THE GAS QUESTION.

The reporter of the New Orleans Democrat a few days ago interviewed a number of citizens and large consumers of gas to obtain ideas from all concerning the subject.

One gentleman, well-known here, said: "Your paper has already published about the increase of gas bills. I am sure the increase there is in gas bills from month to month when almost the same quantity is consumed."

THE POLITICAL STATUS.

The Cop of Spatity in Democratic and Republican circles. The Republican Publishing and Greenbackers are hard at work.

That there is real apathy in the ranks of the democracy of this congressional district cannot be denied. A strong effort is on foot, in a quiet yet effective way, to reduce the democratic majority in the elections next Tuesday, and unless it is the gas consumers of San Antonio. We slip as follows:

DEATH OF SILAS RICE.

The Veteran of the West Passed Away. Attracted by King's Erection and Receives a Deceitful Bureaucracy.

Silas Rice is dead. The old hero of the turf breathed his last in a pasture near the San Pedro apostle near Wednesday, being in the 79th year of his age. Silas did not die among strangers; indeed, such things would be impossible for America never had a man like him.

AN OLD SQUABBLE APPROACHING SETTLEMENT.

For many years, the authorities of the county of Bexar and the city government of San Antonio have been parties to a dispute involving the sum of about \$20,000.

Passenger coaches carrying the U. S. mail will leave San Antonio at 8 o'clock A. M. of each day, for Corpus Christi and various stations, and Laredo and other stations. For passenger or further information apply to J. J. Ellis, Commercial street, near the bridge.

RENEWED CORPUS CHRISTI AND LAREDO.

Between San Antonio and Corpus Christi and Laredo, Texas.

Everything Goes Wrong in the bodily mechanism when the liver gets out of order. Constipation, dyspepsia, indigestion of the blood, imperfect assimilation of the food, but it is easy to prevent these conditions and remove their cause, by a course of Hostetter's Stomach Bitters, which stimulates the liver organs and regulates its action.
