## Texas deserves a full-time Land Commissioner

elect **BOB ARMSTRONG** 

Leading newspapers put it this way:

 "Bob Armstrong's announcement that he will be a candidate for commissioner of the General Land Office . . . offers the public the first real choice for that office since 1960. It is the choice between a fresh, open, energetic, progressive approach to the office and the musty, secrecyridden approach of the incumbent."

CORPUS CHRISTI CALLER-TIMES

 "Critical of the secrecy that has surrounded the operations of the General Land Office, Armstrong will operate this important office openly if elected. He has pledged to devote full time to the job and to keep the press and public informed as to the handling of millions of dollars in funds.

Armstrong's record of public service and his views as to the operation of the General Land Office are sound. They contrast with those of the present holder of this position who has not conducted himself with the dignity of which Texans have a right to expect of state officials.

DALLAS MORNING NEWS

 "Bob Armstrong's candidacy for commissioner of the General Land Office of Texas is so clearly the best in the field that Texans can make that decision early and surely.

'Armstrong . . . has a well-defined career that shows a keen sense of responsibility, well-motivated desire for public service, strong evidence of leadership ability, and a sound background of

"The Land Office . . . deserves far better administration than it has had in a long time."

SAN ANTONIO EXPRESS

We think Representative Armstrong can furnish the awareness and the leadership the office
