SEVERE STORM IN JAMAICA.

King-ton, Jamaica, Oct. 16.—A severe and continuous rain fell in this island from the 11th to the 14th inst., doing great damage to property in Kingston, St. Andrews and Porte Royal. Bridges, houses, and estate in great numbers, were swept away by rising rivers, and thirteen persons were drowned in Kingston alone. Great distress prevails among the poort. Telegraph lines are all down, and business is entirely suspended in consequence of the storm.

The Austin Statesman is a sort of pupil of the Expanse on the financial question. The fact is, though it is not generally known, the Expanse furnished the Statesman all the sensible ideas about finances it ever possessed, but for a long time it would not profit by our kind offices or utilize the ideas given it, and thereby aquire both glory and renown. For a long time the Statesman oharged wildly away, after presented and statesman of the state describing of the board of charged wildly away, after greenback and ports Senator Coke as declaring in his speech at that place recently, that "Under republity and warded, and that paper now takes practical, can rule (in this state), it cost the people able in common sense views of the greenback questions where it now costs them on

mittee recommend this in view of the length of him present movement to some an be steared, though the assess of the present movement to secure an additional railroad be assured. Owing to the lateness of the hour before the matter could be brought up, no action was taken, but the attention of the board all doubtless be brought directly to the years and additional realized be assured. It is not the action of the board all doubtless be brought directly to the years amount of produce has been shipped from this city via Austin, and a large amount of goods has also been brought that way, the shippers laying their goods has also been brought the lateness of the observed the lateness of the lateness o
