INDIAN NEWS.

Denver, Col., August 13.—A special from Santa Fe says information has been received from El Paso that 75 or 100 Iudians, either from Victorio's own band or those from Mexico who had aided Victorio, and who have been scouting for the past few days between old Fort Quitman and Eagle Springs, croased the Rio Grande near Quitman early this morning, and headed south into the state of Chihuahua. Col. Buell, commanding Mexican troops is the field against these Indians, has been notified by outrier and will endeavor to fut them off. A column of Indians, numbering about 100, nson; B. D. A Rieb Mintog Strike

Santa Fe, N. M., August 13.—A sensation was created here day before yesterday by the announcement of a rich mining strike in the Mexican willage of Los Flacitas, about 30 miles distant. The village is built of adobe huts and corrals, and the foundations of the houses are of rock. Prospector Jesse Martin detected mineral in this rock. He pounded up and hammered some of it, getting a rich result in gold. He located the streets of the town whence the gold rock was taken, and had assays made with a result of \$4.600 of gold to the ton. The lowest grade of rock assayed was \$43. Gov. Lew Wallace has just returned from the place. He paced off a lead, making it eighty four paces in width. Its length is not known, but 9,000 feet along the vein has been located. The last blue book relating to Indian finance puts the Beaconsfield administration in a worse plight than it was before. The estimates made by the government last February are now found to be wrong by something like 150 per cent. The probable cost of the Afghan campaign is now admitted to be \$75,000,000. The St. James Gazette thinks that it is much more likely to be \$100,000,000, and that when the troops get back to India a large expenditure will be needed to replace equipments.
