From all points in Southern and Southwestern Texas, it is over one hundred and fifty miles shorter, and many hours quicker, to Louisville than by way of St. Louis.

It is also shorter and quicker, and has the most felicitous arrangement of Fullman Palace Sleeping Care that can be offered, to Cincinnati and all points beyond. It is the only route by which we can take in the Great Mammoth Cave of Kentucky. The seenery is lovely, the equipment unsurpassed, the speed unrivailed.
