Well, we don't know wishes of the politicians of the district. He but what they are right.

The papers are full of politics, township, town, city, county, State and national. It is estimated that there is an average of at least four candidates for each office within the gift of the people. It is too often the case that when a man finds himself unfitted for

pacity the Hockleytes in true Tankee fashion by spring: Perhaps it might in 1876, we copy from the official report of the proceedings, published under the auptivished water turning loose suspected travelies of the National Executive committee, the proceedings, purposes the proceedings, purposes to the proceedings to the proceeding to the proceeding to the proceeding to the proceeding to the pr

The Dallan Commercial again comes to the its repeal," and enbetituting the following:

"The law for the resumption of specie payments on the first of January, 1879, having commercial intend its remarks to careen mants on the first of January, 1814, having and stricks a blow at any one in this strict? It says: "The people giths Fifth agreement district know John Hancock, a they have good grounds for perfect concern in his ability and emiarged common one in his ability and emiarged common one in his ability and emiarged common the business ought to be forthwith repealed." This lead to a heated and prolonged district the business ought to be forthwith repealed. This lead to a heated and prolonged discussion during which Ewing: the great soft money man, in advocating the minority report said of the report of the majority. money man, in advocating the minority port said of the report of the majority.

"But why does it object to that clau Because it is destroying the business of country in connection with the balance or country in country in connection with the balance or country in connection with th

commented upon by the people, especially of this city and county; and there can be little doubt that the next legislature will be asked to make an amendment to the present law.

Gov. Throckmorton in a recent speech deollect the revenues of the State and counties than the whole expense of the State a few years ago. The law allows five per cent. ssment and five per cent, for collection of State taxes, three per cent, for assess.

ment and three per cent. for collection of county taxes, which makes sixteen per cent. collected. The eight per cent. for assessment must be paid whether the tax

tainly no reason in paying the salaries received by county assessors, especially in lowing as an am counties like Bexar and others where the

quiring a man only of ordinary business Bin. Seances has been nominated for re-election to Congress from the Springfield, Illinois, district. He was nominaten by acclausation, which is a sort of acclaim on the part of the Islamorats of Dincoin's old home that they wan Hayes impeached or removed, and collars a year with clerk hire would and to issue the salver the duble standard of gold and to restore the double standard of gold and of the government and the people, and object that they want Hayes impeached or removed, and the salver upon a true adjustment of their

ling that they were left out in the cold by In addition to the State and county tax the Austin convention, would go resolutely to work, they could roll up such a majority for Roberts as would give them a controlling influence at the next convention, and able them to dictate to the entire State. ment at least could be saved to the people industry and enterprise.

Gro. W. Joses is a true Bouthern man, read his country faithfully for four years. The assessments made by both country and tion to lay the motion for a reconsideration. Gro. W. Joses is a true Southern man, are read his country faithfully for four years, while Hancock "akipped out," and went to the Yankee camp.

The above is from the Austin Capital, the ment, should be the same, and it is claimed on the table being agreed to by an unant with fairness and the exercise of good judgmons vote.

This above is from the Austin Capital, the ment, should be the same, and it is claimed or the St. Louis convenient to the fairness and the exercise of good judgmons vote.

This was the action of the St. Louis convenient to the fairness and the country to the national platform until it. and others of that ilk. Comment is unsured to the county court, and thus save the county assessor's commischanged. sions to that amount, or that the office of

been sitting quietly at Cuero, receiving the congrutulations of his friends and amusing matter of salaries of public officers. A law that will apply to one country will not apply that kind of money. organizations of his friends and amusing that will apply to one county will not apply mostly by reading the lies and misrepreduty to send a representative to the next It is said a majority of the Greenbackers of Guidaloupe county will support Mr. render alle assistance to the people in security of the story is found when a babe in the wreck of a railway disaster—the mother conditions are rendered as all must acknowledge is so

> would at least gain celebrity through the novelty of his efforts. ABIT OF POLITICAL MISTORY.

The Expanse feels no disposition to enter is just the man to fill an office to perfection.

It our readers, and our relevance contemmatter will only be to draw our contemporaries as close as possible to the line of Alaxosr 20,000 noses are witnesses that cher, and to throw a little light upon points Almost 20,000 noses are witnesses that there are politically in their battle against Mr. Schleither are politically been should be attend, there are politically that should be attend, and to throw a little light upon points that have been shrouded in darkness by the consulted a doctor at Columbus. I followed his city that should be attend, and to throw a little light upon points that have been shrouded in darkness by the mantle of falsehood and misrepresentation, and the doctor at Columbus. I followed his city that should be attend, when the give a little information that may be of interest to our readers, and enable them to judge of the assertions of Mr. Ireland, his newspapers and advocates, from an imparities, curing Humsors, libers is lad to my family, I will try some of the Vegetine. Here to judge of the assertions of Mr. Ireland, his newspapers and advocates, from an intelligent standpoint. Mr. Ireland are an intelligent standpoint. Mr. Ireland are an intelligent standpoint. Mr. Ireland are an intelligent standpoint. Mr. Schleicher for his recreancy to the Democratic party, and declares he would vote with his party at all times and ity expects them to place this city in a would vote with his party of all times and The state of the opposition has been to convey the

reference to resumption, as follows:

Reform is necessary to establish a sound survey, restors the public credit and maintain the mational honor. We denounce the rather suspected constitutions, she quicity dumps them into Houston." This is, to out siders, the humorous side of quarantine affairs.

A Wassusorous special to the St. Louis Republican of 19the th inst., says: "Zamacona, the Mexican minister, has given the cue to the policy to be pursued by his government in the matter of our troops pursuing raiders on Mexican troops pursuing raiders on Mexican troops to meet our middlers in regular battle, but by permitting the so-called rural guards to isuawhack the United States forces he expects to svoid anything more serious with this government than a wordy quarred with the State department, and at the same time satisfy his own people, who are so determined to oppose United States soldiers in Mexican districts."

A transported for the pardon of McDonakit and other land title forgers is being circulated. The Dallas Commercial says of its "The reason given for asking the pardon is that penitentiary life does not agree with the Major and makes him feel bad generally. This sentimentalism which hurries leading criminals out of the penitentiary just as soon as the finate and of the penitentiary just as soon as the finate appear a farce and crimes that penitentiary lust as soon as the finate appear a farce and crimes that penitentiary just as soon as the finate appear a farce and crimes that penitentiary gust as soon as the finate appear a farce and crimes that penitentiary gust as soon as the finate appear a farce and crimes that penitentiary gust as soon as the finate appear a farce and crimes that penitentiary gust as soon as the finate penitentiary just as soon as the finate papear a farce and crimes that penitentiary gust as soon as the finate appear a farce and crimes that penitentiary gust as soon as the finate appear a farce and crimes that penitentiary and the penitentiary gust as soon as the finate appear a farce and crimes that penitentiary and penitentiary the sound penitentiary to the p

d bad bringing up, fall into crime, then West Virginia, Davis of Kansas and Horton of Missouri-offered a report striking out the words "As such hindrance we denounce the resumption act of 1875, and hereby demand

and 33 for the minority.

The following ame was then offered by Mr. Doolittle: * "That any law in place of the resumption law fixing the time for resumption for the payment or redemption of such legal-tender notes, shall provide that such retirement shall be so gradual and steady as not to dis-

turb values, change the meaning of contracts increase the burden of existing debts, de This was ruled out of order, and the plat form as reported by the majority was adopt

After this Mr. Doolittle asked a reconsi

set down at six and a half millions. Is there not some mistake about this?

As Mr. Plagge, the School Superintendent, promises to cost this city \$3,500 this year at comparatively little dent, promises to cost this city \$3,500 this year, we trust he will make unusual exertions amount to \$8,000 or \$10,000 per annum. amount to \$8,000 or \$10,000 per annum. certain and steady return to that condition.

The position is simply a clerical one, requiring a man only of ordinary business.

Received: That mry law in place of the re-sumption law, which we propose to regeal, providing for the payment or redemption of legal-tender notes, shall also provide that such retirement shall be so gradual and steady

Congressman Howers or six Fries.

A warsing to Educated Troub.

At the reception of the Columbia crew in Now York, on Saturday last, the Hon. Abrams.

Hewith took occasion to make a vigorous attack on Dennia Kearney and the new labor movement. He and: "Young goultemen, there is an alarming fact in respect to the rising generation of this country, and that is their neglect of their political duties. I am sorry to any it, but there is a want of public spirit or the part of our educated young men, which must be corrected if we some will be country and formish and of Clinton, names which to-day adorn the rolls of Columbia college, and furnish an undying example to the young men whom she wends forth. They were founders of our government, they were patriots who did not count it loss to risk their ityes, fortunes and thale macred home in the cause of free government, they were patriots who did not count it loss to risk their ityes, fortunes and thale macred home in the cause of free government, they were patriots who did not count it loss to risk their ityes, fortunes and thale macred home in the cause of free government. (Applause.) We have proved that the young men of the country are equal to any demands by the said formish and their ityes, fortunes and their layer, fortunes and their layer fortunes are included to the country are equal to those political descriptions are included to the country are equal to the said of the country are equal to the country of the government, we shall arrange matters to the ignorant and the lowly, not to the intentionally erring. Pool your issues, and when we have got current of the government, we shall arrange matters to said towns and the lower of things, and what they will substitute in place nother they

THE BANCROFT BANQUET.

The day's fastivition closed to night at the residence of Mr. Bancroft. The grounds were illuminated, although there was no need of any thing of the kind, for the moon shone brightly upon the splendid scone. The guests began to arrive promptly at nine o'clock, Ausnig the first to slight was litrs. Hayes, accompanied by Judge and Mrs. Swarzs. The glittering carriages rolled into the ground for nearly an fibur in rapid succession, and it is estimated that nearly three hundred persons were present. They were cordially received by Mr. and Mrs. Bancroft and were inteduced to Mrs. Hayes by a member of Mr. Bancroft's family.
