A sub-committee.

A sub-committee, constituting of Mesors Barnum, Hewitt and Scott, were appointed to confer with the sub-committee from the democratic congressional campaign committee in regard to the management of the campaign. The latter sub-committee consists of Senator Whyte, of Maryland, McDonald, of Indiana; Wallace, of Pennsylvania; Hunton, of Virginia; Augustus Schell, of New York, and Dunoan S. Walker, of Washington, D. C., It was decided that he mill not authorize the spointment of any special election deputies are appointed by marshalt in the respective districts. They are not appointed by the attorney-general, nor by any authority from him. While no provision has been made for the payment of these deputies, it is expected by the attorney-general that should proper application be made to the marshals, under the circumstances stated in the statute, that for the payment of these deputies in the statute, that for the payment of these deputies is the other sets.

Memphia, July 14.—The state board or health of Tennessee to-day enacted an ordi-nance to go into effect to-morrow which pro-hibits entry into the state of articles of mer-chandise shipped as freight from New Or-leans liable to transport a germ of yellow fever. The officers of the board will be sta-tioned at railroads at the state line, and a

THE VELLOWSTONE.

Return of Mr. Jeff, Chandler from a Brief Visit—Some Account of Indian Matters in that Region.

About 600 Indians belonging to oncome or corps came into the post about June 15 and surrendered. These have gone into camp, and unless sent by the government else, where will undergo the same experience of those heretofore mentioned. Gen. Miles' treatment of the Indians, and its results, all seems to be in ministure a practical solution of the whole Indian trouble. The military combine the power and integrity military combine the power and int

Its location is choice and its arrangements most happy. The Yellowstone valley is no better than it is represented by interested parties to be. It is not absolutely Edenic to. There are some portions of the land no richer than the valley of the Nile, and the climate is not entirely free from cold spells. There are places in the valley where figs will not thrive unless protected. Although the scenery does not remind one of Switzerland, it is possible there is a worse country somewhere.

and Gen. Duncan 8. Walker, of Washington, assistant secretary.

The members of the democratic congressional campaign committee, waited on them and made a long statement as to their views of bow the campaign should be carried on and the part they intended to take in it.

The committee is still in session.

200 respectively. All those together will carry out their threats. No result of such a amount to considerably less than the sums spent either by the Grant, Sherman or Blane the least, and it would be well enough to Sir: Your letter of the 17th inst. mfo

The mother seperior of the catholic mentioned, and it is not strange that they on vacancies in effice existing during the foundling asylum at Cincinnati was arrested on complaint of the census enumerator, to whom the refused to furnish the names of the think. One man writes one thing the recession of the sense of positive knowledge men write what the "Fenure of-Office act," embodied in section 1,760 of the Revised Statutes? The whom has refused to furnish the names of the inmates of her asylum include quite a number of women who have recently been, or are expecting to be, confined, and their presence in the institution she holds to be a matter that no way concerns the outland to shield them from the elightest publicity. She was arraigned before Commissioner Hopper, who took the case under advisement and pending his decision released her on her own recognizance. It is believed that the law is such that the law is such that the court will feel obliged to compel her to furnish the desired information.

In the president to the content of the Revised Statutes? The right given by the constitution to the president in relation to this subject is in the following words:

"The president shall have power to fill up all vasancies that may bappen during the receiving words:

"The president shall have power to fill up all vasancies that may bappen during the receive of the sense by granting commissioner. The St. Paul Globe demanded in the such that the republicans are beginning to clare that the republicans are beginning to the president to fill by his temporary appointment only such vascocies as actually occurred, it was obvious that many importance that the law is such that the court will feel obliged to compel her to furnish the desired information.

The list of doubtful states is every day growing longer. The St. Paul Globe demanded in the end of their next session."

The construction of this subject is in the following words:

"The president that may bappen during the receive of the sense by granting commissioner. The solution of the strength was satisfied them from the slightest publicity. Site was arraigned before Commissioner on least Minnesota as a doubtful state. If this keeps on, lows, Kansas, Nebraka and some of the New England states will be the only occurred, it was obvious that may be president to fill up all vasancies that may be per satisfied to the given by the constitution to the right and the right quiet in the following words:

majority, but it will not stand scrutiny as a reasonable policy for any party otherwise says to those who have at any time voted with the opposition, "You may vote the democratic ticket, but you are never to be allowed to hold office as a democrat; you An Austin Man's View of San Autonie. are always to be treated with suspicion, and lose your equality as a voter." Such an out- To the Editor of the Houston Post look certainly would not be encouraging to those who have acted with the republicans, but who now may desire to change to the look of the average political record. If Gov. Hubbard and Col. Chas. Stawart, of

this show to have acted with the republican, and the received and the fine of the first and the fine of the first first fine of the first first

feeling and friendship for the party which has beretofore conferred honors upon me. I have always believed that what was best for the patty which arraigns Hayes as a usurper the spitre country was going to help both positional parties in the end, for we are citizens in common of one great pation, and the grounds for his dismissal. It was stated in administration circles a few torday. The New Orleans Democrat says the publican campaign in Louisiana opens by the removal of a Grant sam from the enact office in New Orleans and the appointment of a many control of a Grant sam from the enact office in New Orleans and the appointment of a many control of a Grant sam from the enact office in New Orleans and the appointment of a many control of a Grant sam from the enact of the party which are incompanied in the army.

It is a the to death, "was his reply. That was all. I left immediately, and went to a boarding house, and I have been sorry ever since that I didn't stay at the bottle. I am the only boarder where I stopped, and am suffering alone the miseries of the 10th inst, which is sorry ever since that I didn't stay at the bottle. I am the only boarder where I stopped, and am suffering alone the miseries of the 10th inst, which is sorry ever since that I didn't stay at the bottle. I am the only boarder where I stopped, and am suffering alone the miseries of the 10th inst, which is sorry ever since that I didn't stay at the bottle. I am the only boarder where I stopped, and am suffering alone the miseries of the 10th inst, which is sorry ever since that I didn't stay at the bottle. I am the only boarder where I stopped, and am suffering alone the miseries of the 10th inst, which is sorry ever since that I didn't stay at the bottle. I am the only boarder where I stopped, and am suffering alone the miseries of the 10th inst, which is calculated. It is not controlled to the intensions through your devertions through went to a boarding house, and I have been sorry ever since that I didn't stay at the bottle. I am the onl

spend either by the Grant, Sherman or Blaine men at Chicago.

This greenbackers have arranged their limited States, soldier or civilian, can be collector of the John States, and it would be well enough to the test the question of whether a citizen of the collector of the port of Philadelphia expired on the 31st of May last while the senate was The greenbackers have arranged their programme and there is nothing in the way of their success now but insurmountable obsteeles. This fact, however, will not discourage the average greenbacker. If they can't put in much of a claim where they are, they can claim worlds on high in other places. Seven states, they declare, will go for Weaver and Chambers, among them Texas, notwithy standing its usual 100,000 democratic majority. This will throw the election of president into the house, where both democrate and republicans will unite in a compromise smalling Weaver in the presidential chair. It is difficult to discover a flaw in such a straightforward, logical programme as this.

The mother superior of the catholic meants or civilian, can be provided on the 31st of May last while the senste was on the 61st date of May last while the senste was in escaption that the president after that date nominated 750. F. Hartraoft to the office, and that the president after that date nominated 750. F. Hartraoft to the office, and that the senate ajourned on the 16th one senste was in escaption that the president after that date nominated 750. F. Hartraoft to the office, and that the senate ajourned on the 16th one senate wrong.

ELECTIVELY WORLD AND THE ART OF THE ART OF

Ine Houston Post has added the green-back ticket to its list, but does not heed our suggestion about the prohibition ticket. What have the prohibition so repugnant to the editor's feelings?

An Austin Man's View of San Autonia.

Mason, Cushing, Bates, Everts and others is support of this position. In referring to the tenure-of-office act the attorney-general quotes freely from a former opinion of Mr. Evarts, and concludes that the act is question does not assume to treach upon the power of the president, and seems even to recognize the construction which all presidents have placed upon that power. Mr. Devens then concludes:]

In direct answer to your inquiry, I am of

Devens have piaced upon that powers are Dovens then concludes: In direct answer to your inquiry, I am of opinion that the vacancy in the collectorship of the port of Philadelphia having occurred during the session of the senate and the senate having adjourned without acting upon the nomination sent to it, the president may now appoint the nomines or any other person to fill the vacancy by a temporary commission to expire at the end of the next session of the senate, and that the condition of the office is not affected by any provision of the tenure-of-office act, and will not be until the end of the next session of

It is a special again to the done. It is all not be done. I am now disting the proposition to Capt. It is all not be done. I am now all the proposition to Capt. I

to remove the caps from his big double-barrel shot gun, which he did. I felt relieved.

I saw some fine corn patches in San Diego that would yield from 20 to 25 bushels per acre. Grass was fine all the way to the Colorado station, and fair crops of corn were made.

This is a fine stock country and with the corn relieved to the country and with the corner cultivation a fair farming country.

The corner cultivation a fair farming country with the corner cultivation a fair farming country.

Twenty-foundation depot yesterday.

—A little child of Mr. O. A. Richter, in the fourth ward, scalded her arm badly on Gen. J. B. Robertson, President Hood's Brigness She suffered considerably, but is also Association, Waco, Texas:

DEAR Siz: I have the honor to acknowledge of the property of the late of much better.

The melon crop will be cut short unless it rains soon, which will be very meloncholy for those who make the Inscious fruit the principle staff of life.

More wool was sold yesterday than during the entire previous week. Priogs are sid to be satisfactory, but the figures were withheld in a majority of the sales.

Mr. J. Hawkins, who has a fruit stand next to Main street bridge, has placed us moder obligations for a quantity of luscious grapes, as fine as we have seen this season.

I enclose conv of the will of Mer. Prop.

Mr. J. Hawkins who has a fruit stand next to Main street bridge, has placed us moder obligations for a quantity of luscious grapes, as fine as we have seen this season.

I enclose conv of the will of Mer. Prop.

Mr. J. Prop. Walsh, of Austin, reported \$640 on band in his city for the fund in his city for the fund.

J. Hawkins who has the survivors of Hood's Texas brigade at their annual remnion to be hold at Seguin, the survivors of Hood's Texas brigade at their annual remnion to be hold at Seguin.

Hood, what disposition has been made of the survivors of Hood's Texas brigade at their annual remnion to be hold at Seguin.

The resolution relative to the death of General Hood, what disposition has been raised for the survivors of the survivors of Hood's Texas brigade at their annual remnion to be hold at Seguin.

The resolution was unanimously adopted, and comrades Winkler, Cunningham and what is proposed to be made:

The resolution was unanimously adopted.

Solver was consistent to the survivors of Austin in the scity for the fund in his city for the fund

ability to act for thom with judgment and an election of a place for the next reu

Written entirely by myself. New Orleans, Jan. 7, 1880.

It was hirs Hennen's most carnest desire and effort, originally, to keep these children together, but on her return from her trip to Austin, Texas, in December last, made with the view of the selection of a home for them, her health previously delicate, suddenly failed her, convincing herself and her friends of her early dissolution. It had also become evident that the funds contributed by generous and sympathizing hearts from various portions of the country as well as from a broad, for the benefit of the children, would prove inadequate to yield a revenue sufficient for there care and maintenance—ten of them, and all of tender years. Realisting this fact and conscious that she would this fact and conscious that she would constitute the proving with good cheer, and that deep and abiding faith in your magheed and call.

The adjournment, however, was to a GRAND BARROUR, and the youth that the function of a dealing and intelligence of Seguin and surrounding country had assembled. Not less than two thousand persons were on the grounds.

About noor, the vast and gay assemblage was called to order by Judge Ireland, who said:

It is a pleasing task to welcome you to our manner of the country as well as from a broad, for the benefit of the children, would prove inadequate to yield a revenue sufficient for there care and maintenance—ten of them and all of tender years. Realist of the country as well as from a broad the province of Seguin and surrounding country had assembled. Not less than two thousand persons were on the grounds.

About noor, the vast and gay assemblage was called to order by Judge Ireland, who said:

It is a pleasing task to welcome you to our manner the province of Seguin and surrounding country had assembled. Not less than two thousand persons were on the grounds.

Simplified to the control of the control of the collisions of the collision Citizens, Soldiers, Members of Hood's Brigade.

It is a pleasing task to welcome you to our midst-to our board and our hearts. As clitzens, we extend to you all the hospitality of the control of the co

Trusting that I have satisfactorily aus-wered your inquiries, I have the honor to remain, with high esteem for yourself per-sonally and the survivors of Hoods brigade, Trusting that I have satisfactorily answer every general properties. I have the honor to remain, with high esteem for yourself personally and the survivora of Hoods brigade, San't Flower,

Adm'r of the succession of J. B. Hood.
