Of this we are so sure, that we will teach our "Susy" to say, "A blessing on Mrs. Winstow" for helping her to survive and escape the gripling, colicking, and teething siege. Mrs. Winslow's Soothing Syrup releves the child from pain, and cores dysentery and diarrhosa. It softens the guma, reduces inflammation, cures wind colic, and carries the infant safely through the teething period. It performs precisely what it profession to perform, every part of it—nothing less. We have never seen Mrs. Winslow—know her only through the preparation of her "Soothing Syrup for Childret Teething." If we had the powerwe would make her, as she is, a physical saviour to the infant race. Sold by all druggists. Twenty-try gassless bottle.
