Victorio's indicates that the forces of seven where on the for him, and knowing that the United States will secept nothing but an unconditional surrender, which would likely result in his death, he wished to make a conditional surrender to the Mexicans, which can hardly surrender to the Mexicans of the second sec

AN OLD FEUD.

Louisville, Nr., September 1.—A special from Shelly City, to the Courier-Journal says. Samuel Johnson was shot and Nied by James Wheeler last evening, at Danville junction. This is the culmination of an old foud which commenced in 1879, at Liberty, between Samuel Johnson. Foster, James Wheeler, Bill Owsley, and several other parties, in which Johnson was killed by Owsley. Young Sam was then a boy only four years old. As he gree voider he swore he would kill Owsley and Wheeler on the first opportunity. Owsley shed here were time last fall, and at once assaulted him, and the third and only remaining significant interfered and prevented Johnson from accomplishing his purpose. Nothing more was thought of the saster until two work, and fired three shots at tim without effect, and Wheeler made his seaspe. Since then Wheeler area this immediate the molecular than the lookout for his case, a companied by three other new, cause he belowing in their sincertity, kept out of their sight, and finally went to his room, and from the window was called to his room, and from the window was supported to his room, and from the window was being to the hotelers of the state committees constitute the desporant and said: "We are a united democratic orbit of his grap, loaded with buckshot, into Johnson's right side. Johnson same kup on the platform and died in a few moments. Wheeler was arrested and taken to the Danses' sille fall.

The Crists Passed.

VANDALIA, PAN HANDLE & PENNSYLVANIA SHORT LINE ROUTE

SE THE STRENGTH AND POPULARITY OF THE VANDALIA LINE MA Through Passenker Route, will be readily comprehended after a moment's reflection upon the fact that its immense business justifies the running of FIVE (5) DAILY LINES (Saturdays and Sundays included) of FULLEAN PALACE CARS from St. Louis to Eastern Cities WITHOUT CHANGE, as follows:

1. Pullman Palace Sleeping Car | 4. Pullman Palace Hotel Car EVERY EVENING. ST. LOUIS TO CHICAGO. 2. Pullman Palace Sleeping Car

EVERY EVENING. ST. LOUIS to LOUISVILLE 3. Pullman Palace Sleeping Car EVERY EVENING. ST. LOUIS to CINCINNATI

EVERY MORNING, ST. LOUIS to NEW YORK (Throug) Indianapolis, Columb Pittsburg, Harrisburg and Philadelphia.) 5. Pullman Palace Sleeping Car EVERY EVENING. ST. LOUIS to NEW YORK

(Through Indianapolis, Colum Pittsburg, Harrisburg and Philadelphia.)

the same or quicker time to various Eastern points than longer lines, at safe and moderate speed. All the improvements and appliances known to modera skill and invention, which tend to insure rapid transit, combined with absolute comfort and perfect safety for passengers, are in use on the Varialla Line and its connections. The entire Line of the Vorshinia, Pan-flamile and Pennsylvania Route from St. Louis to New York is practically under one management, and its track and equipment are the best in the world.

13-THE VANDALIA is the only Line which runs a Train through to the East, leaving St. Louis SUNDAY MORNING.

bit following details from the Philadelphia through the seed of th

When the officials arrived they were not by Joseph Zeehler, hother of the lundshib circles. Native allevations with the pointed out the way to the dungson, near the foot of the mountain. The man in the but best the timbers of the sides of his fearful abode with his bands when he heard the noise of the approaching footstays. The clamey, heavy oak door was unbarred, seed the sight presented on the inside was fearful to belook, itself on the inside was fearful to belook another world. For twenty seven years use sun had not shone upon him. In all that time he had been neither washed, clothed nor shaved. His brother stated that he had always given him plenty of feed. This was shoved into his cell-like suimals are fed. The officials say that the floor of his dungeon was

always given him plenty of food. This was a showed into his coll-like animals are fed. The officials asy that the floor of his dangeon was covered in some places by excrement a foot in depth. The sides were black with fifth, and from the roof dangled cobwebs and the most to that. There was little or no ventilation and the stench was unbearable. The officers tried to get the poor man to tell his story, but his reason was gone. He was a mental wrock—noof brute than human. Filth had been so completely rubbed into his skin that, the backy sas like that of the most filthy animal. He make violent efforts to free himself, but could not.

The rook of ms Life.

Thirty years ago he was a young man, strong and vigorous, with a clear mind. He worked on a farm that his father owned. In a ligh state of exertion and prespiration he jumped into a mountain stream of cold water. After that bar's his mind became affect the finally he became derived became affect the finally he became for him was also as a sum and he was a same and he did not desire to pet Benjamin into an insans anyman, so he recolved to Reap him until he may be more easily imprisonment continued. What sufferings the poor man invent on many he more easily imprisonment continued. What sufferings the poor man invent on the save of a wolf. His floors, tipped with long black hails looked like the poor man invent on the save of a wolf. His floors, tipped with long black hails looked like the poor man invent on the save of a wolf. His floors, tipped with long black hails looked like the work of a wolf. His floors were marked to water with fills, were reasonable to be above.

etivity is at hand, yet matters are assuming

phalanx.

The completion of the New Orleans road, is halled with joy, especially by grocery merchants, for such completion opens up a market in direct completion with St. Louis and will tend to reduce prices on many of the staple articles. Again, the competition of the road that connects the Lone Star and the Orescent, brings Texas arm in arm with the finest and the best city of the south, and opens up to San Antonio a new avenue of trade and travel which cannot but redound to be benefit, her growth and be prosport-torial Delegate and a United — John Wilkins, wounded by Ed. Stevens of time ago, was out again yeaterday.

—The yield of cotton in the west is said have taken the turn of the marvellous. -Aiken, Soledad street, sells cigars as set any one.

Bain & Co. purchased yesterday twenty-mules and four horses for their stage of the stage of th

ductor on No. 5, it is suid, did not sensitive that for the particulars apply to Bowen & Co., No. 45, Main street.

The conductors on the freight trains of this roat.

The conductors on the freight trains of this roat receive but \$200 per month, and this is said to be less than is paid on any other road where the duties are anything other road where the duties are anything of the four months hat past the increase ever the same time last year was 110.617.

A potato cultivator on San Pedro avonue dag a few rows yesterday and found them to yield very heavily. The yare potato is the boss in this country, and could be conductors in the state. Usloss greater care is observed on the line, a scrious accident may soon happen, which would injure the proven so as to be made the food spon which

St. Balling and

times was mable to cross the Nucces. The great flood of water which fell in the country west of San Antonio concentrated in the Nucces near its mouth and made the current of the stream from three to four miles wide. The stage company, Mesers. Devine & Dashiell, were compelled to follow stakes driven down across the waste of waters in order to reach the nearest point from bank to bank. They lost ten or twelve horses during the rains by the floods and from overworking on the muddy roads, and also spent considerable money working the roads. At the crossing of the Sulphur, alone, \$45, were expended to make the road passable. At the Nucces crossing at Sharpssott, and the country from this city to the terminus of the line at Corpus Christi, which is the occasion of the delays that have occurred in the delivery of the male between point and point during the time.

The body into Earl's office, where it was stated to an antical that the young woman, who proved to be alias need to amise that the young woman, who proved to be faile an finguest. The doctor's story is that the young woman, who proved to be alias need to amise the incoman, who proved to be alias need to amise the incoman, who proved to be alias need to make the income and the oliver of having an abortion' performed. He declined to undertake it, but to antistry in order to reach the made a demonstration, not using instruments, to give her the impression that the operation had been performed. She was in his office yesterday afternoon between 3 and 4 o'clock, complained of faintness, and a missing instruments. During the night, when driven aliance in the operation had been performed. She was and 4 o'clock, complained of faintness, and a missing instruments, to give her the impression that the operation had been performed. She was and 4 o'clock, complained of faintness, and a do'clock, complained of faintness, and a missing instruments, to give her the impression that the operation had been performed. The best performed. The best performed the operation had been to bank. They lost ten or twelve horses during the rains by the floods and from overworking on the muddy roads, and also spent considerable money working the roads. At the crossing of the Sulphur, alone, \$44, were expended to make the road passable. At the Nucces crossing at Sharpes burg, on one occassion, block and tackle were used to convey the stage coach to the ferry boat. The roads have been washed very badly in all the country from this city to the terminus of the line at Corpus Christi, which is the occasion of the delays that have occurred in the delivery of the ma 1: between point and point during the time.

torial Delegate and a United States Senator. Washington Cor. Philadelphia Times.

One name among the list or sterritorial idelogates I will not mention. He was in the house for four years, and from the time he entered it until the expiration of his second term he was greatly respected. He was an exceptionally able man, a profound thinker, a chaste logician and a brilliant speaker. He was college-bred, had spent years in foreign travel, was a lawyer, and had been in many responsible official positions. He had been in the legislature of one of the western states, had been receiver of public moneys. The in autoniciting to use with what would be a second to the state than any ruilway continuity from the ruilway of the state than any ruilway continuity from the ruilway of the state than any ruilway continuity from the ruilway of the state than any ruilway continuity from the ruilway of the state than any ruilway continuity from the ruilway of the state than any ruilway continuity from the ruilway of the state than any ruilway continuity from the ruilway of the state than any ruilway continuity from the ruilway of the state than any ruilway continuity from the ruilway of the state than any ruilway continuity from the ruilway of the state than any ruilway continuity from the ruilway of the ruilwa instead of on the side track. The gentleman was on train No. 3, and on making a curve the light of the freight train which obsorbed about the city yesterday of charge, and read with much interest in five business men.

Chicago, Aug. 25.—Another abortion lor-row as brought to light to-day. It involves the death of two persons, a young woman and her unborn babe. The villin in the first part of the first part of the control of the depart ment.

Chicago, Aug. 25.—Another abortion lor-row as brought to light to-day. It involves the death of two persons, a young woman and her unborn babe. The villin in the first part of the first part of the depart ment.

Chicago, Aug. 25.—Another abortion lor-row as brought to light to-day. It involves the death of two persons, a young woman and her unborn babe. The villin in the first part of the first part of the army, a case is the notorious Dr. Charles Earll, resently released from the Joliet ponitentiary. About 2 o'clock this morning, when the rain was pouring in torrents, two policemen, officers Davis and Derrig, of the West Madison street station, were standing on the side-son street station of the side-son street station as the station of the station of Capt. A. E. Militimore, assistant quartermaster U. S. A.

About 2 o'clock this morning, when the rain was pouring in torrents, two policemen, officers Davis and Derrig, of the West Madison shas arrived from Washington to take evidence as a representative of the court of claims, on the extra claim of Ed. Braden for \$25,000, on work done by him in the constraction and finishing of the quartermaster' depot, this city. The evidence will be hard before U. S. Commissioner Paschel.

\*\*\*MRINIMORE\*\* Rams.\*\*

We are indebted to Mr. J. D. Lindsay, of Wilson county, for a nice lot of manmoth white yans, grown on his farm. He has two saves number cultivation which will produce two bundled bushels to the acre. This large yield is conclusive evidence of the product whe bundled bushels to the saves of our soil, and shows what can be done in the way of raising sweet polatices in it.

\*\*\*Notice to the Pastite\*\*

We have just received our large stock of band, bar and carriage limber, and everything messessing in the ball and body of a woman. He called up office and slammed the door beind he door beind him locking it as he did so. A gas jet was bring in the ball and body of a woman. He called up office and slammed the door beind him locking it as he did so. A gas jet was bring in the ball, and lying on the floor, discovered the dead body of a woman. A Concentration of Water.

In a conversation yesterday with a gentleman recently returned from Corpus Christi, shere he had been water bould, this reporter was informed that the stage for a period of nearly two weeks at two different itimes was mable to cross the Nucces. The great flood of water which fell in the country west of San Antonio concentrated in the Nucces pear its mouth and made the current.

Within the room Dr. Charles Earli and his son, Fred Earli, aged i4. Both the doctor and the son were put under arrest, and taken to the station by officer Derrig. Davis remained with the body. He was speedily coined by Licut. Ward, and the two removed the body into Earli's office, where it was placed to await an inquest.

The doctor's story is that the young woman, who proved to be a Miss Nettle A. Care.

f the grand jury, and he was taken to jail

Rockport, August 31.—Day before yester-day a wrecked schooner came ashore on the island, about abreast of the wrecked steamisland, about abreast of the wrecked steamship Mary. She is bottom up, in seven feet
water, and sauk in the sand. From a portion of the hatchcombing, which came
ashore, she is supposed to be 62 tons burden. Capt. Roberts, pilot at Aransas pass,
thinks, from fragments of the deck and
other portions, that she is the Quintans, and
is presumed to have been light. It is imconsible thus far to get her name.
