Around Muleshoe

There will be a Jack and Jill Invitational Softball Tournament has been planned in Muleshoe for August 12, 13 and 14 at the New City Park. Entry fee for the tournament is \$65 per team and each team is required to furnish a "blue dot" ball. Trophies will be given to first and second teams, as well as first, second and third individuals. August 8 is the deadline for entries. To enter call Evelyn Pope at 272-3976 or 272-4023.

The Catholic Church in Morton, Texas will sponsor a Jack and Jill Softball tournament on August 26, 27 and 28 at the Babe Ruth Park in Morton. Entry fee per team is \$65 each and the deadline for entry is August 24. First and second place trophies will be given for individuals and first, second, and third place for teams. For further information call 927-5378 for Kelly Kuehler or 266-8693.

The Texas Horseshoe Club of Lubbock has scheduled a First Annual Horseshoe Pitching and Washer Pitching Tournament on Sunday, August 7 at 82nd and Quaker Avenue. Entry deadline is 12 noon on August 7. The goal is to send teams to the State and National tournaments. Entry fees are \$20 per team and classifications include mens open, womens open and mens novice. Prizes range from \$1,000 in the men's open to \$250 gift certificate in the ladies' open. For further information call Al Robertson at 744-1654.

U.S. cotton consumption rose to a seasonally-adjusted annual rate of 5.9 million bale equivalents in June, the highest since July, 1981. National Cotton Council economists said the total was two percent higher than the previous month, and 19.1 percent greater than a year ago.

Commissioners OK Fire Truck Repairs

The Bailey County Commissioner's Court met in a special session Friday, July 29 at the courthouse.

Commissioners approved a motion for the county to pay for engine parts necessary to replace the engine in the fire truck in Bula.

Other items of business included the review of a financial statement, payment of county bills and review of the ambulance report. A few other miscellaneous items were attended to according to County Judge Gordon H. Green.

LAND UNDERGOING CHANGES....Despite the dry weather in Bailey County, local farmers are busy with CUA or lay-out land, getting the weeds and growth cleared from it. Spot checks are now underway by the ASCS office and farmers who do not comply with this could stand to lose their farm program benefits. This farmer is running a shredder to clear his land.

Muleshoe Schedules Tough Ten Weeks Of Football

With football season just a few short weeks away, Coach Windy Williams and his staff are hard at work and according to all reports have reason to expect a good season this year. The Mules stood 6-4 in the tough 2-AAA race in 1982, losing a couple of close games which kept them out of the playoffs, but Williams is expecting an excellent '84 season, with more size, speed and quickness than last year. "Our kids played well all last year," Williams is quick to tell you.

The Mules will have 12 returning starters this season - six offense and six defense - and some newcomers who should see some of the action this season.

As always, the Mules will play a quality football schedule this year, starting off with the traditional Portales Ram battle. This is always a tough one the Coach says because the Rams are multiple state champs and they are tough. The well-coached Rams run the same plays as do the Mules and oft-times, it seems as if each team is playing in a mirror. "It is a real challenge for us to play Portales," Williams stated. They have a good quarterback returning and they have some returning starters. Muleshoe will meet Portales there on September 2 at 8 p.m. CDT.

Next on the schedule will be Levelland and the Mules will be out for blood in this game, having lost to a tough Lobo squad last year. Levelland has some return-

ing starters and according to Williams is coached by one of the best coaches around in Coach Mayfield. "I played for Mayfield in college, so it is always good to have a chance to play him," Williams said. Levelland will meet the Mules in Muleshoe on September 9 at 8 p.m. On September 16, Muleshoe will travel to Floydada, which could prove to be the dark horse in the races this year. Floydada has a new head coach who could turn the tables for them. The Whirlwinds graduated quite a few players, but they are fast and tough, and according to Williams will traditionally be in the running.

Muleshoe will meet Idalou on September 23 in Idalou beginning at 8 p.m. Coach Williams tags the Idalou crew at "Stars of the South Plains," but warns fans to watch out for a good competitive match-up when the two teams come together. Idalou is fast and strong and will play tough. Reports indi-

Local Courts Log 84 Cases In Past Week

Reports from both Municipal and Justice courts for the past week show a total of 84 cases filed and a total of 51 cases disposed of locally. As in previous reports, speeding violations register the largest number of charges.

In the Justice Court, Justice of the Peace Jack Bates reported a total of 28 speeding violations filed for the period from July 26 through August 1, 1983. In addition to the speeding cases filed, five were filed on for being over the allowed gross weight, four for expired MVI, three for no registration in truck and two each for running a stop sign, public intoxication and no operator's license.

One case each was filed for illegal right turn from left hand lane, littering, muffler violation, no insurance and violation of drivers license restrictions.

Cases disposed of in Justice Court totaled 28 for the period involved, with 19 of these being for speeding violations. Three cases were disposed of involving defective stop lamps and one each on the following violations: expired MVI, no Texas commercial license, failure to show change of address on drivers license, fail to stop at stop sign, no brakes on

truck trailer and one for displaying hazardous materials sign when not handling hazardous materials.

In Municipal Court, Judge Linda Huckaby logged in 33 cases over the past week. Seven of the cases were for speeding and seven for violation of city ordinance (open container). Other cases filed included five for no drivers license, three for expired plates, and two each for no liability, bad checks, running a stop sign. One case each was filed on the following violations: illegal parking, violation of drivers

Farmers Market Possible

The Muleshoe Chamber of Commerce and Agriculture is asking area residents who would be interested in participating in a farmer's market selling locally grown produce to call the Chamber Office as soon as possible. If there is sufficient interest, the Chamber will attempt to arrange for a place to sell produce here in Muleshoe. Those interested should call the Chamber at 272-4248.

Enrollment Decline Affects State Funding

Reserve V Farmer Owned Corn Released

Corn in the farmer-owned reserve V was released for redemption, effective July 26, according to C. Hoke Leggett, vice president of the U.S. Department of Agriculture's Commodity Credit Corporation.

Reserve V contains corn placed in reserve after July 1, 1982. Leggett said today's action allows -- but does not require -- farmers to sell their reserve V corn after first repaying their CCC price support loans. However, he said, farmers may not repay reserve corn loans that are needed for their payment-in-kind entitlement.

The reason for today's action, he said, was that the national average price received by farmers for corn has reached the \$3.25 per bushel release level.

Current USDA activity reports show 1.471 billion bushels of corn in reserve V. However, a substantial quantity of this corn has been designated for the payment-in-kind program or sold to CCC under the PIK acquisition program and therefore will not be available for immediate redemption.

USDA makes storage payments to farmers with grain in the reserve. Upon repayment of the loan, farmers can keep the storage payments earned through the date of

repayment. Release of reserve V corn will continue through Aug. 31, Leggett said. If the five-day national average market price remains at or above \$3.25 on Sept. 1, storage earnings will stop and interest on the price support loan will begin to accrue for corn that has been in the reserve for more than one year. Interest already is accruing on loans for corn that has been in reserve less than one year.

If the Sept. 1 price falls below \$3.25, reserve V corn no longer will be in release status and farmers will continue earning storage payments.

Data used by CCC in determining the release level include five-day moving average prices -- as reported by USDA's Agricultural Marketing Service -- which show prices bid by buyers at selected markets, and a month-end report of prices received by farmers issued by USDA's Statistical Reporting Service. This report shows the previous

Proposed School Budget Work Begins

The Muleshoe I.S.D. Board of Trustees met in a special meeting August 1, 1983, to review the 1983-84 proposed school budget, with all seven members present.

The trustees were presented with preliminary information on the proposed budget. Specifically, the revenue from state sources was presented. It was noted that the decline in student enrollment had resulted in a loss of \$142,000 in state funding this past year. The total anticipated revenue for the coming year from state sources was estimated at \$2,110,407 which is approximately \$7,000 more than the amount that was budgeted in 1982-83.

Time was also devoted to the meeting to review anticipated local revenues. A report from Dale Jones, Chief Tax Appraiser, was examined. Reports indicate that the effective tax rate (the tax rate which will generate approximately the same tax revenue as the preceding year) for the Muleshoe I.S.D. will be 96 cents per \$100 evaluation. This means that Muleshoe

I.S.D. Board of Trustees can adopt a tax rate up to 99 cents (3% increase) without holding special tax rate hearings under the Truth and Taxation Laws which now govern all taxing entities in the State of Texas.

John Fuller pointed out to the local school board that current law limits their adoption of a tax rate to no more than an 8% increase without bringing the district into a condition that would make the district subject to the rollback provision in the Truth and Taxation Laws.

Fuller emphasized that he does not in any way anticipate needing an 8% increase but both board members and the general public need to be aware of the provisions of the law.

Salaries for the various campuses (excluding Federal programs) were analyzed. The total salaries anticipated (\$2,563,032) is \$15,292 less than the 1982-83 school year. Fuller emphasized that this reduction in total salaries was possible due to the fact that the legislature did not increase teachers' salaries, and that Muleshoe I.S.D. has reduced the teaching staff by five teachers along with replacing experienced teachers that retired with less experienced teachers.

Women's Softball Winners Named

The Muleshoe Women's Softball League recently completed their 1983 season with the "Renegades,"

a team sponsored by Joe's Garage in Muleshoe winning first place for the year. Thomas Kirven served as coach of the winning team.

Players for the Renegades included: Nancy Adragon, Mott Graves, Carmen Kirven, June Perez, Marilyn Lewis, Diamond Perez, Patsy Adragon, Lupe Costello, Sandra Williams, Mary Norman, Sheila Van Cleeve and Mary Ellen Hernandez.

Winning second place in the annual standings was the Orange Crush, sponsored by Dr. Homer Allgood. Vickie Morris served the "Crush" as coach and players included: Carol Rand, Trenna Matthews, Sheryl Kimbrough, Debbie Weir, Denise Wilson, Terry Thomas, Tanya Crawford, Tammy Black, Patti Robinson, Karen Austin and Polly Harrison.

Third place team for the season was the "Stars", coached by Roque Flores and sponsored by LaFiesta of Amarillo. Players for the Stars were: Norma Cruce, Betty Ovale, Beth Orozco, Kim Johnson, Virgie Pedrosa, Beatrice Pedrosa, Rosa Cont. Page 6 Col. 3

School Personnel Named; More Aides Needed

In a recent regular school board meeting, five new teachers were approved for employment by the Muleshoe Independent School Board of Trustees, and will report along with other

teachers on August 18. School is scheduled to begin on August 22.

Muleshoe will have a new high school girls coach and science teacher in Jerry Johnson, who has recently been hired. Johnson comes to Muleshoe from three years service as varsity girls coach in Pampa. He has nine years experience in the teaching field and received both his Bachelor's and Master's degree in Science at Eastern New Mexico University.

Roxie Johnson, also a Pampa transplant, served as a coach there during the 1982-83 school year. She has four years of experience with junior high school girls coaching and as a science teacher. She received her Bachelor of Science from Eastern New Mexico University.

A LIZARD WITH TWO TAILS????? An apparent reptile enthusiast brought a lizard by the Journal office last week for a photo. The strange thing about this particular lizard was that it had two tails and only three legs, a very vicious looking set of teeth which kept the photographer at a safe distance.

SENIOR 4-H MODELS... (L-R) Shelley Sain, Zanna Huckaby and Donae Parker were the senior 4-H winners at the dress review held here Saturday and will compete in district competition Friday, Aug. 5 in Lubbock. Winners in the Lubbock review will be eligible to compete in state competition at a later date.

Parade Kicks Off Tri-State Fair

Everyone loves a parade, and the Amarillo Tri State Fair Parade always draws a big crowd. This year will be no exception as the parade will begin at 10:00 a.m. on Polk Street in downtown Amarillo, according to John Kuhn, chairman of the Parade Committee, and will feature marching bands, military units, floats, horses, clowns - everything you love about a parade. The theme of this year's parade is "America's Decade of Water." Cash awards of \$250.00, \$100.00 and \$50.00 plus trophies will be given to the top three floats which best follow the theme of the parade. Trophies will be awarded for

the best overall entry and for the best entry in the following categories: military, equestrian, band (4 trophies to best bands from junior high through high school) junior ROTC, civic, youth and religious organization. Awards will be presented at the outdoor stage on the fairgrounds at 6:45 p.m., Saturday, September 3. Entries must be in the fair office by August 19. For entry forms or additional information you may call the Fair office at 806/376-7767 or write - Tri State Fair, P.O. Box 31087, Amarillo, Texas 79120.

Alcohol-Related Offenses Fill Local Law Agencies

Law enforcement officers in Bailey County, including local police, Sheriff's deputies and Department of Public Safety officers have spent a busy week in the one just past, with a "Duke's mixture" of violations and incidents being reported.

On July 29, Rosemary Rangel reported to local police officers that a stray cat had bitten her son on the left arm. The cat was picked up and taken to the animal shelter for observation.

A kidnapping was reported to Mary Gonzales Acosta to local police on July 28, when a suspect allegedly took a two year old boy away without consent. The child however, was located on St. Clair's parking lot with the suspect and was returned to the mother. No charges were filed.

The burglary of a residence was reported on July 29 by Lee Testerman who told police that food and money amounting to approximately \$50 was taken. A prowler was reported on August 1 by Willie Coleman near that residence at 122 Chicago. The suspect was unidentified and managed to escape. This matter is under investigation at this time.

On July 31, Connie Haight reported the burglary of a motor vehicle to the police department. Ms. Haight stated that she heard noises in the early morning hours and went to investigate, spotting the interior light of her auto on and seeing someone moving around inside. According to police reports Ms. Haight returned to the house and got her husband and they together drug the suspect out of the auto and held him in the yard until the arrival of the police. The intruder was arrested for public intoxication. He was taken to the county jail where he was booked and later released to his parents.

On July 31, local officers arrested Roby Wilson on charge of alleged public intoxication. He was taken to the county jail and later released under bond.

Manuel Rodriguez Olvera was arrested on July 31 on charges of alleged DWI after officers spotted the vehicle he was driving weaving back and forth on American Boulevard. He was unable to perform sobriety tests and was taken to the county jail where he submitted to a breath test. He was booked pending bond.

On July 31, Billy Gene Scuddy, Sr. was arrested on a charge of alleged public intoxication when he was a passenger in a vehicle driven by his son. He was taken to the county jail and booked pending bond.

Fidensio Viciene was arrested on August 1 on a charge of alleged DWI after he failed to perform sobriety tests for officers. He was transported to the county jail and booked pending bond.

Also on July 31, Billy Gene Scuddy, Jr. was arrested on a charge of al-

leged DWI, after officers initially stopped him for a speeding violation. Officers reported that Scuddy was very unsteady on his feet and was taken to the county jail where he became very uncooperative. He was booked pending bond.

On July 28 an accident occurred involving Richard Pope and Letha Jean Mouser. The Pope vehicle was stopped at a red light and the Mouser vehicle was stopped behind it. Reports indicated that the Pope vehicle moved backwards to avoid being hit by a truck, thereby hitting the Mouser vehicle. Pope received a ticket for unsafe backing.

On July 28 also, Ricky McDonald reported the burglary of a rent house which occurred sometime in the past month. A color TV and a ceiling fan valued at a total of \$650 was taken after the intruder gained entrance through an unlocked front door.

Loretta C. Flores was arrested by local police on July 26 on a Capias Pro fine (charge for speeding). She paid a \$15 fine and was released.

A burglary was reported by Lenu Lumber Company on July 28. Upon investigation, officers found that a window had been broken out to allow access to the building. However, no items were reported missing. This is still under investigation. Also on July 28, Western Drug owner, Paul Wilbanks reported a burglary to police. The intruder entered the store sometime between the 27th and the 28th through an air conditioner vent on the roof of the building. Cash and a number of drugs were taken, as well as damage done to the vent. Police were unable to take any finger prints at the scene due to everything being wiped clean. Investigation is continuing into this matter.

Thursie Reid reported vandalism to window screens in the amount of \$100 on a vacant house on July 28.

Richard Dallas Pope was arrested on Highway Patrol warrants for speeding and failure to appear from Garland, Texas when he was involved in an accident at the Crossroads on July 28. A check of his drivers license revealed the outstanding warrants.

On July 26, a report was filed involving a car driven by Blanche Anzaldua who hit a legally parked vehicle as she backed out from the Post Office.

Another accident was reported on July 25, involving Enrique Carlos Mendez and Steve Turner when the Mendez vehicle reportedly struck the Turner vehicle in the right side.

Twenty three offenders were logged into the County Jail over the past few days, with eleven of them being involved with driving while intoxicated charges. These were compiled from local police, Sheriff and Department of Public Safety records.

On July 19 Santos Castro

was arrested on a charge of alleged DWI. He was fined \$250 and court costs and three days in jail. On July 22 William Hern was arrested on a probation revocation. Also on the 22nd Leon F. Lopez was arrested on an alleged charge of driving while license suspended. He was released on \$750 bond.

On July 23, local police arrested Brandon Dee Hall on charges of alleged DWI-Felony. He was later released on a \$2500, appearance bond. Kim Wade Gatewood was arrested on July 23 on a charge of alleged evading arrest. He was later released on \$500 bond.

Valencia Paez was arrested on a charge of alleged disorderly conduct on July 24. He was released on a \$55 bond. On July 24 Miguel G. Rodriguez was arrested on charges of alleged DWI and driving with license suspended. He was released after posting two \$500 bonds on the two charges. Alberto Mendoza was arrested on July 24 on charges of alleged driving with license suspended. He was released after posting a \$750 bond.

On July 24, Jose Edua-

Almost an Orchid

This iris is a gorgeous flower, so beautiful that one feels that it is almost an orchid. But on the flower market the iris brings no premium; it is no substitute for an orchid. There are substitutes for many things in life, but as there is none for the orchid, just so is there none for Christianity. Only the real thing gives life and that abundantly. Go to Church this week and partake of the blessing God offers to you.

EVERYONE IN THE CHURCH IS A CHURCH IN EVERYONE

Is something wrong with your life... an inner creative dissatisfaction? The answer to every human problem comes only from God our Maker. He alone can forgive and restore. Through the church God has committed the provision and proclamation of His forgiveness and redemption here. Without a church relation no one is securely related to God. Everyone should be in the Church and the Church in everyone!

Miss Dupler, Sears United In Marriage

Miss Susan Michele Dupler became the bride of Kenneth Scott Sears in a candlelight ceremony at 5 p.m. Friday, July 29 in the First Baptist Church of Andrews. David T. Miller read the marriage vows.

Parents of the couple are Mr. and Mrs. Leon Dupler and Mr. and Mrs. Bill Sears, all of Andrews. The church was decorated with a white arch accented with greenery, blue birds and blue streamers. Also seven branch candelabras decorated with greenery and blue bows.

The traditional "Bridal March" was played by organist, Mrs. Geraldine Harris. Cindy Barlow sang "There Is Love" and Julie Hanks sang "O Perfect Love." They were accompanied by Mrs. Harris on the organ.

Given in marriage by her parents, the bride wore a white gown featuring a Queen Ann neckline and a seed pearl bodice of Chantilly lace and ruffles draping into a chapel length train. The long full sleeves and chapel length veil were trimmed in

Rebekah Lodge Meeting Held

The Rebekah Lodge #114 met Tuesday, July 26 at 8 p.m. with Mildred Neeley, Noble Grand in charge.

The Charter was draped in memory of Sadie Bass by Ona Berry, Maud Robinson, Patsy Chance and Mildred Neeley. E.W. and Steve Bass were special guests.

It was noted that Mary Franklin and Renee' Rudd have been elected to receive the Rebekah Degree on August 23.

Open house will be held on August 16 at the Rebekah Lodge. Jimmie Lee, a Muleshoe High student will be on hand to present a program and give a report on his trip to the United Nations in New York.

Ruby Green was elected to fill a vacancy as team captain due to the resignation of Lena Hawkins.

Completion of the handmade quilt project has taken place and will soon be advertised by the various media.

An open house and pot luck supper on August 4 will honor Harold and Delle DeLoach. The DeLoaches are moving to California.

The organization also voted to enter a car in the Mule Days parade and appointed Jimmie Lee to ride in the car.

matching lace and pearls. She carried a silk flower bouquet featuring blue carnations and baby's breath accented with white lace and blue streamers.

Beverly Layton of Morton, sister of the bride, served as matron of honor. Bridesmaids were Michelle Lane and Mitzi Robertson, both of Maple, and Penny Dupler of Andrews, niece of the bride. Flower girl was Jaclyn Dupler, niece of the bride, of Mt. Vernon.

Bruce Sears of Andrews served his brother as best man. Groomsmen were Keith Brooks, Randy Nelson and Bob Tomkin, all of Andrews.

Candlelighters were Michael Dupler, nephew of the bride; and Kelly Sears, sister of the groom.

Following the ceremony a reception was held in the church parlor. The bride's table was covered with a white lace over floor length blue tablecloth. A white Satellite wedding cake with blue flowers and trim, was served from a silver punch fountain. A blue-bird centerpiece accented the table.

The groom's table was covered with a blue floor-length tablecloth. A chocolate cake and coffee were served from a gold coffee service.

Pam Duley and Anna McKaskle served at the bride's table. Serving at the groom's table were Gay O'Conner and Shanna Gilliam. Pam Duley registered the guests.

Following a wedding trip to Ruidoso the couple will make their home in Arlington.

The bride attended Andrews High School. Sears also attended Andrews High School and is employed by Kay Electric of Andrews as an appliance electrician assistant.

Auditions Set For SPC Chorus, Showstoppers

Auditions for both the South Plains College Chorus and Showstoppers will begin Aug. 16, according to SPC choral director, Jan Jessup.

The College Chorus is a mixed ensemble of about 50 singers who present concerts each semester on campus and in the surrounding area, according to Jessup. The Chorus will be featured next April as part of SPC's Creative Arts Series.

The Show Stoppers is a smaller, choreographed group of about 12 singers who perform show and Broadway music exclusively, she added.

Scholarships are available for participants in both ensembles.

Interested persons should contact Jessup in care of South Plains College, Levelland, Texas (79336) 894-9611. Fall registration for SPC will be Aug. 25-26.

Heritage Registration Of Land Extended

Agriculture Commissioner Jim Hightower announced today that the deadline for registration for the 1983 Family Land Heritage Program has been extended to September 16.

"Already, nearly fifty agricultural properties have qualified for this year's program," said Hightower, "but we want to find all of the farms and ranches that should be honored by this program."

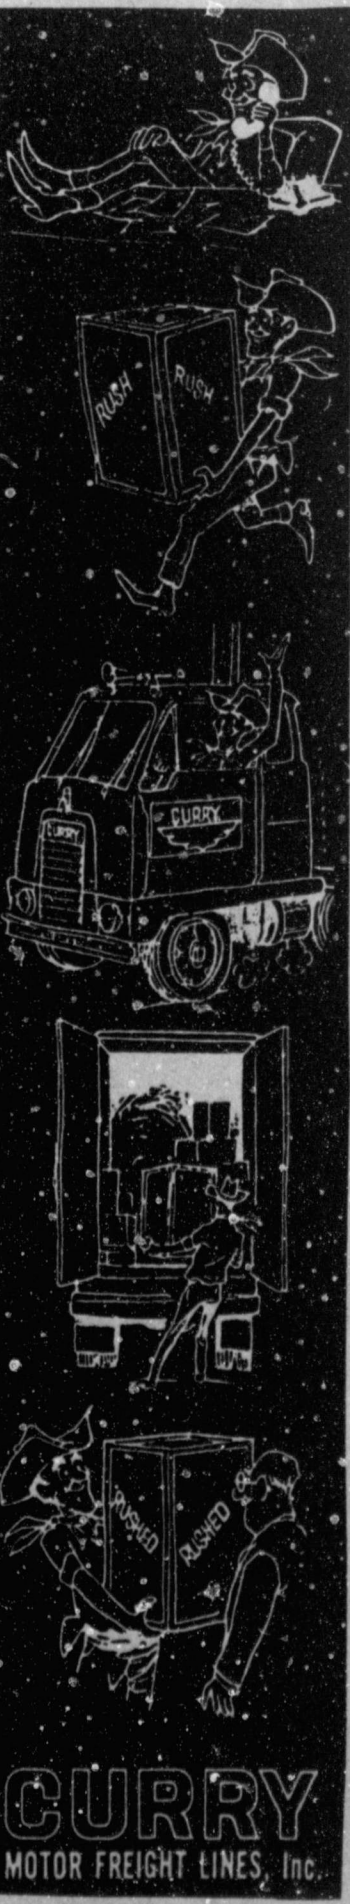

The Family Land Heritage Program was created by the Texas Department of Agriculture to honor families who own land which has been maintained in agricultural production for 100 years or more by the members of that family. Since 1974, when the program began, 1558 properties in Texas have qualified for the program.

The basic requirements of the Program are: continuous agricultural production on the farm/ranch for 100 years, land ownership within the family, complete operation or supervision of the farm/ranch production by family members who are Texas residents, and a size of at least 10 acres with a minimum of \$50 income from farm or ranch products or if less than 10 acres, sales of at least \$250 a year.

Honorees in the program receive certificates of recognition during a ceremony at the State Capitol in November, and histories of each property are included in the Texas Family Land Heritage Registry published by the Texas Department of Agriculture.

Families who may be eligible for the Program may obtain an application from their county judges, county Historical Commission chairperson, or by writing the Texas Department of Agriculture, P.O. Box 12847, Austin, Texas 78711. Once the completed forms have been certified by the county judge, they should then be mailed to the TDA Austin office for final consideration.

People who plan for their future usually succeed better than those who do not, but there is no law which requires you make such plans.

the prowl when they meet the Mules. This will be the homecoming game and fans can look for a little "blood in the this game" according to Williams.

The Mules will meet Abernathy on October 7 at 7:30 p.m. in Abernathy. Coach Williams told the Journal that the Antelopes were as improved a team as any around this year. They have a dozen or so starters returning and some speed. Abernathy had a tough year last year, but they have the material to be one of the best teams around. Muleshoe will not meet any teams that will be a sure win for them, since every team on the schedule is a quality football team.

The Dimmitt Bobcats will come to town October 14 and play will commence at 7:30 p.m. in Benny Douglas Stadium. Dimmitt graduated some of their 1983 team, but will have some big linemen back this year. We can expect about the same type and quality team in 1983-84 as they had last year, Williams says.

Muleshoe will meet the Littlefield Wildcats on their home turf on October 21 and the game promises to be a good one. Williams expressed his respect for the coaching staff at Littlefield, saying that they have some of the best anywhere. Littlefield has a good football program which enables them to get into the finals. Although the number "13" is supposed to be unlucky - it would not seem so for the Cats, since they will be returning 13 starters from a state playoff team. Williams emphasized that the "Mules are not awed by the Littlefield team, and fans can expect an all out effort and tough game."

October 28 at 7:30 p.m. the Mules will play Friona at Friona. Williams says that Friona is as good or better than last year. They

The next school board meeting will be Thursday night, August 4, 1983. Areas to be included Thursday are contractual services, capital outlay, and possible renovation or construction plans. The public is urged to participate in this committee meeting which will begin at 8:00 p.m.

The formal public hearing for the 1983-84 budget will be held August 22, 1983, with the adoption of the budget scheduled for August 30, 1983. According to Superintendent Fuller, finalized copies of the proposed budget will be available to the public prior to the August 22 Budget Hearing.

will not be quite as big, but they will be strong and they have a lot of depth in the back field. Look for a lot of heads up football in this game.

Finishing out the season on November 4, the Mules will play Tulia at Muleshoe beginning at 7:30 p.m. According to Williams, Tulia has the opportunity to be improved a lot. They have a new coach who automatically caused their stock in football to go up. That new coach's name is Wilson, and he is formerly from Floydada. Tulia has a good

Another junior high school teacher and coach who will start in Muleshoe this fall is Ray Donaldson. Donaldson has five years previous experience as a teacher and coach. He is returning to the teaching profession after several years off. He last served in the Farwell ISD in 1975. The new instructor received his Bachelor of Science degree from Wayland Baptist University.

Superintendent John Fuller told the Journal Monday that positions would also be open for two

month's average price and the current mid-month price.

The four daily corn markets CCC reviews are Kansas City, Omaha, St. Louis and Minneapolis. The five-day average of these market prices, adjusted to reflect prices received by farmers, was the basis for today's action.

On July 15, USDA released the 1.147 billion bushels of corn in reserve IV for redemption because the national average price reached the \$3.15-per-bushel release level. Much of that reserve corn also had been designated for the PIK program or sold to CCC under the PIK acquisition program, before the market price reached the release level.

Randall L. Field, C.P.A.
 Williams, Adair, Sudduth & Co.

When you and your family own all of the stock of an incorporated business, it's natural to think of all of the company as yours. Keep in mind, however, that there is a legal distinction between what belongs to you and what belongs to the corporation.

There can be tax consequences for short-cutting the transfer of assets between you and your company.

The biggest problem area concerns "borrowing" cash from your corporation. A transfer you consider to be a loan may be considered by the IRS as a dividend or as compensation to you. If labeled as a dividend, it is non-deductible by the corporation but taxable to you. If labeled as compensation, it is deductible by the corporation and taxable to you. In either event, you're going to have an unwelcome increase in your personal income tax as well as interest charged by the IRS.

There are a few steps you can take to help ward off the problem. If you intend to borrow from your corporation, make sure there is a note signed by you to the corporation. Provide collateral if possible and have the corporate books reflect the loan to you. Have the minutes of the Board of Directors' meeting approve your loans.

You may have a false sense of comfort since your past "loans" are reflected in the corporation tax return and the IRS has said nothing about them. The IRS will generally make comment only after an "audit" of the corporation.

If you intend to sell or liquidate your corporation, you will have to deal with the "loans" at that time.

Check with your attorney to determine that your corporate charter does not prohibit loans to corporate shareholders or directors.

quarterback, some good running backs and receivers, though their line will not be as big as last year.

The Hornet's nest will be tough to invade, but if the Mules stick to their new motto "Together, We Can" they can do the whole smear. The trick will be to get together and stay together throughout the ten games for ten weeks.

Block Says West Texas Drought 'Not Serious'

Texas Agriculture Commissioner Jim Hightower last week accused U.S. Secretary of Agriculture John Block of "fiddling around while West Texas burns up in the worst drought in 30 years."

In a letter to Texas Gov. Mark White, Block denied the state's request for emergency feed assistance for drought-stricken West Texas ranchers, explaining that the USDA would "keep a close watch on the situation and if the drought

license restrictions, unsafe backing, failure to leave information at the scene of an accident and public intoxication.

Cases disposed of in Municipal Court totaled 23 for the just past period. Seven of these cases were for speeding, three for violation of city ordinance, three for defective lights, two for no liability insurance, two for public intoxication and one each on the following: bad check, running stop sign, expired MVI, expired plates, no drivers license and cutting across private drive.

Fuller also stated that several aide positions will still need to be filled, and advised those wishing to apply to contact each school's respective principal. There will also be an opening for a special education aide, the principal stated.

The Muleshoe Mixed League team play has gotten underway with six teams now in the running. On July 26 games were played in the new city park between "Heat" and "Get Lucky" with Heat winning 17-4, also playing were "Sting" and "Wildbunch" with the Sting winning 10-7 and one game was postponed.

On July 28, Braxton's and the Wildbunch forfeited a game; Sting and Heat played with the "Heat" team winning 16-10. The Nighthawk team lost out to the "Get Lucky" team by one run with a 12-11 score.

Games are played on Tuesday and Thursday evening beginning at 7 p.m. in the New City Park. There is a 55 minute game time limit. Play will continue through August 25.

members are urged to attend. Hospitality begins at 6:45 p.m. with the dinner starting at 7:30 p.m.

the 1950s isn't serious enough for John Block, I hate to think how bad things will have to get before he feels the heat," Hightower said. "There's zero moisture in most of that area out there, with no grass for the cattle and sheep to feed on, and the stock tanks are drying up. Ranchers have been buying feed for months. That sounds pretty serious to me."

"And why wait till the drought expands? It already covers an area bigger than the state of Pennsylvania."

Many ranchers are being forced to sell off sheep and cattle herds at substantial losses because of the drought, Hightower said, and it will take years for the ranchers to rebuild the

herds. "Block needs to get out of his air-conditioned office and come out to the real world, where real people are suffering because of his inaction. These ranchers have spent a lifetime building herds that do well in the West Texas climate, but this drought is wiping them out. When they sell off their livestock because they can't afford to feed them, they're losing more than just a bunch of cows and sheep, and more than just money. They're losing what they've spent years building. If they have to

start over, they'll have to start from scratch," Hightower said.

"Block has it in his power to do something about this tragedy, but he doesn't think it's serious enough. I suspect he could tour hell itself and not notice that it's a little hot and dry."

Julian B. Heron Jr., chairman, U.S. Agricultural Export Development Council:

"The Chinese have clearly linked the textile situation to their agricultural purchases."

Mac Davis To Return To SP Fair
Lubbock native Mac Davis will be returning to his hometown to perform after an absence of 10 years when he helps launch the 66th annual Panhandle South Plains Fair on an eight-day run Sept. 24.
Davis' booking was confirmed after lengthy negotiations revolved around the completion of an NBC-TV special, scheduled to be concluded two days prior to his appearance here, according to fair general manager Steve L. Lewis.
He will stop here for a pair of shows on opening day and will leave immediately for an engagement in Las Vegas, Nev.
Davis last appeared at the fair in 1973 along with Donna Fargo, doing four shows in two days and drawing some 7,000 fans to Fair Park Coliseum.
In a newspaper poll conducted by the fair association last November, Davis was in a virtual tie with Alabama as the entertainer fair patrons most wanted to see.
"We tried seriously the last five years to get him," Lewis said, "but he was unable to come for a variety of reasons. We offered a strong package the last two years.
"We are very excited and tickled to death to get him. He's done so much for Lubbock," Lewis said in announcing the show.
"He's an international superstar." It's one of the latest announcements of a show in fair history, but we put everything else aside. He was No. 1 priority and the board of directors is proud to sign him," Lewis noted.
Owen W. McWhorter Jr., president of the board of the non-profit fair association, said, "We are very excited that Mac Davis will be performing opening night at the fair. It is a special occasion when a performer of his caliber returns to entertain his home town. We could not have found a more appropriate person to lead off our week of entertainment."
The middle of three children born to T.J. and Edith Davis, his parents were divorced when Davis was 9. His father, who still lives here, bought him his first guitar—a Hawaiian steel guitar—at a time when Davis was shy about singing in public.
But he started seriously considering music after he caught a glimpse of a white convertible being driven around Lubbock by another famous native son, Buddy Holly and The Crickets. That was the beginning of his dream.
Just after high school, Davis left Lubbock and wound up in Atlanta, Ga., where he enrolled in Emory University for a year, then later worked clerking with the city probation department. He also moonlighted playing high school sock hops and fraternity bashes in a rock band.
Davis married young and had his only son, Scott. He continued with his musical interests behind-the-scenes as a promotion man for Vee Jay Records and later worked in the publishing division of Liberty Records.
Finally, in the late 1960s, his songwriting career began to click. He wrote three hits for Elvis Presley, "In the Ghetto," "Memories" and "Don't Cry Daddy," which led to other stars recording his tunes. That list included Lou Rawls, Glen Campbell, Bobby Goldsboro, Kenny Rogers, Andy Williams, O. C. Smith and Dolly Parton.
His tune, "I Believe in Music," is a pop standard which has sold millions and has been recorded by more than 50 artists. In 1971, Davis recorded his debut album and followed it in 1972 with "Baby, Don't Get Hooked On Me," which became a No. 1 chart hit.
A string of million-selling singles followed, including "Baby, Don't Get Hooked On Me," "Stop and Smell the Roses" and "One Hell

Mac Davis To Return To SP Fair

Lubbock native Mac Davis will be returning to his hometown to perform after an absence of 10 years when he helps launch the 66th annual Panhandle South Plains Fair on an eight-day run Sept. 24.
Davis' booking was confirmed after lengthy negotiations revolved around the completion of an NBC-TV special, scheduled to be concluded two days prior to his appearance here, according to fair general manager Steve L. Lewis.
He will stop here for a pair of shows on opening day and will leave immediately for an engagement in Las Vegas, Nev.
Davis last appeared at the fair in 1973 along with Donna Fargo, doing four shows in two days and drawing some 7,000 fans to Fair Park Coliseum.
In a newspaper poll conducted by the fair association last November, Davis was in a virtual tie with Alabama as the entertainer fair patrons most wanted to see.
"We tried seriously the last five years to get him," Lewis said, "but he was unable to come for a variety of reasons. We offered a strong package the last two years.
"We are very excited and tickled to death to get him. He's done so much for Lubbock," Lewis said in announcing the show.
"He's an international superstar." It's one of the latest announcements of a show in fair history, but we put everything else aside. He was No. 1 priority and the board of directors is proud to sign him," Lewis noted.
Owen W. McWhorter Jr., president of the board of the non-profit fair association, said, "We are very excited that Mac Davis will be performing opening night at the fair. It is a special occasion when a performer of his caliber returns to entertain his home town. We could not have found a more appropriate person to lead off our week of entertainment."
The middle of three children born to T.J. and Edith Davis, his parents were divorced when Davis was 9. His father, who still lives here, bought him his first guitar—a Hawaiian steel guitar—at a time when Davis was shy about singing in public.
But he started seriously considering music after he caught a glimpse of a white convertible being driven around Lubbock by another famous native son, Buddy Holly and The Crickets. That was the beginning of his dream.
Just after high school, Davis left Lubbock and wound up in Atlanta, Ga., where he enrolled in Emory University for a year, then later worked clerking with the city probation department. He also moonlighted playing high school sock hops and fraternity bashes in a rock band.
Davis married young and had his only son, Scott. He continued with his musical interests behind-the-scenes as a promotion man for Vee Jay Records and later worked in the publishing division of Liberty Records.
Finally, in the late 1960s, his songwriting career began to click. He wrote three hits for Elvis Presley, "In the Ghetto," "Memories" and "Don't Cry Daddy," which led to other stars recording his tunes. That list included Lou Rawls, Glen Campbell, Bobby Goldsboro, Kenny Rogers, Andy Williams, O. C. Smith and Dolly Parton.
His tune, "I Believe in Music," is a pop standard which has sold millions and has been recorded by more than 50 artists. In 1971, Davis recorded his debut album and followed it in 1972 with "Baby, Don't Get Hooked On Me," which became a No. 1 chart hit.
A string of million-selling singles followed, including "Baby, Don't Get Hooked On Me," "Stop and Smell the Roses" and "One Hell

of a Woman.
"It's Hard to be Humble," released by Casablanca in mid-1980, is one of Davis' strongest albums. It netted sales nearing 400,000 and yielded two major chart hits, "It's Hard to be Humble" and "Let's Keep it That Way."
While filming "Cheaper to Keep Her," Davis began writing a series of songs that were included in the album "Texas in My Rear-view Mirror."
"The album is really an introspective view of my past and present," Davis said. "It has nostalgia, but it's really about special people in my life and realizing that many of them are back home. Everyone has special people, and those are the people who you really care about most."
The album contains songs that vary from pure country to pop and pop-rock. The title track is a saga of how he first arrived in Hollywood, his early tribulations as a struggling songwriter and his self-realization about remembering his early days.
"I feel this album should reach a lot of people, whether they've lived in Texas or not," he said. "Anybody who has ever gone through puberty should relate to it, because basically it's about growing up and trying to establish your own identity."
He has successfully intertwined recording hit records with a rigid national touring schedule that has included sellout engagements in Vegas and Lake Tahoe to state fairs and one-nighters.

In the past 11 years he has been a prime-time favorite of millions through a string of highly-rated NBC specials, for which he is contracted to do two each year. In addition, he also starred along with Nick Nolte and others in the football-oriented motion picture, "North Dallas Forty."
In the past decade he also has racked up such honors as the country music association's "Entertainer of the year" award and the People's Choice Award's "Favorite Male Entertainer" accolade.
In the future, he hopes to make a new movie every "year or 18 months" as well as continue his music.
Davis will be performing here at 7 p.m. and 9 p.m. on opening day of the exposition. Tickets for his show are \$8 and \$10.
Other shows on tap for the 1983 Exposition have been announced earlier except for the closing day and those negotiations are continuing. The remainder of the card includes Reba McEntire and the Maines Brothers, Sept. 26; Larry Gatlin and the Gatlin Brothers, Sept. 27; Ronnie Milsap, Sept. 28; Conway Twitty, Sept. 29 and Mel Tillis, Sept. 30.
The McEntire/Maines show will be at 4 p.m. and 7 p.m.
All other shows are at 7 p.m. and 9 p.m. and will be one-hour productions with no intermission. Tickets for all except the Davis show are \$7 and \$9 and may be obtained at the fair office or by writing to Show Tickets, P.O. Box 208, Lubbock, Tex., 79408.

SP Fair Quarter Horse Judge Named

Jack L. Daugherty of Fayetteville, Ark., has been named as judge of the Quarter Horse Show which is scheduled to help bring down the curtain on the 66th annual Panhandle South Plains Fair at Lubbock.
Judging will begin at 8 a.m. on Oct. 1, last day of the eight-day fair run, in Fair Park Livestock Pavilion, according to Steve L. Lewis, general manager.
Entries will be accepted until Sept. 19 and the following fees will be charged: youth classes \$5; halter classes \$8; performance classes \$15 (\$10 per horse jackpot); and stall fees, \$10.
In youth classes, no premiums will be paid but trophies will go to all first place winners. Payoffs range from \$35 for first place to \$10 for sixth spot in halter classes and from 40 percent to 10 percent for first to fourth place in performance classes.
The show is sanctioned by the American Quarter Horse Association, the Golden Spread Quarter Horse Association, the Quarter Horse Association, the Gold Horse Association of West Texas and the Texas Junior Quarter Horse Association.
Other show officials include Alan Day, superintendent; Marvin Ensor, assistant; Bob Middleton, ring steward and Bobbie Green, secretary.
Entries received after the September 19 deadline will be charged an additional \$2 fee. Entries should be mailed to the fair office.
Meanwhile, negotiations continue for entertainers to open and close the exposition, but the remainder of the slate is complete, Lewis said.
Reba McEntire and the Maines Brothers will co-headline a pair of shows at 4 p.m. and 7 p.m. on Sept. 26.
Other shows on tap include Larry Gatlin and the Gatlin Brothers Band, Sept. 27; Ronnie Milsap, Sept. 28; Conway Twitty, Sept. 29; and Mel Tillis, Sept. 30. These shows are booked for 7 p.m. and 9 p.m. and will be one-hour performances with no intermission.

IRA Bills Designed To Enhance Program

U.S. Rep. Kent Hance, D-Texas, last week introduced two bills designed to enhance the current Individual Retirement Account (IRA) program.
The Hance bills would increase the annual contribution limit for spouses who do not work outside the home from the current \$250 to \$2,000 and would index the maximum IRA contribution limits to inflation beginning in 1986.
Both bills were referred to the tax-writing Ways and Means Committee, of which Hance is a member.
"The IRAs are designed to encourage savings for retirement and the two bills I introduced today provide even more incentives," said Hance. "I do not think it's fair to penalize a so-called non-working spouse, most of whom are house-

wives, by limiting their maximum annual contribution to \$250."
"I don't think it's right to penalize a woman who chooses to stay home and raise a family."
"Indexing IRA limits to inflation is needed to maintain the financial integrity of the plan," added the Texas Democrat. "It's foolhardy to think inflation won't erode the buying power of today's dollars by the time IRAs are needed for retirement income. We already have such a provision written into law for corporate retirement plans and it's only right to extend the provisions to individual retirement plans."
The Hance bill would treat IRA limits the same as corporate retirement plans which already have automatic increases indexed to inflation.

Damron Drug Store has been in business in Muleshoe for more than 50 years, and through the years, the Damrons have seen many, many changes in the Drug business.

Located for a number of years in the 300 block of Main Street, Sam Damron continues to provide the same type of business his father the late Joe Damron was noted for.

Damron Drug dispenses drugs and prescriptions of all types, and continues to maintain a snack bar and soda fountain for their customers.

In addition, they have a large supply of gift items of all kinds. Sam says they are already receiving many Christmas items, and a specialty right now would be shower gifts -- especially in the baby line.

In the picture above, Pharmacist Rejina Finke is shown with the Rock-A-Bye Bear, a cuddly plush bear with an unusual feature. According to the tag, the bear "Contains the actual maternal pulse sounds as heard by baby in the womb, prior to birth."

It is said that the fussiest infant will cuddle right up and go to sleep when it hears the sounds of the mother's heartbeat and the sounds as it moves in the amniotic fluids in the mother's womb.

Another gift selection from Damron Drug especially for showers, would be the "Happy Face" Crib side musical, made of washable cotton and gingham and the "Baby Susan" which is utilized to keep jars of baby food where they can be rotated and easily located.

Many other gift items, along with Amity Bill-folds and Timex watches are also featured at Damron's, along with a full line of cosmetics and personal care items for both men and women.

Sam, Rejina and the entire crew of Damron Drug invite you to stop by and check out their gift items.
