LOUISIANA REPUBLICAN CONVEN-

Adoption of the Usual Reso-

New Origans, October 21.—The republican state convention adopted the following:

\*\*Resolved, That it is the deliberate judgment of this convention that an act of more erronous injustice to the state of London, October 21.—The supply trains and to the republican party could not be perpetrated by the national sensite than depriving this state of one of its senatorial representatives—Hon, Wm. Pitt Kelloggatter his claim to the seat he new occupies has been already deliberately acted upon; that we do solemnly and earnestly, but most respectfully, protest in the name of Louisiana, against such contemplated action as a brave violation of principles, and as proceeds ings likely to be productive of the most misohievous consequences hereafter.

Also a resolution by Senator Burch, alloding to the republican victories in Maine, Calmisohievous consequences hereafter.

Also a resolution by Senator Burch, alluding to the republican victories in Maine, California, Colorado, Ohio and Iowa, as assuring success in 1880.

Also a resolution of thanks to Hon. John Sherman for his great success in assisting resumption of specie payments.

Also a resolution of thanks to President Heyes for his acts of fidelity to the party.

resolution of thanks to President Haves for his acts of fidelity to the party, which paved the way to splendid republican victories.

The following additional nominations were made: Lieutenant-governor, James M. Gillespie, of Tensaa, an old planter possessing large landed interests in that and other adjoining parishes; attorney general, Judge Don A. Pardee, exfeders officer, and confessedly one of the best lawyers in the state; state auditor, Hon. Clanding Mayo, of St. Land.y, a native of Louisiana, prominent in his section of the state and of commanding influence; superintendent of public clueation, Doctor M. F. Bousano, of St. Bernard parish, for years past associated in the conduct of the United States mint of this city and representative of colored citizens.

St. Petersburg, October 21.—A Russian influence; superintendent of public clueation, Doctor M. F. Bousano, of St. Bernard parish, for years past associated in the conduct of the United States mint of this city and representative of colored citizens.

St. Petersburg Cotober 21.—Herr Van Bennigser eacher of the nationals, has been suggested as a candidate of the conservatives and representative of colored citizens.

St. Petersburg of the story of settlement of the city and representative of colored citizens.

St. Petersburg october 21.—Herr Van Bennigser eacher of the nationals, has been suggested as a candidate of the conservatives and representative of colored citizens.

Stockholm, October 21.—The hotel D ville and a number of adjacent houses bay will be and a number of adjacent houses bay will be and a number of adjacent houses bay will be and a number of adjacent houses bay will be and a number of adjacent houses bay

on negotiations. If the Indians are ondition not permitting them to longer me the war, they will agree upon

discondition not permitting them to, longer striking has war, they will agree upon a scalared, the government will have time following.

The fact that the democrats must take their striking that it has each in the cash in recently made above that B requires about 18000 acres of land to maintain a family of will Indiana, and the various tribes range over much a rast area of territory that the little army of the government cannot main take a curvellease over them. Under the policy now pursued the Indians are no better one year than they were the previous one they are the same lary regalonds, ready to break out into hostilities at any moment. Now, we propose an effort at least to change this Instead of giving each family 8000 acres of land give it about 200 the old political intrigues which have surrounded the aspirations of embryo statemen. The Silver City (New Mexico) Record is rather unkind in its references to Colonel the facility of the called complete the convention to reasonizate him; but outled the supported by the facility faction. The opponents of the man with the party and the could complet the convention to reasonizate him; but of the cold place as in the called complete the convention to reasonizate him; but of the could complete the convention to reasonizate him; but of the cold of the supported by the facility faction. The opponents of the man with the authoritation within his, party of the could complete the convention to reasonizate him; but of the facility of the cold place as in the called complete the convention to reasonizate him; but of the facility of the called complete the convention to reasonizate him; but of the facility facility of the called complete the could complete the facility of the sale of the sale of the could complete the facility of the call could complete the facility family 8000 acres of land give it about 200 the old political intriguer which have sursores, a few agricultural implements, and the alternative of working for a living or starv, in the surface of the last decade; a man who comes from the surface of the surface of

rould be solved, the government would be private life, whose honor is above reproach, allars better off, and a work of and whose integrity is unimpeachable; who could grapple with and compenhand the

their own government. Under such a sys-tim, in a few years time the Indian problem

affairs of the state; who is a man of progress

Britton A. Hill has been making greenback speeches of late, and the country has been shoulder is, and always has been, to the car ports of his utterances. Mr. Hill has deserted the goalties long since untenable that the goalties long since untenable that the count of the financial policy of the government. If the Deservett vally count of the financial policy of the government of the ground home, we say, "pickle him;"

abreast with the spirit of the age, and whose is unusually large.

It is unusually large

treasery authorities have stoken the thunder of the greenbackers by adopting their policy.

There are indications that the communities interreasement, from the irregular and often exterious to tariffe assessed on freights received by rail. One demand.

This is a very remarkable statement, and uncohant says he received by rail. One demand. This is a very remarkable statement, and valuable, also, as showing that even Mr. Hill, whose conscience in connection with netional funness has been badly exerced for some time, has at last realized the fact that he cannot make people believe black is white, unless they are color blind, like the greenbackers. We are rather of the opinion that Mr. Hill, if his statements he true, has taked the people believe black is whole bill \$5.40. Yet the Central railroad presented to bit of fright, about that eastern Oregon and Washington that agree must seek another outlet. It is estimated that at least 80,000 tons of wheat will be shipped from eastern Oregon and Washington the whole bill seemed the lot, which, at the guaranteed rate, about the central railroad presented to be statements be true, has taked the perintent or necessary axist ence, for would it not be a dangerous experiment no careful man would undertake, to risk all the prosperity he admits by adopting the pay it. At another time from Cincinnati. This time the bill of lading set forth a guaranteed through rate to would be a dangerous experiment no careful man would undertake, to risk all the prosperity he admits by adopting the control of the properity he admits by adopting the control of the properity he admits by adopting the control of the properity he admits by adopting the control of the properity he admits by adopting the control of the properity he admits by adopting the properity he admits and the properity he admits and the properity of the properity

risk all the prosperity he admits by adopting the rest questionable proposition to completely gremberk programme and issue that there is a promise out to redeem the present that there is a promise out to redeem the present the bill of lading called for, and this the bill of lading the bill of lading the bill of lading, the only evidence in his possession that the goods had worried that any gold or alless should exist in the intional treasury vanits; therefore he will continue the

raults; therefore he will continue the struggle, and does not hesitate to my he has confidence in the greenback party carrying the next election. He says the republicant and democrate are the same on the financial question, still, as he also mys, the greenback can here compelled the republicant, now in power in the treasury, he adopt his ideas, according to his logic there is no difference between any of the parties as far as financial between any of the parties as far as financial is not session. He early the republicans and demonsts in the stone on the financial quantum; still, as he also super, the greenback and the still property of the standard quantum; still, as he also super, the greenback and he super the still property in the standard quantum; still, as he also super, the greenback and propersy, and being corporated to advertise and the property of the property in the framework in the breastry, to adopt his ideas, according to his logic there is no difference between any of the parties as far as financial issues are concerned. But after "shelving" the greenbacken, whose party was originated on the one idea of IVERA by here before the standard in the greenbacken, whose party was originated on the one idea of the standard in the greenbacken, whose party was originated on the one idea of the chance of the control of the standard in an initiation of inconsistencies with was incoherency, or words, or something, to that disc, and out of all the chance we can evolve but one idea, and that is that Mr. Hill integral head of a porty of the discount of the washing for his the foreign discount of the washing to the testing of the washing to the washing to the transfer of the flat the chance was can evolve but one idea, and that is that Mr. Hill integral the property of the washing to the washing

SENATOR DAVID DAVIS is credited with the emark, on the morning of the Ohio election

takes particular pains to make it appear that the Tilden boom is always booming. They evidently well understand that no meants good fortune could be ill their party than the nomination of Tilden by the democrats. It appears to do the it thous the democrats. It appears to do the it thous the democrats. It appears to do the it thous the democrats. It appears to do the it their party than the nomination of Tilden are the democrats. It appears to do the it their party than the temper of the descent to a million soldiers all deviated to the person to shall control of the government a month after his term of office should expire, and it is not at all likely that he would be elected to a fourth term. tion, but all, or nearly all, the republican that he would be elected to a fourth term.

papers lose no opportunity to give encouragement to the selection of Tilden as the democratic standard bearer in 1880. In the Globe-Democrat of the 16th linst, we find the ment and the casy success of the new bloods.
