Richmond, Va.—August 24.—For several days past vague rumors have prevailed here that correspondence was going on between two well known citizens which might result in a hostile meeting; but last evening it was reported that the correspondence had terminated in an amicable adjustment of the difficulty between the parties. This morning, however, the affair was reported to have assumed a different aspect, and upon this report warrants were issued for the arrest of the alleged principals, Dr. George B. Johnson, son of U. B. Senator Johnson, and nephew of General Joe E. Johnson, and of the city to-morrow. Extensive preparations have been made and quite a number have already arrived from abroad in wagons.

General John J. Good has been called upon by citizens to run for the office of mayor against J. M. Thurmond, oasted for general cussedness by the council, and who is running again. An Expense representative stroiled around by turners' hall last evening, and finding the large room througed with isdice and gentlemen, was reminded that he had a ticket or two in his pocket which would let-him in. The occasion was that of an ico-cream festivat given by the San Antonio opera club. The hall had been very prettilly decorated for the affair, and everything combined tended to add charm and interest to the scene. The attendance was large, and embraced many of the young ladies and gentlemen of the city. Mrs. Winslow's Soothing Syrup ly for infants. But of Mrs. Winstow's Soothing Syrup we can speak from knowledge. In our own family it has proved a blessing indeed, by giving an infant troubled with colic pains quiet sleep, and its parents unbroken rest at night. Most parents can appreciate these blessings. Here is an article which works to perfection, and which is harmless; for the sleep which it affords the infant is perfectly natural, and the little cherub awakes as "bright as a button." And during the process of teething, its value is incalculable: We have frequently heard mothers say they would not be without it
