DEM STR - I want to talk with you about the very these desperate and corrupt measures.

from Belknap "with regret."

and English. The democracy is made with them. The leaders of each of these sterner stuff than that which cringes and gargs are old Springfield negroes and supplied gargs are old Springfield negroes and supplied with large amounts of money, which they frequently exhibited and laviably distributed among the repeaters, besides buying for each a railroad ticket to and from Indiana. The parties

Times, (strictly democratic) of Thursday evening last says: "If The Expense was a democratic paper it would abide by the decision of the democratic party. If it does not wish to do so, why try to hide its radicalism under the cloak of 'independent democratic papers; they want dependent democratic papers; they want them to be sither democratic or they don't want them at all. No one would object to Tax Expense being as independent as it wishes, but let it drop that word democratic, and sall under its true colors."

Among the repeaters, besides buying for each a railroad ticket to and from Indiana. The parties who operated directly with the negroes, it is a very shallow boast on the part of republican journals that since 1865 the party and the object to the close of this city. One is said to be president of the county the city. One is said to be president of the other is a republican candidate on the county the other is a republican and tendency of this city. One is said to be president of the county that it city. One is said to be president of the county that it could be to president of the county that it could be a republican and the county of this city. One is said to be president of the county that it could be presented on the county that it is not republican journals that size 1865 the party and the operation journals that its elect of the public of the county that it is a very shallow boast on the party of republican journals that the public of the county that it is a very shallow boast on the public of republican in the public of the county that it is a very shallow boast on the public of republican in the public of the pu

GOV. ROBERTS' SPEECH.

Governor Roberts makes up in earnestnes what he lacks in fluency in his speeches, and he made a good impression at Turner patches, (and serves it because it has a hall the other evening. The firm conviction monopoly of the wires in this state and we of his honesty so long impressed upon the cannot help ourselves) is a puzzle to the minds of the people of Texas adds great average newspaper reader. Yesterday it weight to his utterances, and what would be gave us a thrilling account of a meeting o tinized closely in others is accepted the holders of Mobile, Alabama, bonds; as rom him without a passing question, "The entrancing report of a meeting of officers of Governor's statement of the financial condition of the state was indeed satisfactory-a jubilee was served up in several lines, and result attained in the simplest possible man- hoporable mention was made of the associaner: decreasing the expenses and increasing tion for the advancement of women, all inthe taxes. It seems that the most ordinary teresting enough, it is true, but not suffimind should be able to grasp and successful- ciently so to exclude fuller news from the ly cope with such a simple problem, but i elections of Tuesday last. The press re, remained for the old alcalde to do it. De- porter two days after the election did no velopments have shown that with the curtail- seem to have dreamed that the green ment of expenses made, and the natural in back ticket in Indiana or crease of revenues, an increase of taxation where received any votes, and his re might have been avoided, but it was ports show very meagre information con and a large cash balance cerning the elections, though he must have is the result; a much better result, however, known the people preferred that kind of than a deficiency. The financial condition news to anything else. of Texas is to-day better than that of any

other state in the Union, with, perhaps, two managers of the associated press, which we or three exceptions, and the old alcalde is patronize liberally and pay promptly, to entitled to the credit of it to a very large have THE EXPRESS, or any other paper, extent. He economised (rightfully in most treated as shabbily as this paper has been the cases, but injudiciously, we think, in some past several days in connection with its report, few) in the first place, and then, in the and if the fault can be run to its abiding and place, made the people put up the place we will do it in the hope that we wi money to insure the present state of affairs. The ends being so satisfactory, the people are tions of Tuesday last. We are entitled to a not now disposed to complain of the means. Though they might have needed the surplus funds in the treasury, the money is there THE New York correspondent of the St. and is safe. Though it may not be applied Louis Republican says if the following resoto the satisfaction of all, we all feel assured that with the present governor as its guar-

scheming speculators in state politics, or be wasted in any way. The governor's he still adheres to his old ideas re- geniously contributing to the success of garding the occupation tax and sale of the public lands, which met with much op- his unblemished reputation through intimaposition, and which opposition will doubtess confront him in pretty considerable force in the next legislature. A good many would have liked an opinion of the bellpunch law as a means of revenue, based on sailed, need such an incentive to attach the experience of the past year, with some

dian, it will not be successfully attacked by

it. Of course Governor Roberts is in favor

DISGRACEPUL WORK.

tion, says:

The governor gave no encouragement t the general belief in a considerable reduction in the rate of taxation so confidently expected in the next tax levy, for he laid particular stress upon the necessary increase of expenses through extending the government without a corresponding inease of revenues from new counties, and, as we understand him, will recommend some necessary public improvements that will ome our surplus. However, he may conclude that these improvements can be

made, and a reduction in the rate of taxation The governor appears to be exceedingly anxious to impress upon the minds of the people the idea that the public schools are a huge burden already weighing the people down and threatening to overwhelm them; and it is difficult to divest oneself of schools only because the constitution requires not mix politics up with his religion

first assurance that he would not have a change made in the constitutional clause in reference to free schools But Gov. Roberts will enter upon his second term under more flattering auspices than he ed any views for publication on the tariff. did the present term, and knowing his finan-He said further that the alleged interview in cial position better, will be disposed to be more liberal and progressive concerning ter, which was published in certain west schools and other matters than at the time of his first inauguration. At any rate his present utterances are far more promising

Twe democrats of an Ohio town were ac cused of stealing or cutting the ropes of a The reports of the way the election in paper as an act of trea ndiana was conducted will doubtless prove Those who lost on Indiana are now firmly rich if not very pleasing reading, if any of toward the old flag and a breaking out of the one; almost as pernicious as buying votes, of what is to follow. A dispatch from Indents tore down a Hancock flag in New Ha New York, dated the night before the elecfrolic of "the boys."

alurday Moraing, October 16, 1880 Stock and Farm Notes.

the spring.

No farmer who buys cats, core, wheat, fodder and bay, as a rule, for ten years, can keep the wheriff from the door in the end. The farmer whose habitual beverage is cold water, is healthier wealthier and when than he who does not refuse a drink. Potatoes are better if dug as ssom as rips, and either sold or stored in a cool, dry well-ventilated celler, or in dry plis.

Of all the cultivated varieties of grapes the Delaware is said to contain the most sugar, and the Concord the least.

and the Coccord the sease:
At Midway, Woodford county, Ky., wheat
has been selling at 55 cents per bushel; butlry, 50: seed rys, 90; new corn, 40 to 43. It is a common fault with many whom forming a lawn to the too little seed. Four-bushels per acre of bluegrass is the quantity required.

required.

In planting shrubbery in beds or clumps the tallor-growing kinds should occupy the centre or background and those of dwarfish habits the front.

One acre of land, well propared and we'll cultivated, produces more than two acres which receive only the same amount of labor-med on control of labor-Grimes county (Texas) farmers are paying seventy-fire cents per 100 for picking c-tion. It is expected the pay will be a dollar before the season is over.

peasons."

Dr. Hugh J. Gionn, the noted wheat grower, owns 65,000 scree of had, 45,000 acres of which were in wheat which at the 1880 harvest, was estimated to yield an average of twenty-dire bushels per acre, an appropriate of 112,500 bushels.

aggregate of 112,500 bushels. Atterney-at-Law and Cellecter
For Rew Fichlin and Ft. Couche.
septs if Ben Fichlin, Texas.

C. E. R. KING, M. D.,

To start a not that is corrected in the place, so that an ordinary weench fulls to move it, strike as few sharp blows upon its end face, then, holding a dull chinel across the charm fer of the nut, strike the chinel-head several hord blows which will generally start the nut.
