Commission to Investigate the Canie

of the Thornburg Massacre. Wa-hington, November 12. Secretary
Schurz recived a telegram to-day from
Geo, Adams, dated Los Pinos Agency,
November 10th, saying that he had met
about twenty of the White River Ute
chiefs at the house of Chief Ourray, where
they had been sammoned by the latter to
take part in the investigation of the Thornburgh massacre. Chief Ourray, Adams
says, is confident that when satisfied of the
guilt of the Indians, he will have power to
arrest and hold them. Gen. Hatch and attaches of the investigation commission were taches of the investigation commission wer expected at Los Pinos on the following when the investigation would begin.

Interview with Gen. Geant.

insults, abuse or misunderstandings, for fairness. They will go only as fortune seckwere local prejudices which operated in favor of the accused, and many have as caped also through the peculiar construction of our criminal laws, which have more the appearance of having been franced to protect the lawless instead of the law shiding. But it has yet to be found on the record in the state of Texas where robbers and nurderers, notorious as such, and who kill without remorse orely to ply their vocation, are countenanced by the people, or receive any mercy at their hands when justice can be meted out to them. No people, or receive any mercy at their hands when justice can be meted out to them. No one has aver dared accuse respectable Texas people of befrending such a class in any way. Up in Missouri, however, the home of the Globe-Democrate we believe, a condition of society axists which is revolting to law abiding natures. It is best understood by the following from the Kansas City Journal, which is feer referring to the numerous murders and reobseries committed by the James boys' gang, and the various efforts of certain papers and people to prove an alibi for "the boys" after each successive robbery or murderous outrage, by declaring they were intended in a fair country given over to thieves and humbly bow to the dictum of vasteru in a fair country given over to thieves and humbly bow to the dictum of vasteru in a fair country given over to thieves and humbly bow to the dictum of vasteru opporations, and do nothing to stop the policy in Texas or elsewhere at the lime ways. When the country given over to thieves and humbly bow to the dictum of vasteru opporations, and do nothing to stop the lime ways. When the country given over to thieves and humbly bow to the dictum of vasteru opporations, and do nothing to stop the lime ways. When the country given over to thieves and constitute of the stock of the practice of the world. ing peaceably in Texas or elsewhere at the is a fair country given over to this estand corporation, and do nothing to stop the corporation, and do nothing to stop the desperadoes.

| desperadoes | d admitted, by those who have all along known all about it, that this gang of robbers has been composed of men who without exception were all resident in this and adjoining counties, and most of them as free to go and some as any citizen who obeyed the law, paid his taxes, or sent money by express, or deposited it in the bank for their use. 2 to deposited it in the bank for their use. 3 to deposited it in the bank for their use. 3 to deposited it in the bank for their use. 3 to deposited it in the bank for their use. 3 to deposited it in the bank for their use. 3 to deposited it in the bank for their use. 3 to deposited it in the bank for their use as the result of a destriction to New York bank for their use as the result of a destriction to New York bank for their will be of incollect in the New York has a feater a deposite in the bank for their use as follows. 3 to deposite it in the bank for their will be of incollect. Let us have a more concern for the trademan who is best a possition to New York has a feater a deposite in the law you have a deposite in the bank for their will be of incollect. Let us have a more concern for Jersey and Oregon, casting 45 electoral partiakers of their plunder—a fact that can find endorsers by scores of the best men of the country. Yet even these men tell you with the injunction not to "mix me up with the injunction not to "mix me up with the injunction not to "mix me up with the injunction of the mass of facts that are common properly among a large body of men, who really are good citizens and anxious to see these outlaws suppressed. We will state another fact to explain this strange condition of things. There are political influences connected with these robbers strong enough, forten, to defeat the man for office, in conventions, who refuses to have anything to say about them, or opposed to them, and strong enough to make the man an officer who is friendly or who will shut his eyes—and it has more than once been done. Men have been conrades of these men, and are toolay, no doubt. As to this fact the re can be no mistake."

Jersey and Oregon, casting 45 electoral votes; fudiana, with 15 votes, dating 0.2 to the work of the best men of the New Jersey has gained to the ded to the first of the board of trade, dated 0.2 tober .22tel, 1879, anyther is an one of the half to say there is an one connection you can make that will further the base been added to 15 to the south has regained the bould of the south has regained the bould of the south has regained the mans of facts that are common its place in the Union. Cannot Seymour do the seymour the done of the sex with this soad, (meaning the Guilf, Western Texas now running from Course to Indianols.) It is the state and these cheapest of right contribution. It connection you can make that will further the observation of the sex with this soad, (meaning the Guilf, western Texas now running from Cuero to Indianols.) It is the submit of the cheapest bar, which upon the authority of Major Howell, U. S. engineer, can be more certainly deepened and at greatly less expense to the sea to

state to make investments, says : "The few ones before and under similar circumstances, athan Galveston. old settlers who have been there long enough to grow rich, will lend money, but at the ruinous price of from thirty to sixty per cent. per annum. I have known a man buy land and borrow money to fence and improve it at the rate of thirty-six per cent. per annum and make it profitable."

The San Diego Messenger puts in a good with fine to Saiura harbor, is a matter of vital importance to San Antonio and Austin and western Texas, and of great importance to San Antonio and Austin and western Texas, and of great importance to Saiura harbor, is a matter of vital importance to Saiura harbor

and make it profitable."

Pawnbrokers may charge at the rate of sixty per cent, a year for money; there have been cases in times past when people, pressed nearly to the wall, have paid at the rate of sixty per cent, but the interest charged generally in the most flush days of high interest was from 1) to 2 per cent, per mach, no person attempting to de leave of the control of the should such a salamity heritage."

The era of such a high rate of interest, has passed away; 12] per cent morning Expurse to organ as a present in the construction of the season of the passed away; 12] per cent morning Expurse to organ as a present of the season of the matter possible; as now being considered very high, and large to be having charge of the matter possible and present organs as the obtained on long time at the construction of sea walls and break.

jury. The truth is good enough; will satisfy to seriously detract from a gest(u) celebration any reasonable human being; to go beyond of that occasion.

It is this invasion of rotan yarkoes de-its this invasion of rulning emigrants that causes fears of international trouble. If the lawless conduct of miners intrading on Indian reservations in this country is now rejeated in Mesiop, so doubt there will be bad blood and hard blows. It is unfortunate that at such a uncture the American people are represented in Mexico by a minister who has excited the sus-pletions if not the empity of the sixter republic, in fact, when Mr. Fosier recently went on a

fortunate that the mines are not on the border through the burfur the interior of Mexico.

The Express relies upon the good sense of the Mexicans to prevent the trouble feared by the Sun. If the Mojada mining field is as attractive as its represent of course the Americans will go there. The government of Mexico cannot prevent her without violating a treaty as won call upon it the wrath of the Haited State. It cannot be denied that many men have committed murders in this state, nurders which were the result of local fruds, or of will expect to be treated with justice and there is no power in the people to protect themselves against great and wealthy monopwhich the perpetrators were not punished.

In some cases, like in the exposed frontier counties a few years ago, the lawless elections and made one grand farm a pasture to results in extra the same as they would in any other foreign country. But let the Mexicans attempt to corporations, and the unboundless avar ment was so strong as to hold law-al-iding people in check; they found it danger- trouble. However, we do not expect any the cast, strangers to our people in check; they found it danger-

ous to their lives and property to take any active part in bringing criminals to justice. In other places there were local prejudices which operated in leading men of the country have sufficiently our productions to the east in the raw condi-

been contrades of these men, and are to hay, no doubt. As to this fact the re can be no mistake."

A way of the muricones. It is not that they think to the saction is the saction of the saction is the saction in the removal of the saction in the doubt. A man named Joe Reed, writing from Bristol to the National Independent, Leads, what he evidently intends as a strong letter of endorsement of Texas, and in which he tries to induce English capitalists to come to this saction in the state to make investments, says: "The few ones before and under similar circumstances."

Tottle should not be hang, and the saction in the form and refer to a city, perfectly healthy and free from majorial influences, form the gulf in studius to the Expanse of the saction in the saction in the free from majorial influences, form the gulf in studius to the saction of the sac

changed from their purpose by the seduc-tive promises of the Houston, East and West Texa, the international and Great Northern, or other eastern railroad companies, all having their outless to the sea in other

desperadoes.

The Fort Worth Democrat is as full of aroused between land and water transportation. New York that will be of incates label.

Tux San Diego Messenger puts in a good into Saluria, harbor, is a matter

To say that money can be loaned here at the rate mentioned by the correspondent quoted, is simply to say that the country is in an almost bankrupt condition, or the locary to business."

An exchange has discovered the difference twint tweedle-dum and tweedle-dee, Solicit a mass for an alternational and highly colored statements to the person addressed as a man of ordinary intelligence.

Some of those correspondents who pretend to be writing in the interest of Texas should be suppressed. Between their preposterour assertion and highly colored statements they make the state appear in a redienlous light, and do us an almost irreparable interest of purpose.

To say that money can be locared to the coard are anxious that the country is imported to business. The country is anxious that the country is all the country is anxious that the

in the truth is good enough; will reasonable human being; to go be odd the truth makes those who come here dissatisfied with a condition of affairs and a country that would delight them had they expected only a garden of Eden instead of a paradise.

CAURE FOR "INTERNATIONAL.

ANXIETY."

The New York Bun regards the Mojeda mines as a new and unexpected cause of international anxiety, based principally upon "the arrival of troops of Texas yankees determined to share the apolis." It says:

It is this invasion of runing emigrants that
