn was also arrested on April 13 on a failure to appear warrant on a traffic citation. She later made arrangements to pay the fine.

Arrested on a charge of violation of probation on April 13 was Manuel Angel Gonzales. The original charge was a DWI in Castro County. Gonzales was later released to Castro County authorities after a bond in the amount of \$2,000 had been set.

Preston Alvin Langford reported on April 18 to city police the theft of four tires and wheels from the high school mechanic shop. Value was determined to be about \$220. Nickie C. Landers reported a criminal mischief incident to police on April 18. Landers told officers that someone had shot at his pickup and had damaged it. Damage was estimated at about \$50.

The Bailey County Sheriff's Department and the Texas Department of Public Safety officers have had a fairly busy week. On April 13 Manuel Angel Gonzales was arrested by city police and placed in the Bailey County jail on a revocation of probation. He was released later to Castro County. On April 14, Joe B. Rivas was arrested on charges of driving with license suspended. He paid \$106 fine and court costs and was assessed three months probation.

On April 14, Steve Faulkner was arrested on a charge of driving while intoxicated. He was later released on \$500 bond. Enrique Toscano was arrested on April 16 by DPS officers on charges of public intoxication. He posted a \$106 cash bond prior to his release. Earl Keith Parish was arrested by DPS officers on charges of making false statements on a drivers license application. He was released after posting \$106 bond.

Daniel Sanchez was arrested by the DPS on April 16 on charges of driving with license suspended, possession of marijuana and possession of drug paraphernalia. Bond was set at \$500 for each of the three charges. Also arrested was Mary Ann Heahy on charges of possession of marijuana and possession of drug paraphernalia. Bond was set at \$500 and \$200 for the respective charges.

On April 15, Paul Dustin

Bailey, Jr. was arrested on charges of DWI and speeding by the DPS. He was later released on a personal recognizance bond. Bobby Earl Hayes was arrested on April 16 on a revocation of probation charge. He was later released by the adult probationer.

Gilbert Quesada was arrested on April 16 on a DWI charge for which he had been sentenced to two years in the county jail. On April 16 Manuel Melinda Garcia was arrested by the DPS on charges of DWI and unlawful carrying of a weapon.

On April 17 Rene Zapata was arrested by Bailey County Sheriff's officers on charges of public intoxication. His bond was set at \$106 and had not been paid at the time of this report. Boarders in the Bailey County Jail include three females from Randall County.

On April 18, Mike Whitehead of Three Way reported to the Sheriff, the theft of a hog valued at \$126. Investigation is continuing into this matter at this time.

EXCELLENT YIELDS

Warner Seed's W-839A is a medium plus hetero-yellow endosperm hybrid that will be a yield leader in its maturity class. Its standability is as good as the popular W-839T and head exertion is better.

W-839A will be two to three inches taller than W-839T or W-839DR. Its semi-open head, slightly tighter than W-839T, dries down fast. W-839A has more eye appeal than most hybrids and is more uniform. This hybrid is tolerant to the effects of the greenbug.

Warner hybrids are bred to stand to heat, drought, insects and disease. Bred to make full use of water and fertility. Bred to yield and make a profit in times like these. Go with the "Sorghums for the Times."

National Library Week

April 17-24, 1983

Look To Your Library

The week of April 17 through April 23 has been designated nation-wide as National Library Week with the theme this year being "Look To Your Library."

Those citizens of the Muleshoe area who can remember back to the beginning of the birth of our beautiful facility will recall that it had its humble beginnings in a sort of "cubby-hole" and was located in one room of the Bailey County Courthouse. At the beginning, the Muleshoe Study Club and the 1939 Study Club co-sponsored the library. Fines and dues were collected from members to meet expenses for that early venture.

An opportunity came in 1963 to improve the existing library services for the Muleshoe-Bailey County area when the Texas State Library offered to furnish a bookmobile and a collection of books valued at over \$65,000, so that residents in a four county area could be provided with books.

This proposal was to lead to the development of the Friends of The Library, a local interest group dedicated to securing the needed funds for the completion of the bookmobile project. As records will show, however, this was only the beginning for the Muleshoe Library for in 1968 conditions became such that a new, larger library building was needed.

Plans were made, bonds were set and passed and finally a well planned library for the Muleshoe community came to be. After many years of

LIBRARIES HOLD A WEALTH OF INFORMATION--Many children drop into the library on their way home from school or to participate in one of the many children's activities held throughout the year. Library workers Noelia "Shorty" Flores and Linda Lopez are always ready to help the youngsters find a book they will enjoy.

long hard labor and a few tears along the way, the Muleshoe Area Public Library was dedicated on Sunday, April 23, 1972.

All of this is fairly recent history, but never the less important since it is the success story of an undertaking that the people of the community wanted to see happen - and made to happen. Credit is due and given to all of the dedicated people who achieved so much in so short a time and who continue today to work for Library development and, according to Librarian Anne Camp, "It shows that good libraries are not "just born" - they come into being through "hard, prolonged labor."

Library Offerings for the citizens of Muleshoe include such diversified and unusual services as

film libraries, meeting rooms, record files and the distinction of being a gallery where local and area artists to display their work.

Special story hours are set up for pre-school children and for older children - special films are sometimes shown. One of the most participated in projects of the library is that of the summer reading program. Many recognition awards are made through these programs.

Each year the Muleshoe Library selects a Library Family of the Year and they receive a nice gift and certificate. This has become one of the time-honored traditions of the Muleshoe Library, and the family will be named on Friday afternoon.

Through the pages of the books in our library

one may find and travel anywhere they so desire. Books can take you to the moon, the stars and can make your dreams come true.

Special times have been set aside during this week's celebration for a special story hour for children on Wednesday morning. A special reception was held for Senior Citizens on Tuesday with the eldest present being presented a beautiful red rose.

The Muleshoe Area Library has come a long way since 1939 and the one room in the Courthouse. Today's Library is housed in an ultra modern \$116,989 building and has over 50,000 circulation in a year's time. Librarian Anne Camp says that the circulation of books checked out per month can run from three to six thousand per month. Last month, in March, over 2,000 people saw films which were provided by this local library.

Just recently, the City Council of Muleshoe voted remodeling funds to the Library for remodeling of the old garage portion of the Library. This had formerly housed the bookmobile and since the need for this space was gone, it was decided that the space could be put to better use. It has been carpeted and painted and will serve as a meeting room for clubs, as well as a film room for movies.

The Muleshoe Area Library also serves as a civil defense shelter in times of need for its area's citizens.

ART WORK DISPLAYED--Just inside the doors of the Muleshoe Area Library can be found beautiful paintings and displays which depict much of the proud heritage of the Texas plains. Many area artists use this method to display their works to the public.

SENIOR CITIZENS ENJOY LIBRARY--Librarian Anne Camp is busy showing off the books that will be on sale in the upcoming Library Book Sale to area senior citizens as they were honored Tuesday at 10 a.m. with a small reception. The event took place in the old "bookmobile" storage room, which has just recently been remodeled for use in film showing and meetings.

"BROWSING - A FAVORITE PASTIME"--Many area families come to the library together and enjoy searching for just the right book. A Library Family of the Year is chosen and honored each year during National Library Week.

Organization of the now First National Bank got underway in 1955 and the doors opened in August of that year at the corner of South First Street and Avenue C in a new red brick building. M.D. Gunstream moved to Muleshoe to become president of the bank, a position he still holds today. His son, Tommy, moved back to Muleshoe and currently serves as executive vice president of the bank.

Ted Barnhill is vice president and cashier and assistant cashiers are Fern Warren, Maxine Donaldson and Sherry Embry.

Approximately four years ago, First National Bank moved into new offices after constructing a new and ultra-modern facility just to the north of the first bank, at the corner of South First Street and Avenue B.

Well-known for being a Full Service Bank, Barnhill commented about the bank, "From your initial deposit, on through all your loan and saving needs, the First National Bank will work with you.

"Our friendly personnel will attempt to provide all your answers for your financial needs. We are here to serve you -- our customer."

Chick Days Event Slated Here May 3-4

Chick Days for meat raisers is a long honored tradition in the area. But this year's celebration is a special one. It will feature a special exhibit on the raising of chickens for meat. The exhibit will be held at the Muleshoe Hotel on Friday, May 3, and Saturday, May 4.

Further details on "Chick Days" and free information on raising chickens is available by phoning or visiting the dealership during business hours.
