Express Printing Compan

Filtress Princetors in real control of the control lican administration if given control of the arch, to allow it. This country again, and it is humiliating to the course of a statesman party that a democrat in power should commit an act we have so loudly condemned.
The same irregularities, no doubt, existed
when Governor Garcelon was elected, and

Tun St. Louis Post-Disputch says our eding, staggering country will be pleased. to learn that the stories about the way in our state. which the hungry democrats have captured true contthe the paironage of the United States senate, an empire turning out the loyal clerks, spittoon-cleanand lackeys, to make room for red-hand- pe ed rebels and democratic judges and colonels, are all bosh. The Washington Post has been at all pains to compile a link of senate employees, from which it is shown that forty-seven of the senate servents are old republican appointees, and that they lraw \$64,848 per year, while the democrate roll, drawing \$60,696 per year. There is a difference of \$3,688 in favor of the republi-

ent decision in a tax case, truly remarks: "A very considerable class of property owners persistently and systematically re-fuse, from year to year, to bear their just oportion of the public burden." Perhaps if the supreme court had construed the law 32 more strictly in favor of the state as against the tax-payer, the latter would not now be ou "to systematically refuse to pay 3

ing paper, devoted to giving news, and Tux Expunss is often indebted to it. It now nes forward with the statement that the majority of the democrats are with Senator Goke on the financial question. But for the Telephone we fear we would never have

blast to send that polar wave rolling clear to the gulf. The "cold snap" and the con-tinued dry weather is making things lively

a little to have the views of Mr. Retherford B. Hayes on the Maine luciness. A gen-tleman of his experience in stealing an office should be able to give some opinious on the

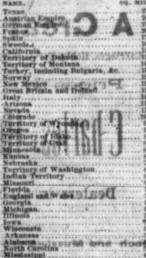

Maine grab worthy of special attention.

ANOTHER VIEW OF GRANT.

Shall the Servant be Above His Mas-ter?—Some Reflections on the Re-

course of a statesman or a general truly great.
Think of this, all ye who think our country

no one can doubt that had the dropping of a letter in a candidate's name, when there was no room to doubt for whom the ballot was intended, changed a democratic rictory into defeat, Governor Garcelon and his councit, would have placed a much more liberal construction upon the letter and spirit of the constitution. The law may justify the action taken, but a common sense idea of right and justice does not.

HIS APPEARANCE IN HIS NEW

these masses. Let them sneer at me when I get my harness on. I came unprepared to MORE MANHOOD ABOUT ME

to-day than there has been at any time dur-ting the most forty years. Let people say what they will of me, I will go on. Let the press say what it will. The press has had a good deal to say about me. [Laughter.] a good itself to say about me. [Laughter.]
When I was young I used to get mad at what
her yield. I superison once an abusive article
was written against me and Barnum. I
wanted to take it up, and I wrote to Barnum
about it. He replied: 'My dear Dan, let
'sur say what they please; it's only an advertisement.' [Laughter.] Barnum's skin was
thicker than mine. They abused me, but
nuthoblated try has no cause. My charthan had good suit the last five years.
Since then, everyone in St. Louis knows my
testings. Trouble caused me to drink sed !
bare hear drunk five years—all those five

other utop. Thoused at the place a long while and then I grew counting I Laughter. I seek into the saleon. I felt very sick. I notified have someth bitters. The terretender didn't have any. I pulled his heart down ages on my seek is his perfect. Give an a scock, tall, but don't tell anybody about it. Then I would get drunk again. It was this same thing errer and over again, day after day. I would seven tell repeatedly, and break my fedging as often, but I have broken it for the last time. In the course of my life I have

SPECT THREE PORTUNES. would have them now if it was not for emperance, and this is but a small par-be svif which I have suffered from it know what intemperance is, and from th time on temperance will never have stronger advocate than Dan Rice." would stank by all the good reso

everything. These little courtesies, which form the small change of life, may, againstely, appear of no intrinsic value, but they ac quire imperiances: from repetition and accumulation. They are like the spare mines, which produce such momentous results in the course of twelve months of a life-time.

The Sleep that clears childhood's eyes.

And makes the dimpled checks more fair,
Oft cods by hisses and surprise
On roay lips and curling hair. The Sleep that bleases maides coy, When love dawns on her tender heart, Brings dreams of bliss without alloy— Two wedded souls, as more to part. PRUSSING'S

The Sleep of Death, that comes to all, Which God Himself has kindly gives, To many proves a welcome call. And code, we fondly hope, in Heaven.

You'd call his room a pleasant place— Satis and rosewood, lights and lace. And fruits and vise were there. Ah well And yot the rich man rang his hell, When, to! he saw a fairy fill From outside dunk to answer it.

An Ode to Sleep.

Oh Sicep: thou blessed friend to man, For which and bearts so often pray, Continue human life to sean, And make the night of sorrow day.

The Sleep that always as baby 's face, - When hald upon its shuther's hemsel, Lawher and within her fined instructed, A picture seems of perfect real.

FRUIT DEPOT. The fairy laughed and walked away.
Hagged and roay at his play,
A loy who had the grass, the dew,
Rirds, beca, the san, the stars, like you,
She met. "What do you wan!" sighed she
"Oh! I have everything," said he.
—[Mrs. S. M. B. Platt.

Hymn of the Hearth.

This good I ash—a humble mind
That prizes tool 's perpetual care,
A gratitude His mercies find
(nalceping, bent in reverent prayer.

For me the heappt wood blissful sings Soft fancies to the frosty wind, And briskly relead, the keen axe rings, Tho' foress that are left behind.

The tale so light it charms the time, Some memory of the friend's kind deed, The Summer of the warmer clime Within our glowing coals we read.

[Journal of Speculative Philosophy
The Bath.

The rate of Illinois est up and destroy 100,000 bushels of corn every year, and the query with her is whether to stop raising corn or gats.

Secretary Schurz told Mrs. Grundy that Mrs. Hayes said she had great trouble with Mr. Hayes when they went to market, as he always wanted to whop and tip a blue ribbon on all the big pumpkins they came across. It will be the style for gentlemen who intend altending theatrical performances this meason to fold up theis overcoats and sit apon them, that they may be raised above the tope of women's bonnets.
