AROUND
THE
COUNTY

ARTHUR BARLEMANN, JR. COUNTY AGENT

New rules for the "Lamb with a Future Show" have been released by the Lamb Committee of the Texas Sheep and Goat Raisers' Association, sponsor of the show. Dates for the 1971 Show have also been set with June 11-13 as the dates. Place will be San Angelo as it has been in the past.

The lambs will be fed as a group in a commercial feedlot beginning May 1, 1971 for a period up to 145 days. Lambs must weigh between 60 and 80 pounds at the beginning of the feeding period. The rate of gain on each lamb will be reported. Each individual had fed his lambs in his own lots in the past.

The sire group will consist of five lambs rather than three. Lambs will be slaughtered on two days; one group will be those ready after 30 days on feed. The remainder will be slaughtered at the end of the 45 day period.

Evaluation will be based on the use of the USDA yield grade plus visual appraisal rather than the leg-loin index. All lambs will be eligible for overall placing.

"The show is designed to produce a more acceptable lamb for the market," says Dr. Frank Orts, Extension meats specialist at Texas A&M University. "The lamb must have an acceptable dressed yield of salable retail meat with acceptable eating quality and must have the ability to reach market weight with a minimum amount of feed. It also must be capable of doing all these things economically and return a profit to the producer."

Interested breeders can get more information by contacting the Texas Sheep and Goat Raisers' Association in San Angelo.

Misuse, mishandling, and improper storage of herbicides and other agricultural chemicals and containers is resulting in the death of many farm animals in Texas.

Dr. John C. Seagor, toxicologist for the Texas Veterinary Medical Diagnostic Laboratory reports that arsenic based chemicals have become the leading cause of death in cases investigated. Other agricultural chemicals can be, and are, just as deadly.

Barrels that have contained any chemicals should not be used as feed troughs or storage containers. Even though these containers have been washed, burned, or supposedly cleaned enough of the chemical may remain to cause trouble. Such containers should be gathered up and buried where leaching out into the water supply will not occur.

Preliminary copies of the 1969 Agricultural Statistics for Sterling County have been received. Although the supply is limited, anyone who desires a copy of these statistics can have one by contacting the county agent's office.

The statistics reveal that income from crops dropped from \$101,000 in 1968 to \$35,000 in 1969. Cash receipts from livestock and livestock products increased from \$2,105,000 in 1968 to \$2,654,000 in 1969. Government payments decreased from \$377,000 to \$319,000. Total cash receipts from marketing and government payments totaled \$3,008,000 in 1969 as compared to

Get Ready for . . . Clean-Up

CLEAN-UP DAY HERE
October 2 and 3 have been set as Cleanup Day or days here in Sterling City. Citizens are asked to get all their trash or rubbish together and put in boxes or container in front of their homes on Friday or Saturday, October 1 and 2. County trucks will pick up that trash on those days and haul it to the city dump grounds.

Some of the burnable type stuff may be taken to the back of the V.A. barn of the school for a homecoming bonfire. The bonfire will be on October 8 unless changed and everybody is invited to be there.

Jim Davis and Seth Bailey will act as captains for the cleanup day here, said H. L. Hildebrand, committee chairman for the drive.

Trustee-Faculty Dinner Party

The trustees or school board members and their wives entertained the Sterling school faculty members and their husbands (or wives) at a dinner party in the community center here Tuesday evening.

The group was welcomed by school board president Reynolds Foster. Stan Horwood gave the invocation.

Following the dinner, games of bridge, dominoes, and 42 were played.

The food was by the McGowan Caterers of San Angelo.

\$2,583,000 in 1968. Wool and mohair payments were the largest item in the government payments column. The 1969 payments for this program totaled \$277,398 on 645,000 pounds of wool and 49,000 pounds of mohair.

The January totals for livestock on hand showed that cattle numbers remained constant in the county while sheep numbers increased. In 1969 and 1970, beef cow numbers totaled 11,000 head. The total of ewes, one year and older, increased from 55,000 in 1969 to 67,000 in 1970. Angora goats decreased from 8,000 to 7,000 in the same period.

According to reports, one of our neighboring counties has had trouble with rabies in wild animals, and it would be well to watch for this here. Several persons are having to take the shots as result of exposure to rabid animals in Mitchell County. Skunks are being blamed for the cases there and are always suspect. It would be well to watch for these animals, or any others, that are found around areas inhabited by humans. Normally, these animals will not approach such areas but when rabid, they lose their sense of fear of humans. We have had trouble with this problem in the past during the fall and winter months and it would be well to be on guard again.

DISTRICT COURT

The 51st District Court for Sterling County got underway here Monday. There were two insurance compensation cases on the docket. One was postponed and the other started before it was over, the lawyers for the principals involved came to an agreed judgment.

The grand jury has been summoned for duty here next Wednesday morning. There is one item to be looked into, and possibly more, said Jim Cantrell, sheriff.

TOM ASBILL'S BROTHER-IN-LAW BURIED TUESDAY

R. L. Baker of Grape Creek, a brother-in-law of Tom Asbill, died Sunday evening. Funeral services were held in the Baptist Church at Grape Creek Tuesday afternoon and burial followed in the Grape Creek Cemetery.

Kinney at Chanute

Junior Kinney is now stationed at Chanute Air Field, according to his mother. He got a broken leg in basic training and that slowed him up a bit. He will learn how to refuel jet planes, and will get such training at Chanute Field.

BOYS— If you are 11-16 years of age, join the local Boy Scout Troop. Meetings each Monday night at the Boy Scout Hut in the park.

Lions Hear Boy Scout Representative

Montie Stokes of Big Spring the Boy Scout executive for this area, spoke to the Lions Club luncheon here Wednesday noon. He told of the fund drive that would begin here next week with a kick-off breakfast Thursday morning at the City Cafe.

Jim Davis told of the big clean-up dates here—Friday and Saturday, October 2 and 3. He said that on Friday all adults that would help are asked to gather at the Fire House at 1 p.m. to help man the pickup trucks. Davis said that on Saturday, the young people would help with the pick up of the trash.

The prize went to Earl L. Bailey.

PRESBYTERIAN CHURCH

Mr. Dennis Wright of Colorado City is pulpit supply at the Presbyterian Church for the present time and will preach each Sunday morning at the eleven o'clock service until further notice.

Everyone is invited to attend the services.

SCHOOL TENNIS COURTS TO BE LIGHTED

Four 1500 watt bulbs will light the Sterling school tennis courts now. The seventh and eighth grade classes of the last two years (using money made selling magazine subscriptions) gave the lights to the school, said superintendent of schools James Thompson.

Albert McGinnes helped by finding the equipment and seeing that it was installed. In fact, without his help, the lights could not have been handled, it was said.

Boy Scout Meeting

The weekly Boy Scout meeting was held at the Scout Hut Monday night. Mike Watts was elected Senior Patrol Leader and Jeff Cantrell and Don Alexander were elected as patrol leaders. More boys are needed to fill the patrol rosters, said Scoutmaster Bill Watts.

October 23 was selected as the date for the first campout of the year. All boys attending the camp out must be registered Scouts for the current year. The Scout troop will participate in the community clean-up campaign, and all Scouts are asked to meet at the schoolhouse, Saturday morning at 9 o'clock. Parents are reminded to urge their boys, ages 11 to 16 to join and participate in the Scout activities of Sterling City.

Eagles Win Over Smyer 50 to 26

AS IT LOOKS FROM HERE

By Omar Burleson, Member of Congress, 17th District

WASHINGTON, D.C.—One man—a piece of earth and a growing thing—

The old saying "You can take the boy out of the country but you can't take the country out of the boy" is true with a lot of us with such a background. It is the same instinct which urged Thoreau, Johnny Appleseed and John Muir to wander off from the hustle and bustle of their time to serve the earth in simplicity.

In the long list of American dreams, among the more persistent for those who have known and loved the earth's soil is a return to it.

There is a difference however in living in the country and being close to the land, because you like the earth's throbs and all it means, and being there to make a living for the family. The case of Tony Newcomb involves both. He quit his job as an economist with the Bureau of the Budget to become a vegetable farmer in Virginia. He was a farm boy from Ohio when he graduated from college and came to Washington. In the spring of 1962, he had the urge "to do a little gardening." With his wife and children he rented 40 acres in Fairfax County, Virginia, and lost over \$400 that year on his vegetable crop. He broke even the second year but renting more land and with improved methods he now nets around \$18,000 from the sale of his tomatoes, corn, beans, squash, okra, beets, cucumbers and peppers. And speaking of peppers here's a story of a pepper bush—mini mini gardening.

Since it is not practical to carry on a gardening operation living in an apartment twelve stories above ground, the best that can be done is to try to raise something in a pot on a balcony.

Last spring our good friend, Connie Kazen, wife of Congressman Kazen of Laredo, gave me a pepper plant. It has had all the care—water, sunshine, the main stalk carefully braced—everything to make it happy—but no peppers.

Thought has been given to calling in a pepperologist from the Country's largest agricultural experiment station at Beltsville, Maryland, to diagnose the trouble. After due consideration a second thought occurred that he might need three or four other specialists for the examination which could require several days of around-the-clock observations and tests. Aside from such an expensive undertaking it would be a little crowded in the apartment. Of course, the

Play Whitharral Here Tonight at 8

The Sterling City Eagles smothered a hard-hitting Smyer team there 50 to 26 last Friday night in a non-conference tilt.

The Smyer boys took the lead in the first quarter 8-6, but coach Danny Slaughter's boys dug in and had a 34-20 lead at the half. Each team made a T.D. in the third and fourth quarters, and Sterling City added 2 extra points following each counter, where Smyer failed.

The scoring for the locals was accounted for by the locals as follows: Ray Escobar racked up four T.D.'s; Bobby Bynum one; David Gaston one—on a pass; and Tim Petty one.

Play Whitharral Here Tonight

The Sterling boys take on Whitharral here tonight at 8 in the last non-conference game of the season.

The Smyer field was so poorly lighted the films of the game were not good enough for the coaches to rate the defensive players of the week.

FFA NEWS COLUMN

The Sterling City Chapter of Future Farmers of America met at the school Monday evening. The chapter set the dues and made plans for the year. The chapter will again sell grapefruit and oranges for \$5.50 per box.

cause of the bush's barrenness might be readily determined—like if it is a girl or a boy plant and there has to be another one of the opposite sex. It would be a little awkward to go to Mrs. Kazen and say "Now look, Connie, . . ." Besides it's getting late in the season. Visions of chipping up peppers in corn bread and sweet milk for a winter's night snack are fading.

A second thought in search of a remedy was to call in the famous specialist, Dr. Spock. (After all this is a young plant.) But then Dr. Spock would likely advise "permissiveness" for the youngster and against trying to force any discipline on it.

It is assumed that Jack's Bean Stalk did not produce beans either, but clearly this was not its primary purpose. Research would hardly be worthwhile for clues in this direction.

For the lack of any satisfactory answer to this unfortunate situation, seemingly it can only be resolved by adopting the philosophical approach of John Muir: "If I should be fated to walk no more with nature, be compelled to leave all I most devoutly love in the wilderness, return to civilization and be twisted into the characterless cable of society, then these sweet, free, lumberless ravines will be as chinks and slits on life's horizons, through which I may obtain glimpses of the treasures that lie in God's world beyond my reach."

To some this may be romantic gibberish. To others, like the ex-Bureau of the Budget farmer, or even one who has just a bit of something growing in a pot, the chance for a touch of nature is a barrier to a little dirt under the fingernails—a concern about the weather for growing things—just to see things grow—to realize that the land is an ally and not an enemy, is worth a lot.

CLEAN -- UP Friday & Saturday October 2 and 3 OFFICIAL STERLING CLEAN-UP DAY

Get your trash, etc. ready for hauling today or Saturday and put out front for the trucks to pick up.

Let's make Sterling City a cleaner, more attractive little city—one we are proud of.

THE APPLE OF YOUR EYE

Crunchy, green munching apples all the way from the Cape of Good Hope are surprising more and more delighted American consumers each year. Americans who normally associate green apples with cooking are finding out that Granny Smith green eating apples, already popular in Europe and Australia, are tangy, juicy and flavorful.

Interestingly enough there really is a "Granny Smith" story behind the apples. In 1867, Mary Ann Smith, in New South Wales bought some empty gin cases at the Sydney market. In them were some decaying apples which she dumped at the foot of her garden. A seedling developed from the decaying fruit, and it is from that seedling that the famous Granny Smith apple developed.

Granny Smith apples will keep for several weeks when stored in a cool place. They are

a pleasure to use as platter garnishes or in fresh fruit salads because they will not turn brown when cut as rapidly as other varieties of apples.

GRANNY SMITH'S EASY SHORT CAKE

- 1 10-ounce jar currant jelly
- 1 tablespoon lemon juice
- 3 medium Granny Smith Apples
- ½ cup whipping cream
- 6 individual sponge cake shells or home made sponge cake cut in squares

Combine currant jelly and lemon juice in saucepan. Over low heat stir until the mixture is smooth and syrupy. Remove from heat.

Peel, core and slice apples into a bowl. Pour the syrup over the apple slices, turning the apples over carefully so that all surfaces are coated.

Whip cream until stiff. Spread a generous spoonful of whipped cream over each piece of cake. Arrange apple slices on top. Spoon remaining sauce over each serving. 6 servings.

Boy Scout Fund Drive Soon

The annual drive for Boy Scout funds will be held here soon. The drive will get underway on the morning of October 6 with a breakfast for the volunteer workers held in the City Cafe at 6:30, said drive chairman Jack Peel.

Peel said that this year the workers were primarily trying to line up sustaining members for the fund. (Such person gives a stated amount of \$12.00 or more a year.)

Bill Watts is the new Boy Scoutmaster and he will help by auditing the money, said Peel.

JANET RUTH LOWE

Janet Ruth Lowe Married to A.C. Massey in Angelo Rites

Miss Janet Ruth Lowe, the daughter of Mr. and Mrs. Gordon Lowe of San Angelo, was married Saturday, September 19 to Mr. A. C. Massey, son of Mr. and Mrs. Bennie Massey of Fort Worth. The double ring ceremony took place in the chapel of the Johnson St. Church of Christ there. Officiating minister was Stanley Lockhart. Mrs. Mary Carter was organist. The bride, who was given in marriage by her father, wore a gown of her own design, made by her mother. A formal dress of lustered satin, trimmed with bridal lace of rose design, and re-embroidered with seed pearls. The long sleeves, empire waist and chapel train were accented with the lace as was the front of the A line skirt. She wore a double veil of illusion lace and re-embroidered with pearls held in place by a coronet of miniature caranations, English ivy and pearl leaves. Her bouquet was white roses and butterfly orchids. Matron of honor was Mrs. Alfred McCurdy of Fort Worth. Steven Reeves of Fort Worth was best man and Billy Boyd don Lowe of Crane and Mike DePauw of Fort Worth served as ushers. A reception was held in the fellowship hall of the church. For her wedding trip the bride chose a lavender knit dress with black patent accessories. The bride is a graduate of Central High School and attended ASU for two years. The bridegroom is a graduate of Central High and is now employed by an air conditioning firm in Fort Worth.

The rigors of driving drain a motorist's energy, especially in today's heavy traffic. Often, fatigue is the direct cause of a highway accident.

One of the solutions to overcoming fatigue is to eat candy whenever you drive. When a person is tired, the blood-sugar level is low; candy quickly raises the blood-sugar and fights fatigue. Candy bars like Luden's 5th Avenue bar, chockful of milk chocolate and almonds, and Luden's Nut Log bar, filled with milk chocolate, coconut, caramel and peanuts, not only furnish a quick pick-up for the driver; they also relieve monotony, drowsiness, tension and fatigue for passengers. On a family motoring trip, it's wise to take along a supply of candy bars, lollipops, caramels and other tasty confections.

Mrs. Hubert Williams Noratadata Hostess

Mrs. Hubert Williams was hostess when the members of the Noratadata Club met on Monday evening in the community center. Bridge was played following the refreshments and the business meeting. Mrs. D. Kirk Hopkins gave the program.

The members will hold their annual rummage sale here on October 19-20.

Present were Mrs. Dayton Barrett, Mrs. Henry Bauer, Mrs. Bill Brooks, Mrs. Billy R. Bynum, Mrs. J. I. Cope, Mrs. Bobby Dodds, Mrs. Worth Durham, Mrs. Forrest Foster, Mrs. Ross Foster, Mrs. Lynn Glass, Mrs. Hopkins, Mrs. Stan Horwood, Mrs. Chesley McDonald, Mrs. Foster Price, Mrs. Martin C. Reed, Mrs. Danny Stewart, Mrs. I.W. Terry, Mrs. James Thompson and Mrs. Finis Westbrook.

Salvation Army Fund Drive

The Salvation Army Service Unit will kick off its annual fund raising campaign in Sterling City on October 15, 1970, it was announced by the Rev. Andy Daniels, and Mrs. L. C. Alexander.

Funds collected in the drive will be used to pay for the Salvation Army's services to the underprivileged in Sterling County throughout the current year.

"Our campaign workers and Service Unit committee members are in harness for the big drive. We know that the people of Sterling County will come through with flying colors as they have consistently demonstrated in the past," Mrs. Alexander said.

The Sterling City Service Unit Committee, composed of business and civic leaders, carries out a year-round program to help people with emergency needs. In the name of The Salvation Army whom it represents, the committee pays for food, lodgings, utilities and such basic necessities that families or individuals may require in a temporary crisis.

The Service Unit also acts as liaison for the Salvation Army's state-wide program, which includes summer outings for boys at Camp Hobitzelle, care for un-wed mothers at the Home and Hospital in San Antonio, help for paroled prisoners, relief in major disasters, and other services.

Sterling City formerly maintained a "bum fund," but since has consolidated this fund into the Salvation Army auspices, and solicitations.

Members of the committee in Sterling are: The Rev. Andy Daniels, Mrs. L.C. Alexander, Seth Bailey, Bill Brooks, Jim Cantrell, Jack Douthit, D. Kirk Hopkins, A. C. (Skip) Lively, Albert McGinnes, Jake Martin, Rev. Harold Orr, and Mrs. Martin Reed—treasurer.

During 1969-70 the local unit sent \$50 to hurricane relief, \$20 to Henry Holcomb, and \$80 to transients for food, gas, etc.

'To Russia With Love'

Film to be Shown at First Baptist Church October 4

The film "To Russia with Love" will be shown Sunday, October 4 at 7:30 p.m. at the First Baptist Church. This is a full color film produced by Underground Evangelism featuring Pastor Stephen Bankov, minister to 56 Underground Churches, who escaped after severe torture for the "crime" of distributing thousands of smuggled Bibles to his people. It is an opportunity to view some of the exciting work being done behind the Iron Curtain by Underground Evangelism, a gospel outreach to the people of the Communist World, said local pastor Andy Daniel.

In this picture you will see Christians who risk their lives to smuggle Bibles into Russia, suspense filled Iron Curtain border crossing, Russian believers worshipping in an "underground" meeting, the joy as the Bibles arrive, and life in Russia today.

The public is cordially invited to come and see this film, said the pastor.

SCOTTIE STAMP PROGRAM TO END IN WEST TEXAS

Roland Lowe, of the Lowe Hardware and Furniture Co., has been notified by the Scottie Stamp Co. that they are ending that program in the West Texas area.

Scottie Stamps will continue to honor redemption of the stamps during the month of October. Lowe says he would like all his customers who have stamps to redeem them during October if possible. Lowe's is a giving, as well as a redemption center for the stamps.

The only reason that the company gave for discontinuing the program in West Texas was that it was due to circumstances beyond their control.

For Social Security

CHECK YOUR SOCIAL SECURITY RECORD

"How do I know my work under social security is being credited to my record, and how do I find out about it? This is one of the questions most frequently asked," says J. M. Talbot, social security manager.

In explaining the process involved in reporting social security, Mr. Talbot said, "When you work for wages, your employer deducts social security tax from your paycheck each pay day. At the end of each calendar quarter, he submits your name and number with payment for these taxes to Internal Revenue. Internal Revenue forwards copies to social security's main office in Baltimore, Maryland. Your wages are then posted to your record. The same process is followed for a self-employed person except that his earnings are recorded yearly."

Mr. Talbot states that the possibility of an error being made in the process does exist. He recommends that you request a statement of your earnings at least every three years.

All you have to do to secure the statement is to send a post card request available at your social security office to Baltimore, Maryland. If the reply you receive is incorrect in any way, contact the Social Security Office at 3000 West Harris Avenue (P. O. Box 3808) in San Angelo, Texas, or see the representative when he is in your area.

Fire Department Suggestions

TO REPORT A FIRE

1. DIAL 8-4771.
 2. GIVE YOUR FULL NAME
 3. GIVE THE LOCATION OF THE FIRE AND WHAT IT IS (HOUSE, BARN, OR WHATEVER), AND HOW TO BEST GET TO IT.
 4. STAY ON THE PHONE, IF POSSIBLE, UNTIL THE PERSON TAKING THE CALL HAS ALL THE INFORMATION HE WANTS.
 5. IF IT IS A HOUSE FIRE CLOSE ALL DOORS AND WINDOWS YOU CAN GET TO SAFELY, THEN GET IN THE CLEAR AND STAY AT THE SCENE. ONCE YOU ARE OUTSIDE THE HOUSE, DO NOT GO BACK IN THE BUILDING!
- WHEN THE SIREN BLOWS
1. STAY OFF THE STREET OR ROAD BEING USED BY THE FIRE TRUCKS AND FIREMEN.
 2. DO NOT PARK CARS OR TRUCKS WITHIN ONE BLOCK OF THE FIRE.
 3. NEVER, NEVER RUN OVER A FIRE HOSE, EVEN IF IT IS FLAT.

In all instances, use common sense, be as calm as you can, and give all information clearly completely, but in as few words as possible.
