VOL. 81 "Since 1890" PUBLISHED EVERY FRIDAY IN STERLING CITY, TEXAS 76951 Price 7c OCTOBER 12, 1973 No. 40

AROUND  
THE  
COUNTY

ARTHUR BARLEMANN, JR. COUNTY AGENT

The year's fourth confirmed case of screwworms for Sterling County went into the record book last week. A sample sent in from the King Terry Ranch on the Divide was confirmed last Thursday. The sample was taken from a calf's navel.

This year's number of confirmed cases is far behind last year's total at the same time. By this time, a year ago, over 200 cases had been confirmed. The cases this year are scattered with one from the William Foster place east of town, one on the Reed and Stewart Ranch west of town, one on the McDonald and Son Ranch also west of town, and the case on the Terry Ranch.

Livestock producers are urged to keep up their lookout for all suspected samples. The Texas Animal Health Commission inspectors are marking the sites and the Screwworm Eradication Program is dropping sterile flies in the area. Worth Durham says the circle for the Terry Ranch site is on his place on the divide but this is sufficient as the fly drops are made ten miles in every direction from the marked area: thus the Terry place will be covered by the drops.

\* \* \* \*

Feed crop prospects in the Midwest depend on frost dates according to the county agents attending the National Association of County Agricultural Agents national meeting in Baltimore last week.

Both corn and soybeans were late in being planted due to the flooding in most of the area. In some areas, it did not dry out soon enough to plant the crops but where they did get them planted, the prospects appear good at this time. The unplanted areas are not too large and most feel that the crop on the planted areas will make up the difference. The one big question is the frost though. A late frost would allow the crops to reach full maturity and insure a large harvest. An early frost would damage the soybeans and create a large stock of wet corn that had not reached full maturity and dried in the field before harvest.

In the southern states with large acreages of cotton, the prospects are about the same. Old man winter will have a lot to do with the harvest this year—more than usual.

Most of the agents say their areas were wetter than normal this year. Those in the north also say they had a milder than usual winter last year and this helped. All in all, it appears that this will be a good year for agricultural production if the present conditions hold true. Only in the states with a large number of dairies is the picture dark. The high cost of feed is causing many dairymen to sell out. It was reported that in the state of Wisconsin, which is noted for a large number of dairies, over 30,000 dairy cows had already been sold to packers. This is far above the normal number going to the pack-

## LIONS CLUB

The Sterling City Lions Club met Wednesday noon in the community center for the regular weekly luncheon. R. T. Caperton of Bronte was a guest and the prize went to Henry Bauer.

President Ross Foster named a program committee composed of Jim Cantrell, Chesley McDonald, Bobby Dodds and Harold Orr. TO HAVE TURKEY SHOOT NOVEMBER 11

The club members voted to have a turkey shoot at the gun club range here on Sunday afternoon, November 11. Named as a committee to handle the shoot were Jim Davis, Dan Glass, Bill Watts and Herb Edwards.

As a money raiser the club voted to raffle off a gun to be given away in December at a bingo party or some kind of benefit of the club.

Jim Cantrell reported that he and some members of the Sterling Baseball Association met with the city commission Monday and he reported that the city was interested in helping support the program here, and would (if there's enough interest) call an election to pass a one percent city sales tax to help support the program. The baseball association had voted unanimously at a meeting Tuesday night to go on record as favoring a city sales tax for that purpose.

The Lions club members then voted without a negative vote to endorse a city sales tax of one percent to help finance the program. The program includes the Little League and upkeep of the ball park.

FOR SALE—by Sterling County. Myers self oiling pump. 12 inch stroke, rod job and twelve foot Aermotor windmill and tower. See Sterling County Judge Roland Lowe.

## BASEBALL ASSOCIATION MEETING

The Sterling Baseball Association met last Tuesday night to set up two more work days on moving the Forsan ball park equipment.

A resolution was passed unanimously for the support of a city sales tax which would help maintain the city park, present ball park and future ball park.

## Eagles Beat Garden City 32 to 0

### No Game Tonight

The Sterling City Eagles Eight-Man football team sunk Garden City there last Friday night 32 to 0. The locals had everything going their way from the start to finish of the game. The Glasscock County boys made only 3 first downs in the whole game, and the Eagles made 20.

No side scored in the first quarter, but coach Slaughter's boys made four first downs and the Bearkats made 1. In the second quarter Russell Davis got loose on a fifteen yard run for six points for the locals and a short time later quarterback Ken Peel got in a broken field run of 30 yards for a Sterling TD. The half ended 12 to 0.

In the third quarter Peel took a punt and got off for a 54 yard run to the goal line, but the play was called back due to a clipping penalty. Later Jeff Copeland took a long pass and got the pigskin to the one yard line and Ross Hord on the next play pushed over for a TD. And Dwayne Davis pushed over for the two extra points.

Later in the third quarter Eagles got the ball down to the 1½ yard line and Ross Hord pushed over for another Sterling TD. The try for extra points was no good.

In the fourth quarter, Peel snaked out for 13 yards for the final Eagle touchdown. The game ended 32 to 0.

Before the game opened, but as pre-game preliminaries were in evidence, a cottontail rabbit got on the field and for awhile it looked like he was to be a permanent fixture on the field—but he was finally chased off.

### EAGLES HAVE OPEN DATE THIS WEEKEND

The Sterling squad gets to rest this weekend. No game has been scheduled this Friday.

Coaches Danny Slaughter and Milford Wiley's boys have a string of five victories and no defeats. They have beaten Klondike, Cotton Center, Three Way, Loop and Garden City, all conference games.

They have five more games to go—Wellman, Dawson, Smyer, Whitharral and Borden County (Gail) High School.

## Noratadata Club

Mrs. Henry Bauer was hostess to members of the Noratadata Club in her home Tuesday evening of this week. She served a buffet dinner to four tables.

The members voted to send gifts to the San Angelo Center for Christmas. Members voted to donate money and hold a benefit money making project in the spring. Mrs. Dayton Barrett talked on Creed to Opportunity for the program.

Following the program and dinner, bridge was played. The following members were present—Mmes. Dayton Barrett, Bill Brooks, Bill Bynum, Edwina Cope, Jim Davis, Bobby Dodds, Worth Durham, Reynolds Foster, Ross Foster, D. Kirk Hopkins, Foster S. Price, Danny Stewart, Bill Watts, Finis Westbrook, Hubert Williams and I. W. Terry

## Horwood Is Named SCD Director

Landowners and cooperators in the North Concho River Soil and Water Conservation District unanimously elected Stan Horwood of Sterling City the new director of Zone 5 here last Saturday.

Stan replaces Reynolds Foster, who had been a director for the past five years. The election followed a barbecue dinner held in the City Park. It was put on by the Sterling City Chapter of Future Farmers of America.

Following the election and dinner a tour of the Horwood Santa Fe ranch was made observing conservation practices carried out with the Great Plains Conservation Program and others.

Other directors in the district include Jim Davis, Zone 2. Sterling City, chairman; August Frysak, St. Lawrence, vice-chairman and director of Zone 1; Dr. Percy (Bud) Turner, Water Valley, Zone 4; and Ernest Michalewicz of San Angelo, director for Zone 3.

## QUIT SMOKING CLINIC

The American Lung Association is trying to start up a Quit Smoking clinic here in Sterling City. If you are interested in joining such a group, call 378-2891.

NOTICE Antlerless deer tags will be issued at the courthouse October 30, 8 a.m. to 12 noon; 1 p.m. to 5 p.m.

GARAGE SALE—Friday and Saturday, 9 a.m. till 6:30 P. M. Mrs. Wayne Posey home, items of all kinds—coats, rocking chair, clothes, dishes, toys like new, bedspreads, curtains, etc. Come by. Everything at LOW prices.

YOU ARE INVITED. Attend the high school pep rallies each Friday in the school gym.

Eagle Pep Squad Leaders

## Mr. and Mrs. J. E. Mitchel Mitchels to Observe 50th Anniversary

The children of Mr. and Mrs. J. E. Mitchel are having a reception honoring their parents on their golden wedding anniversary on Sunday, October 14, from three to five o'clock. The reception will be held in the fellowship hall of the Church of Christ here. Everyone invited.

OUR Community Readers Digest representative is Betty Posey. Anyone desiring to order the Readers Digest for themselves or for Christmas gifts, please call 378-2891. Special Christmas season price is \$3.97 for 12 months.

# NEWS OF ECOLOGY

## SCOUTS GIVE TRASH THE SACK

Three billion dollars! That's the estimated annual bill Americans are paying for public collection and disposal of garbage and solid waste — the third most expensive community service in the land. . . which is exceeded only by spending for highways and schools.

Concerned citizens, of course, can make significant contributions to cleaning up this national mess. As in Watertown, N. Y., where the initiative of the Environmental Systems Division of St. Regis Paper Company and a local Boy Scout Council is currently leading the way.

Recently, the more than 500 Boy Scouts of Jefferson and Lewis County launched an intensive environmental clean-up campaign to make their community a better place in which to live.

Soliciting the aid of the 30,000 homeowners in their area, the Scouts began their drive with the sale of St. Regis disposable refuse sacks. In addition to their 30-gallon capacity and convenience, these sacks were selected because — unlike plastic sacks — they will break down in sanitary land fill without adding to our ecological problems.

Watertown homeowners who purchase these sacks sepa-

rate paper, cans, rags, metal, returnable bottles and miscellaneous glass. Then, free of charge, the Scouts pick up the differentiated sacks and dispose of them in ways compatible to our ecology. Glass bottles, for example, are sold for recycling; bio-degradable trash is sent to land fill sites. Provi-

sions have even been made to tow away abandoned automobiles.

The best part about the program is that everyone profits. The community gets a cleaner environment; the Scouts get the credit for a job well done — and the modest proceeds from selling the sacks and whatever trash they can. . . for the support of other worthwhile Scouting programs.

Now — what are you doing in your community?

## Game Seasons Set

STERLING COUNTY GAME SEASON AND LIMITS 1973-1974

# NEWS OF EDUCATION

## College Students: Bored of Education?

To many concerned parents, today's college students seem much less impressed with the importance of their education than were students of years ago. Sometimes, the students even seem bored.

But educators and psychologists point out—seriously, yet sometimes with a smile—that many college students today are learning far more at school than their parents ever did.

Today education is different. Not only do new teaching methods make learning easier and lots more effective, but also college is seen as a place for social—as well as academic—instruction.

Which is as it should be, when you consider that college is a mini-model of the tough outside world students will soon enough have to cope with and function in. And adjusting properly to that world is just as impor-

tant and just as difficult as any course a school has to offer.

That's why so many students are getting involved with the running of their schools. The actuality of practical campus politics is a good deal more enlightening and instructive than classroom theories.

That's also why students seem to take their competitive sports more seriously than ever before. Trying to do one's best is very much a part of the outside world and these kids are very much aware of it. They play hard and work hard at keeping themselves fit with effective medications like Tinactin cream; solution and powder, which fight most fungus to kill and help prevent athlete's foot, that old college locker room nemesis.

Unfortunately, these kids—the good kids who make up the majority of this nation's student body—rarely make news on radio or TV. But their abilities and straight thinking have not gone unnoticed.

Each year, more and more of these grade-A students are being recruited by business and industry before graduation.

Which would indicate that they were far from bored with their college education.

### STERLING GOLF ASSOCIATION RULES

U.S.G.A. rules to govern play except where modified by local rules.

1. Out of bounds—in or across all public streets, highways or fences.

PENALTY—1 stroke: Ball must be played from point at which it went out of bounds.

2. Fairway Markers—RED—100 yards from green—YELLOW—50 yards from green.

3. No bicycles or motorcycles on course.

4. All golfers must start at Number One Tee box.

5. Cars must be parked east of Scout Hut and east of Number One Tee box.

6. No power driven carts allowed on course. Keep all carts off greens: do not lay bags on greens.

7. More than Fivesome not allowed at any time.

**FAIRWAYS:** You may improve your lie 12" laterally with club head—but not your position and tee up.

**SHOES:** Ladies high heels, western boots, track, football and baseball shoes not allowed on course.

Any flagrant destruction of the course will be cause for removal.

#### ETIQUETTE OF GOLF—

Please be courteous. Allow faster players to play through. All players are required to carry a bag and clubs: do not play out of someone else's bag.

No player should stand close to or directly behind the ball, move, or talk, when a player is making a stroke.

No player should play from the tee until the golfers in front have played their second strokes and are out of range, nor play up to the putting green until the golfers in front have holed out and moved away. Don't try putts over again when others are following you.

Players looking for a lost ball should allow other matches coming up to pass them; they should signal them to come through and having given such signal, they should not continue their play until these players have passed and are out of range.

#### BOUNDARIES;

1. Fence on left—south edge of park road on right.

2. Left—edge of pavement. Right—Fairway Markers—Play ball in draw as in rough.

3. Left—line of trees. Right—tree on right in line with west end of No 4 tee box.

4. Left—North rut of service road: anything beyond this is in the rough.

Right—Fairway markers—Play ball in draw as in rough.

5. Left—North rut of service road: anything beyond this is in the rough

Right—Fairway markers.

6. Left—Power poles, any ball beyond this is in the rough.

Right—Fairway markers.

**AGE**—all children under ten (10) years must be accompanied by an adult member.

**GUESTS**—all must be accompanied by a member.

**PAR**—19 men: 20 women.

**DUES**—\$5.00 per month.

**GREEN FEES**—\$1.00 for guest

**HOLE IN ONE CLUB**—Prize, trophy with ball mounted on name plaque

**GENERAL RULE**—Play water in draw on No. 2 as water hazard.

**NOW**—Avon Products—see or call at the Self—Service Station to make selection. Betty Mitcham, 378-9601.

In case of fire, dial 8-4771.

### Social Security Tips

Social security checks should be cashed within a reasonable time to prevent loss or theft, even though there's no time limit on cashing them, according to social security officials here.

'If your check is lost or stolen, get in touch with your nearest social security office at once,' a spokesman said. 'The check can be replaced, but it takes time. Handle your check carefully when you get it and you won't have to wait while it's being replaced.'

Social security pays over \$4 billion a month in benefit checks to almost 29 million people—eligible retired and disabled workers and their families and families of deceased workers who worked long enough under social security.

For further information contact the Social Security office at 3000 W. Harris Avenue, San Angelo, Texas 76901 or call 949-4608.

### MCT Begins Neil Simon Comedy

LAST OF THE RED HOT LOVERS

Simon is the magic word! You know it's a hit and a cinch to be an entertaining evening if it's a show by Neil Simon. LAST OF THE RED HOT LOVERS, his ninth big hit in a row, opened on Broadway in December, 1969, and ran nearly two years to sell-out audiences. Midland Community Theatre's production of LAST OF THE RED HOT LOVERS will be on stage at Theatre Center from October 5 through October 20.

Critics received this play with delight, calling it not only his funniest, but his most human comedy. In the cast at MCT Bill Shaner, well-known to area theatre-goers for many past performances, most recent being in '1776' and THE CRUCIBLE, will play Barney Cashman. Barney's three girls will be Jan Klenmann, Pat Lambie and Mary Frances Floyd, last seen on MCT's stage in THE WOMEN, CACTUS FLOWER, and PLAZA SUITE, respectively.

The play is extraordinarily funny and yet also endearing. Simon is as witty as ever—perhaps wittier—but this is a comedy that will linger with you even when the laughs it gave you have turned into an appreciative memory.

RED HOT LOVERS is about a mild man who yearns for one big fling in his middle-aged, tranquil and faithful married life. Behind the laughs lies Simon's most serious play, yet probably his funniest.

Time magazine said—While it may seem like a strange thing to say, the only forebear of Neil Simon would be someone like Moliere. This kind of playwright who peppers the society's precepts with stinging humor.

LAST OF THE RED HOT LOVERS is funny, has loads of laughs and contains more cogent comment on the human condition than Simon's earlier works. It is definitely one of the most shimmering pearls on his string of hits. The show will be designed and directed by Tom Mikotowicz and stage managed by Marilyn Busby.

Reservations may be made by calling or writing Midland Community Theatre. The box office is open from 10 a.m. to 5 p.m. Phone 682-2544 or write Box 4847, Midland.

**WANTED**—deer lease for 4-5 men; would like to have land to lease—will pay \$150 per gun for season. Call (915) 366-2587 or write C. L. Pope, 1606 E. 50th, Odessa, Texas 79762.

## Behind the 8-Ball

By the editor.

At the OS Ranch benefit for West Texas Boys Ranch two weeks ago, a crowd of between 3 and 3½ thousand were fed barbecue cooked by Winn McLure, Jim Davis, Raymond Tommy Foster and Jodie Emery and several more guys from San Angelo and the general area.

They cooked 200 lbs. of goat, 250 lbs. of spareribs, and over 200 beef briskets.

### 8—BALL

Visiting here at the Thomas Asbills last week end were their children and families—Mr. and Mrs. Thelbert Asbill of Morton, the Vernon Asbill of Artesia, N. Mexico, the Tommy Rogers family of Hobbs, N. M., and the Jack Asbills of Burleson. Also at the Asbills were Mr. and Mrs. Andrew Vater of Mason, parents of Mrs. Jack Asbill.

### 8—BALL

Well, the cold front brought in over a half inch of rain here in town early Thursday morning. A thunderstorm and hail alert for this area was told by the weather service, it did not happen in Sterling City.

### 8—BALL

SPIRO quits. V-P Spiro Agnew finally resigned. When the Justice Department had him in the bag, so to speak, the veep threw in the towel. He quit and got a three year probated sentence by a federal judge.

One almost has to feel sorry for the veep. (not really). I kinda wonder if he wasn't offered up as a scapegoat to get the heat off even more important persons. More important to Nixon, that is. Anyway, they had Agnew, and he and his lawyers realized it, and threw in the towel.

I anxious to hear his final version and reasoning of his case. They should pick the vice presidents a little more carefully in the future. Really.

Ole big john connally will probably come into his own.

That guess has been banded about for more than two years now by people who probably knew what they were talking about.

How about that. Texas might have TWO presidents in less than a decade. (Course it may never come to pass, as the good book might phrase it, but it IS possible.)

### 8—BALL

What sobers me is that Dick just might get to the point in time that he would just do the same thing. He might get ordered by the Supreme Court to turn in the tapes and he might feel that they would be so damaging that rather than face all the dirt, he would just resign. That very well could happen.

Such guesses along that line have come out of Washington. All this money raising and donations to the president's funds, just might be a big web woven around Nixon, and he might feel like he'd never be able to extract himself satisfactorily.

### 8—BALL

Have you heard the recording on KGKL of THE WORLD'S GREATEST EMPIRE? It was exactly like he was talking about America until the last sentence when he identifies it as the old Roman Empire.

It's plumb eerie.

### 8—BALL

Danny Bailey, son of H. L. Bailey, now living in Houston and working for IBM, has a new baby daughter. Born recently, the girl, Marie Danielle, weighed seven pounds and two ounces.

## Highway Projects for Sterling County Set

Projects in Sterling County are included in a \$40.7 million program to increase safety and improve sections of non-Interstate highways in Texas.

District Engineer J.A. Snell of San Angelo said work to be performed under the annual program includes such things as widening of pavements and structures, reconditioning, resurfacing, providing additional surfacing, sodding, and improvement of shoulders and other miscellaneous work.

Statewide, the 1974 State Highway Safety and Betterment and Farm to Market Road Improvement Program includes work on 5,095.2 miles of US and State-numbered highways and Farm to Market Roads. The program includes 810 individual projects in 209 counties of the State.

Fifty-seven percent of the work statewide will be on US and State-numbered highways and 41 percent on Farm to Market Roads with two percent reserved for later assignment.

Projects in Sterling County are—U.S. Hwy. 87, from 1.3 miles south of Glasscock County line to 7.0 miles west of Sterling City—Seal Coat.

State Hwy. 158, from U. S. Hwy. 87 to Glasscock County Line—Seal Coat.

FOR SALE—2 mobile 2-way radios. Reasonable. 378-3161.

The Texas Department of Public Safety is offering immediate career employment to qualified young men. Contact your nearest DPS office or patrolman for more information.

MUST pick up small piano and Hammond organ by October 25th. Will allow person with good credit to assume payments on either piano or organ or both. Call or write American Music Co., 207 E. 8th, Odessa, Tx. 79761, area 915-332-2711.

WANTED—cook, from 7:30 to 2:30 daily. CITY CAFE.

### CERTIFIED SEMI-DRIVERS

## A GIFT OF LIFE

Your contribution to the American Cancer Society in memory of your loved one will help support a program dedicated to the conquest of cancer. Your memorial gift will not only do honor to the dead. It could help provide a gift of life.

Memorial gift funds may be sent to your local American Cancer Society office.
