**MCT Sets Dr. Cook's Garden**

*Dr. Cook's Garden* - suspense play with a difference, opens at MCT June 7.

Ira Levin, who wrote *CRITIC'S CHOICE* and *NO TIME FOR SERGEANTS*, makes a surprising change from those two witty and uproariously funny plays, to the chilling suspense of *DR. COOK'S GARDEN*. He also wrote *ROSEMARY'S BABY*, but this one is different.

You'll know what's happening almost from the beginning when young Dr. Jim Tennyson, fresh out of medical internship, drops in to visit his home town. Dr. Jim discovers the secret of his old friend, Dr. Cook, and is up to his stethoscope in creeping horror before you can say Jack-the-Ripper.

Old Doc, long time physician and civic leader in Greenfield Center, Vt., is a great guy, beloved by three generations of loyal New Englanders—those of sound mind and body, that is.

Dr. Cook himself says, "This town is the happiest town, the healthiest town, in the entire state of Vermont! Maybe in the entire country! Maybe in the entire world!" Old Doc sees to that personally.

Burl Ives and Keir Dullea played the two dictors in the original Broadway production, and Bing Crosby was the kindly old physician in television's version of the play.

On MCT's stage Marvin Weiss will play Dr. Cook, and David Barlow, Dr. Tennyson, Dr. Cook's nurse, his housekeeper and his gardener, will be played by Helen Weiss, Patti Langford and John Chain, in that order.

Midland Community Theatre's box office will open to members on Thursday, May 30, and to the public on Monday following, June 3rd. Box office hours are 10 a.m. to 5 p.m.

**SOD HOUSE SURVEY**

*Have You A Sod House Heritage?*

Did you ever live in a sod house a dugout, or an adobe building; or were you born in one? Did you ever teach school, attend school or church services in such a building, or help build one? Or are you a child or perhaps a grandchild of a former pioneer sod house dweller or builder?

If you can answer yes to any of these questions, the Sod House Society of America, with headquarters at Colby, Kansas, would like to hear from you. The unique society is making an effort to compile a census of people who have had any kind of personal experience with sod houses, including dugouts, part sod, and adobe buildings, which were once common in the United States, Canada and Mexico; also the descendants of such persons.

If you are a former sod dweller or a direct descendant of a family that can claim a part of the sod house heritage during the pioneer settlement era of North America, or in more recent times, the society wishes to have the information to include in a permanent historical record of sod, dugout, and adobe dwellers and their families.

To make this survey a success, information is needed from people in all parts of North America. Sod buildings in some form were used in well over half the North American continent. If you have any information concerning present or former sod-dwellers, your report of this will be most welcome. Please tell where the buildings were located, and give family names, as well as your own. Reports should be sent to: SOD HOUSE SURVEY of Texas Colby, Kansas 67701
