## First Baptist Church ROYAL AMBASSADORS

The Royal Ambassadors (4-5-6) grade boys of the First Baptist Church are participating in the Concho Valley Baptist Association R.A. Basketball League. There are eighteen boys enrolled in the Sterling Chapter; two of the boys were sick, one was out of town, and the fourth boy couldn't make the trip. The boys are looking forward to another game on Saturday, February 27.

Meeting each Monday afternoon after school at 3:30 p.m. the Royal Ambassadors is a boys mission organization sponsored by the Baptist men. The First Baptist Church has two chapters—Crusader I for boys in the 1-2-3 grades with 12 boys enrolled and Crusader II for boys in the 4-5-6 grades with 18 boys enrolled. ## DISABLED WIDOWS BENEFITS

"Two years have passed and many persons are still not aware of the change in the social security law which provides monthly benefits for disabled widows at age 50," said J. M. Talbot, social security manager.

Since the law became effective in February, 1968, more than 32,000 disabled widows have qualified for monthly payments. Mr. Talbot estimated however that another 30,000 widows who might qualify for these benefits have never applied.

"The requirements for disabled widows' benefits are apparently not as well known as those for the more familiar widows' benefits at age 62, or reduced widows' benefits at age 60," Mr. Talbot continued. To qualify for benefits a widow, age 50 to 60, must have an impairment so severe that it keeps her from engaging in any work. The condition must also be expected to last for at least twelve months.

The widow's disability must have begun before her husband's death or not later than seven years after his death. A widow who has previously been entitled to benefits if she becomes disabled before payments to the children end or within seven years after they end.

Mrs. Dub Fincher the secretary. The WMU consists of two groups, the Monday Baptist Women with 9 enrolled and Mrs. Andy Anderson as president and the Tuesday Baptist Women with 16 enrolled and Mrs. Clifford Stephens as president.

These Baptist Women sponsor the Girl's Auxiliaries with 25 enrolled and Mrs. Troy Templin as director. The Girl's Auxiliaries consist of two groups—the 1-2-3 grades with 13 enrolled and Mrs. Amos Lawson as leader; the 4-5-6 grades with 12 enrolled and Mrs. Troy Templin and Mrs. Danny Slaughter as leaders.

The Baptist Women also sponsor the Mission Friends with 24 enrolled and Mrs. Andy Daniels, Mrs. Howell Bowen, Mrs. George Millsap, Mrs. Gregg Sparks and Mrs. Frank Stewart as leaders.

## Behind the 8-Ball

By the editor.

Well, for a short time about 8:15 here Thursday, it felt as if the drought was over, or at least there was a beginning of the end. It thundered, rained and hailed some that morning for a few minutes.

Although the rainfall didn't measure up to much, it looked and sounded good. It showed that it could rain here in the dry west part of Texas.

Briefly, the idea that maybe we would have a real wet spring dwelled in our mind.

Such is our hope. That is what it is going to take here.

It has gotten so dry here in the past six months that very soon we are going to have to staple the stamps on letters or use paper clips.

The "sprinkling" persuasion is going to come to the forefront, and little kids are actually going to be afraid of the rains of the future.

## Nursing Home Gifts and Memorials

Since the Sterling County Nursing Home is getting on toward completion, interested citizens are beginning to plan for gifts for the home. Some are organizations, such as the clubs, and some are private individuals, just wanting to make donations for room furnishings or equipment of many kinds for the place.

Rooms may be furnished as memorials to loved ones, or for any purpose. Most items will have to conform to standards for furnishings and equipment.

In fact, money is already being deposited for such purposes with Mrs. Martin Reed at the bank. The Sterling County Chapter of the Texas Sheep and Goat Raisers Association Auxiliary deposited a check for \$2,000.00 Wednesday for wool draperies for the new nursing home. The Lions Club has on hand \$500 for a colored TV for the lobby.

A group of interested and concerned persons met early this week to set up the program and work out dollar amounts for items that may be bought by interested persons or organizations. A letter is to be mailed out next week giving in detail amounts for items. Present at the meeting were Mrs. Worth Durham, Mrs. Chesley McDonald, Mrs. Roy Morgan, Mrs. Fowler McEntire, Mrs. Bill Humble, Mrs. Johnnie Donalson, Mrs. Larry Saunders, Mrs. Foster Conger, Mrs. Mildred Emery, county judge Jake Martin and John Allen, project architect.

As soon as the nursing home work is completed, work on the improvements to the hospital will get underway, it is said. The roof should be put on the nursing home this week and the inside work will wind up rapidly. Work is further along than most people realize.

## LIVING WALLS BY NANCY BRADY

## DINING ROOMS AND AREAS

Dining rooms—like old-fashioned parlors—give much pleasure. They enhance the ceremony of eating; their decoration, likewise, partakes of ritual: the centered table, the sideboard, the chandelier or wall sconces.

Somehow a deep dado is right for such a room, and above it a wallpaper mural or a large repeating pattern should be considered. Painted walls, or heavily paneled ones of wood, should be firmly rejected: the former because they lack richness and atmosphere, the latter because they have too much, like a clubroom.

In country houses, over a dado, a scenic "toile" might be an excellent choice, or even—if there is no dado—a broad floral stripe.

At present, the dining room is often just around the corner from the living room, and hence easy to decorate quite differently, with regard to both furniture and wallcovering. But it must be constantly remem-

bered that even here, as in all adjacent and visible areas, the colors should be related, from one area to the next, although the change in pattern and texture can be as abrupt as you wish.

In a small apartment the "dining room" may consist of nothing but a table and some chairs. Should you attempt to enclose them by screens or curtains? If you do, you may make an already small room seem smaller. Rather than cut up your floor space it might be wise to define the different areas by means of well-chosen wallcoverings. It would be sad not to point up a dining room in some way. The evening meal in particular should be heightened by romantic lighting and a colorful background.

For further information on wallpaper and wallcovering, send \$1.00 for a 208-page book to "Living Walls," Wallcovering Industry Bureau, 969 Third Avenue, New York, N.Y. 10022.

**Social Security Tips**

"Processing time can be cut in half if people are prepared when the time comes to apply for social security benefits," says J. M. Talbot, social security manager.

Being prepared is not as difficult as many people believe. Remember to take along your social security card or the card of the person on whose record you are filing. For a widow, this would be the social security card of her late husband. This may sound hard to believe, but many people do come in to file their application and leave their number at home.

The next most important document to take with you is your birth certificate, if available. Proof of age is needed to qualify for nearly all social security benefits. If your birth was recorded when you were born or if you were baptized before age five, you will need one of these documents. If you don't have a copy, make arrangements now to get one, Mr. Talbot advises.

If your birth was not recorded and you were not baptized before age five, there are other documents you can use. In most cases, the earlier the record was made the better it is for helping to establish your date of birth.

The third thing that is needed in all claims is evidence of the worker's last year's earnings and an estimate of this year's earnings. Your W-2 Form or tax return for last year will give the information for last year. Be sure to bring these with you.

"If I apply for disability benefits, do I have to be examined by a social security doctor before I can get any checks?" This is a question frequently asked when disabled workers claim social security disability insurance benefits.

J. M. Talbot, social security manager, says the social security law requires the applicant to supply the medical records on his condition. When you apply for benefits, you must provide a report from your attending doctor or hospital.

Information from the attending doctor and the hospital is generally all that is needed. However, in some instances, a specialist's report may be necessary to clarify a question or resolve a borderline situation. You may then be asked to go for a special examination to help provide the extra information.

If such a special examination is required, Mr. Talbot added, the Social Security Administration will pay for it. He stressed, however, that this is done only to supplement or clarify the initial information you have already provided.

When you apply for disability benefits, be ready to give the names and addresses of all your sources of medical treatment for your disabling condition.

Section 1 That Article III, Section 24, of the Texas Constitution, be amended to read as follows:

"(2) With the exception of the initial appointees, each member shall hold office for a term of six (6) years and until his successor is appointed and has qualified. In making the initial appointments, each appointing officer shall designate one (1) appointee to serve a term of two (2) years, one (1) appointee to serve a term of four (4) years, and one (1) appointee to serve a term of six (6) years. The membership shall designate one of its members to serve as chairman for a period of two (2) years.

"(3) The members of the commission shall be reimbursed for actual and necessary expenses incurred in the performance of their duties.

"(4) The commission shall recommend the compensation, per diem, and mileage allowance of members of the Legislature, and may recommend the salary of the Speaker of the House of Representatives and the Lieutenant Governor

"(5) The commission shall promulgate rules of ethics to govern the conduct of all legislators, legislative officers and all officeholders, appointive or elective, of any office, department, district agency, commission, board or any governmental unit or branch established by or under the authority of the constitution and laws of the State of Texas and all persons who shall use any privilege of the floor in either House of the Legislature. The Texas State Ethics Commission shall further promulgate rules providing that each member of the Legislature and each of the hereinabove named officeholders upon election and any appointee to any of these offices shall file with the State Ethics Commission a statement under oath setting out a complete financial statement in detail within 10 days after being elected or receiving an appointment. This information shall be privileged information to the State Ethics Commission to be used only by them to determine if there exists a conflict of interests or if there is or has been a violation of any of the rules of ethics promulgated by the Texas State Ethics Commission or any laws of the State of Texas. The Legislature shall enact statutes dealing with unauthorized disclosure or misuse of said privileged information.

"(6) The commission may hold its meetings, hearings and other proceedings at such times and places as it shall determine but shall meet in Austin at least once each year to review existing rules of ethics, legislative compensation rates, mileage allowances and per diem rates, and to make any changes deemed necessary.

"(7) All rules of ethics, compensation rates, mileage allowances or per diem rates currently in force, as well as all changes and recommendations by the State Ethics Commission shall be promulgated before the convening of any session of the Legislature by filing a certified copy of the proclamation with the Secretary of State.

"(a) Each rule of ethics or change thereof made by the commission shall take effect on the 15th day of the legislative session following the proclamation unless disap-

proved before that day by resolution of either House of the Legislature.

"(b) All rates of compensation, mileage allowances or per diem rates and all changes and recommendations made by the commission thereof shall not take effect until approved section by section by resolution of both Houses of the Legislature.

"All votes on these resolutions or parts thereof shall show the individual votes in the respective journals of both Houses.

"(8) The commission shall investigate any alleged violation of any rule of ethics promulgated by it and report its findings to the appropriate State agency, official, legislative body, grand jury or district attorney.

"(9) Until otherwise provided by the commission, each member of the Legislature shall receive from the public treasury an annual salary of Four Thousand, Eight Hundred Dollars (\$4,800) per year and per diem not exceeding Twelve Dollars (\$12) per day for the first 120 days only of each Regular Session and for 30 days of each Special Session of the Legislature. No Regular Session shall be of longer duration than 140 days. In addition to the per diem, the members of each House shall be entitled to mileage in going to and returning from the seat of government, which mileage shall not exceed Two Dollars and fifty cents (\$2.50) for every twenty-five (25) miles, the distance to be computed by the nearest and most direct route of travel, from a table of distances prepared by the Comptroller to each county seat now or hereafter established; no member to be entitled to mileage for any extra session that may be called within one day after adjournment of the Regular or Called session.

"(10) The commission is further authorized to recommend to each Legislature changes which will update, improve, and effect economy in the legislative process."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the 18th day of May, 1971, at which election the ballots shall be printed to provide for voting for or against the proposition: "The constitutional amendment to create a State Ethics Commission empowered to set rules of ethics for members of the Legislature, State officers and legislative officers, to investigate violations thereof, and to recommend compensation for members of the Legislature and the Lieutenant Governor and recommend improvements and economy in the legislative process."

### LIONS CRIPPLED CHILDRENS' CAMP

Members of Lions Clubs throughout Texas this month are pausing to pay recognition to their camp for crippled children which has given over 12 thousand handicapped youngsters a new dimension since it was opened in 1953.

The camp, located at Kerrville in the Hill Country of Central Texas, is free to crippled, blind, deaf or mute children from the ages of seven through sixteen. The 17 permanent buildings and other improvements dotting the 504-hill-side acres represent an investment of more than \$700,000.

At the camp, these youngsters who have been denied a normal childhood through no fault of their own learn to shed their shyness imposed by their handicaps. By mutual association with other handicapped children and by skillful and gentle counseling, these youngsters have found the freedom to grow, mentally and spiritually, into useful citizens of tomorrow.

While the Lions are paying tribute to their camp, we would like to pay tribute to the Lions and their friends who have supported this great venture of the heart. We know a man never stands so straight as when he stoops to help a crippled child.

### LOST MEDICARE CARD

Have you lost your Medicare card?

Your Medicare card should be in your possession at all times. J.M. Talbot, social security manager, said today. It is your proof to your doctor and to the hospital that Medicare will help pay your medical bills. The doctor or hospital can tell at what point you became entitled to Medicare benefits, and whether you are entitled to payment for both your hospital and your doctor bills—if you show him the Medicare card.

Perhaps the most important function of your Medicare card is that it furnishes your own claim number to the doctor and to the hospital. Any claims for payment on your behalf must contain this complete number in order for Medicare to assist with the payment of the bills.

If you do lose your card, call or visit your nearest social security office, and a free duplicate card will be obtained for you. However, it will take about three weeks to get this duplicate, so make your request as soon as you realize that you have lost your original. The hospital can, if necessary, admit you without your Medicare card; but, you can avoid considerable difficulty if you secure a new card before you become ill and need it.

For further information, contact the Social Security Office at 3000 West Harris Ave. (P. O. Box 3808) in San Angelo, Texas, or see the representative when he is in your area.

### Civil Service

Federal agencies, principally in the metropolitan area of Washington, D. C., need Electronics Technicians. The work involves maintenance, testing, and development of various electronic equipment, ranging from radio, radar, and sonar devices to computer systems. Both general and specialized experience are basic requirements for Electronics Technician positions, except where education may be substituted for such experience. Entry level for eligibles depends on quality and quantity of both. No written test is required. Starting annual salaries range from \$5,331 to \$10,927. Ask for Announcement No. WA-7-19.

Additional information on these and other Federal jobs may be obtained from the Civil Service Commission in Washington, D. C., 1900 E Street, NW, 20415.

### Social Security

Are you a social security beneficiary receiving his monthly check a few days late? According to J.M. Talbot, social security manager, it may be because you did not report a change of address.

When a beneficiary changes his address, he should notify the social security office in writing or in person. Reports should include the name of the person or persons moving, the social security claim number, and the old and new address.

Mr. Talbot said that notifying the Post Office alone is not sufficient. Even if the Post Office has a current address a delay still occurs because the check must be forwarded from one address to another.

Temporary financial hardship often results when checks are a few days late, particularly when social security benefits are the only source of income for a worker or his family. Beneficiaries can insure timely benefit payments only by keeping their address current.

Changes of address which have not already been reported to the Social Security Administration should be reported without further delay. Beneficiaries may report changes of address to the Social Security Office at 3000 West Harris Ave. (P.O. Box 3808) in San Angelo, Texas, or see the representative when he is in your area.
