LATEST NEWS BY CABLE.

Sligo, November 29.—The town was on the verge of a riot last night, and the police had to clear the streets. They made several arrests. Davit has telegraphed to New Castle that he will keep his engagement to speak there Sunday and Monday, and that he will attend a monster meeting at Glasgow. Last evening the police were stoned and four arrests made.

Later—In the evening Davit was seronded by two bands. Police paraded the streets.

London, November 20.—The Standard, in its financial article this morning, says a notable feature in the telegraph yesterday was an upward movement in Anglo-American and direct U. S. cable shares, on rumors that the working of the early breach cable will be unaveilably postposed for some

tainly work for the interest of St. Louis. We have once 5000 miles of railroad, all of which exhers here, and I could not to otherwise than strive for the prosperity of this city. It seems to me you have neglected your great river. You ought to utilize it more in your shipping trade. We expect to bring a good deal of, trade to this sity, and I do not believe to the standard million to handle it. I believe Kansse alone will produce fifty million bushels of wheat next year, and probably two hundred million bushels of corn Most of this corn can habe and the strivers of the second make the country of the second million bushels of corn Most of this corn can habe and the second million bushels of corn Most of this corn can habe and the second much of this grain down the grivers has good to seek to make needed in provenents.

Mr. Gould's attention to the river, as a measure of the appetuation, ice de besideness men to the belief that he is more interested in the matter, and had plane talked of and partially organized some time ago by the St. Ibous, Kansas City and Northern railroad company, of building a number of towboats and grain barges for use between here and New Orleans, will be carried out in the near ruters.

Forget not that collection and refinement is the facetist particular of the result in the respect of the result is own the event of the result in the result is own the event of the result of the result is own the event of the result is own the result is own the result

POLITICAL Wrangling White Con

bave fallen into here in Texas of weeping over the state debt and deploring what we ignorantly or dishonestly call one burden of taxation is one one of the most pitial wear nesses ever exhibited by my people received. This personance openies in the seriously cripple and retard the state, and hence is utter foolishness. Here we have an empire already organized and partially settled with still another empire open to at the castern part of the state. If this is true.

* * The statesmen-hip that stands appear or whatever else he may please to call pailed before a state dubt, entire, of less than six millions, backed by the resources which Texas is blessed with, is not of the property of the great security of the property of the proper which Texas is blessed with, is not of the character to serve heat the interacter and the magneticity that is character to serve heat the interacter and possibinties of such an expute nation of such an expute nation of such an expute nation of such as purpose that in the sectional way on

This is idle talk. The people of this cou ty do pot want a king, dictator or emperor ugh of them desire 8h or Blaine to elect either of them president, there will be enough to maintain him in that position against all comore. Gentlemen, this is a republic, and will remain one.

It is said that out of every 2,000 person there is one born deaf. There are in the United Participation 25,000 and 3,000 deaf mutes. In the education of such unfortuwe are fully satisfied that it could and would have been done if there had not existed smell at a state of feeling between the president and members of the faculty as prevented a proper adjustment of their differences. None of those who were not involved in the disturbances that had arisen interposed in a proper manner their good offices to bring about the amicable settlement, which our investigation demonstrated could and should have been done, except only Dr. Deport Smythe, who did his whole duty in this regard, have voluntarily declared before us, that the results, and cannot be reason for such a guidance of his dome reason for such a guidance of his dome reason for doing many the American Asylum for the Deaf and Dumb, at Hartford, is, perhaps, unequalled by that offered in any other institution in the offered in any other institution in the burnessing part of the affair is this. If the burnessing part of the affair is this. If the proposition of the republican party of the couraging instruction of deaf mutes in the north will doubtless take advantage of that

> little surplus to exchange for the gold of the old world.

NEXT April the people of Indiana will vote upon a constitutional amendment providing for a change of the day of election from the second Tuesday in October to the first Tueswill not have a detrimental effect upon any There is considerable opposition to the prosome loubt of its adoption

The board of veterans adjourned November 22, to meet again the first Monday in May. Up to this date, since their organizaows: Becommended, men 87, women 61; rejected, men 46, women 26; held in sus-pension, men 72, women 32. Total number of claims presented, men 205, women 119
