ple of western Texas same forward with a liberal amount of money which they loaned to the state for the purpose of keeping the meeded state troops in service. In different sums, varying from small amounts to thousands of dollars, the western citizens deposited with different persons whe, as agents, paid out the money for the state. At the first session of the recent legislature an appropriation was made to meet this claim against the state. Some seven months have passed since the appropriation, was made, yet we have failed to notice where a single agent has given the least public notification to the depositors of anything having been received to their credit. There were to be no extra charges or commissions exacted in the first place, and it is due to the public that some showingbe now made in this matter,"

The session of the recent legislature an appropriation was made, yet we have failed to notice where a single agent of the state. Some seven months have passed since the appropriation, was made, yet we have failed to notice where a single agent of the state. Some seven months have passed since the appropriation of anything having been received to their credit. There were to be no extra charges or commissions exacted in the first place, and it is due to the public that some showingbe now made in this matter,"

MART Carrenters thinks the recent light and the set of the state of the sta

Die wells and plow up your ground for your next year's corn crop. If the farmer talls to do this now or in time for the winter about the senate until 1885.

The assays of western Texas silver ores, the results of which were published Suiday morning, were fairly astounding. However, it is not the purpose of the Legas to can any excitement over the Chinati mineral deposits as yet. "Native silver," meh as the specimene mentioned appear to have been, is seldom found in large quantities, but its existence is, neverthel ss, a good is state as the republicans could find to plant a few votes; but informately for morning, were fairly astounding. However, it is not the purpose of the Legas to can any excitement over the Chinati mineral deposits as yet. "Native silver," meh as the specimene mentioned appear to have been, is seldom found in large quantities, but its existence is, neverthel ss, a good it is up so and will publish a daily paper in his interest in Washington, during the congressional session. Montgomery Blair and Henry sional session.

which it emanates

The Victoria Accorde is justly anxious about the appropriation to re-emburse the patriotic gentlemen who advanced funds to maintain Hall's rangers in the field, after the state appropriation for that purpose had been exhausted. It mays: "More than two years ago the generous but not over discreet people of western Texas same forward with a liberal amount of money which they loaned.

The Raptist Herald accuracy the fields are the state of the iron and the required to the pounds of pig iron for pounds for axles and 5,000,000 pounds for

oste a site for bridging the Nuccess.

Our reporter is informed by Dapt. G.
W. Folk, now engaged in the capacity of engineer on the Texas and New Orionas road, that the stretch from Orange to Vermillion ville will be completed by the first of May, thus giving San Autonio direct railway connection with New Orleans.

York yestermayane meeting of the stockholders.

Procedful Accident

Yesterday afternoon as old worken by second to his level to inform published that article at a time founder, mot with a most patricul accident. While conveying moliter iron from binty of the article is referred to a mold in a tadle, such as a stanceoveredly author commonly used in iron foundries, none one will as the coveredly author well as the coveredly author of the static of the second to his level to inform the many of the second to his level to inform the many of the second to his level to have any second to his level to have any second to his level to have a stanced to have a stanced and the reform the party who assumed the form of the second to have a stanced to have a stanced and the reform the party who assumed the form of the second to have a stanced to have a stanced and the reform the party who assumed that article at a stanced and the reform the party who assumed the form of the party who assumed the form of the party who assumed the stanced and the reform the party who assumed the party who as

our district court.

Another Yataran Head.

—Mr. Gus Durier has returned from a trip west, and reports plenty of game. He succeeded in dropping a couple of fine auticlope out of a bunch which passed over the road a short distance abead of hits, The Lisno, coar Mason, is filled with ducks and fish. San Antonic boys would go crasy, he thinks, to be turned loose with their shotgens and tackle along its banks.

—Mesers H. L. Bingham, and Dr. Chess, of this city, accompanied by Dr. Low, Dr. Tabol and Dr. Graham, of Chicago, leave this morning for a ten days' hunt on the Sabinai, Uvalde county. Bear and deer will be described in the same from Chicago have come all the spanie the party will seek for. The gentlement from Chicago have come all the same from Chicago have come all the spanie from Chicago have come all the spanie from the road deer will be the game the party will seek for. The gentlement from Chicago have come all the same for San Antonic or proceeds of the entertainment of agend a few days sporting in our western for agend a few days sporting in our western fields.

dent. While conveying molton from from the fall growth, which had upwards of fifty bolls upon it. The stalk was a fair average from the field of a Polish farmer in the eastern portion of this country. He will pick three-fifths of a bale to the acre from the fall growth.

— It is stated that an effort is being made by Ool. Peirce's representative here to processe the Renger hotel, though the price demanded appears to be too steep. Col. Peirce will be in this city during the early part of December, and expects to see to the establishment of a large hotel here before again departing.

— Second Lieut. George Andrews, 25th infantry, on arrival at Port Conocho, Texas, returning from Leave of absence, will respect in person to the commanding officer 10th cavalry, with a view of conducting them to Port Davis.
