Penalty of Law at Benton for the Murder of Dock McLean In Montague County. full Particulars, of the Trial, and the Awful Scene Upon the Scaffold— Both Men Die Protesting Their Innocence,

Special Dispatch to the Daily Expuses

THE EXECUTION.

Denton, via Dallas, Nov. 21, 9.15 p. m.

The highest penalty of the law was carried into effect here to-day, winding up the carried into effect here to-day, winding and the carried into effect here to-day, with them, but they made no promise in the carried into the presence of the comes to a carried into effect here to carried into the presence of the carried into the presence of his sections.

Andrew Brown was born June 17th, 1854, trawing a large crowd of spectators.

Andrew Brown was born June 17th, 1854, trawing a large crowd of spectators.

Andrew Brown was born June 17th, 1854, trawing a large crowd of spectators.

Andrew Brown w Special Dispatch to the DAILY Exenses

drew an immense crowd of people.

Seven thousand people are here to-day.
In conversation this afternoon with a correspondent, George Brown said he and Andrew Brown and taken an oath not to reveal the secrets of the vigilance committee, and that others, whose names he would not reveal now, did the killing of McLain. Both professed religion about ten o'clock this morning. At 1:30 they asseemed the scaffold, both very one, and was innocent of the crime. The aged father was present, and the parting seene was quite affecting. At 2:17 the aged father was present, and the parting seene was quite affecting. At 2:17 the aged father was present, and the parting seene was quite affecting. At 2:17 the aged father was present, and the parting seene was quite affecting. At 2:17 the aged father was present, and the parting seene was quite affecting. At 2:17 the aged father was present, and the parting seene was quite affecting. At 2:17 the aged father was present, and the parting seene was quite affecting. At 2:17 the aged father was present, and the parting seene was quite affecting. Andrew died from strangulation, and life was extinct in cleyen minutes. The bodies were placed in eleven minutes. The bodies were placed

United States Marshal Gerrin, for the reason that if published the parties implicated would run away. George said certain persons testified what was not true to screen the lemme of the lemme of the parties in picture. The jury, after a person that it is entitled to great countendation. The jury, after a person the testimony addreed upon the trial by counsel whose zeal, skill and energy, to behalf of you, their clients, is entitled to great countendation. The jury, after a person and energy to be and aberiff to the place of execution of the laws of the country, but some of the parties took it upon themselves to do horrible deeds. Here he doubted the propriety of falking about other parties, saying a great many nurders had been committed.

APPEAL.

counsel, entered the plea of not guilty. Before a fair and imparaisal jury of said country, when, between the hours of 11 o'clock a, me and whom, between the hours of the tay of November, 1879, when, between the hours of the tay of November, 1879, when, between the hours of the tay, of your own selection, you were represented to possible and energy, to behalf of you, their clients, is entitled to great countendation. The jury, after a person and energy, to behalf of you, their clients, is entitled to great countendation. The jury, after a person and energy to be taken upon the trial by counsel whose zeal, skill thence by said aberiff to the place of execution, when and where to when, between the hours of that day, of November, 1879, when, between the hours of the tay, of your own selection, you were represented to the said wants of the tay, of your own is election, you were represented to the said wants of that day, of November, 1879, when, between the hours of the tay, of your own is election, you were represented to the said wants of the tay, of your own is bestier to person the tay, of your own is election, you here to person the tay, of your own, the rail by countered to person the tay of the tay, of your own, the said wants of that day, of November, 1879, when, be The Cas Co

The Ca

They were halted by a patrol. They did not continued: "From Sinai's smoking tap heed the command of the patrol, but fired several shots at the patrol, who returned the fire. The unknown men then got on horses and disappeared. The gail has been securely guarded day and night. Up to this morning the Browns had a hope. It is believed by officers that they would be rescued. There was a material change in their manner this morning when the communication from the governor refusing to be reserved. Tuesday the prison-fa were taken to a gallery and their photographs taking singly and togethor.

Rev. D. R. Grafton, Cumberland Presbysterian, has been holding religious exercises with the condemned menever since sentence. but fired several shots at the patrol, Who Yesterday Suffered the Extreme

tinet organization. This fact, together with
the usual interest in the case, by the notoriety of the exploits of the Browns, they
having been members of the notorious vigilance committee which operated in Montague
east of and surrounding counties in 1875 and 170,

to care for her, has one child, a box, now
the control of the county of the cou to care for her; has one child, a boy, now

died from strangulation, and life was extinct in eleven minutes. The bodies were placed in white coffins, at their request, and buried in the city grave-yard at Denton. Everything passed off quietly, and the execution was a success in every particular.

Sheriff Hopkins, with an efficient coups of deputies, brought the prisoners into open court. The court-room was crowded. How may not be successed to be very particular.

On intravitavizor the contravitation of Volume and the final appearance at the court at the bodies of the presence of the court of Montague exampy, being given for publication, and even refused, anying he would write a letter about the killing of Carrol. He was stocially o'in. It is likely and the married of the saminey common in session, a grand part with the mender of one Dock May and you, Andrew Brown, wreed charged with the mender of one Dock May in the killing of Carrol. He was stocially o'in. It is all done to the marroundings. He had writen a confession implication, paying little attention to the marroundings. He had writen a confession implication gertain persons in certain crimes against the United States Marshal Gerrin, for the reason fore a fair and important jury of said country. Benefit of the first the court of the prison country, 1878, said sause came on for trial, and you, George Brown and Andrew Brown, artiful of the saminary common the work of the saminary connection of the saminary connection of the saminary common to the saminary connection of th

they found you, George Brown, and you, At the close, George Brown are and said. By permission of the court, I would like to my a few words. May it please the court, ladies and gentlemen, I want to say a few words at this mement. I do not know that I can be supported by this court, and the said and gentlemen, I want to say a few words at this mement. I do not know that I can be supported by this court, and say a few words at the mement.

pon the fire, and the orator went flying one on the other. The troubles prove what, ay and the vice president another way, spark as present I learning. The president on the other way as a most indeed another way, of the case I know of no want of harmony amon and there was a most miscellameous breaking up. Then I spoke here in the fourth das trict—up near where Mount Moriah is now—and the licutenant of police was there with a basket in one hand, and a man stood be side him and picked up one age at a time and fired away at me. He was a pretty good shot, too; but I smelled each one, and then thanked Good that the American safe had laid fresh eggs in that neighborhood."

When we see a crowd of people lamely submitting for hears to disk, supid her ringues, with no lighing eggs, or bricks, or rotten vegetables to impart spirit and interest to the occasion, we sigh for the choice apirits that made political convasues exciting it the acadir days, for much, for instance, as taid of by tudies, who in their political real in the honor access benefits a may oplaice, safe this grant of the case I know at a want of the matter, but the president on the president of the case I know at a want of the m

a bonfire where it would do the most

plant action in their states and assumed symmetry for words. They organized a six a assessment to the political updates the second of the political updates and to secure the selection of legislators favorable to a contest of the bell punch in the courts, and to secure the selection of legislators favorable to a repeal of that have a provided by the second of the political updates and the political updates and the second of the political updates and the polit

The president of the convention, it is very evident, has been a reader of the Expans in lits references to the bell-punch law, and is thorse fill; its accordance of the proper course for the paper in regard to the proper course for the law, as the proper course for the law. It list chains a selection of the convention, it is very the liquor dealers to pursue in connection with that law. It list chains a selection of the law heart fraction in the work before us. We do not desire or intend to be accounted by some in subscript, but we do expressive counts for the law heart fraction in the work before us. We do not desire or intend to be accounted by some in subscript, but we do expressive counts for the law heart fraction of the law heart this body should feel a deep interest and work with a will for the success of our association. I wast every member of this association. I wast every member of this association, as feel shipself called upon to do whatever he can to that end, and not only to so feel, but to so do, that in the future where our interests are at state, we can be respected and regarded with some, at least, of the considerables given to men of other trades.

A Wassurovov dispatch to the St. Louis 20, 136. Beck's majority over all 30, 164. consideration given to upin of other trades and occupations. It is because the second occupations of the little second occupations occupations of the little second occupations o

The president and some of the professors of the agreedated and the presidential race. The National College at Sayan, have made their statement of grievance; to the board now in semion to investigate affairs there. The president states that the present trouble originated in the Crisp affair, and caused charges and reports of a personal and damaging nature, engendering a bitter feeling among the various members of the college. Profa. Martin and Hand take a different view of the origin of the trouble—growing out of nothing as far as their tentimony shows, but getting a start in some owastaing the presidency of the college way and increasing through discontinuous and bickerings until the interests of the college have suffered severely.

The fact is the sed and thus get him out of the president of the president of the morning. The fact of the college of the president of the product of the president of the product of the product of the president of t

the some way and increasing through discontinues and bickerings until the interests of the college have sufficed saverity.

Profilest discontinues any personnal emitty, but claims a grivenance against himself, which can only be actived satisfactorily by certain discontinues on the part, of those who aggriered him. He says "Charges have be made in a wild way against ma. They were annoying and damaging. I never noticed them as an official. Mr. McCraw or Bryan, accused me publicly with instigating Crisp to attack Hogg. McCraw end that in the presence of Profig. Lewis, Merris and Banks ashis-asithority. I denied the charges of McCraw in a letter to him. These charges are a stain upon tip, character, which has harotofore been undempished. "I have been three times grand master of Mississippi masons and am celled father of the isachers' list rests of that state. How, then, am I to be on good terms with men who charge me with such great dislouncy. Let then all on good terms with men who charge me with such great dislouncy. Let then all only any they disclaim any ranch belief feward me, and the trouble in over, so far as I am concerned."

In reference to the origin of the trouble prof. Margin cays:

In reference to the origin of the trouble prof. Margin cays:

If you would feed profitably you must bring the pasture into the problem. Summer feeding pays better than winter, because cattle need less to keep up the natural heat of the body in summer, and their blood is kept cool by the grass. These elements of success can be hyporghi, into spines feed. of success can be brought into winter feed-ing by warm houses and the use of roots and oil cake.

peach tree is begring a full grown pumpklo
The paper says: "This tree bore none of it
hatural fruits this seasor: but nevertheless
there hangs the healthy growing pumpkin
just as it had grown from the blossom to it 3 45 a. u. present size, which is considerably in LIIP. m. | than a man's head."

The United States E-cocomist says: A constant and steady export of wheat and bread NIGHT TRAIN EAST—Laily except Sunday, saves San Antonio 6.15 p. tr. stuffs will occur throughout the fall and win-ter months, and as the season advances it

Lee county will make a full half crop of Sweet potatoes at Georgetown retail at cr. Much more profit will be found in this in the per pusher.

Hogs on Beaver Creek in Burnet county will fatten on the mast.

The products at the figures which are likely to county will fatten on the mast. rule for some time to come. It will pay to keep the best, and to keep them well. The profits in dairying depend not only on economy in management, and the produstion of first-class goods, but in keeping only such animals as have the capacity of giving a paying return for the invest of money, care and feed put into them. eighth of a paying return for the invest of money, care and feed put into them.

IS GRANT INSANE?

What a California Newspaper Ven-tures to Say on the Subject

Cabbage supply an excellent auxiliary for the winter feeding of chickens.

Chopped onious, with a little ginger mixed in, is said to be a surecure for chicken cheiter.

American housy in the comb has become a popular article of diet in England, and very large shipments are made.

There are more than 2,000,000 of acres of hand in the United States devoted to the culture of the grape vine.

Mr. William Africa, of Hantingdon, Penn. has in his garden a vine that has produced 700 pounds of pumpkins.

A large acreage of wheat has been sown in Limar county this season, but it is reported as dying out from the drought.

Stagmant and impure water which cown driuk while at pasture is one of the most prominent causes of bad odors in milt.

A radish two feet feet in circumfercage and thirty inches in length has been raised by Mr. Ferrel, at Exton, Chester Valley, Penn.

A Richmond (III.) man made in sue year, from 100 hens, \$130 net profit, besides supplying eggs and poultry for home comsumption.

According to the estimates of the Presi-ton and at Madeira he was presented to a ferred and and afficient he was first and every said a word.
