"Walker wanted me to inquire for him."
"Nothing for any of the Walkers."
"Old Mrs. Lee halled me as I driv by, and mid she was looking for a letter from her son Bill in Leadville. I "spose it ain't any use to inquire, for Bill couldn't write a letter in three weeks."
"Nothing for Mrs. Lee."
The man. started ug go, but suddenly, recollecting himself he turned and said:
"Come to think of it, McArthur's bired man has sent off for a, lettery ticket. He won't draw nothin, of course, for them lots teries are a dead swindle, but it's about time he got it, and he hollored at me from the barn this morning and saked me to inquire.

reply."
"Well, that's all, I guess. Purty bad weather on wheat, ain't it? Looks like rain, but maybe it'll seud around."

Syracuse, N. Y. August 25.—Among the inmates of the state sayism for incane criminals in Auburn is a man named George Tucker, who is serving a term of fifteen years, for burglary. He was sentenced in New York to Sing Sing, and was, subsequently transferred to Clinton prison. In 1878 he became insane and was sent to the anyium at Auburn. Tucker has just fallen heir to property valued at \$12,000, which was left him by his grandfather. His sentence does not expire until 1885, and in the meantime the authorities of the institution in which he is confined will ask the courts to appoint a board of trustees to care for his in which he is confined will sak the courts of appoint a beard of trustees to care for his inheritance. Tucker is said to be a nephew of the Hon. Gideon Tucker. He has served several terms previously in different prisons, and is an outcast from the family whose

Beath of a Texas Veteran .

The samples exhibited showed that the range of colors which can be obtained for ware is very great. A vace was shown upon which a vine in green was painted upon the cellifary body of stoneware. This cheap ware may in this way be made the basis of a new process of underglaze decoration, in which the entire place, color, glaze and body, is completed at a single burning. The theory of the new process rests upon thickness and comparative impressibility of the glaze.

A Card to Business Men

It is not generally known that Book Binding in all its branches is now as well executed in San Antonio as in any city in the United States. The samples of ruling and printed headings and binding of blank books which are now manufactured in this city, hear testimony to the fact, also all classes of office stationery. The understand of the classes of office stationery. The understand in the classes of the classes of professional firms can rule their designs and address to C. F. Frommer, San Autonio. Estimates promptly gives.

PRENCH EDUCATIONAL REFORM

A Paris dispatch to the London Telegraph says: "The annual ceremony of districtuting the primes at the Serbenne for the general competition of the Paris and Versailles colleges and iyocra, look place to day, accompanied by the usual formalities. The hall was growded to choose with the parents of the pupils, who, in addition to the customary Laiu discourse and the speech of the minister of public instruction, had the pleasare of swing M. Leon Say and M. Gambetta, who occupied seats on the platform beside M. Jules Ferry. Their entry was the signal discourse was pronounced to-day for the last time, in ob-dience to a general tendency to divest the studies for the Baccalaureate of all superficons forms and ceremonies. The craft of the studies for the Baccalaureat of all superficons forms and ceremonies. The craft of the studies for the beauties of his speech, we therefore, listened to with more than unstonury interest by those who understood the beauties of his speech, and be acquitted himself most successfully. His various allosions to the benefits of a republican form of government, to the minister, to the distribution of flags to the army, and his flast exhortation to the youth of France to work for her happiness and promoter to the distribution of flags to the army, and his flast exhortation to the youth of France to work for her happiness and promoter to the distribution of flags to the army, and his flast exhortation to the youth of France to work for her happiness and promoter to the distribution of flags to the army, and his flast exhortation to the youth of France to work for her happiness and promoter to the distribution of flags to the army, and his flast exhortation to the youth of France to work for her happiness and promoter to the promoter to the distribution of flags to the army, and his flast exhortation to the youth of France to work for her happiness and promoter to the promoter to the distribution of flags to the army and his flast exhortation to the youth of France to work for her happiness and applause. M. Jules Ferry delivered a long apsech, in which he gave a thorough exposition of the reformed system honeforth to be adopted in the different stages of school and university education. The study of the classics is to receive a fresh impulse on a locally new basis. The scholars in the elementary classes will receive instruction in a more attractive form, and much of the energy hitherto devoted to a closer study of a dry knowledge of classical syntax and grammar will be devoted to a closer study of acience and modern subjects. The classical student will obtain a better knowledge of the dead languages through the study of their literature than has been the usee nuder the old system of overloading the youthful brain which the study of their elds system of overloading the youthful brain which the study of their literature than has been the usee nuder the old system of overloading the youthful brain which the study of their elds system of overloading the youthful brain which the study of their classical students which the study of their literature than has been the usee nuder the old system of overloading the youthful brain which the study of their literature than has been the usee nuder the old system of overloading the youthful brain which the study of their literature than has been the usee nuder the old system of overloading the youthful brain which the study of their literature than has been the useen nuder the old system of overloading the youthful brain which the study of their literature than has been the use of the study of their literature than has been the use of the study of their literature than has been the use of the study of their literature than has been the use of the study of their literature than has been the use of the study of their literature than has been the use of the study of the literature than has been the use of the study of the literature than has been the use of the literature than has been the use of the literature than has been the use of the literature than has been the l

Mothers! Mothers!! Mothers!!!

Are you disturbed at night and broken of your rest by a sick child suffering and crying with the excreasiting pain of cutting teeth! If so, go at once and get a bottle of Mrs. inslows Southlat Syrup. It will relieve the poor little sufferer immediately—depend upon it, there is no mistake about it. There
