AROUND
THE
COUNTY

ARTHUR BARLEMAN, JR. COUNTY AGENT

There were 1,700,000 more flies in Sterling County on Wednesday morning than there were on Tuesday of this week. These nearly 2 million flies though were the GOOD GUYS of the fly world and their mission here was to combat some of the BAD GUYS flies.

These flies were sterile screw-worm flies brought into the county for ground-release on ranches that had confirmed screwworm cases last week. The cases were on the Collins and Counts Ranch 18 miles southwest of Sterling City the Foster and Hildebrand River Ranch the Bill and Wayland Foster country on Colorado City road and the S.K. Horwood Santa Fe Ranch.

The flies were brought up here by Texas Animal Health Commission personnel for ground release. In addition, the screw-worm eradication program is also making aerial drops of sterile flies in the county. The flies brought up were in boxes of 10,000 each: the Animal Health Commission people jokingly gave us the privilege of counting the flies but no one took the privilege.

All producers are urged to maintain the same check of their livestock that they have been doing. There have been more confirmed cases in the last couple of weeks with the welcome wet weather and there will probably be more. Cold weather will slow down the problem but until then, all stock should be checked, samples of suspected cases taken, and sent in to the Mission Laboratory. Mailing tubes and collection vials are available in the feed store as well as the county extension agent's office. Carry a couple in the pickup.

Sterling County 4-H Club members were represented at the District 7 4-H Council Meeting in Abilene last Saturday by Lisa Horwood and Amy Hodges. Lisa is the secretary of the district council while Amy is the newly elected president of the Sterling County 4-H Club; she is automatically a council member.

Other officers of the local club are Melinda Terry, vice-president; Patti Bynum, secretary-treasurer; and Russell Davis, boy council delegate. Russell was not able to attend the meeting Saturday.

Many states in the northwest, midwest, and southern U.S. have two calf crops on the ground at the present time according to county extension agents attending the National Association of County Agricultural Agents' meeting in Tuscon last week. Some areas of Texas also have two crops on the ground, particularly some of the central and East Texas areas.

Agents in the cornbelt and soybean region said that the early frosts reported by the news media were very spotted. Losses in the areas hit by the frost varied from 20% of the corn and 40% of the soybeans up to a total loss. They said that the losses on soybeans actually were going to be higher than on the corn. The corn could be made into silage and while it would not be the best silage, it could be used as feed; most of the leaves dropped off before it could be made into silage but the stalks and immature grain would be useable. Soybeans lost their

GOOD RAINS

Off and on the past week up to an inch in town and more in favored spots to the north and west of town, rain continued.

Jim Hinshaw, local weather volunteer cooperater, reported .92 inch while some place got more than that Wednesday and Wednesday night.

All of West Texas is getting soaked. Most rain now runs off down to the creeks and rivers.

San Angelo's pride, the Twin Buttes Lake, has so much, they are releasing some every day.

The North Concho Lake isn't nearly full or at conservation level, but if it keeps on raining it will be before long. It happened—once back in the 50s.

School Broken Into Sunday Night

The Sterling School building was broken into here Sunday night sometime and a small amount of money was taken, said Bobby Dodds, principal.

Around \$15, a take out of the Coke machines, was missing—it was said, and nothing else.

Looking only for money was the object, because no machines like typewriters or the like were taken out of the office. The burglars did a good job of prying the door to the office open, damaging it.

No leads have been reported, said Dodds.

MIKE EZZELL'S FATHER DIES TUESDAY NIGHT

Mrs. Mike Ezzell, wife of the candidate for the state legislature, informed this paper on Wednesday that Mike's father died in Port Lavaca Tuesday evening at 9:30.

This death in the family was to curtail Mike's going and coming over the district the final days of the campaign.

leaves quickly and the beans were too immature to be of any value. All said the heaviest losses of both crops were due to the drought in the summer months.

The Iowa agents said that some of the small farm feedlots would put light cattle on feed to use the corn silage and wet corn. Many of the lots had been empty and this was the only solution to the corn problem. Too, many of the silos were already full from past years and this was another of the problems.

Nationwide, the summer was a dry one; the fall has been a wet one. It even rained in Tuscon and on the desert last week.

Lions Sponsoring Turkey Shoot Saturday

The Sterling City Lions Club is holding its annual turkey shoot Saturday, November 2 at the rifle range west of town. The shoot gets underway at 10 a.m.

There will be the usual target shoots and trap shooting for all ages. Frozen turkeys will be given as prizes.

Don Richardson was a new or reinstated member Wednesday. Dr. Will-Mathis Dunn was a guest.

The prize went to Dan Glass. *Bicycle Safety Flags to be Presented Next Wednesday at School*

The club has bought some bicycle safety flags to be given to children riding bicycles. They will be presented at the school at 10 a.m. next Wednesday, November 6. The highway patrol will give a safety program to the bicyclists at that time and the flags are to be presented to the ones attending the safety program.

President Bill Watts appointed a committee to hold a concession stand at the shoot. He named Albert McGinnes, Charlie Davis and Kay Davis will make sandwiches for the stand, it was said.

Eagles Lose 12 to 7 To Forsan

Play Roby There Tonight at 7:30

Wesley Thixton and John Medlin of the Forsan Buffaloes proved too much for the Sterling City Eagles here last Friday and the Eagles lost 12 to 7. Russell Davis got loose on an 85 yard run and loped to an Eagle TD and Ronny Hord kicked the extra point, in the fourth quarter.

In the opening quarter, Thixton and the Buffaloes drove to the Eagles goal line and he got

Sterling County, along with the rest of Texas, will be holding the general election Tuesday, November 5. Polling will be in the four usual places in Sterling County—being the courthouse, William Foster ranchhouse, Bill Blairs ranch-house and Bill J. Cole's.

There are the usual Democratic candidates, ranging from the Congressional race to the local justice of the peace. Republicans have candidates down through the state races, and a candidate. Rich Anderson, for our legislative district. He is opposing Mike Ezzell.

The Raza Unida Party has a candidate for governor, Ramsey Muniz, and a candidate for railroad commissioner, Fred Garza.

The Socialist Workers Party has six candidates for state offices and the American Party has candidates for U.S. Congress and governor. Then there is a write-in column in case none of the listed candidates suit the voters.

A voter can vote a straight ticket by putting an X in the top listing by parties—or one can split up and vote mixed if he so desires.

A rather light turnout of voters is expected in Sterling, due to lack of voter interest. There are no local race contests—and no presidential voting this year.

American Legion Elects New Officers

The local American Legion Post met Tuesday night and elected new officers as follows:

Elton Hull, commander
Louie Alexander, 1st vice-com.
Jeff Davis, 2nd vice-com.
Andrew Coronado, adjutant
D. K. Hopkins, finance officer
Will Durham, service officer
Worth Durham, historian
Tom Cleveland, sgt. at arms
Bill Watts, publicity chrmn.

The group decided to have a barbecue at Jeff Davis's barn on November 9. More details will be announced later on the barbecue, said Bill Watts.

BONFIRE AND PEP RALLY NEXT THURSDAY NIGHT

On Thursday night, November 7 there will be a bonfire and a pep rally just east of the school playground and the laundry, it has been announced. Everyone is invited to attend the rally at 7 p.m. and take part.

The high school kids have a big load of burnables set for the bonfire and hope for a big crowd.

over for the first counter. Then in the third quarter Medlin took a pass all the way for another TD Both tries for extra points were futile for the Forsan boys.

Sterling racked up eight first downs to 15 for the Buffaloes.

The Eagles journey to Roby tonight for a conference tilt at 7:30. Next week the Eagles play Bronte here.

Homecoming Activities

Russell Davis was named football hero and Jeanie Wells was crowned football queen at the halftime activities.

Bob Krueger's opponent favors a 15% cut in the defense budget. Krueger strongly opposes any such cut. The Federal Government must tighten its belt, but a 15% cut in the defense budget could seriously jeopardize our local military bases as well as our entire national security.

JESSE JAMES
 STATE TREASURER

You know, the worse inflation gets the more we need somebody like Briscoe. He's created a lot of good jobs and he knows how to get things started.

We need new jobs and more income in this state and Governor Briscoe is helping us get them.

In times like these when the economy is so shaky, I'm going to stay with Governor Briscoe.

Briscoe's kept pace without adding new taxes—I voted Republican in 1972, but I'm voting for Briscoe this time.

It's quite refreshing for me to know that we have a man like Dolph Briscoe... a man who puts integrity before all things....

They all promised no new taxes; Dolph Briscoe kept his promise.

Dolph Briscoe's proved he has the contacts and the know how to bring new business to the State of Texas. We can't afford to lose him at a critical time like this.

I think Dolph Briscoe is a Governor you can believe in. I'm looking forward to voting for him in November.

*We can trust him
to work on the REAL problems
facing all Americans.*

Inflation is a problem that can't be covered up. Krueger believes that we've paid a high enough price for irresponsible fiscal management. No one man can solve all the problems, but one honest, independent congressman can make a difference.

Krueger believes that we must:

- Balance the Federal budget.
- Oppose the Administration's 5% sur tax on the already overtaxed middle income families.
- Stop the selling of wheat to Russia at ridiculously low prices.
- Re-impose important regulations on foreign beef.
- Eliminate excessive "paper work" on small businesses.
- Return to a supply and demand economy.

The kind of man we need in Washington.
