ler, the city debt was reduced \$13,000,000.

now come for it to divide the wheat from burdened with business, and a legal conven-tion will be held at Kansas City on the 28th

THE M. K. & T. company have made a states about the same. It the contract with one foundry for twenty thou, and tons of steel rails, and have \$25,000, on the same grounds as heretofore, The Expanse would most certainly be found on of their road. Texas will gobble up a big the side of the democratic party, but through many years the contest has been unequal and we see no hope of a change save in a change

PRIERROR for the past year demonstrates of the party lines and organizations. We that Kansas and Texas are both good must do something to eradicate existing pre-states.—Kansas to leave and Texas to come judices among the people of the sections, or to. The wise immigrant knoweth what he about when betarneth his steps in the discision of the Lone Star state.

suffer the consequences. As long as the old party organizations are maintained, the old prejudices will be appealed to and old pas-

In accordance with the state law the Geor-ia electors met yesterday to cast their vote favor of a change in the political programme. for president, but the general law of the land provides otherwise, and we may expect fact that democratic state governments may nated discussion when the Georgia be maintained as long as the present party line

we need to be a maintained as lorg as the present party lines are drawn. We fail to find much reason in the new receive mails from Galveston in the argument. Parties strive for control of state and county governments for the influence they can wield in carrying national clients week; and that beats ox-cart time.

The mails appear to have been "off" all through the south the past ten days. There sideration, then the whole structure must fall. The honesty and capability of state officers, and not their political views, determine their acceptability to the people, when national politica are out of the question. when national politics are out of the question

The strong general still insists that there are intimidation and violation of the election of state policy are entirely removed from those of national policy and to declare in favor of the old party lines to entirely and desires congress to game of as formerly, and desires congress to pass a law which shall take into the control of the United States officials all electors for mem-United States officials all electors for mem-bers of congress. The attorney general since passed—to make a fight on individuals would prefer to have the president appoint and not on principles—and must prove

all congressmen, doubtless—as long as the president is a republican.

The Republican says the Mississippi river unit always be questions of policy on which the geople will divide, but they should be live questions of the hour. We must elect men to office more for what they should be live questions of the hour. We must elect men to office more for what they are now than for what they have been. A good record will carry great influence, but if its ownered on the most precipity that it shall be, before half a down years more have gone by the work will be done.

New Laredo Improving - Preparing for the Piesias-Complaints About Postoffice and Delayed Matla-

alms.

Country produce is in large receipt, and prices are much lower than they were a week ago.

Northern produce is in fair stock, and prices and demand are unchanged.

No change is reported in groceries or dry goods und a good trade is being done in these lines.

Freighters are pientiful, and the movement of watern freight is very large.

Receipts of freight by rail to-day were fully up to the average.
