Larry McGinnes

Larry McGinnes Promoted to Captain in U.S. Air Forces in Germany

Larry McGinnes son of Mr. and Mrs. Albert McGinnes, was recently advanced to the rank of Captain in the United States Army.

Stationed in Baumholder, Germany, Capt. McGinnes has been commander of C Battery, 5th Battalion, 6th Air Defense Artillery since February 15, 1974. C Battery is a Nike Hercules battery made up of 4 commissioned officers, 3 warrant officers, and 150 enlisted men.

Having been in Germany 3½ years, Larry, his wife Julie, and daughters Wendy and Karen, were stationed first at Hahn Air Force Base. In August 1973 they were transferred to Battalion Headquarters at Baumholder. The family lives in Neubrucke. Larry expects to be reassigned, possibly in the U. S., in September 1975.

LARRY NAMED TO OUTSTANDING YOUNG MEN OF AMERICA

Larry was recently named to be listed as one of the Outstanding Young Men of America for 1974. His parents as well as he, have been notified of this signal honor.

Now in its tenth year, Outstanding Young Men of America is an annual biographical compilation sponsored by leading men's civic, service and professional organizations. The Award Volume features the accomplishments of approximately 6,300 young men of exceptional abilities and achievements from across the country.

Criteria for inclusion in Outstanding Young Men of America are service to others, professional excellence, business advancement, charitable activities and civic and professional recognition. The Young men chosen for this distinction are between the ages of 21 and 35.

Alvin C. Gillem II, Lt. Gen. USAF, and author of an introductory message to the 1973 edition of the Awards Volume said, "The young men in this book are... men to whom duty, honor and country is not corny and outmoded catch phrase. Their track record to date stamps them as potentially the best of the best. Men with an appreciation for combining their own drive and ability with the wisdom and experience of their elders in working to make this country... America the beautiful."

Lions Hear District Governor Lemons

The Sterling City Lions Club met at noon Wednesday in the community center for the regular weekly luncheon. District Governor Jim Lemons of Big Spring, made his official visit to the club and spoke on Lionism. He said the special project of Texas Lions was the Lions Camp at Kerrville. It is used for children with handicaps in the summer and the blind in the winter. The special project of this district, 2-A1 is the eye bank. Six transplants were handled last year by the district. Nearly 500 persons have signed in leaving their eyes for transplants.

Guests present were Lemons, Ricky Hopkins, R. T. Caperton, and Allen Turner.

The prize went to Wayne Posey.

Eagles Win 22 to 8 Over Imperial

Mrs. V. T. Ferguson Buried Wednesday

Services for Mrs. V.T. (Mable Claire) Ferguson, 84, were held at 3 p.m. here Wednesday in the Church of Christ. Mrs. Ferguson had died Monday in the Sterling County Hospital.

Officiating were the local minister Robert Hamilton and former minister here, Marion Hays of Rocksprings. Burial was in the City Cemetery with the Ross Funeral Home in charge.

She was born Jan. 4, 1890 in Erath County, had lived in Sterling County 17 years and was married to V. T. Ferguson in Stephenville Feb. 10, 1909.

Survivors include three sons, Merton Ferguson of Sterling City, Garland Ferguson of Grape Creek and Leon Ferguson of Odessa; and a brother, Wren Jackson of Best.

Pallbearers were Reynolds Foster, Jim Davis, Chesley McDonald, O. T. Jones, Howard Davee and D. K. Hopkins.

Dayton Barrett's Brother Dead

Robert F. (Bob) Barrett, 64, died last Saturday morning at his home in the Fredonia community, apparently of a heart attack.

Services were held at 2 p.m. Monday at the Mason Funeral Home Chapel with burial in the Wagram Cemetery.

He was born Jan. 17, 1910 in Pontotoc. He was married to Mildred Miller May 5, 1935 in Rochelle. Barrett was a rancher.

Survivors include his wife; three daughters, Mrs. Mignon Chaney of Midland, Mrs. Peggy Ritter of Mason, and Mrs. Patsy Moore of Mesquite; one brother, Dayton Barrett of Sterling City; three sisters; Mrs. Ernest Waldon of Pinetop, Mrs. Lillie Bell Diment of Brownwood and Mrs. Frances Leith of Washington; and 13 grandchildren.

MET LAST WEEK

Mrs. Ross Foster was hostess on Thursday night of last week to members of the Noratadata Club.

The program, entitled — Is there a Law That Says I Have to go to College This Fall—was presented by Mrs. J.I. Cope.

Mrs. Finis Westbrook won high score at the bridge party party held following the business meeting. Mrs. E. F. McEntire, won second high and Mrs. Bill Watts low.

RUMMAGE SALE SET

The club's annual rummage sale was set for October 7 and 8 and will be held at the Cannon vacant building. Anyone wishing to donate items for the sale is asked to bring them to the building at 3:00 p.m. Sunday October 6 or contact any club member.

Other members present at the meeting were Mrs. Henry Bauer, Mrs. Mildred Emery, Mrs. Dean Johnson, Mrs. Bill Brooks, Mrs. Forrest Foster, Mrs. Hubert Williams, Mrs. Dayton Barrett, Mrs. D. Kirk Hopkins, Mrs. Jim Davis, Mrs. Danny Stewart, Mrs. Chesley McDonald, Mrs. Alvie Cole, Mrs. Martin Reed, Mrs. Foster S. Price, Mrs. I.W. Terry, Mrs. James Thompson and Mrs. Worth Durham.

To Play Jayton There Tonight at 7:30

The Sterling City Eagles kept on their 1974 winning streak last Friday night by winning handily over the Imperial Longhorns 22 to 8 here. It was a non-conference game.

Tonight coaches Danny Slaughter and Milford Wiley's boys go to Jayton for a game at 7:30 p. m.

In last Friday's game the locals got off to a good start when Jeff Copeland bulled and pushed through (6 yards) for the first TD of the game. Leslie Rich, end, took a pass from quarterback Dean Jones for the extra 2 points. The first quarter ended with the score 8 to 0 for the Eagles.

In the second quarter, Longhorn Powell passed to E. Rey for an Imperial TD and Powell pushed over the two extra points. The score at halftime was 8-8.

Neither team scored in the third quarter, but the Eagles came alive in the fourth. Jeff Copeland ran one TD and the extra points and Kenneth Gaston picked up another six pointer for the locals.

The Eagles made 12 first downs to 8 for the Longhorns.

Copeland accounted for 6 of Sterling's first downs, Russell Davis 2, Dean Jones 2, Gaston 1 and an offside penalty gave the Eagles one.

Making first downs for the Imperial Longhorns were Graham, Powell, Montoya, and Colls. Imperial's quarterback, Powell, No. 10 turned in an outstanding performance, both offensively and defensively.

ANTLERLESS DEER TAGS TO BE ISSUED HERE THIS MONTH

Wayne Posey of the Parks & Wildlife Commission of Texas, said this week that antlerless deer tags for Sterling County would be issued at the courthouse here on October 23 from 8 a.m. an 5 p.m. Landowners are asked to be present and apply for the tags that day.

Special Set by Vogel October 20 at the Baptist Church

The Rev. Traugott Vogel, pastor of the First Baptist Church, will give his life story in slides on Sunday evening, October 20, at the church.

This will be a combined service of the Baptist, Presbyterian, Methodist and La Hermosa at 7:30 p.m.

Everyone in the community or the area is cordially invited. The Rev. Vogel who emigrated from Germany four months ago and is pastor of the local church, is to tell of his early life in his native Germany and show accompanying slides.

Last week Bro. Vogel flew to Nashville, Tenn. where he addressed the combined Baptist Brotherhoods of that city at a meeting.

NOW PRINCIPAL AT ODESSA PERMIAN HIGH

Tom D. Davis, son of Mr. and Mrs. Jeff Davis of Sterling City, is now the principal of Odessa Permian High School. He had been principal of Bonham Junior High School there for a number of years, before going to Permian High this year.

Social Security Tips

Social security checks should be cashed within a reasonable time to prevent loss or theft, even though there's no time limit on cashing them, according to social security officials here.

'If your check is lost or stolen, get in touch with your nearest social security office at once,' a spokesman said. 'The check can be replaced, but it takes time. Handle your check carefully when you get it and you won't have to wait while it's being replaced.'

Social security pays over \$4 billion a month in benefit checks to almost 29 million people—eligible retired and disabled workers and their families and families of deceased workers who worked long enough under social security.

For further information contact the Social Security office at 3000 W. Harris Avenue, San Angelo, Texas 76901 or call 949-4608.

AMERICA'S PEACEKEEPERS

HOW MARINE CORPS RESERVISTS PROTECT US

EMPLOYERS: HOW YOU CAN HELP

Perhaps you've seen them in a parade or during civic ceremonies. Some of them may live near you, some of them may work for you. Whatever your personal knowledge or contact has been, the Marine Reservists in your city are important to you and to the community. As civilians they hold jobs and contribute to the economic growth of the area. As Marines they help provide the security that makes it all possible—that permits our free society to prosper and grow under constitutional government. They are the kind of men who don't take freedom for granted, men who believe that America has a lot worth fighting for.

To a great degree, these Marines are able to maintain their high state of readiness because men like yourself have fostered a positive at-

mosphere for the concept of Reserve participation. Further contributions you can make are these:

- Assure Marine Reservists that they will not be penalized in hiring, promotion, transfer or the granting of other benefits because of their Reserve service.
- Permit them to attend their two weeks of summer training without charging this time to earned vacation.
- Pay the difference between their military and civilian pay during summer training, if the military pay is less.

- Give recognition to outstanding Reservist employees in company publications.
- If you have the opportunity, take the time to visit your Marine Reserve training center. Talk to the officers of the unit and learn firsthand what the Marines in your city do and how

they do it. They will welcome your visit and appreciate your interest.

- As a taxpayer, remember that the cost of maintaining a Marine Reservist is only about ten percent that of a regular fighting man. But if these men of your community are ever needed, they'll answer the call as 100 percent Marines. There's no ten-for-one bargain involved. The Marines make up the difference—through the hard work and dedication they put into their training.

For details about the range of enlistment programs and opportunities in the Marine Corps Reserve, get in touch with a Marine Corps representative.

Spotlight on HEALTH

PROFILE OF A COLD VICTIM

What are your chances of catching cold? According to a booklet on the subject, they're especially good if you're female, live in a large city in the western or north-eastern part of the U.S., and are the mother of a child under 6 years of age. Young children are the greatest cold-spreaders. Your chances are further enhanced if you're going through a period of stress and strain. "Contentment preserves one even from catching a cold," the great philosopher, Nietzsche once said.

The booklet, which discusses the common cold, is distributed by Winthrop Laboratories, the makers of Neo-Synephrine nose drops and nasal spray that are widely used in the U.S. and abroad.

Keeping up one's resistance helps to avoid the common cold, according to the publication, which advises getting sufficient fresh air and exercise, well-balanced meals, and as much sleep as possible in a well-ventilated bedroom. In cold weather areas, an extra hour a night is recommended.

Early stages of the common cold are the most contagious. Every sneeze fills the air with thousands of virus-laden droplets. To help

prevent spreading a cold to the rest of the family, to friends and to co-workers, everyone should have his own glass, cup, silverware and towels. Hands should be washed thoroughly and often, preferably with a liquid antibacterial skin cleanser. pHisoHex is the one that is used in most U.S. hospitals to help prevent spread of infections. Particularly during the cold season, it is wise to keep a handwashing preparation in the kitchen, as well as in the bathroom.

Your chances of catching a cold will be reduced if pre-

cautions are taken. However, the Winthrop booklet also states that it is not completely possible to avoid a cold. Just breathing the air that someone with a cold has merely talked into offers the possibility of infecting a healthy person.

AROUND
THE
COUNTY

ARTHUR BARLEMANN, JR. COUNTY AGENT

Why are my pecans dropping? This is a common question at this time of the year and even more so this year with the better crop of nuts on the majority of the trees. Generally, the drop is usually around five percent or less although it does occasionally reach higher figures, even as high as one hundred percent.

There are three or four reasons for the drop at this time of the year. One cause is pecan shuck disease which, in spite of its name is not a true disease. It is a hormone imbalance which results in a restriction of the flow of nutrients to the pecan. These pecans appear to have a normal shuck opening and shedding but it usually occurs from one to three weeks earlier than for healthy pecans. Certain varieties, namely the Success or those with Success parentage are more susceptible.

There is no economical control for this disease. Proper fertilization during the growing season, treatment with zinc, and management will increase the set of pecans but the drop will remain about the same.

Sticky shuck disease is another cause of dropping. Pecans affected by this disease have black, sunken, shiny lesions on the shuck. Affected pecans drop to the ground and do not shed the shuck, thus the name sticky shuck.

This disease can be controlled with fungicides applied in late July or early August. Thus, control measures are too late to be effective now. Certain varieties such as the Western Schley and Wichita are more susceptible to this disease.

Another possible cause of pecan drop is injury to the foliage. Any injury such as a leaf disease which causes leaves to fall or fail to function in providing nutrients, namely carbohydrates, to the nuts will cause the nut drop. The tree will support so many nuts based on the number of leaves available to manufacture food from the sunlight, air, and other elements. If more than can be supported are present, some will drop off. Thus it is important to keep trees in good healthy condition throughout the year with a good foliage up to the first frost. Again, management is the key.

Six Sterling County 4-H Club members served a meal to area cattle producers invited to a nutrition meeting here and were given \$25 for the club fund by the feed company. Sponsor of the meeting and donor was the Moorman Feed and Mineral Company.

Club members who served the meal were Amy, Becky, and Wesley Hodges; Larry and Lisa Horwood and Melinda Terry.

Cattle producers attending came from Sterling, Howard, Glasscock, Coke, Tom Green and Runnels Counties.

Thanks to the girls and boys and to the Moorman people for this.

Behind the 8-Ball

By the editor.

The Sterling City Eagles are now ranked 15th in the state Class B football teams.

The Eagles are on an equal 3-0 record with Bronte and the Hawley teams in District 3-B.

Jeff Copeland, Eagle back and Bronte's Barbee are tied at the top in scoring in 3-B with 32 points each.

Sterling has a good team and hopefully will get by Jayton tonight there in a conference opener for 1974.

8-BALL

The Texas Tech Red Raiders did what Tech likes to do best in football—beat the Texas Longhorns last Saturday at Tech.

Called an upset, the Raiders had no trouble whatsoever in an easy win. They allowed the boys from Austin only one little spot on the board, a 3 point field goal early in the game.

The worst part of it for me—was a sunburned nose job.

It's now begun to peel. And I can't afford to lose that much epidermis—or skin from my body.

Freddie Williams got a nose job, too.

8-BALL

With the stock market prices sliding down greased skids, and the economy jumpy and skittish, and prices trying to jump over the moon—guess we'll just live and breathe football the next four months—and maybe by then everything will be all straightened out and back to normal. Let the experts in Washington get it all fixed up and then we can rest easy again.

After all, that is what we've got them up there for. If things get too bad, let Rockefeller bail the country out of it's trouble.

Midland Community Theatre Sets Comedy

JABBERWOCK OPENS AT MCT OCTOBER 11

JABBERWOCK, a new comedy by Jerome Lawrence and Robert E. Lee is opening at Midland Community Theatre on October 11th.

JABBERWOCK is funny. It is a distillation of the enormous wit and humor of James E. Thurber, brought to life on stage by the authors of MAME, the musical, and AUNTIE MAME, the play. Besides those two big comedy hits, the versatile Lawrence and Lee also wrote INHERIT THE WIND and THE NIGHT THOR-EAU SPENT IN JAIL.

In this case the authors have written one of those plays people don't write any more—a gentle family comedy, seasoned to taste, about the not quite typical family of young Jamie Thurber. They borrowed the title from Lewis Carroll's classic nonsense verse and have given this hilarious comedy surrounding the rael and imagined characters of JABBERWOCK its unique flavor.

JABBERWOCK's setting is Columbus, Ohio, circa 1917, but it is also NOW and FAMILY and LOVE and AMERICA and FUNNY. Its language is at times salty and irreverent. It is a piece of Americana, rather loosely based on Thurber's own book, My Life and Hard Times, and is a brilliantly witty play, as believably absurd as it is nostalgic.

In MCT's production young Jamie will be played by Clay Guthrie with Gloria Stephenson in the pivotal role of his mother. His father will be Mark Guinan with Hal Coon and Robert Reeder as Jamie's brothers. The liveliest character in the household is Grampa Fisher age 77, who alternates between refigiting the Civil War and saddle-breaking the family's new electric car. Henry Goulet will appear in this role.

Many other characters make up the cast of this new play which was written for The American Playwrights Theatre, an organization of non-commercial theatres, formed to acquire the rights to new scripts before Broadway, touring groups and the movies have worn them out.

MCT's production of JABBERWOCK opens on October 11 for nine performances: October 12, 17, 18, 19, 20, 24, 25 and 26. Curtain times are 8:30 p.m. on Fridays and Saturdays, 8:00 p.m. on Thursdays and 2:30 p.m. on Sunday. Students may purchase tickets for the 17th and 20th at \$1 each; or school sponsored groups may attend any performance for the same price. Adult prices are \$2.50 and \$3, or by membership card. Reservations must be made in advance. The box office opens on October 3rd for members of MCT and on 7th to the public. Make plans now to see JABBERWOCK, a warm and funny show about warm and funny people.

Directions for Packing and Shipping Heads from Suspected Rabid Animals to the Laboratory

Increasing difficulty to confirm a diagnosis of rabies is being experienced with the submission of animal heads for rabies examination when shipment by air takes as long as four days between shipping date and receipt. If at all possible, we recommend to those who use the State Department of Health laboratory service in Austin, that they USE THE VARIOUS BUS COMPANIES. Pack the animal head in a leakproof plastic bag. Enclose a second leak-proof plastic bag filled with ice or use water frozen in plastic bottles. An outside container of sturdy construction (styrofoam serves nicely and is inexpensive) must be used. Also, use packing material to absorb water in the event of leakage. The box should be securely taped down and marked, KEEP UPRIGHT—PLEASE. A note to telephone the Health Department Laboratory (454-3781 Ext. 313) on arrival, should be prominently displayed.
