The Galveston News presented its annual review of the business of that city in its issue of the 13th. It was a splendid paper, just such a one as the News should issue every day.

THE POLITICAL NEWS THAT IS STIMULATING in this country, is already being scanned by attempts to create discord and dissensions on a basis not warranted by fact or fairness.
Interested parties are trying to prepare the minds of the people for the "splitting," and we are sorry to see that unjust conclusions are being made.
Everything possible is being done to increase the dissatisfaction of the Mexican element of the Democratic party, and an attempt is also being made to prejudice the German voters against the ticket, by declarations that the Germans have been ignored. The incoherence of such assertions is easily proven. For the three most honorable cities the people of Texas county will vote to all this fall, outside the State ticket, the Democracy present German candidates for Congress, for Plaster to the Legislature and for Representatives. Does it look like ignoring the Germans when you propose to place the law-making power into their hands, as far as at least in this district is concerned? Mr. Schlotzer, it is true, did not receive the nomination, but he was the choice of nearly two-thirds of the delegates in convention, and received the unanimous vote of the Texas county delegation. Mr. Worchick was nominated for Representative by acclamation, and in the same manner was Mr. Clement declared the nominee for Plaster.

SHEEP LANDS OUR SPECIALTY. SHEEP LANDS OUR SPECIALTY. SHEEP LANDS OUR SPECIALTY.

LOCAL NEWS AND GOSSIP. Nothing was done in the County Court yesterday.

The condition of the mail service on the San Antonio and Corpus Christi route is such as to demand the immediate attention of the postoffice authorities at Washington.

There was a harbinger near the prominent little town of Luling, in Caldwell county, yesterday, which proved unusually interesting.

We have only to stand in the van of our country and the day that we will see through our present trouble.

The Express of yesterday contained the announcement of the death of Mr. Robert E. Robinson, who was stabbed by Tom Copeland at the Old Stand saloon on the 25th of August.

There will be a special called meeting of the Central Republican Club of Bexar county, held at Murphy's hall at 7 o'clock on Saturday, the 21st of September.

At the last letting of the mail contracts by the postoffice authorities in Washington, among other contracts, that for carrying the United States mail on the San Antonio and Corpus Christi route was let to Mr. F. B. Prince, of Jefferson City, Missouri.

The speaking was inaugurated by Judge Irwin, who made a few remarks on the subject of the money question.

The "natural hatred of the poor to the rich," it shall not be the last work of my existence, it shall only be an arm drawn from the verge of oblivion when I shall cease to have respect or esteem for any of the earth.

Justice Houston held an inquest on the remains yesterday and the result is given below.
