The Volunteer Service League of the hospital and nursing home wants and needs any and all scraps of double knit material.

The plan is to make robes out of the scraps for the patients at the nursing home. They need THOSE SCRAPS!

Septemberfest

The worst place in Texas, yet the best place, is SEPTEMBER-FEST. This evening of rollicking, romantic rhythm under the stars is set for September 8, from 5 to 10:30, when the fifth annual gigantic German jubilee will unfold on the grounds of the Museum of the Southwest, 1705 W. Missouri, Midland.

Whatever your taste in music, there will be something just for you—from the featured world-famous Frederick Pehl oom-pah band of Fredericksburg, with dancing on the tennis court, to local high school and college performers in the planetarium. The ever-popular Downtown Lions Club Big Name Band will play in front of the Turner Memorial Gallery for your listening and dancing pleasure, while soloists set the mood inside.

Along with Indian Summer weather, FOOD, FOOD, and more FOOD is on order for the Museum fun and fund-raising event which is sponsored each year by Las Manos (The Hands) volunteer service organization.

A German dinner of sausage, sauerkraut, dark bread and beverage will be served in Lancaster House 'garten.' Streudel will be

LIONS CLUB

The Sterling City Lions Club met at noon Wednesday in the community center for the regular weekly luncheon. John Williams was a guest. The prize went to Jim Davis.

President Ross Foster told of the prospective defensive driving course that might be set up by the club here for anyone who wanted to take it. A licensed driver who takes the 8-hour, two night course automatically gets his car insurance lowered by ten percent.

MOTHERS CLUB MEETING

There will be a meeting of the High School Mothers Club Tuesday, August 21st at 2:00 in the school lunchroom. All mothers are urged to attend as there will be a discussion of price changes in the concession stand this year.

SHORTAGE OF MEAT?

Two men, who just might have been short of meat in their homes, paid a high price last week here to TRY and put deer meat in their homes. J.P. Ed Edwards fined the two out of town men \$102 each for killing deer out of season.

available to satisfy your sweet tooth, and as in the past, there will be free thirst-quencher and popcorn stations scattered at vantage spots over the grounds. Indiana and 'K' Streets, at the Museum complex, will again be closed.

Delightful dinner entertainment will be 'Beethoven's Country Dances,' performed by the senior company of Permian Civic Ballet.

Invitational Showcase promises to offer a big part of the festivities. Located in the annex of Turner Gallery, approximately 15 outstanding artists and craftsmen in different fields will display the arts of batik, ceramics, graphics, glass-blowing, print and jewelry making, wood cuts, and others related to the Shop of the Southwest. Their works will be for sale during Septemberfest, as well as on Sunday, September 9, 1:00 to 5:00 p.m., when they repeat their performance in conjunction with the Midland Arts Association 'Third Annual Artists' Demonstrations' which will be 1:30 to 4:30 p.m.

John Braue, who made such a hit last year baking koloches in a Marine oven on the Museum lawn, will be back.

All facilities will be open to the public. Lancaster House will accommodate shows by the Garden Center and Midland Camera Club. Special exhibits at the gallery will be Sherri Smith Tapestries and Peter Moran Drawings.

These and many other exciting happenings await you at this fun-filled festival. Gate tickets will be \$2.50 for adults and \$1.75 for children. Prices of advance tickets will be \$2.00 and \$1.50 respectively. You may have tickets mailed to you by sending a stamped, self-addressed envelope and your ticket money to Las Manos, Box 4464, Midland, Tex. 79701. They are on sale at the Shop of the Southwest and Chamber of Commerce (after August 15) You may purchase them from any Las Manos member, or by contacting Mrs. Jack Brown at 682-0941.

Oil Industry Is Significant Here

The petroleum industry in Sterling County played a significant role in 1972 in helping to satisfy the unprecedented demand for Texas' crude oil and natural gas.

Sterling was one of 190 of Texas' 254 counties which produced oil and gas valued in excess of \$100,000 in a record year for the state's No. 1 industry, according to figures compiled by the Texas Mid-Continent Oil & Gas Association.

The county ranked 128th in the state in the value of petroleum produced, \$5.4 million. The sale of crude oil brought \$4.7 million; natural gas, \$725,000.

But despite this record year, due in large part to nine months of production at 100 percent of the maximum efficient rate, the nation's largest producer of petroleum could not produce enough to satisfy demand.

"To further stimulate production, we need a restoration of the open market force," said Robert A. Buschman of San Antonio, president of the Association.

"This would produce two much-needed effects: First, it would channel the state's petroleum products to the most efficient and highest priority uses; second, it would help provide part of the capital needed so desperately to build refineries and superports and to carry on expensive exploration and production activities," Buschman said.

This study by the Association also shows that production last year in Sterling County resulted in the payment of \$684,000 to royalty owners.

The state of Texas received \$272,000 in production taxes from county wells; \$218,000 on crude oil output and \$54,000 from natural gas production.

Oil and gas producers and developers spent \$1.1 million drilling six wells in the county last year, with \$890,000 of that figure lost in four dry holes.

Grocers' Meeting

There will be an important meeting for all Coke and Sterling County retail and wholesale grocers in the Coke County recreation hall, County Park, Austin Street, Robert Lee, for the purpose of explaining the food stamp program.

This program will replace the commodity distribution program now in operation. The food coupons can be redeemed only in retail grocery stores which are authorized by the U.S. Department of Agriculture. Interested retail and wholesale grocers may obtain authorization information by attending this meeting on Monday, August 20, 1973. It will start promptly at 8:00 p.m. and be over by 9:00 p.m.

The Sterling City Independent School District has announced a free or reduced price lunch-breakfast policy for Sterling County school children unable to pay the full price.

Local school officials have a policy that allows families with few children to receive free or reduced school lunches or breakfasts with income going from \$2190 for the smallest family to a high of \$8700 per year income, if children total 12 in number.

The scale for free lunches is as follows:

Family Size	Income
1	\$0-2190
2	0-2880
3	0-3570
4	0-4250
5	0-4880
6	0-5510
7	0-6080
8	0-6650
9	0-7170
10	0-7680
11	0-8190
12	0-8700

Each additional family member

Families falling within the scale or those suffering from unusual circumstances or hardships are urged to apply for reduced or free lunches-breakfasts for their children. They may do so by filling in the application forms sent home in a letter to parents. Additional copies are available at the principal's office at school. Applications may be submitted any time during the school year. The form itself is simple to complete and requests information needed to determine economic need based on the income and number of persons in the family and any unusual circumstances or hardships which affect the family's ability to pay for the schoolmeals. The information provided on the application will be confidential and will be used only for the purpose of determining eligibility.

There will be no identification or discrimination against any student unable to pay the full cost of the meals.

Regular cost of the meals is to be 50c for lunches and 20c for breakfasts, said school superintendent, James Thompson. Teachers will pay 30c for breakfasts and visitors will pay 40c. Teachers will pay 55c for lunches, visitors 90c and carry out lunches will be \$1.00.

PRINTER'S DEVIL
By The Associate Editor

With the Watergate hearings recessed for a month, daytime television has lost its appeal for our Manx cats. They no longer beg to get in the house in the afternoon to watch people testify before the committee. One cat, Cleo, particularly liked Sen. Sam Ervin. She always watched his eyebrows go up and down. The other cat, Liz, was more entranced by Sen. Howard Baker, but then she has a Republican streak in her anyway. She also liked to watch Notre Dame beat Texas in the Cotton Bowl a couple of years ago. There's no accounting for taste, but we considered getting rid of her after that.

—PD—

Now the cats are involved in watching the George Demere house going up across the street. They investigate each evening after the workmen have left, but they do have to wait their turn with all the people who also come to see the progress. Liz doesn't much like it because her private hunting preserve has been torn up. She used to hunt mice over on that lot. She gave us one for a Thanksgiving present, which wasn't really appreciated by a certain member of the family. At least she didn't get in the house and lay it at someone's feet, as one of her relatives has done.

—PD—

Simba, the third Manx in the family, who lives in Austin, has caught a fish out of Lake LBJ and presented it to an aunt. He also presented her with a snake, which was NOT appreciated. As his mother, I thought he was smart, but then parents always think such things about their children. Simba got hit by a car in June and had his jaw broken. The vet was able to wire it and for awhile he had very expensive braces on his teeth. He was able to open his mouth, but he was not able to wash himself for a few days, so had to be wiped with a damp towel. He had to have very soft food and still does. The main stitches, of stainless steel have not broken yet, so he still can't close his mouth. One lower canine tooth is crooked and comes up on the outside of his mouth. His name may be changed to Snaggle.

—PD—

In case you don't know about Manx cats, they don't have tails, and their hind feet are longer than their front feet, giving them a rabbit hop when they run. Their temperament ranges from crazy tricks to dog-like affection. They do not mind making fools of themselves, but they can drive their people insane with paw-prints on the ceiling, curtains, in the bathtub, and on the cabinet. They enjoy helping their people do such things as iron, cook, taking a bath, and cleaning. Ie gets a little embarrassing to be in the bathroom when Liz is around, because she can open the door. It gets a little drafty when one is sitting in the bathtub and the door is opened to say nothing of the aggravation of having to get out of a hot tub and close the door.

—PD—

Two corrections: Sen. Inouye was not in the 422 division; he was in the 442 division, according to a Hawaiian friend of Japanese extraction. Also the correspondent in San Antonio, previously listed as anonymous, is really Me Too. That's the way the letter was signed. And it wasn't even an original letter, just one cut out of the newspaper. I have my doubts about people who are afraid to sign their name and who cannot even think of their own words to say. To the best of my recollection, the envelope just had a street number. Unfortunately, the file containing the en-

Gary Welch on Board of Directors

The First State Bank of Riesel, Texas, has announced the appointment of Gary E. Welch as Vice President and his election to its Board of Directors. Welch, 34, received a degree in accounting from Texas Tech University and later was graduated from the Southwestern Graduate School of Banking at Southern Methodist University. He served as a commissioned officer in the U.S. Army for two years and currently commands an Airborne Infantry Company of the Texas National Guard in Waco.

He began his banking career in 1965 with the Treasury Department as a National Bank Examiner. In 1969, he was appointed to the position of Vice President of the Community State Bank in Waco.

As an active participant in many Waco community affairs, Welch has assumed several roles of leadership including two terms as an officer of the Waco Jaycees. He was selected as the Outstanding Officer for 1971 in the Waco Jaycees and was listed in the register of Outstanding Young Men in America for that year. Other civic activities include the Board of Directors of the Cen-Tex Zoo, Membership Committee Chairman for the Waco YMCA, Sports Committee of the Waco Chamber of Commerce, and Chairman of the Central District of the Heart of Texas Council, Boy Scouts of America. An active member of the First Baptist Church in Waco, Welch served as president of the Men's Brotherhood for 1972-73. He is a 32 Degree Mason and a member of Karem Shrine Temple. He and his wife Nancy are parents of three sons and reside at 3401 Dever Drive, Waco.

Welch has held an interest in the Welch family ranch on the divide for the past several years and frequently visits in Sterling.

Russell Lewis Long, a grandson of Pansy Lawson, and a senior at the University of Dallas, has earned a grade average placing him on the dean's list for the spring semester. Long, a psychology major, is the son of Mr and Mrs. Robert H. Long of Big Spring.
