OFFICE of DAILY AND WEEKLY EXPRESS, | Monday, December 23, 1880. |

The receipts from the country by wagons to-day were fully up to the average of Monday, but are not so large as are expected duving the remainder of the week. Business continues brisk in the retail lines, and the idva mechanics are aiso longs, as well as general dealers about the city. We note a general hard-ning of prices for the Christmas trade and In a socilines there have been a total advances in the figures.

prices for the Christems trede and in a one lines there have been a total advances is the farmer.

Hose have advanced again with larger record and three haundered long stetched Eagle has hides of tweaty-seven pounds average, said to-day at scaled bids at twenty cents as they ran. Another let of equally good hides, also from Eagle Pass, but of a less number, were sold at the same price. Summer stock is in less demand and prices range about a cent and a half lower than the figures we have given above. The demand is active and larger receipts would meet with a ready sale.

Grain is in light receipt and the local demand is much better on account of the episootic a dithe colder weather. The few looks of e or no the plaza this morning were sold firm at seventy cets per bushel, which is an advance of about the edder weather. The few loads of e or no the plaza this morning were sold firm at seventy cets per bushel, which is an advance of about the edder weather. The few loads of e or no the plaza this morning were sold firm at seventy cets per bushel, which is an advance of about the edder weather. The few loads of e or not he plaza this morning were sold firm at seventy cets per bushel, which is an advance of about the edder weather. The few loads of e or not he plaza this morning were sold firm at seventy cets per bushel, which is an advance of about the edder weather. The few loads of e or not he plaza this morning were sold firm at seventy cets per bushel, which is an advance of about the edder weather. The few loads of e or not he plaza this morning were sold firm at seventy cets per bushel, which is an advance of about the edder weather. The few loads of e or not he plaza this morning were sold firm at seventy cets per bushel, with the case per large the following two five to offer for sale the following town lots and honese, viz:

All the vacant Lats in Blocks 2, 4, 5 and 7, wet of the San Pedro, and the local demand as the local demand at the control of the san Pedro, on the plaza this morning the course of the

with an active demand.

Pecans are in light receipt and are kent quite firm in small lost by the heliday demand.

Word remains firm under favorable northern vivices, and the steck is very firm.

The receipts by rail to-day were very light and only included three carlonds of mixed mershandise, one of apples, and four of government freight.

Always on Hand.
