New York, October 2.—The joint executive committee have voted in lavor of an advance in each bound rakes to singuistic of the purpose was reasoned by will be unfailed as the purpose was abolieves that the purpose was abolieves that the purpose was reasoned to contain the bound of the city railroad franchises, over the vote of the major, who favored accepting the higher but of \$750,030, offered several days late than the constitution accepted the bird of \$750,030, offered several days late than the date set for opening the high.

The council she added \$450,000, which was paid as cash to the budget of reventing the high.

The council she added \$450,000, which was paid as cash to the budget of reventing the higher but of a passed the ordinance appropriating that amount in honidation of the bonded and floating debt of the city.

ARREST OF MRS, SPEARS, and the committee in which was yester-day referred the bill now before congress.

St. Louis, October 2.—The military convention mot again yesterday, Gen. Because and framed to meet the requirements of the militar service was taken up and discussed. The bill framed to meet the requirements of the militis service was taken up and discussed. The bill now being before the house committee on army affairs, the sense of convention was that it should not be materially changed. A hill was submitted to the constitution adopted yesterday, and is called the national guard association of the United States, and the onjoet is to secure military efficiency and UnitedStates representation before congress.

St. Louis, October 2.—The militia convention met again this morning, General lleaurement in the chair. Gen. Hout, chairman of the committee to which was yesterday referred the bill now before congress for the arms and that the majority and minority reports had been prepared. Both reports as for an appropriation from congress of two millions annually for the benefit of a national guard, and the only difference between the two is that the majority report says the appropriation from congress of two millions annually for the benefit of a national guard, and the majority report says the appropriation from congress of two millions annually for the benefit of a national guard, and the minority report provides for a division of the money according to population. Considerable debate followed the reading of the reports, strong speeches being made on both sides. Finally a vote was taken, and the minority report was adopted, the vote tening taken by states. The convention than adjourned sine die to meet at the call of the executive committee.

Appeal for Aid to Educate Southern

Catteren.

New York, October 2.—At the annual meeting of the trustees of the Peabody circulation fund, Dr. Scars, sources again, seal report. It states that the accounty for the southern states in their efforts to educate the southern states in their efforts to educate the interior of the evidence of the state. A GALVESTON Neice dispatch from Austin establishments could tell at a glance whether license had been taken out.

THE WACO Examiner indignantly on laims: "An anachronism, a solection, as peougraity and an infernal ubance. A sea port at Galveston with an outlet to the man-kets of the world and all the cetton trains on Texas railroads running with the cowcatchers pointed north and the cabooses turns oward the south."

rmany, France and the rest of Em about \$70,000,000. We will soon !swap produce for all of those bouls.

bers of congress reported as placing himself on a level with a shoulder-hitting pot house politician by engaging in a street brawl, and without obtaining satisfactory results otherwise; for who cares whether Hamman has a bunged nose, a crushed jaw, or wears a common of a state bar association. At managed nose, a crushed jaw, or wears a companisation of a state bar association. At mentand support of a state bar association, at temporary measure, does not produce last-results. It is too much like convincing a man against his will.

In any event, if the people up in the supreme court of appeals, court of are northern part of the state, where all the significant is going on, would allow an outsider like the Engagest to state, where all the significant is going on, would allow an outsider like the Engagest to state association of law and statistics articles on interesting questions of law and that Grant can be "from the proceedings of the council of the union of American Rebrew congrega-tions of American Rebrew congregations which resemble the union of American Rebrew congregations of American Rebrew congregations which resemble the union of American Rebrew congregations of Rebrew congregations which resemble the union of American Rebrew congregations which resemble the union of American Rebrew congregations of Rebrew congregations which resemble the union of American Rebrew Congregation of Rebrew congregations which resemble the union of American Rebrew Congregation of Rebrew congregations which resemble the union of American Rebrew Congregation of Rebrew Cong garded as wise or expedient. It is understood that members of the profession, by the formation of such an association, could discuss questions of national finances; besides, by that time circumstances or events may change the whole aspect of the questions now at issue in the northern part of the state.

As before stated, we trust those fellows will come to say something to encourage will come to say something to encourage making the total distance 133 miles. Sup
sides, by that time circumstances or events matters of impertance for the value of \$4,807,141, besides property under Jevish control, belonging to public institutions, worth two millions more; 657 Sabbath school teachers and 12,899 schoolars. The Hobrew Union college is received from 1,004 cities and towns, in which there are 224 congregations, having an aggregate of 12,139 members, and owning realceived from 1,004 cities and towns, in which there are 224 congregations, having an aggregate of 12,139 members, and owning realceived from 1,004 cities and towns, in which there are 224 congregations, having an aggregate of 12,139 members, and owning realceived from 1,004 cities and towns, in which there are 224 congregations, having an aggregate of 12,139 members, and owning realceived from 1,004 cities and towns, in which there are 224 congregations, having an aggregate of 12,139 members, and owning realceived from 1,004 cities and towns, in which there are 224 congregations, having an aggregate of 12,139 members, and owning a regarded as wise or expedient. It is understood that members of the profession, by the formation of such an association, could do much of mutual advantage to each other, on the value of \$4,807,141, besides property under Jevish control to the value of \$4,807,141, besides property under are 224 congregations, having an aggregate of 12,139 members, and owning an aggregate of 12,139 members are 24 congregations, having an aggregate of 12,139 members are 24 congregations, having an aggregate of 12,139 members are 24 congrega

A correspondent signing himself "Vindex," had a communication in the Herald of Wedneeday afterseon, which would be passed by an unworthy of notice but that it presents to tooch upon a sulject in which the people of this city are especially interested. He claims to be in no way connected with the railroad or railroad company, yet he makes insinuations which, if there be any foundating for them, could come any from one versed in the operations of the road generally held most accret. There was no acquest against the action of those who are endeavoring to effect a reduction of these who are endeavoring to effect a reduction of the build a road to Coner, it they could not be almost unteresting as a subject in which the results in the action of those who are endeavoring to effect a reduction of these who are not too high, and that the merchane have no tity the state merchane have no too high, and that the merchane have no too high, and that the merchane have no register to the conveys the impression that freight rates are not too high, and that the merchane have no register to the conveys the impression that freight rates are not too high, and that the merchane have no register to the Erces, to the Excesse in the manner be does, "Vindex gives his imagination a libroral station and conserved the condition by securing more advantageous terms, we fail to substratable in the action of the converse that the substratable in the advantages in the dediversions. In ascribing the cry of "anything to best Feirce," to the Excesse in the manner be does, "Vindex gives his imagination a libroral station as between the railroad and the people. Not the proposes any fight sagning the cry of the converse of the content of the people of the converse of the content of the people of the converse of the

Will bereafter conduct the COMMERCIAL DEPARTMENT

Well-Borer and Rock-Driller

Having had nearly three years experience in the west brusiness in southwestern Texas, would be glad to Inform the public generally that I am prepared to put in family or stock wells 6, 12, 16, 28, 32, and 44 inches in diameter, to any dis-sired depths, on very reasonable terms. Also test kodes for water or minerals, or Artesian wells to a depth of 200 feet.

Any orders left with M. Geo. Holmgreen at the Alamo foundry will be promptly attended to. For further information address me at SAN ANTONIO, TEXAS.

Notice of Public Weigher

I would most respectfully inform the merchants dealing in hides, wool, cotton, &c., that I have been appointed by his Excellency, the Governor, as Patie Weigher, and that I have qualified as such. Any business entrusted to me will be promptly attended to. Office on west side of Military Plaza, next to Brani's store. Oxides loft at the office of Mesars. Walfing & La batt, Market street, will receive prompt attention.
