Mildred Emery, hospital and Home administrator, outlined some specific needs that the League could meet immediately, and plans were made for alleviation of those needs. She reported that the Nursing Home has now been opened with nine guests in residence.

It was announced that annual dues \$2 per member are now payable and that a balance of \$68.00 is on hand.

Anyone, both men and women, with an interest in the well-being of patients in the hospital or home, is urged to join the league—regardless of degree of talent or lack of it—for each person has a moral benefit to contribute.

Meeting time for the league is the second Monday of each month.

To Miles Tonight

The Sterling City Eagles got started on the 1971 football season play last Friday night at Garden City. They clipped the Glasscock County Bearkats 40 to 18 in a non-conference game.

Garden City kicked off and Eagle Ray Escobar took the kickoff. The Sterling boys steadily pushed downfield and six plays later Escobar went over for a touchdown. The try for extra point was no good.

In the second quarter Eagle quarterback Ken Peel passed a couple to David Gaston for six points each. No extra points were chalked up. The game was 18 to 0 in favor of the locals at the half.

In the third quarter Garden City's Joe Garcia got away for a TD, and as a matter for the record got two more TD's in the fourth quarter.

In the third quarter Sterling halfback Escobar got away for another counter and the pass from Peel to Bobby Bynum was good for two extra points. Shortly thereafter, a pass from Peel to Escobar got another TD for the locals.

In the fourth and final quarter, Escobar took a kickoff (following a Garden City touchdown) and went 70 yards for a six-pointer. Bobby Bynum picked up the two extra points. Escobar ran over 70 yards on his first touchdown of the third quarter, too.

Coach Danny Slaughter of the Eagles said he was very pleased with the way the locals performed, but there were a few ragged spots to be ironed out in the coming games.

The Eagles go to Miles for a non-conference game tonight at 8 o'clock.

Brands Must Be Re-Recorded

NOTICE Concerning Rerecording of Brands in Texas

All brands and marks on Texas livestock must be re-recorded with County Clerks after August 30, 1971, according to a new law passed during the last session of the Texas Legislature. Producers will be given a six-months period (August 30, 1971 through February 29, 1972) in which to register these brands and marks and the location on the animal which they are currently using, after which time any unrecorded brand will be available for use on a "first come" basis.

The law further states that all such brands and marks must be rerecorded every 10 years. Each County Clerk records for his given county only, so many producers may need to record their brands in additional counties if their operations are extensive.

The new owner shall have the right during this six-month period to file the mark and brand now recorded in his name. In the event it cannot be determined from the records who first recorded the brand and mark in the county, then the person who has been using such mark and brand the longest shall have the right to have the brand and mark recorded in his name.

It should be noted that it is illegal to brand livestock without first properly recording the brand with the County Clerk in the county in which the livestock are held.

When the brand or brands are recorded, the location on the animal on which the brand is to be applied must be designated. If the brand is to be applied to more than one location on the animal, it

There is no limit to the number of brands and-or marks which may be recorded in a county by a person as long as requirements of this law governing the recording and rerecording of livestock brands are met. Minors may have marks or brands separate from that of the father or guardian, which must be recorded or rerecorded as provided by the new law.
