There have been some requests for the RECIPE for making the paper logs that produce the varied color flames in the fireplace during the holiday season. Since it does take a couple of weeks to make and dry the log newspaper rolls, here is the way its done.

Rolls newspaper into logs and tie with heavy twine. Soak them in a solution of four pounds of copper sulfate and three pounds of rock salt dissolved in one gallon of water. Place the solution in a plastic, glass or enamel container to soak the logs. The solution will 'eat' holes in galvanized or metal containers. Allow to soak for several days, turning the logs periodically. Dry the logs for several days they are ready for use by adding to the fire in the fireplace just as you would any logs.

The Tom Green County Pecan Show dates for this year are December 3-4. Sterling County Pecan growers have again been invited to make entries in the show. An entry will consist of 42 pecans from the 1976 crop. The divisions are the same as in the past: In-Shell, Shelling, and Native Pecans. These are further broken down into the varieties. Each exhibitor is asked to end in some surplus pecans which are sold to help defray the cost of the show.

If you would like to enter pecans in the show, contact the County Extension Office here for further information and help in preparing your entries.

### ARE THERE ROUTES LESS EXPENSIVE THAN OTHERS FOR SETTLING ESTATES?

Yes. There are no penalties; therefore, no interest if the estate is settled on time. Furthermore, no shrinkage, no 'for sales', no anxiety having to sell the South 40 for \$100 an acre when it's worth \$225. The key...liquidity. The foolproof product that will provide the money to pay the cost of settling an estate at the time of death is life insurance. Many substitutes have guaranteed not to shrink, ravel at the seams or fade out to provide cash to settle an estate but nothing compares with life insurance. There is no estate; therefore, no cost of estate settlement until death occurs. When it does, life insurance becomes money bought on installment to solve this problem.

## Proper Energy Management Can Save You Money!

### In Your Home Laundry

- ★ Utilize the washer's full capacity. Wash larger loads — wash less often.
- ★ Same goes for dryers: dry more than just a few items at a time.
- ★ Use the washer's load selector to save on hot water when you must wash small loads.
- ★ Use a cold rinse whenever possible to conserve hot water.
- ★ For more efficient drying, clean the dryer lint screen after each load.
- ★ If your dryer has an automatic cycle, use it to prevent unnecessary overdrying. Also, when allowed to overdry, clothes tend to wrinkle, thus require more ironing.

## WIGGINS-SMITH WEDDING

*The Cledis Smiths Attend Wedding of Grandson in Kenton, Oklahoma*

An archway covered with clusters of Colorado oak leaves flanked by twin baskets overflowing with bronze and gold chrysanthemums and nature's fall foliage glowed as the mornings rays of sunshine shone upon the wedding ceremony of Miss Nina Lea Wiggins and Jimmy Lee Smith. Steve Orbison, of Clayton, New Mexico officiated for the 10:30 a.m. October 23 double ring ceremony in the Furnish Canyon Church of Christ of Kenton, Oklahoma.

The bride is the daughter of Mr. and Mrs. Jack L. Wiggins of Kenton, Oklahoma. The bridegroom is the son of Mr. and Mrs. William L. Smith of Kernit, Texas.

Mrs. James Belford, organist, played selected wedding songs and also accompanied Miss Kristy Brock as she sang three selections—As We O Lord Have Joined Our Hands, With This Ring I Thee Wed, and The Wedding Prayer.

When presented in marriage by her father, the bride was formally gowned in a princess silhouette of silk organza and cluney lace. Ruffled cluney lace filled the stand-up neckline, created the cuff of the fitted Nottingham lace sleeves and outlined the deep ovel Nottingham lace yoke. Tiny venise lace outlined the lace detail. Bridal pearls traced the lace designs of the center of the yoke and full length of the sleeves. The contoured princess line panels fell into a bouffant fullness sweeping to the back in a graceful skirt above the deep Nottingham lace hemline flounce. The bride wore a headpiece of candlelight French illusion which fell to three tiers to the elbow from a matching lace camelot, retraced with seed pearls. She carried a cascade bouquet of twelve tropicana roses, rust wheat, and golden oak leaves.

Mrs. Nan Lynn Mull of Eaton, Colorado, attended her sister as matron of honor. She wore a floor length gown of gray mist imported from Korea with hand painted leaves of gold, orange and bronze. Her head was adorned with a half moon of gold and bronze chrysanthmums. She carried an arm bouquet of gold and bronze chrysanthemums surrounded by dried foliage.

Michael Smith served his brother as best man. Charles Seabolt, Matt Wiggins and Frederick Mull were ushers.

The brides parents hosted a reception in their home immediately following the ceremony. The three tiered alternate layered chocolate-white cake adorned with love doves and cherubs, decorated in the color scheme of the fall setting was served along with spice dea and coffee by Mrs. Carla Olson and Mrs. Karen Chudej, both of Amarillo, Texas.

Following a wedding trip to the Colorado mountains, the couple is at home in Odessa, Texas.

The bride is a 1975 graduate of West Texas State University with a degree in music education. She is presently employed in that capacity at Odessa Christian School.

The bridegroom attended West Texas State University also where he was an active member of Phi Delta Theta Fraternity. He is employed by El Paso Products in Odessa.

Special out-of-town guests were Mr. and Mrs. C. W. Smith of Sterling City, Texas and Mrs. Evelyn Shelby of Midland.

The William L. Smiths were hosts for the rehearsal dinner in Clayton, N. M. on Oct. 22.

## Know the Facts

**DAMAS CLUB SPONSORING DRIVE**

You could have diabetes without any symptoms. Indeed, anyone at any age, can become diabetic. Those most likely to get it, however, are relatives of diabetics and people who are over 40 or overweight. This major health problem is expected to effect 1 in 5 of us by the time we are 70, and the incidence is growing at an alarming rate.

November is NATIONAL DIABETES MONTH. In conjunction with this, local Damas Club members will be conducting a drive to solicit funds for the North Texas Diabetes Association. Also, Joyce Salvato has been designated as memorial chairman for Sterling City.

There are dramatic examples of diseases that have been virtually eliminated once the broad financial support of the American public was enlisted in the attack on them. The same can be true of diabetes. That is why your generous contribution is urgently needed. It is time for a cure.
