Saturday Morning, December 18, 1880

THE Cobt of New Orleans is only \$15,

Ir begins to look like the southern republeans who left their homes during the last form another part. We know of the s

with a mortality of thirteen for the previous

introducing the bill for the relief of Gen. Ord, reported in our telegrams of yesterday. It would be but a just recognition of the gen-

LIEUT. NEVILL does not offer much endead, and been succeeded by one equally as railway king's domain. A recent number boldenid bad, he have considered ourselves only of the leittle Rock Gazette says that during the last for years articles of association of

ganization and incompetent management.

The "make up" of the Victoria Advanta s teen changed and a great many other made, so that it stands second to no weekly paper in the state.

DIRECTOR of the Mint Burchard is making an investigation of the amount of gold and silver used in the arts. The amount of precious metals thus consumed is much larger than he had supposed. He estimates it at \$15,000,000 per year in this country, or \$10,000,000 of gold and \$5,000,000 of silver. This is about one-fourth of the pre-

cancial Chronics makes up the returns from forty fines of road to in aggregate, below an increase eavy business of the same month 879, or \$36,100,000.

h Restarn Trans availing every tice of his future operations, dutiling and segmented men ANDEPORTANT DEC

and character of St. Paul by A. A. Lipscomb, late chancellor of the university of ip-lities with little money and has disposi-

martial at the New York navy yard. The "Taxing District" was created as the successfiller in question is the colonel of the corps, Thomas G. Field, who succeeded to that rank a short time ago on the death of Colonel James H. Jones, at Boston. Charges of conduct unbecoming an officer and a gen. the lebt from the property formerly contieman, and to the projudice of good order prising the city of Memphis. This decision and discipline, have been brought against takes the collection of debts from a munici-

message, the New York Fun says: "Examine this recommendation is view of the pro-vision in the constitution that no little of no-looking to a free and fair election, provides: si desewhether the effice of captain-general, which it is thus proposed to conferupe General Grant, is not, in fact, equivalent to a title of nobility." When, under a republican form of government, a new and confess dly useless effice, with large salary and pestuties attached, is conferred appear any citizen, it is certainly "equivalent to a title of nobility," and therefore a violation of the true intent and meaning of the constitubility shall be granted by the United States, 1-1. That all ballots for congressmens all be

We have noticed with pleasure that a learned and eloquent Jessii will, in the shape of a lecture at St. Mary's church to-morrow evening, present to the intelligence of our city the Catholic view of the expulsion of the Jesuits from France. This remarkable trade did a right-ous thing when they prothe Jesuits from France. This remarkable society has figured so largely in the history of the world that so well informed man or women can fail to take an interest in its movemements, and we expect to see the leaders of thought, and those who are in the van of the moral and from their posts more than saif the time. If

the buildings of the Coero cotton factory have reached completion, and a portion of the machinery is now on the grounds. The engine to drive the mechinery has been placed in position, and but awaite the arrival of the Clement attachments to make the air resonant with the busy hum of the spinule. This factory has been erected at a coer precisioning twenty has been erected at a coer precision to commend it to the people in the proposition commend it to the people in the proposition commend it to the people in the proposition commend it controlly the composition, and the movement of the proposition commend it controlly the composition, and the movement of the proposition of country. THE GREAT GRASPING GOULD.

Having apparently fixed things to suit nd is well on with the w zir of sathering in from Toledo, Detroit and Chicago to St. Louis, Kansas City and Omaha will be one part of the prodigious system, and Arkaneas, Louisiana and Texas, with a through line to the City of Mexico, will

canyase to go north and malign the southern people, are to receive an early reward.

The authorities of Brownsville have taken steps to "result up" the small fex by vaccination and other means. Eventy-three cases were reported in that city on the 11th, to the Rio Grande as a part of that scheme and we are also told that Gould has pur Mountain, which brings him from St. Louis to l'exerkana and how long will it be be into the same hand-? But Arkansas, too must fall under his railroad control, and batch of roads in Arkansas which will be made tributary to the Kansas City, Fort

several railroads have been filed with the s cretary of state of Arkansas. These railter closed already, the appropriation roads make a connected line through the for their support being exhausted. The state, and end not a great distance from the News charges it to the loose and unsatisfac-tory school laws of the state, and lack of or-for the completer illustration of the roote, it will be best to-mention the roads and their termination: The Camden and Monroe state line, and which connects with the Monroe and Arkareas railroad of Louisians; the THE EXPLESS congratulates Mr. Linn on the angle appearance and excellence of his paper, and the many redences of prosperity it presents.

Ouachita Valley railroad as regardle, or true from Casaden to Arkado'phia; the Arkadelphia, Dardanelle and Russeliville; and paper, and the many redences of prosperity road, from Arkadelphia to Russeliville; the Russeliville, Harrison and State Live railroad. Draggron of the Mint Burchard is making road, ending at the state line between Ar

sas City to Monroe, La. The roads will be under one general management, as all the stockholders are the same. They are different corporations, but this will not prevent a general management of the whole. The contract between the Kansas City, Fort Scott of 21 per cent, or \$3,747,000. and Gulf road and the Arkaneac roads has aicie also reports from thirty nine been signed, and by its provisions the forms Tactic set included, carnings in months of the calcular year in working order for about eight hundred 500, an average increase of 25 per miles, and has nearly reached Springfield,

Mo., and build the connecting line between TEXAS is daily coming into that point and Russellville or Harrison, Arminence, and no section of the kansas. The contemplated length of the better bear scrutiny and inves-agricultural and stockraising re-units. It is expected that active work will od tor delightful and health-giving be commenced on the roads within a month.

No country offers better indees the investment of capital, either scheme. His ambition appears to have no stock, or in manufacturing on- limit, and if it does not o'erleap it-elf, it There is a competence, if not a would be difficult to conceive the

to learn that Fieming & Borks, the supreme court of the United States The supreme court of the United gis, have published the life Memphis taxing district case which is of const, late chapcellor of the university of decrease and more recently of Vanderbilt niversity. Dr. Lipscomb is perhaps the cost accomplished illerateur of the north, all therefore the regret finite match that combined the state of the south, all the state of the south of the state of the south of the state of the s because his impa'red health has composited the subjected to the payment of debts of the active duties of his professorship in the great southern universities.

Anoruma officer of the United States manual of the composite of the universities.

rine corps has got into trouble with his as-sociate officers, and is to be tried by court-It will be remembered that the Mcuphis him by a captain in the navy. They were recently investigated by a court of irquiry and were found to be no strong that a court martial was deemed upcomers.

Discussing the Grant clause in Mr. Hayes' message, the New York Fun savy: "Exam-

THE delegation representing the boards of intellectual progress of our city in attendance. The subject is one that must attract the attending of both Catholic and Projectant people.

Clocks

Razors, Pocket and Table Knives

been a steady demand for Cape and trilian, with sales to manufacturers of me ate-sized lots. Carpet woots are scarce, the sales are made at very full prices, trade generally tooks for a quiet market if week or two, but there is a better feeling goo s, and the market the past week sh an improvement.

goo s, and the market the past week show an improvement.

The market for woolen goods is very firm, it view of the strong position of the raw material to the demand for light spring fabrics from its clothing trade continues rather moderate for the season, and manufacturers are not ordered aheas to the extent of last year's business. Buyer thus far have been cautious and backward, but have about made up their minist that nothing it to be gained by longer waiting, as producer manifest no disposition to press sales at any con-cession, and prices are now low as compared

St. Louis, December 17.-Flour-firm r, not Popular Monthly Drawing of the ommonwealth Distribution Co., AT MACAULEY'S THEATER, In the City of Louisville, on

FRIDAY, December 31st, 1880. These drawings occur menthly (Sundays expred) ander provisions of an Act of the Gen-l Assembly of Kestmoky, incorporating the export Printing and Newspaper Co., approved pril 9, 1858.

1st That the Commonwealth Distribution Company is legal.

Ed-Its drawings are tair,
The timmany has now on hand a large reserve fami. Read the list of prizes for thy

The United Name Circuit Cases on States of Priciary, December 17, 1830.

Receipts by wayon concinne very large and country produce is combine very large and country produce is combined in reely, but the denaed is different that the Commanwealth District States of the Company is legal.

Cotton shows a better feeting to-day and top prices were paid a The receipts are not evira large and the d-mand is very active. The Mexican buyers are shipping their cotton both by wayon and by rail.

Hides continue clerated and the market is very excited here although a marked duliness prevails in eastern markets; use 199, etc., per jound is the common price paid for good hides and there is an active demand at these prices.

We hear of a number of jois now on the road to this city. At present the receipts are st large for this season of the year. Prom the trade circular of Mesers. Pickard & Andresen we glean the following facet regarding the New York hide market during the week ending on the lith:

The receipts included \$6,60 index, and the sales amounted to 70,00 hides and kips and \$5 bates, levving the stock in firth hands \$12,00 hides and kips and \$5 bates, levving the stock in firth hands \$15,000 hides and kips and \$5 bates, levving the stock in firth hands \$15,000 hides and kips and \$5 bates, levving the stock was inhibited to the proving some soft of the market was reported active on the lith at a decine of a half coal per pound. Good kins were kept up to previous square and prices were kept up to previous squares, the assortments of all kinds were kept full by the receipts which were not in excess the requirements of the manufacturers and jobbing trade.

Deer skins in San Antonio are at the top point in price and the regular piaza price to-day was and some prices. Leather was in better demand at fail prices for the price for the prices of the requirements of the manufacturers and jobbing trade.

Deer skins in San Antonio are at the top point in price and the requirements of the manufacturers and jobbing trade.

Deer skins ON THURSDAY, DECEMBER 23, 1886, letween the hours of 16 o'clock 3, m, and o'clock 9, m., before the courthouse door Bexar courty, to the highest bicklef for cash dec5-20days. H. KLOUKE, Trastee.

-morrow."

The largest sale of received saits in our city as made Thursdey by Sim Harri the live erve seat field saids of the entire largesm of seats for an associated.

"Why di in't I kilkhim when I had him."

The last at 7 cs. and a city large pound is kindards as and a stream of south of the word opposite Citholic cathedral, between Main and Military plazas, on street railway lies.

of Texas, on the 25th day of February, A. D. 1871

This agreement is signed by W. C. A. This e-pare, mayor of San Ant nio, and H. Blooke, pressiling justice of the county court.

The reporter yesterday called on Mayor French for a brief account of the origin of the surfa, and obtained statements embracing the following points:

The suit acose out of the failure of the city to come to terms of actiling the principles of the come to terms of actiling the principles of the come to terms of actiling the principles of the come to terms of actiling the county hould be approximated and demanding the case arbitrated on its merital and demanding the case of the quit aim is approximated to the county hould that the city county hould be a county hould be a county hould be a county hould be county ho Why didn't I him him when I had him, An inquest was held yesterday murn's, of the body of a man by the name of J Milwha died suddenly in a bent on the hilly or the railway dept. The jury found tha trail causes ki led the man.

Citizena residing along the proposed line of Peirce road north of the city say they will permit the road to ren through their ugins. They will not acit their property, ears, and will not slice it to be cut up his roads. An injunction will probably be not should the road seek to make its way ough their quarter.

"Why didn's I kill bins when I had him."

To convince yourself and to asve your money, we most respectfully invite you to call at our establishment and price one goods. We guarantee to sell as low as any house in San Antonio. Our goods were all selected for the retail trade, and we are deregained not to be undersood by any one. It is true the liberal patronage which has been bestowed on us this season has somewhat reduced our stock, but we can supply you all. Call and see for yourself and you will find "he humbug" about us.
