-LATE-

About dusk Judge Langston and myself found ourselves again in Texas. Carrizo is the county seat of Zapata county, and is situated about 55 miles south of Laredo on the Bio Grande. The principal building is what is known as Redmond's castle, a large castle-like structure built by an Eoglishman of that name, but now occupied by the gehial Jack Farrel, the deputy collector of customs. A good two story stone course is nearest of the foundation of the total building in the structure built by an Eoglishman of the farrel, the deputy collector of customs. A good two story stone course is nearest of the farrel of the fa

GOOD NEWS

FOR THE PEOPLE.

panets where good towns will some time in the future stand; but the fact is undemiable, that Luredo is the business point on this river, and everybody in west Texas is fully impressed with the fact. I was surprised to see the train loads of goods, hides, wool and corn-crossing at this point. The wool grown in this scaled amounts to some 600,000 points. At present the corn seed here is imported from Maxico. American prints and domestics are now rapidly taking the place of these formsely imported from England, and by a proper reciprocal commercial treaty with Mexico; the United Stales could have the almost exclusive trade of that country in prints, domestics, iron, and all classes of machinery, in exchange for which we could get their excellent codes, obscolate, precious metals, and thousands of other natural products of that country. Much of that countriers would pass through

Christi crows own San Antonoio because the has already a railroad extended one-thir at ERASTUS REED'S. His large at and will be sold correspondingly low, shipping wool and hides to San Antonio, and from there to Austin by wagon. Those facts from there to Austin by wagon. Those facts almost make the moss grow on may back, and turn to "enseing" the infernal railroads. What is the use of a railroad when oxcarts will had relight 180 miles for 50 cents, while the Sanset road charges \$1.10 to Houston, but attrice over 200 miles.

"One of the best evidences of the growth of

Later.

Latest.

One of the best evidences of the growth of this place are the increased mail facilities within the past year. In that time a daily mail with four horse coaches has been established between San' Antonio and Laredo. Gen Frank C. Armstrong, a well known and reliable mail contractor, has a daily four horse line to San Diego, connecting with the railroad for Corpus and the coach for both Rounsveilis and San Antonio, snother to Rio Grande City, and a tri-weekly, which will scome be daily to Eagle Pass. A year ago, in order to visit this section of the date one had to travel by private conveyance under great exploses, while now you can be proved to the contract of the date of the contract of the date of the date of the contract of the date of the contract of the date. The contract of the date o from which points you have the choice of San Antonio, Corpus Christi and Brownsville by daily lises of communication. There is also a new line from Atsacoso postoffice, Bear county, 5, way of Wangh's ranch on the Frio to this place. These lines will have

As the ballots of the voters, and not the special and a violent attack upon that law. He the position assumed by the access to pay a tax without leaving room for a conference that the fluor dealers do pay a tax without leaving room for a conference that a conference to the second without leaving room for a conference to the second without leaving room for a conference to the second without leaving room for productor in 1800.

EXTENSIVE SALE GENERAL SALE the whole tax-paying community, and should short horus in Kausas City, at which 307 observed. Under the old law liquor head were soil, the Commercial Auditorior be observed. Under the old mw inquest dealers were required to pay \$3.50 a year tax; if they fail to comply with the requiremasts of the new law in registering the raisers once see the framests that we saw the proving their cattive they are not show to repeat an investment in thoroughbred stock. This was an investment in thoroughbred stock. necessed revenue it expected to secure, but one hurdred dollars also on each necessary that the sale has week, those wheaking out the full license. Such a course heaviest buyers this fall. At with be seen by the would cause an immense deficit in the rowsme as compared with that under the old
haw, which would have to be made up by

other classes, if there is no way of compells. ing mloon keepers to observe the uccessity range low years, and prices must necessity range lower; and louision there is command in the past few years, and prices must necessity range lower; and louision there is command improvement verse in the thoroughbo nutuals have no high priced to "A. I. I.," that fact certainly cannot be day as they were a few years ago. The opposite former, however, is not quite ready for the direct stratus of theroughbord valids, however, fied in breaking all laws. As for the tempts—not use the distant when stock because not have been an anomal angety in thoroughbord speck, because no May and one who will carefully study the advantages to beyond guard over them offers a temptation to violate the law, under A. L. is reasoning; the man who leaves a horse in an out-of-the propert neveral gentlemen have been according to the reports according through the leading of the original property of the man who leaves a horse in an out-of-the the report neveral gentlemen have been according to the report neveral gentlemen have been able to reason the same thing. But those who "place those supplies and lose only by a certain class.

L. L. takes a stronger view of the certain class.

L. L. takes a stronger view of the certain class. temptations before the people" rely on the respect or fear of the law on the part of the papers for which an offer people, and lose only by a certain class.

A. I. L. takes a stronger view of the case in this respect than does the Expers. We do not consider that those who full to observe all the requirements of the law do so because of a temptation placed before them which thay cannot resist. We believe the violations complained of are the result of a mistaken idea on the part of the violators—or most of them at least—which will yet cause them great trouble and expense, and the Expense of Tarrant county are most of the and expense, and the Expense of Tarrant county are most of the and expense, and the Expense of Tarrant county are most in the Expense of the papers for which in the operation of the papers for which as offer in advice for their good as the training that the properties of the papers for which as offer in advice for their good as the papers for which as offer in advice for their good as the whole community of the papers for which as offer in advice for their good as the papers for which as offer in advice of the case in the people, and the papers for which as offer in the papers for which as offer in a creation of the papers for which as offer in the papers for which as offer in the papers of the papers for which as the part of the papers in the papers for which as the part of the papers in the papers for which as the papers of the papers for which as the papers in the papers for the papers for the papers for which as the papers for which as the papers for which as the papers for the papers in the papers in the papers in the papers for the papers in the papers in the papers for the papers in the sity. If the tax is too burdensome, place a price. If the business cannot gustain solf at the present prices with the tax. imosed, those who do meet the requirements law are the sufferers, for they are kept from raising their prices by a competi-tion that does not pay the tax, and therefore loss, while others in the same line take ad-

the violation of this law as reported,

The assumption that a powerful effort is now being made to issues the Protestant church. One important piece of a forest proposition, and in some incidence by issues that an effort will be made to establish a church by law, to compel the observance of the Babbath by penalties for non-conformity. Mexico a year before he can denounce a graphical for years, in spite of reposition and the remaining five years, in spite of reposition and the remaining five years, in spite of reposition and the remaining five years, in spite of repositions and the remaining five years in spite of repositions and the remaining five years in spite of repositions. And the remaining five years in spite of repositions and the remaining five years. eligios, and church and state authority are some money is required. be combined. This would be the result to be combined. This would be the result of success on the part of the political renture of the Evangelical alliance, and their appearance is the political field we consider a question of but a short time. We do not be lieve such a movement would ever succeed, but we do believe it will soon be the lower country of business everybody that we do believe it will soon be the sower country of business everybody that we do believe it will soon be the sower country of business everybody that the cause of one of the most bitterly contact. ed political struggles the country ever knew. We do not be believe it would succeed, be-We do not be believe it would succeed, because it would be contrary to the spirit of our institutions, and the struggle would result only in engendering a hitterness among the people dividing on the question that would not be eradicated for years, and both the church and society would suffer. He spect for religions and the church is one of the distinctive features of the American character. Even among those who extertain no religious sentiment themselves, or recognize no particular sect or creed, the cherry of every faith and denomination are treated with profound respect, and no complaint in over heard about special privileges granted for the church is one of the country that hind. He would see year the titout to revolutionize out if that poople, if he could ever seems a good tocket.)

Con. Bon Expension. daily every description of the country that the first the country that the country the country the country the country that their rountry the country the country that their rountry that their rountry that their rountry the country that their rountry t of some religious faith insist upon arrogat-isg to the church powers and privileges they do not desire to see extended to others. The hurch is exempt from taxation upon its roperty, and in all the states stringent laws are been enacted to protect religious wer-hippers from molestation. It is one of the rest boasts of the country that all churches

There is one feature of the election soon to be held in Louisiana that is of national rest. The new constitution to be voted interest. The new constitution to he voted upon, if adopted, will give the legislature of that state the option of electing press. dential electors, or submitting their election to the people, and there can be little doubt that the party controlling the legislature, if there he a doubt of the result before the people existing, will take advantage of the churse and relect the electors in the assembly. Now, the party alignment efore the people existing, will take adanings of the clause and select the electors
in the assembly. Now, the party alignment
of states as it existed in 1876 has not been

FEBRIFUGE UNIVERSAL SATISFACTION.

FEBRIFUGE LINDELL HOTEL, ST. LOUIS, Jan. 10th, 1979.
For three secary years I have been the victim of
Maiaria, in all its forms, having used source of usel,
scietce as Tonice, krue Pills and Ague Pada, but
never finding permanent resider. As a last resort I
gave your Cifford's Feorfiage a trial, and 4 smly
deem I tdu you to say that the first bottle has no
only stopped the Cillik, but has thereughly create
caused this treactful disease from mr apstem. I for
Yours, with gratitude, JAMES F. LOBDELL,

WELL PLEASED.

FEBRIFUGE

HAYANA, I.L., December 17th, 1878, 17 say that Clifford's Febrifuge is the nections in use, having used every thin KELLY.

A CASTA LO BUSINESS MCR.

It is not generally known that Book Binding In all its branches is now as well executed in San Anjonio as in any city in the United States, The samples of ruling and printed headings and binding of blank books which are now manufactured in this city, bear testimony to the fact, also all classes of office stationery. The unsersigned will on short notice bind sheet music, law or medical works, magazines or blank books of any description. Business or professional firms can rule their designs and address to C. F. Frommer, San Antonio. Estimates promptly gives.

Bookbinder and Blank Book Maker, Houston street, opposite Headquarters.
