## LIONS CLUB

Two youths that had been to the Lions Clubs Camp at Kerrville this past summer told the club members about their good times at the camp—at the regular luncheon meeting Wednesday in the community center. The two were accompanied by Mrs. Margaret Blanek, school nurse and were Edward Estrada and Sheri Foster. They also showed objects they had made in the crafts department there while in camp.

Mrs. Roland Lowe was also a guest at the luncheon.

President Ross Foster appointed a committee to look into a gun raffle as a money raiser—he named James Thompson, S. K. Horwood and Albert McGinness. The president told of the 25th anniversary meetings of the clubs in the Rowena area. Sterling Lions are invited to the ladies night affair to be held on October 6 in Rowena.

The prize went to C. A. Tucker.

Jim Cantrell, president of the Sterling Baseball Association, said that the association was going to try and rebuild the old concession stand at the park and add a new field for grown ball games. The group has an offer of the old field equipment at Forsan. He estimated that three thousand dollars would be needed to do those jobs and operate the program here next year. The association felt that the redoing of the facilities and all would be a job for the association and that group would try to go it alone from now on and try to raise the money some way.

## Food Stamp Program Set Up for Sterling

The first Post Office issuance of Food Stamps under the new state-wide Food Stamps Program will take place at 10 a.m., October 1, 1973, in the Sterling City Post Office, according to Postmaster W. R. Brooks and Carrol D. Crum, Regional Administrator of the Texas Department of Public Welfare.

Sterling County currently has a Food Stamp program, but it will be replaced with the new state-wide plan which has installed this new issuance system. Certified households will be able to go to the Post Office at their own convenience and buy their allotment of Food Stamps. They can buy their stamps between the hours of 10 a.m. and 3 p.m. Monday through Friday, except on Federal holidays.

Pilot projects in three Texas counties have shown that Post Office issuance is a faster and better way for certified households to get their stamps.

Eligibility is determined by size of household, total net income, resources, and other considerations. Persons who are unemployed, work part-time, or receive small pension checks should contact the Food Stamp Office at the Commissioners' courtroom in Sterling City. People who are not employed must register for and accept work.

The new state-wide Food Stamp program is administered by the Texas Department of Public Welfare and is financed by the State of Texas. The Food Stamps are provided by the United States Department of Agriculture.

### SALVATOES ATTEND RITES FOR RELATIVE

Mr. and Mrs. James Salvato attended funeral services for an uncle of Mrs. Salvato's in Monahans Wed. The uncle, Marion Eugene Powers, had been stabbed to death Sunday, presumably by an escaped jailed man, Edsel Heslip Sunday. He had escaped from jail a Pecos early Sunday. Then he was thought to have gone to Powers' house near Monahans, where he killed Powers and crushed the skull of Powers' 78-year old mother, Mrs. Maggie Powers. A road chase by Department of Public Safety officials near Abilene Sunday afternoon, Heslip was captured in the stolen Powers car.

Owen Armstrong underwent a second operation on his leg in the St John's Hospital last week and this time his leg was amputated at the knee, said his wife. She said he was getting along very well, according to the doctor.

## Play Three Way There Tonight at 8

The Sterling City Eagles kept in the win column last Friday night winning over the Cotton Center Elks 42 to 18. The next conference tilt for the locals is tonight at Three Way at 8.

Last Friday night the Eagles get underway early in the game when quarterback Ken Peel got loose on an eight yard run for the first TD. Tony Munoz added the two extra points. This was the only scoring in the first quarter by either team. The Eagles made six first downs and the Elks one.

In the second quarter Russell Davis took a long pass from Peel and made a TD and Tom Hendry added the two points. The half time score was 16 to 0 for the Sterling boys.

In the third quarter, Peel got loose for 14 yards making another 6 points for the Eagles and a little later Ross Hord pushed over one yard for a TD Russell Davis added the two.

In that same third quarter, Troy Burnett of the Elks took a kickoff following a touchdown of the locals) and ran 70 yards for an Elk TD.

Doubling up in the fourth quarter, Dwayne Davis took 2 passes from Peel and added 12 points to the locals total. For the Elks, Kim Burnett took a pass and picked up 6 points for Cotton Center and Darryll Barrett made another TD on a long broken field run.

The final score was 42 to 18. Coach Danny Slaughter's Eagles chalked up 17 first downs to 11 for the Elks.

**NOTICE OF COMPLIANCE WITH THE CIVIL RIGHTS ACT OF 1964 PUBLIC NOTICE**

At its meeting on June 16, 1966, the governing board of Sterling County Hospital and Sterling County Nursing Home passed a resolution that effective immediately, the Sterling County Hospital and Nursing Home would be operated on a nondiscriminatory basis in accordance with the Civil Rights Act of 1964. Waiting rooms, public toilets, dining facilities, recreation rooms, therapeutic rooms and room accommodations

will be available without regard to race, color, or national origin. This action enables the Sterling County Hospital and Nursing Home to continue receiving Federal funds necessary for operation.

The Board urges all public users and the employees of the Sterling County Hospital and Nursing Home to continue to cooperate in this program in order that we can continue our mission of serving the ill of our community.

**Baseball Association**

Fourteen supporters of the Little League and Softball association met Monday night in the community center. President Jim Cantrell directed a discussion of current problems involved in upkeep, improvements and enlargement of the existing facilities for maintaining a baseball recreation compound.

Constructive plans were made to improve the playing field facilities, with consideration for replacement of the delapidated concession stand. Financing the improvements took most of the time.

An amount of money needed to adequately finance the Little Leaguers (uniforms and upkeep, equipment, light costs, grounds care, enlargement, etc.) was roughly guessed at \$3,000 for the period of Oct. 1973 to Oct. 1974. (This amount would not be a yearly standard after the improvements, additions and replacements of exhausted equipment. For two years the Lions Club has been the main support of the Little League, with generous donations made by the First National Bank, W.O.W., Epsilon Zeta Club and many others.)

Attending the meeting were Jim Cantrell, Andy Daniels, R. Alexander, Herb Edwards, Eddy Jones, Roy Martin, Royce Murrell, Bobby Myrick, Wayne Posey, Lynn Rich, Speedy Sparks, Frank Stewart, Louis Watson, and Troy Templin.
